I. CALL TO ORDER

The meeting of the Economic Development Review Subcommittee was called to order at 9:30 am by Simon Brackley, Chair, on Thursday, February 23, 2017, at the Marked Station at the Railyard, Box Car Conference Room. 500 Market Station, Suite 2, Santa Fe, New Mexico.

2. ROLL CALL

MEMBERS PRESENT

Simon Brackley, Chair Kathy Keith, Vice Chair Lisa Alejandro Cervantes "Buddy" Roybal Damon Taggart

MEMBERS ABSENT

OTHERS PRESENT

Councilor Michael Harris
Alexandra Ladd, Director, City of Santa Fe Economic Development
Fabian Trujillo, City of Santa Fe Economic Development
Elizabeth Martin, Stenographer

3. APPROVAL OF MINUTES

MOTION A motion was made by Ms. Keith, seconded by Mr. Taggart, to approve the minutes as presented.

VOTE The motion passed unanimously by voice vote.

4. APPROVAL OF AGENDA

MOTION A motion was made by Ms. Keith, seconded by Mr. Roybal, to approve the agenda as presented.

VOTE The motion passed unanimously by voice vote.

5. ACTION ITEMS

A. REQUEST FOR APPROVAL OF AN ORDINANCE AMENDING SECTION 6-17, MEMBERSHIP OF THE CITY BUSINESS AND QUALITY OF LIFE ADVISORY COMMITTEE TO CHANGE THE NAME TO THE ECONOMIC DEVELOPMENT ADVISORY COMMITTEE, TO REMOVE ONE OF THE GOVERNING BODY; REMOVING THE REQUIREMENT FOR GOVERNING BODY REVIEW OF THE WORK OF THE ADVISORY COMMITTEE; AND AMENDING THE MEMBERSHIP OF THE ECONOMIC DEVELOPMENT REVIEW SUBCOMMITTEE TO ADD A MEMBER OF THE GOVERNING BODY AND REMOVE ONE APPOINTED MEMBER.

Councilor Harris presented his proposed Ordinance which was included in the packet. He feels that the City Business and Quality of Life Advisory Committee needs only one member of Governing Body and that then need a name change. He reviewed the Ordinance. There are many committees that City Councillors are part of but for instance, the Airport Advisory Board, Public Safety and the Library Committee have not seen a Councilor for awhile. The name CBQL dilutes the responsibility of the Committee for it's core mission of economic development. Also in his proposal is a name change for this Committee and that the Councilor members of both will serve as Chair.

Mr. Roybal said he commends the Councilor for shifting the focus of CBQL back to economic development. That is a good thing based on all his years of being on that Committee.

Councilor Harris said we are also looking at all the terms. The terms on everyone need to be updated.

Councilor Harris said we want to encourage ideas and input from the Committees and not act in a top down manner. The members have a lot to offer.

Mr. Roybal said we have great people on CBQL. We all have something to offer.

Councilor Harris said Simon has been very helpful. He suggested an overall Committee and meeting. He also said that midday meetings are hard for business people to attend. We would like to get the structure in place reviewing the credentials of

the people there, getting a full house and getting organized and see if we want to change the time. He and Fabian talked and he had a very good proposal.

Mr. Trujillo said after reviewing this he noticed there are 3 core missions in our implementation, Workforce Development, sites and infrastructure and economic development. He suggested that the Ordinance be changes to allow someone from work force development to serve on the Committee. That would add one person to CBQL but the membership will be reduced if this Ordinance passes from 12 to 10.

Chair Brackely said so with approval from us this proposal will go to CBQL and then to the committee process.

Councilor Harris said yes it is an Ordinance.

Mr. Trujillo said there also has to be a public hearing because it is an Ordinance.

Mr. Brackely said regarding the timing of the meeting there issue of not having a quorum has been difficult. He thinks it is because it is at 11:00 am. Early morning or late afternoon would be better for people. He would like to propose looking at that time.

Mr. Taggart said he appreciate you Councilor Harris' efforts to tighten up the CBQL. The Committee needs energy to get it going again. He was on it for 2 ½ years and he sees this as a natural progression. Some aspects did fall into the quality of life banner and that may get lost but that is a good shift. All the committees have the charge to support the quality of life in Santa Fe. He wants to go on record as supporting this.

Mr. Roybal said there seems to be an overlap with CBQL and this Committee.

Chair Harris said he wondered if we would not just drop this subcommittee. He was not clear and it did not click for him what this Committee had done. According to Simon there have been occasions where a lot of work had to be done in terms of applications. He thought that would be unyielding to do through CBQL. Councilor Lindell also understood the value of the Subcommittee.

Mr. Roybal said he is not questioning the value but some things that come through here get duplicated. He is on both committees.

Councilor Harris said the way he sees it is that this has 2 responsibilities. We need to make sure we focus on the responsibilities.

Chair Brackley said and meet as necessary, not regularly.

Councilor Harris said he read the minutes of the last meeting of this Subcommittee. Fabian reported that he was working on the update. Is that a topic that

should be addressed at Subcommittee level or just in the full Body. It goes beyond the scope. It may be more appropriate to just leave that within the Economic Development Advisory Committee and just make members of this Subcommittee aware of it. There may be a few other instances. This is a rolling up of the sleeves working Committee.

Ms. Keith said there is another thing that we have not really done on a regular basis. We don't know the scope of the entire budget so often we get a project put before us and we don't know the whole picture. We would be better at making decisions and giving recommendations if we knew what the City was doing as a whole. Maybe we could get a review once a year.

Councilor Harris said that is staffs responsibility to give you the context. That should be on going.

Chair Brackley said you are going into the budget process now. Is this not the appropriate time to start thinking about that.

Councilor Harris said he agrees wholeheartedly. The best way to do it is to let Fabian and Alexandra think about that and come back to you with an update.

Ms. Ladd said she can put the budget discussion into a time line. Staff has entered in the numbers we think we will move forward with. Across the board all of those contracts will continue for another year of funding with maybe one exception. They are in the Economic Development Plan. We will meet at the first week of March with the Finance Director and the City Manager to work through the numbers and make sure everyone is on board. This budget reflects a slight reduction in each contract. There are 12 of them.

Chair Brackley asked and they are all going to be renewed.

Ms. Ladd said 10 of them. We don't have enough data at this point for a couple of those projects, however, we have not seen as much from those as we should have.

Chair Brackley asked so the middle of March.

Ms. Ladd said the Finance Committee will finish their hearings at the end of March. Then it is approved by the Governing Body. We will have a better handle on which ones to renew at that time. Then those contracts will go back through the committee process for renewal.

Chair Brackley said the Governing Body has a lot of pressure on then as to what to spend money on and we need to advocate for Economic Development.

Ms. Ladd said that is a good point. Most of the money for contracts comes out of the general fund so they are more vulnerable. We are being conservative.

Ms. Alejandro said this is really interesting. She is an outsider and new to this. It has always been mysterious to her as to what CBQL was and ambiguous to her what the mission was. It seemed very broad. It seems to her that this is a very smart thing to do to hone that focus more. It would help the members as well. She likes this Committee because our mission is clear. If that is not as clear on CBQL side then it is challenging for the members to take on the task.

Mr. Roybal asked as far as the members appointed is it strictly a Mayor's appointment.

Mr. Trujillo said people appointed are at the discretion of the Mayor. There are a lot of ways that the Mayor gets the names, directly, through councilors and advertising in newspaper asking people who are willing to serve that they send in their requests and resumes. Staff and Councilors weigh in on the possibilities and we submit a list to the Mayor. He makes the final decision usually in consultation with the Committee Chair and the Governing Body. He been staffing this Committee for 8 or 10 years now.

Mr. Roybal said he has been on CBQL forever and on this one 3 or 4 years. It seems his term is never up.

Chair Brackley said it says this committee does not term out.

