Workforce and Talent Development Economic Development Funding

RFP '16/37/P

Listed below is a question that has been raised concerning the aforementioned RFP.

May 112016

What is the amount available for each RFP?

In the past our largest contract has been $210k for the SF Business Incubator. The selection committee will be selecting the whole economic development portfolio for the fiscal year beginning July 1, 2016. We expect them to allocate up to $700k and likely not less than $400k.