Councilor Harris said there are terms that have expired quite some time ago. We have not really followed what we should. An example is we are to have 2 members from the CBQL on this body. We have one with Buddy. We need to get back to our mission. He submitted to Rob Carter a man for membership on PARC. Mr. Carter submitted him to the Mayor and he was approved last night at Council.

Councilor Harris said it seems like it would be useful to get more information to this Subcommittee, in response to Ms. Ladd comments. He is on Finance. He thinks it would be good and useful for the Finance Committee to have a discussion about what Ms. Ladd is proposing at the subcommittee level. He suggests there be another meeting.

Ms. Ladd said to clarify, when we were budgeting we looked at what would be the maximum funding because it is easier to go down. We also budgeted and organized by topics.

Councilor Harris said he and Councilor Villarreal will be much more knowledgeable this time. Last year we were sworn in and thrown in with zero training.

Chair Brackley said it sounds like you are ready to present some context and how staff is funded. That would be useful.

Councilor Harris asked do you get the quarterly report of how our City is doing.

Chair Brackley said no, is that something he should look forward to.

Councilor Harris said if you want context that is a great way to get it. We have a good Financial Department. Adam is now Finance Director and he has a couple of new people who have a lot of credentials. We are getting good information. He would be more than happy to send to you the report or Fabian can direct it out to Committee members.

Chair Brackley said it would be helpful.

Councilor Harris said the City of Santa Fe is a major commercial enterprise at a certain level. To really understand what is going on and how economic development fits into it and to have better information would be great. He asked Fabian to forward the last report to all members.

Chair Brackely said there is a new group that formed, the Southside Development Committee, who had a meeting last week. It is the center piece for development in that area. There is lots going on. The chamber is providing the space for this group to meet and he is quite involved. There is a lot of economic development going on in this community. Economic Development is ticking upwards. Career opportunities are ticking upwards as well. He is encouraged. There is an interesting diversity.

Councilor Harris asked would you put me on the distribution list for that organization. It is nice that there is going to be an organized forum for that.

Mr. Trujillo said he would like to be on that as well.

Chair Brackley said Lisa Martinez is representing the City on that. She lives in District 4.

Mr. Roybal asked do we need to amend one section of this proposed Ordinance.

Chair Brackley said we need to add that a Workforce Development representative will serve on the Economic Development Advisory Board.

MOTION A motion was made by Mr. Roybal, seconded by Ms. Alejandro, to recommend approval of the proposed Ordinance as amended.

VOTE The motion passed unanimously by voice vote.

Councilor Harris said thank you. This was a good discussion.

6. INFORMATIONAL ITEMS

None

7. REPORTS

None

8. ITEMS FROM THE COMMITTEE

None

9. ITEMS FROM STAFF

Mr. Trujillo said we are completing the Economic Development Plan and Resolution and code analysis. It will be reviewed at the March 8th CBQL meeting. He would like to ask this Committee to attend that meeting if you could. He is going to send the members a copy of that packet when it is complete. We are getting ready to present their findings and recommendations. Again, the meeting is on March 8th at 11:00 am.

Chair Brackley asked what code it that.

Mr. Trujillo said chapter 11-11 chapter 11-14 chapter of the Economic Development code. We reviewed other parts of it that relate to it as well. This is the process of how economic development projects get approved. We were asked to review this and give recommendations. That has been done and it at Legal now for their review. It had not been reviewed since 2008. Since then we changed the IRB process and other items. There have also been Statute changes for the State. There are changes proposed at the Legislature this year as well. One of the things he can say is we would like to recommend giving the Governing Body a tool to waive impact fees when they are considering a project. Right now they are not allowed to be waived and have to be paid out of the Economic Development Fund. This will give them another tool. It also keeps the Economic Development Fund from being depleted. They will be outlined in detail and will be sent to you in advance so you can look at them before the meeting. We will bring up other recommendations as well.

Chair Brackley asked will this formalize what Councilor Maestas talked about at our last meeting.

Mr. Trujillo said yes.

Chair Brackley said the sooner you can get that out to this group the better so we can give input.

Mr. Trujillo said we will send it out around March 1st or 2nd.

Councilor Harris said a little over a month ago he read an article in the Albuquerque Journal that the City of Rio Rancho was lowering their impact fees to be comparable to Albuquerque. He took it to Kathryn Mortimer to add in the Santa Fe numbers. He has not heard back from her. Will you Fabian check with her about that information. Maybe it could be an attachment to your presentation. He introduced an Ordinance last night to update our building codes. We are still operating under 2009 codes. He is going to see if he can get support for that.

Chair Brackley asked is your comparison to determine how competitive we are.

Councilor Harris said yes, informational. He believes in a discipline of numbers. Personally. He tries to represent that it is important.

10. NEXT MEETING DATE

As needed.

11. ADJOURNMENT

The meeting adjourned at 10:30 am.

RE:

Second Street Brewery - Project Participation Agreement

Background:

The Second Street Brewery and Restaurant opened for business in December 1996 at its main location on Second Street in a 3,200 square foot building where the original restaurant continues to be located. The consumption of beer has increased from 6 BBL to over ten times that amount today. In 2002, the Second Street CEO and board decided an expansion was necessary to maintain adequate supplies and quality. An 1,800 square foot space was leased and remodeled into a brewery. This expanded capacity enabled Second Street to open a second restaurant in 2010. The success of the expansion absorbed all of their unused capacity of the brewery that was built in 2002.

Therefore, Second Street Brewery is building a new production and taproom facility of 20,000 square feet at 2920 Rufina Street. The facility will be a production commercial brewing and packaging facility with taproom offering full service dining. The expansion will increase production to allow for statewide sale to retailers in 12 ounce cans and kegs. The expansion will result in the hiring of 51 new employees between the production (manufacturing) facility and taproom.

Although, the facility will generate 51 employees, Second Street may only qualify to use the LEDA monies for the production portion of the operations. Therefore, the job creation in PPA will be based on the production facility over a five year period.

Item and Issue:

Second Street Brewery, Inc. is requesting \$100,000 from the State of New Mexico LEDA funds. The LEDA grant monies will be used for the design, improvement and construction of infrastructure to the site as well as infrastructure in the facility. They may also be used for the buildout of brewery, taproom, storage and other related construction of the facility. Specifically, the LEDA funds will be used for the following:

- a. Design and Improvements to site for parking and access and landscaping city code requirements.
- b. Construction and trim-out of outdoor seating area.
- c. Build out of brewery, canning line electrical service, and general plumbing and mechanical infrastructure.
- d. Miscellaneous items to support function, safety, and code compliance of entire site, including warehouse, malt transport, storage facilities, brew house, quality control laboratory, packaging, and taproom.
- e. Construction and development of remaining infrastructure to building and site.

Second Street Brewery, Inc. will contribute \$1,850,000 to complete the construction of the project, install the infrastructure, purchase equipment and design the facility.

The expansion of the facility will generate positive economic benefits to the city during construction and then during the operations of the facility. During construction, the project is also estimated to create 13 direct construction jobs and 8 indirect jobs for a total of 21 jobs during the construction phase. The payroll for the direct employees is estimated to be approximately \$575,490 which will generate approximately \$1.1 million in revenues to businesses related to the construction of the facility.

The operations of the facility are estimated to generate a total of \$3,712,234 in revenues to the city over a 10 year period. These revenues are comprised of gross receipts taxes, property taxes, utility fees, utility franchise fees, lodger's taxes and other taxes and user fees. Santa Fe Brewery will be required to create 5 production jobs within the next five years with an average wage of \$67,140.

Action:

Staff recommends approval of the project participation agreement, intergovernmental agreement, budget adjustment request and supporting documents for \$100,000 in grant monies from the City of Santa Fe LEDA fund. The NM Economic Development Department will transfer \$100,000 to the City of Santa Fe's LEDA fund once the project participation and intergovernmental agreements are approved and executed.

1	CITY OF SANTA FE, NEW MEXICO
2	BILL NO. 2017
3	INTRODUCED BY:
4	
5	Councilor Mike Harris
6	Councilor Ron Trujillo
7	
8	
9	
10	AN ORDINANCE
11	RELATING TO THE CITY OF SANTA FE ECONOMIC DEVELOPMENT PLAN
12	ORDINANCE, ARTICLE 11-11 SFCC 1987; APPROVING AND ADOPTING A LOCAL
13	ECONOMIC DEVELOPMENT PROJECT PARTICIPATION AGREEMENT BETWEEN
14	THE CITY OF SANTA FE AND SECOND STREET BREWERY, INC. FOR EXPANSION OF
15	THE MANUFACTURING FACILITY, A LOCAL ECONOMIC DEVELOPMENT
16	PROJECT.
17	
18	BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF SANTA FE:
19	Section 1. Short Title. This Ordinance shall be known as the "Second Street Brewery,
20	Inc. Local Economic Development Project Ordinance."
21	Section 2. Recitals.
22	A. The Local Economic Development Act, Sections 5-10-1 et. seq. NMSA 1978
23	explicitly permits municipalities to assist qualifying entities with economic development projects
24	through the use of public resources; and
25	B. The City of Santa Fe has complied with the requirements of the Local Economic

Development Act by adopting an Economic Development Fund Ordinance (11-14 SFCC (1987)), incorporating within that ordinance its community economic development plan and its economic development strategy for implementation dated May 21, 2008; and

- C. Second Street Brewery ("Qualifying Entity") is a distillery for the purpose of manufacturing, processing and assembling of agricultural or manufactured products to market under the Economic Development Ordinance that creates economic base jobs.
- D. State of New Mexico has appropriated \$100,000 to the project for construction costs and materials associated with the physical expansion of the facility and to improve or construct infrastructure to provide service to the facility at 2920 Rufina Street in Santa Fe, New Mexico, for construction costs and materials including water, sewer, natural gas, telecommunications, broadband connectivity, roads and other infrastructure necessary to provide service to the facility. This project identified as "Project" will provide expansion and opportunity for manufactured products to market and thus, generate more tax bases, and more gross receipts taxes.

Section 3. Findings. The governing body hereby finds:

- A. The City of Santa Fe has determined that it is in the interest of the welfare of the citizens of Santa Fe to enter into an Economic Development Project Participation Agreement for the purposes of effectuating its Economic Development Plan and the Project.
- B. In compliance with the City's Economic Development Fund Ordinance, 11-14 SFCC (1987), this Project Participation Agreement between Second Street Brewery and the City clearly state the following:
 - (1) The economic development goals of the project;
 - (2) The contributions of the City and Second Street Brewery;
 - (3) The specific measurable objectives upon which the performance review will be based;
 - (4) A schedule for project development and goal attainment;

APPROVED AS TO FORM:

White A. Brennan, City attorney

FIR No. 2940

City of Santa Fe Fiscal Impact Report (FIR)

This Fiscal Impact Report (FIR) shall be completed for each proposed bill or resolution as to its direct impact upon the City's operating budget and is intended for use by any of the standing committees of and the Governing Body of the City of Santa Fe. Bills or resolutions with no fiscal impact still require a completed FIR. Bills or resolutions with a fiscal impact must be reviewed by the Finance Committee. Bills or resolutions without a fiscal impact generally do not require review by the Finance Committee unless the subject of the bill or resolution is financial in nature.

Section A. General Information
(Check) Bill: X Resolution: (A single FIR may be used for related bills and/or resolutions) Short Title(s) AN ORDINANCE RELATING TO THE CITY OF SANTA FE ECONOMIC DEVELOPMENT PLAN ORDINANCE, ARTICLE 11-11 SFCC 1987; APPROVING AND ADOPTING A LOCAL ECONOMIC DEVELOPMENT PROJECT PARTICIPATION AGREEMENT BETWEEN THE CITY OF SANTA FE AND SECOND STREET BREWERY, INC. FOR EXPANSION OF ITS MANUFACTURING FACILITY, A LOCAL ECONOMIC DEVELOPMENT PROJECT.
Sponsor(s): Councilors Harris and Trujillo
Reviewing Department(s): Economic Development
Persons Completing FIR: Fabran Trofillo Date: 4/26/2017 Phone: (505),955-6912 Reviewed by City Attorney: MALL Date: 4/26/2017
Reviewed by Finance Director: (Signature) Date: 4.20.17
Section B. Summary Briefly explain the purpose and major provisions of the bill/resolution:
The project ordinance, project participation agreement (PPA) and intergovernmental agreement (IGA) are for an expansion of a new manufacturing facility and tap room at 2920 Rufina Street. The grant monies will be used for the design, improvement and construction of infrastructure to the facility as well as for infrastructure to the site as well in the facility. They will also be used for the buildout of the brewery, tap room, storage and other related facility construction. The city will receive \$100,000 in NM LEDA funds from the New Mexico Economic Development Department which will be approved through an IGA. The city will be the fiscal agent for the project. The City and Second Street Brewery will enter into a PPA for 10 years. Second Street Brewery has agreed to create 5 manufacturing jobs at an average wage of \$67,140 per year. They will also create approximately 13 temporary construction jobs. The project is expected to generate a total of \$3,712,234 in revenues to the City in gross receipts, property taxes and other fees.
Section C. Fiscal Impact Note: Financial information on this FIR does not directly translate into a City of Santa Fe budget increase. For a budget increase, the following are required:

- a. The item must be on the agenda at the Finance Committee and City Council as a "Request for Approval of a City of Santa Fe Budget Increase" with a definitive funding source (could be same item and same time as bill/resolution)
- b. Detailed budget information must be attached as to fund, business units, and line item, amounts, and explanations (similar to annual requests for budget)
- c. Detailed personnel forms must be attached as to range, salary, and benefit allocation and signed by Human Resource Department for each new position(s) requested (prorated for period to be employed by fiscal year)*

Finance	Director:	
---------	-----------	--

1. Projected Expenditures:

- a. Indicate Fiscal Year(s) affected usually current fiscal year and following fiscal year (i.e., FY 03/04 and FY 04/05)
- b. Indicate:
- "A" if current budget and level of staffing will absorb the costs
- "N" if new, additional, or increased budget or staffing will be required
- c. Indicate:
- "R" if recurring annual costs
- "NR" if one-time, non-recurring costs, such as start-up, contract or equipment costs
- d. Attach additional projection schedules if two years does not adequately project revenue and cost patterns
- e. Costs may be netted or shown as an offset if some cost savings are projected (explain in Section 3 Narrative)

3. Expenditure/Revenue Narrative:

Explain revenue source(s). Include revenue calculations, grant(s) available, anticipated date of receipt of revenues/grants, etc. Explain expenditures, grant match(s), justify personnel increase(s), detail capital and operating uses, etc. (Attach supplemental page, if necessary.)

The City will receive \$100,000 from the NM LEDA Fund. It will be transferred into the City Economic Development Fund. The monies will be utilized to pay for the design, development, construction of the facility and infrastructure to the site and in the facility. Second Street Brewery will contribute \$1,850,000 to the balance of the project. The costs of overseeing the Project Participation Agreement and serving as the fiscal agent will be absorbed by existing personnel.

Section D. General Narrative

1. Conflicts: Does this proposed bill/resolution duplicate/conflict with/companion to/relate to any City code, approved ordinance or resolution, other adopted policies or proposed legislation? Include details of city adopted laws/ordinance/resolutions and dates. Summarize the relationships, conflicts or overlaps.

This bill does not conflict with any introduced bill. It would stimulate the craft brewing sub-sector of Santa Fe economy and also the manufacturing sector of Santa Fe's economy by supporting this expansion project.

2. Consequences of Not Enacting This Bill/Resolution:

Are there consequences of not enacting this bill/resolution? If so, describe.

The consequences of not enacting this bill would continue would result in that Second Street Brewery would limit Second's Street expansion of their facility. The project will enhance the revenues to the city in the form of gross receipts taxes, property taxes, lodgers taxes, utility fees and other fees.

3. Technical Issues:

Are there incorrect citations of law, drafting errors or other problems? Are there any amendments that should be considered? Are there any other alternatives which should be considered? If so, describe.

None

4. Community Impact:

Briefly describe the major positive or negative effects the Bill/Resolution might have on the community including, but not limited to, businesses, neighborhoods, families, children and youth, social service providers and other institutions such as schools, churches, etc.

Second Street Brewery has been operating in Santa Fe for 20 years. Currently they employ 60 people in their two locations. This expansion is construction a production commercial brewing and packaging facility with a taproom. The taproom will offer full service dining, too. The beer produced will be sold to retailers statewide in 12 oz cans and kegs. The expansion will result the hiring of 51 new employees between the production (manufacturing) facility and taproom. The project will also stimulate the construction industry by generating an additional 13 construction jobs and approximately \$575,490 in construction payroll. The project is estimated to generate a total of \$3,712, 234 in net revenues and benefits to the City.

Form adopted: 01/12/05; revised 8/24/05; revised 4/17/08

CITY OF SANTA FE

ECONOMIC DEVELOPMENT

PROJECT PARTICIPATION AGREEMENT

THIS PROJECT PARTICIPATION	N AGREEMENT ("Agreement") is made and
entered into thisday of	, 2017 by and between the City of Santa Fe, a
municipal corporation (hereinafter referred to	as the "City") and Second Street Brewery, Inc., a
New Mexico corporation (hereinafter referred	to as the "Qualifying Entity" or "Q/E").

WHEREAS, the State of New Mexico has deemed it in the best interest of the citizens of New Mexico to enact the Local Economic Development Act (<u>LEDA</u>) (N.M. Stat. Ann. 5-10-1 et seq. (1978);

WHEREAS, LEDA explicitly permits municipalities to assist qualifying entities with economic development projects through the use of public resources;

WHEREAS, the City has complied with LEDA requirements by adopting an economic development plan ordinance incorporating within that ordinance its community economic development plan (11-11 SFCC (1987)), called the Community Economic Development Plan and Economic Development Strategy for Implementation dated May 21, 2008;

WHEREAS, Second Street Brewery, Inc. is a "qualifying entity" under LEDA and the Economic Development Ordinance in that it is a "business in a primary industry that creates economic base jobs which is defined as a company that manufactures...or processes goods" (SFCC § 11-11.4 (A)); is "an industry for the manufacturing, processing or assembling of agricultural . . . products" and also is "a commercial enterprise for storing, warehousing, distributing or selling products of agriculture" (NMSA 1978, Section 5-10-3 (I));

WHEREAS, all requirements under the Economic Development Ordinance have been fulfilled;

WHEREAS, the Q/E has submitted an application ("Application") to the City for assistance under the Economic Development Plan Ordinance (11-11 SFCC (1987)) and for the City act as fiscal agent for the grant monies ("Grant Monies") granted by the City through its Office of Economic Development and through the New Mexico Economic Development Department;

WHEREAS, in the Application, the Q/E proposed an "economic development project" compliant with LEDA, in that it will use the Grant Monies for construction costs and materials associated with the physical expansion of its facilities and to improve or construct infrastructure, including water, sewer, natural gas, telecommunications, broadband connectivity, roads and other infrastructure necessary to provide service to the facility (the "Project") located at 2920 Rufina Street, Santa Fe, New Mexico, 87507;

WHEREAS, the City has determined that it is in the interest of the welfare of the citizens of the City to enter into this Agreement for the purposes of effectuating its economic development plan;

WHEREAS, the State of New Mexico's contribution to the Project is One-hundred Thousand Dollars (\$100,000) from the New Mexico LEDA Fund ("NM LEDA Fund") pursuant to an intergovernmental agreement between the City and the State to be executed soon after the execution of this Agreement; and the Q/E shall contribute at least One Million Eight Hundred Fifty Thousand Dollars (\$1,850,000) to the Project; and

WHEREAS, the Project addresses the following objectives from the Santa Fe Economic Development Implementation Strategy as adopted by City Resolution 2008-42: "Diversify the Santa Fe Economy with an emphasis on high wage jobs and career paths;" "Pursue overall affordability where local wages can support living in Santa Fe (reduce leakage);" and "Bolster Santa Fe's leadership position and/or potential in innovation."

WHEREAS, this Agreement clearly provides the following as required by LEDA and the Economic Development Plan Ordinance: (1) the economic development goals of the Project; (2) the contributions of the City, State, and the Q/E; (3) the specific measurable objectives upon which the performance review will be based; (4) a schedule for project development and goal attainment; (5) the security being offered for the City's and State's investment; (6) the procedures by which the project may be terminated and the City's investment recovered; (7) the time period for which the City shall retain an interest in the Project; (8) a "sunset" clause after which the City shall relinquish interest in and oversight of the Project; and (9) that the Qualifying Entity is a qualifying entity.

NOW THEREFORE, in consideration of the foregoing, the following and other good and valuable consideration, the receipt of which is hereby acknowledged the undersigned parties hereby agree as follows.

1. CONTRIBUTIONS OF THE CITY, THE STATE AND THE Q/E

- A. <u>Contributions of the State and the City</u>. The maximum Grant Monies that may be disbursed under this agreement shall be \$100,000, as described below:
- (1) <u>City Contribution</u>. The City will serve as fiscal agent pursuant to the Intergovernmental Agreement between the City and State.
- (2) <u>State Contribution</u>: This Agreement governs the State's contribution of One-Hundred Thousand Dollars (\$100,000) from the NM LEDA Fund by way of the New Mexico Economic Development Department. No Grant Moneys shall be used to pay for removable equipment.
- (3) <u>Disbursement of Grant Monies</u>: Dispersal of the NM LEDA Funds by the State and the City are contingent upon the following:

- (a) The City and the New Mexico Economic Development Department shall execute an intergovernmental agreement for the State to grant \$100,000 to the City as fiscal agent for the Project; and
- (b) The Q/E shall submit to the City for review, a cover letter, invoice and supporting documentation of the completion of each Project phase:
 - (i) Design and Improvements to site for parking and access and landscaping city code requirements.
 - (ii) Building infrastructure Construction and trim-out of outdoor seating area.
 - (iii) Build out of brewery, canning line electrical service, and general plumbing and mechanical infrastructure.
 - (iv) Miscellaneous items to support function, safety, and code compliance of entire site, including warehouse, malt transport, storage facilities, brewhouse, quality control laboratory, packaging, and taproom.
 - (v) Construction and development of remaining infrastructure to building and site.
- (c) The City shall reimburse to the Q/E the Grant Monies not to exceed \$100,000 within a reasonable time after the City's review and acceptance that the Project has been completed to the satisfaction of the City. If Grant Monies from the City and State do not fully fund the Project; the Q/E shall contribute any additional funds necessary to fund the remainder of the Project.

B. Contributions of the Q/E.

- (1) <u>Financial Investment:</u> The Q/E shall contribute One-Million Eight Hundred Fifty Thousand Dollars s (\$1,850,000) or more in matching funds to complete the Project.
- (2) <u>Project Management</u>: Unless otherwise specified in this Agreement, the Q/E shall be responsible for managing all parts of the Project.
- (3) <u>Construction Jobs Creation</u>: The construction of the facilities is anticipated to create <u>51</u> direct production jobs and <u>30</u> indirect and induced jobs over the course of the next ten years (See pages 4 and 6 of Economic Impact Report Attachment C). The construction phase is estimated to generate 13 temporary direct construction related jobs which, in turn, is expected to generate approximately \$575,490 in total estimated construction salaries (See page 8 of Attachment C), and a total direct economic output for the expansion of the facility in the amount of \$102,504,350 over ten years, as further described in the Economic Impact Report (See page 4 and page 6. The construction phase is expected to be complete by July 31, 2018. See **Attachment "C**").
- (4) <u>Full-Time Equivalent Employment</u>: Within five years after this Agreement has been entered into, the Q/E will have created <u>5</u> direct full-time production equivalent employment jobs that have been retained by the Q/E for at least one year and meet the schedule of job creation and minimum average wages pursuant to the Job Creation Schedule. See **Attachment "A"**.

- (5) Expanded Tax Base: As a result of the completion of the Project, the Q/E will generate contributions to the City's tax base, as enumerated in the Economic Impact Report. Annual tax revenues for the City generated by this Project (including property taxes, gross receipts taxes, utility fees, utility franchise fees, lodger's taxes and other use taxes) are estimated \$2,746,208 over ten years. (See pp. 10 of Economic Impact Report.)
- (6) <u>Proportional Investment</u>: The Q/E at its discretion may decide to not accept the entire \$100,000 in Grant Monies for the Project. If the Q/E does not accept the entire granted monies, then the capital investment and job creation requirements would then decrease proportionally to the level of Grant Monies accepted. The Q/E shall notify the City 30 days prior to its decision.

2. PERFORMANCE REVIEW AND CRITERIA

- A. <u>Economic Development Goals</u>. The following Project and Economic Development Goals shall be fulfilled by the Q/E:
- (1) By the end of the year 2019, after completion of the construction of the facilities, the Q/E shall employ at least four (4) new full-time equivalent employees in the City of Santa Fe, while retaining the prior employment, and in accordance with the minimum average wage in the Job Creation Schedule. See Attachment "A".

Example: By the end of the year 2019, the Q/E will have at least 4 new full-time equivalent jobs: at least two of those new job will have been created that same year, and at least 2 prior new jobs will have been retained from the prior year, and the remaining 60 jobs that had existed prior to entering into this agreement will also have been retained. The two new full-time equivalent jobs shall have a minimum average wage of \$63,000 per year.

- (2) By the end of the year 2022, the Q/E shall employ no less than five (5) new full-time equivalent production employees in the City of Santa Fe, while retaining the prior employment figures, in accordance with the minimum average wage data points in the Job Creation Schedule.
- (3) The Q/E's contribution as set forth in Paragraph 1.B herein, is incorporated into the Economic and Development Goals.
- (4) If any Economic Development Goal set forth in Paragraph 2.A is not met in a manner deemed satisfactory by the City, the City shall within 30 days send a written Notice of Default to the Q/E informing the Q/E how many days it has to cure the default or repay the Grant Monies expended in proportion to the Economic Development Goals not yet achieved. If the Q/E has documented to the City's satisfaction that the Q/E has cured or repaid by that time, the City may elect to foreclose on the security interest and terminate this Agreement.

B. Reports; Certifications; Review.

- (1) Biannual Report. During the term of this Agreement, the Q/E shall provide to Office of Economic Development staff biannual reports in the months of January and June of each year. The Q/E's biannual reports shall clearly indicate how the Q/E has met the job creation requirements in **Attachment A**, and the taxes generated and other indices contained in the Economic Impact Report. Biannual reports shall be in the form of an affidavit signed by an officer of the Q/E. Biannual reports shall include a copy of FORM ES-903 provided by the Q/E to the City, which the Q/E filed with the New Mexico Department of Workforce Solutions, to demonstrate compliance with this Agreement at each review cycle. In the biannual report, the Q/E shall include number of jobs and the average wage of the new employees. The City's review of the biannual reports shall determine whether the Q/E is in compliance with this Agreement and is substantially achieving the goals and objectives herein.
- (2) <u>Annual Reports</u>. The City may require the Q/E to provide annual reports to the City's governing body and the Economic Development Advisory Committee (<u>EDAC</u>). The City will give the Q/E a minimum of 30 days' notice if reports to the governing body or EDAC are required. City staff shall review these reports to ensure the Q/E's compliance with this Agreement in accordance with the Job Creation Schedule.
- (3) Expanded Tax Base Report: Within a reasonable time after completion of the construction of the facilities, but in any event by the next biannual report, the Q/E shall provide to the City a written report on the construction jobs and wages created and the economic impacts thereof.
- (4) <u>Certification of Non-Interest</u>. The Q/E shall certify to the City that no member, officer, or employee of the City or its designees or agents, no member of the governing body of the locality of which the program is situated, and no other public official that exercises any functions or responsibilities with respect to the Project during his/her tenure, or for one year thereafter, has any interest, direct or indirect, in the Q/E or any contract or subcontract, or the process thereof, for work to be performed in connection with the Project that is the subject of this Agreement. The Q/E shall certify that such a provision shall be included in all contracts and subcontracts in connection with the Project.
- D. <u>Documentation of Completion of Construction Phases</u>: Within a reasonable time after completion of each phase listed in Paragraph 1.A (3) (b) herein, the Q/E shall provide documentation of its completion to the Office of Economic Development. The Q/E shall provide documentation to the City that construction of the facilities was completed by January 31, 2019. See Construction Schedule, attached as **Attachment "B"**.

3. <u>RECAPTURE PROVISIONS FOR PUBLIC MONEYS</u>

A. In the event that by the end of year three (3) after construction of the facilities is complete, the Q/E has employed less than five (5) new full-time equivalent production employees in the City of Santa Fe, the Q/E shall be deemed to be in default ("<u>Default</u>"), and within 60 days of the City receiving the biannual report with information of such default, the City shall send a written Notice of Default to the Q/E informing the Q/E how many days it has to cure the default or repay the Grant Monies expended, in proportion to the Economic Development

Goals not yet achieved. If the Q/E remains noncompliant after any applicable cure period, then the City may elect to pursue any and all remedies available in law or equity, including but not limited to initiating foreclosure of the security interest or demanding timely repayment by the Q/E of the Grant Monies in proportion to the unmet goals, as the City in its sole discretion may determine subject to reasonable calculations.

B. In the event the Q/E ceases operations or closes its processing facility before the end of year three of this Agreement, the Q/E shall be deemed in Default and the Q/E shall timely reimburse 100% of all Grant Monies in the amount of One-Hundred Thousand Dollars (\$100,000) to the City of Santa Fe Economic Development Fund.

C. If the Q/E is still in business by 2022, and has employed five (5) new full-time equivalent production employees for the entire year immediately prior twelve-month period in accordance with the minimum average wage requirement in **Attachment "A"** while retaining the prior employment figures, then the Q/E has no repayment obligations to the City and the State. The Q/E has until 10 years from the date of the Agreement to complete its obligations to the City and State.

4. **Q/E BUYOUT**

The Q/E may, at its election, buyout and thereby terminate this Agreement by repaying in full to the City all Grant Monies. Such repayment by the Q/E shall be without penalty until and unless the City initiates clawback of the Grant Monies, at which point costs, expenses (including City staff time) and attorney's fees will accrue to the repayment amount.

The Q/E must send prior written notice to the City of the Q/E's intent to repay in full the Grant Monies at least 45 days prior to the Q/E's repayment. The City's receipt of the Q/E's repayment of all disbursed Grant Monies (including any costs, fees and expenses resulting from clawback proceedings) constitutes satisfaction of the Q/E under this Agreement, upon which the Q/E may request release of the security interest, and the City will release the security interest within a reasonable time after receiving the Q/E's written request.

Within 30 days of receiving such notice from the Q/E, the City will notify the New Mexico Economic Development Department of the Q/E's intent to exercise the buyout clause. The City will reimburse the New Mexico Economic Development Department its portion of the repaid Grant Monies within 60 days after the City receives the repaid monies from the buyout.

5. SECURITY FOR CITY'S INVESTMENT; CLAWBACK

This is a grant project only, with the City acting as fiscal agent. The Q/E has no loan obligations for repayment to the City or State, but is obligated to fulfill the Economic Development Goals of this Agreement, however if the Q/E is found by the City to be in default, then the City may elect to demand financial reimbursement by the Q/E.

A condition precedent to this PPA is securitization of the Grant Monies which may be clawed back if the Q/E fails to meet its performance goals under this PPA. As security for fulfilling the Economic Development Goals, before the City may disburse any appropriations to the Q/E, the amount of Public Monies to be reimbursed shall be securitized in a manner

satisfactory to the City. The expected securitization method is an irrevocable stand-by letter of credit from an issuing financial institution, with the City as beneficiary, from which the City may immediately draw down upon the City's presentation of a demand for payment and evidence of Q/E's default ("Irrevocable Letter of Credit"). This Irrevocable Letter of Credit shall extend to at least ninety days after the fifth year this Agreement is entered into (the Project Period), plus additional automatic one-year extensions terminable at the sole option and discretion of the City. At any given time, the Irrevocable Letter of Credit must secure an amount, and the City shall be able to draw down an amount, at least equal to the amount of appropriations made to the Q/E for the Project, the maximum being \$100,000. Funds from the Irrevocable Letter of Credit may be drawn in one drawing or from time-to-time in or one or more partial drawings on or before the expiration date.

During the term of this Agreement, the Q/E may request a full or partial release of the Irrevocable Letter of Credit by the substitution of collateral, repayment of the disbursed appropriation or proof that the Q/E has met the Contribution and Economic Development Goals, in part or in whole, under this Agreement. Any full or partial release of the Letter of Credit will be proportional to the value of the substitute collateral, repayment or the portion of Economic Development Goals met. Acceptance of substitute collateral or proof of performance goals shall be within the City's sole and absolute discretion.

6. TERM; SUNSET

This Agreement shall remain in force for 10 years from the execution date of the Agreement, or until conditions of the Agreement are performed in full to the satisfaction of the City, whichever is earlier. In the event the Q/E performs or exceeds the required performance levels contained in this Agreement, as may be determined by the City, this Agreement may be terminated at that time in writing by the City pursuant to Paragraph 7, below.

This Agreement will not be deemed terminated and this Agreement will remain in effect unless and until the City determines that the objectives under this Agreement have been fulfilled and a closure letter by the City is provided to the Q/E.

7. **TERMINATION**

This Agreement may be terminated by the City upon written notice delivered to the Q/E at least 45 days prior to the intended date of termination in the event that the Q/E ceases to operate the Project in accordance with the terms of this Agreement. If the Q/E is found to not be in substantial compliance with the Agreement, the City reserves the right to terminate the Agreement and recall in full the Grant Monies.

The Q/E may terminate the Agreement by pre-paying in full to the City and without penalty any Grant Monies disbursed to the Q/E. The Q/E must send a written letter to the City giving notice of its intent to pre-pay the Grant Monies in full within 45 days prior to the Q/E's intent to repay in full the Grant Monies

8. STATUS OF THE Q/E

The Q/E, and its agents and employees are not employees of the City. The Q/E, and its agents and employees, shall not accrue leave, retirement, insurance, bonding, use of City vehicles or any other benefits afforded to employees of the City as a result of this Agreement. The Q/E shall be solely responsible for payment of wages, salaries and benefits to any and all employees or subcontractors retained by Contractor in the performance of the services under this Agreement.

9. <u>ASSIGNMENT AND SUCCESSORS; BINDING EFFECT</u>

- A. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors in interest by way of merger, acquisition, or otherwise and their permitted assigns.
- B. The Q/E shall not assign or transfer any of its rights, privileges, obligations or other interest under this Agreement, voluntarily or involuntarily, whether by merger, consolidation, dissolution, operation of law or any other matter, including any claims for money due or to become due under this Agreement, without the prior written approval of the City.
- C. Any purported assignment of rights in violation of subsection (B) is void.

10. <u>INDEMNIFICATION</u>; LIABILITY

It is expressly understood and agreed by and between the Q/E and the City that the Q/E shall defend, indemnify and hold harmless the City for all losses, damages, claims or judgments on account of any suit, judgment, execution, claims, actions or demands whatsoever resulting from the Q/E's actions or inactions as a result of this Agreement, as well as the actions or inactions of Q/E's employees, agents, representatives and subcontractors. The Q/E shall maintain adequate insurance in at least the aggregate maximum amounts which the City could be liable consistent with the provisions of the New Mexico Tort Claims Act. It is the sole responsibility of the Q/E to be in compliance with the law.

11. <u>INSURANCE</u>

A. The Q/E, at its own cost and expense, shall carry and maintain in full force and effect during the term of this Agreement, comprehensive general liability insurance covering bodily injury and property damage liability, in a form and with an insurance company acceptable to the City, with limits of coverage in the maximum amount which the City could be held liable under the New Mexico Tort Claims Act for each person injured and for each accident resulting in damage to property. Such insurance shall provide that the City is named as an additional insured and that the City shall be notified no less than 30 days in advance of cancellation for any reason. The Q/E shall furnish the City with a copy of a "Certificate of Insurance" as a condition prior to performing under this Agreement.

B. The Q/E shall also obtain and maintain Workers' Compensation insurance, required by law, to provide coverage for Q/E's employees throughout the term of this Agreement. The Q/E shall provide the City with evidence of its compliance with such requirement.

12. <u>NEW MEXICO TORT CLAIMS ACT</u>

Any liability incurred by the City of Santa Fe in connection with this Agreement is subject to the immunities and limitations of the New Mexico Tort Claims Act, Section 41-4-1, et seq. NMSA 1978, as amended. The City and its "public employees" as defined in the New Mexico Tort Claims Act, do not waive sovereign immunity, do not waive any defense and do not waive any limitation of liability pursuant to law. No provision in this Agreement modifies or waives any provision of the New Mexico Tort Claims Act.

13. THIRD PARTY BENEFICIARIES

By entering into this Agreement the parties do not intend to create any right, title or interest in or for the benefit of any person other than the City and the Q/E. No person shall claim any right, title or interest under this Agreement or seek to enforce this Agreement as a third party beneficiary of this Agreement.

14. **RECORDS AND AUDITS**

The Q/E shall maintain throughout the term of this Agreement and for a period of six years thereafter, all related records, including but not limited to, all financial records, requests for proposals (RFPs), invitations to bid, selection and award criteria, contracts and subcontracts, advertisements, minutes of pertinent meetings, as well as records sufficient to fully account for the amount and disposition of the total funds from all sources budgeted hereunder, the purpose for which such funds were used, and other such records as the City or the State shall proscribe. The Q/E shall be strictly liable for receipts and disbursements related to the Project Grant Monies. These records shall be subject to inspection by the City, the New Mexico Economic Development Department, and the State Auditor upon request. The City shall have the right to audit billings both before and after payment; payments under this Agreement shall not foreclose the right of the City to recover excessive illegal payments.

15. <u>APPROPRIATIONS</u>

The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the City Governing Body and the New Mexico Economic Development Department on behalf of the Q/E to the City for the performance of this Agreement. If sufficient appropriations and authorization are not made by the City Governing Body and the New Mexico Economic Development Department on behalf of the Q/E to the City, this Agreement shall terminate upon written notice being given by the City to the Q/E.

16. **RELEASE**

The Q/E, upon final fulfillment of this Agreement, releases the City, its officers and employees, from all liabilities, claims, and obligations whatsoever arising from or under this Agreement. The Q/E agrees not to purport to bind the City to any obligation not assumed herein by the City unless the Q/E has express written authority to do so, and then only within the strict limits of that authority.

17. **CONFIDENTIALITY**

Any confidential information provided to or developed by the Q/E in the performance of this Agreement shall be kept confidential and shall not be made available to any individual or organization by the Q/E without the prior written approval of the City.

18. **CONFLICT OF INTEREST**

The Q/E warrants that it presently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance or services required under this Agreement. The Q/E further agrees that in the performance of this Agreement no persons having any such interests shall be employed.

19. APPLICABLE LAW; CHOICE OF LAW; VENUE

The Q/E shall abide by all applicable federal and state laws and regulations, and all ordinances, rules and regulations of the City of Santa Fe. In any action, suit or legal dispute arising from this Agreement, the Q/E agrees that the laws of the State of New Mexico shall govern. The Parties agree that any action or suit arising from this Agreement shall be commenced in a federal or state court of competent jurisdiction in New Mexico. Any action or suit commenced in the courts of the State of New Mexico shall be brought in the First Judicial District Court.

20. AMENDMENT

This Agreement shall not be altered, changed or amended except by instrument in writing executed by the parties hereto.

21. SCOPE OF AGREEMENT

This Agreement incorporates all the agreements, covenants, and understanding between the parties hereto concerning the subject matter hereof, and all such covenants, agreements, and understandings have been merged into this written Agreement. This Agreement expresses the entire Agreement and understanding between the parties with respect to said performance. No prior agreement or understanding, verbal or otherwise, of the parties or their agents shall be valid or enforceable unless embodied in the Agreement.

22. REPRESENTATIONS AND WARRANTIES

- A. The Q/E hereby warrants the Q/E is and will remain in compliance with the Americans with Disabilities Act, 29 CFR 1630. The Q/E hereby agrees to defend, indemnify and hold harmless the City from and against all claims, suits, damages, costs, losses and expenses in any manner arising out of or connected with the failure of the Q/E, its contractors and subcontractors, agents, successors, assigns, officers or employees to comply with provisions of the ADA or the rules and regulations promulgated there under the Americans with Disabilities Act, 29 CFR 1630.
- B. The Q/E agrees to comply with the applicable provisions of local, state and federal equal employment opportunity statutes and regulations.
- C. The Q/E shall comply with City of Santa Fe Minimum Wage, Article 28-1-SFCC 1987, as well as any subsequent changes to such article throughout the term of this Agreement.

23. APPLICABLE LAW

This Agreement shall be governed by the ordinances of the City of Santa Fe and the laws of the State of New Mexico.

24. **NON-DISCRIMINATION**

During the term of this Agreement, the Q/E shall not discriminate against any employee or applicant for an employment position to be used in the performance by the Q/E hereunder, on the basis of ethnicity, race, age, religion, creed, color, national origin, ancestry, sex, gender, sexual orientation, physical or mental disability, medical condition, or citizenship status.

25. **SEVERABILITY**

In case any one or more of the provisions contained in this Agreement or any application thereof shall be invalid, illegal or unenforceable in any respect, the validity, legality, and enforceability of the remaining provisions contained herein and any other application thereof shall not in any way be affected or impaired thereby.

26. NOTICES

Any notices required to be given under this Agreement shall be in writing and served by personal delivery or by mail, postage prepaid, to the parties at the following addresses:

27. **HEADINGS**

The section headings contained in this Agreement are for reference purposes only and shall not affect the meaning or interpretation of this Agreement.

28. <u>ATTACHMENTS</u>

All attachments are fully incorporated herein and made a part of this Agreement.

29. **COUNTERPARTS**

This Agreement may be executed in counterparts, each of which shall be deemed to be an original, but all of which, taken together, shall constitute one and the same agreement.

30. REPRESENTATION ON AUTHORITY OF SIGNATORIES

The signatory for the Q/E represents and warrants that he or she is duly authorized and as legal capacity to execute and deliver this Agreement. The Q/E represents and warrants that the execution and delivery of the Agreement and the performance of the Q/E's obligations hereunder have been duly authorized and that the Agreement is a valid and legal agreement binding on such party and enforceable in accordance with its terms.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first written above.

INTERGOVERNMENTAL AGREEMENT NEW MEXICO ECONOMIC DEVELOPMENT DEPARTMENT AND THE CITY OF SANTA FE, NEW MEXICO

This Intergovernmental Agreement ("<u>Agreement</u>") is entered into as of the date of the last signature affixed below by and between the New Mexico Economic Development Department ("<u>EDD</u>") and the City of Santa Fe, a municipal corporation of the State of New Mexico ("<u>City</u>"), collectively referred to as the "<u>Parties</u>," with reference to the following facts.

SECTION 1. RECITALS:

WHEREAS, the New Mexico State Legislature enacted Laws 2014, Chapter 63, Section 5, Subsection 33 which appropriated ten million dollars (\$10,000,000) to EDD "[f]or economic development projects pursuant to the Local Economic Development Act" (the "Appropriation"); and

WHEREAS, the purpose of the Local Economic Development Act, NMSA 1978 §§ 5-10-1 through 5-10-13 (2007) ("<u>LEDA</u>"), is to provide "public support for economic development to foster, promote and enhance local economic development efforts…;" and

WHEREAS, the City has adopted LEDA by Ordinance 2004-42 which established the City's Economic Development Plan that promotes economic development within the City and Ordinance No. 2008-42 amending the Economic Development Plan Ordinance; and

WHEREAS, the City has adopted Ordinance No. ("Ordinance") to approve the economic development project ("Project") to secure the expansion of Second Street Brewery Inc., a New Mexico corporation ("Second Street") within the City; and

WHEREAS, the City has entered into a Local Economic Development Project Participation Agreement ("PPA") with Second Street and, pursuant to the terms of that PPA, Second Street will provide a substantive contribution in exchange for the public contribution. A copy of the PPA and any amendments are attached hereto as Exhibit A; and

WHEREAS, the EDD and the City desire to enter into this Agreement to facilitate disbursement of funds for the Project.;

NOW THEREFORE, the Parties do hereby agree to the following terms and conditions to accomplish the Project.

SECTION 2. PURPOSE OF AGREEMENT:

The purpose of this Agreement is to place the primary responsibility on the City to oversee and administer the appropriation for the Project. It is the intent of the Parties that the EDD will transfer an amount not to exceed One Hundred Thousand Dollars (\$100,000.00) (the "Funds") from the Appropriation to the City for expenditures made to implement the Project. The Parties agree that any and all State Funds received by the City will be accounted for by the City as the fiscal agent for the EDD in accordance with the procedures the City will use to account for its own funds and property used to implement the Project, or any properties acquired or developed by the City as a result of implementation of the Project will be used by the City for economic development purposes only.

SECTION 3. SCOPE OF WORK:

The City will act as fiscal agent for the appropriation supporting the Project. EDD will transfer an amount not to exceed One Hundred Thousand Dollars (\$100,000.00) from

the Appropriation to the City for expenditures made to implement the Project, pursuant to LEDA, Section 5-10-3(D), NMSA 1978. In exchange for the appropriation, Second Street will create 5 new jobs and contribute \$1,850,000 in capital investment within five years after the execution of this Agreement. The City will review the Project timeline and progress bi-annually until the five-year anniversary of this Agreement or until the City certifies to the EDD that the requisite economic goals have been completed to the City's satisfaction or that the \$100,000 in grant monies have been reimbursed to EDD. In the event that Second Street falls below the hiring target in any given period, reimbursements will be suspended until hiring target is achieved and sustained for at least ninety (90) days.

The EDD and the City agree that failure of Second Street to make the required contribution will result in a violation of the terms and conditions of the PPA. Such violation, after any cure period granted, will require that the City foreclose on the security interest. All the terms, conditions and requirements set forth under the PPA are incorporated into this Agreement by reference. All state funds recaptured from Second Street by the City shall be returned to EDD within 60 days.

SECTION 4. CITY OF SANTA FE RESPONSIBILITIES:

The City shall:

- 1. Submit all documentation supporting expenditures made to implement the Project in a format acceptable to EDD. The City shall notify the EDD in writing of any default by Second Street within 30-60 days of the event of default;
- 2. Serve as fiscal agent for the Funds transferred to it under this Agreement;

- 3. Complete all of the following goals identified in this Agreement within the time limits agreed upon by the Parties:
 - a. Account for receipts and disbursements of reimbursed Funds;
 - b. Provide the EDD with the required financial documentation pertaining to this disbursement;
 - c. Submit all required and reasonably requested documentation to the EDD, including the endorsed LEDA Ordinance approved by the City Council accepting the Project for Second Street as a qualifying entity pursuant to LEDA, with the endorsed Project Application and PPA entered into by the City and Second Street, a fully executed copy of the security interest, and copies of invoices and other documentation as required by the EDD within the time required; and
- 4. Not impose any obligations on EDD with respect to the administration of this Project, other than the reimbursement of Funds described in this Agreement; and
- 5. Monitor job creation by Second Street and report the number of jobs created in January and June of each year to EDD for a period of five years after this Agreement has been entered into. Job reports shall include a copy of FORM-903 provided by Second Street to the City, on file with the New Mexico Department of Workforce Solutions.

The Parties have created a schedule as listed in the PPA, which is hereby incorporated into this Agreement and made a part hereof by this reference as though set forth in full.

SECTION 5. CITY CERTIFICATIONS:

As fiscal agent, the City hereby assures and certifies that:

- It will comply with all applicable State laws, regulations, policies, guidelines and requirements with respect to the acceptance and use of State funds;
- 2. It has the legal authority to receive and expend the funds:
- 3. It will enforce the provisions of Ordinance No. _____ approving the Project;
- 4. It has exercised due diligence in certifying that the Project is a viable economic development initiative with potential long-term economic development benefits;
- 5. It will provide the EDD all documentation and references to expertise it has relied upon in approving this Project upon receipt thereof or reliance thereupon and copies of all reports and documentation it receives from Second Street;
- 5. It has entered into a PPA and has obtained all financial documentation necessary to protect the City's and the State's investments in this project;
- 6. It shall not at any time during the life of this Agreement convert any property acquired or developed pursuant to this Agreement to uses other than those within the Project description as defined in Section 2 Purpose of Agreement and Section 3 Scope of Work, stated above;
- 7. It will notify the EDD of any default within 10 days of an event of default.

 Further, the City shall provide the opportunity for any default to be cured by Second Street in accordance with the PPA prior to termination thereof.

- 8. No member, officer, or employee of the City or its designees or agents, no member of the governing body of the locality of which the program is situated, and no other public official that exercises any functions or responsibilities with respect to the Project during his/her tenure, or for one (1) year thereafter, shall have any interest, direct or indirect, in any contract or subcontract, or the process thereof, for work to be performed in connection with the Project that is the subject of this Agreement. The City shall incorporate in all contracts or subcontracts a provision prohibiting such interest pursuant to this certification; and
- 9. It has complied with Article IX, Section 14 of the New Mexico Constitution, known as the "anti-donation clause."

SECTION 6. EDD RESPONSIBILITIES:

EDD shall:

- 1. Transfer an amount not to exceed One-Hundred thousand dollars (\$100,000.00) from the Appropriation to the City for expenditures made to implement the Project; and
- 2. At the EDD's discretion, review and audit the Project if it is deemed to be necessary or desirable.

SECTION 7. TERM OF AGREEMENT:

This Agreement shall become effective on the date it is fully executed and shall terminate when Second Street documents to the City's satisfaction that the required economic and development goals have been satisfied.

SECTION 8. LIABILITY:

No Party shall be responsible for liability incurred as a result of the other Party's acts or omissions. Any liability incurred in connection with this Agreement is subject to the immunities and limitations of the New Mexico Tort Claims Act, NMSA 1978, §§ 41-4-1, et seq. The Parties may agree to reimburse one another under these liability provisions, subject to sufficient appropriation by the New Mexico Legislature or sufficient funds being available to the Party, as determined by the Party responsible for payment.

SECTION 9. DISPOSITION OF PROPERTY; RECORDS; RETURN OF SURPLUS FUNDS:

- 1. Property purchased under this Agreement for the Project shall remain with the purchasing Party unless otherwise agreed upon.
- 2. The City Finance Department shall keep such records as will fully disclose the amount and disposition of the total funds from all sources budgeted for the Project, the purposes for which such funds were used, and such other records as the EDD may require.
- 3. If, upon the expiration of the Project or the termination date of this Agreement, any surplus Funds are possessed by the City, the City shall return said Funds to the EDD for disposition in accordance with law.

SECTION 10. STRICT ACCOUNTABILITY:

The City Finance Department shall be strictly accountable for receipts and disbursements relating hereto and shall make all relevant financial records available to EDD and the New Mexico State Auditor quarterly or upon request, and shall maintain all such records for a period of six (6) years following completion of all the records and any audits.

SECTION 11. REPORTS:

The City shall submit to the EDD the biannual employment report in the form of an affidavit signed by an officer of Second Street, which Second Street is required to submit biannually to the City. The City Economic Development Division shall submit to the EDD the biannual reports that Second Street is required to submit to the City, including copies of Form ES-903, filed by Second Street with the New Mexico Department of Workforce Solutions. The City Economic Development Division shall submit to the EDD a final report respecting direct and indirect job creation and retention attributable to the State appropriation on or before the termination of this Agreement. The Final Report shall contain a description of work accomplished, the methods and procedures used, a detailed budget breakdown of expenditures, a description of any problems or delays encountered and the reasons therefore, and such other information as may be requested by the EDD.

SECTION 12. NOTICES; REPRESENTATIVES OF THE PARTIES;

Any notice required to be given to a Party by this Agreement shall be in writing and shall be delivered in person, by courier service or by U.S. Mail, either first class or certified, return receipt requested, postage prepaid, as follows. The Parties hereby

designate the individuals named below as their representative responsible for overall administration of this Agreement.

PURPOSE & LIMITATIONS

This report presents the results of an analysis undertaken by the New Mexico Economic Development Department using Total Impact, an economic and fiscal impact analysis tool developed and supported by the Austin, TX based economic consulting firm, Impact DataSource.

The Total Impact model is a customized software program licensed to the New Mexico Economic Development Department. The model includes estimates, assumptions, and other information developed by Impact DataSource from its independent research effort detailed in New Mexico Economic Development Department's Total Impact User Guide.

The analysis relies on prospective estimates of business activity that may not be realized. New Mexico Economic Development Department made reasonable efforts to ensure that the project-specific data entered into the Total Impact model reflects realistic estimates of future activity.

No warranty or representation is made by New Mexico Economic Development Department or Impact DataSource that any of the estimates or results contained in this study will actually be achieved.

Introduction

This report presents the results of an economic impact analysis performed using Total Impact, a model developed by Impact DataSource. The report estimates the impact that a potential project in the Santa Fe may have on the state and local economy and estimates the costs and benefits for the state and local taxing districts over a 10-year period.

Description of the Project

The Rufina Brewery and Taproom will be Second Street Brewery's third location in Santa Fe. This location will occupy a 20,000 sq. ft. building that will house a production brewing system, packaging operation for both 120z. Cans and kegs to support wholesale draft trade, and a 4,000sq. ft. taproom with full food service. The expansion constitutes an approximately eight fold, expansion of our beer production abilities from 1,800 bbls/ yr. with scalability beyond that if necessary. Packang of our product line will allow us to make the entire state of New Mexico our market area. Distribution into neighboring states will also be possible. The taproom while providing high margin retail sales on-premise will serve to support building of the brand as well as provide a cummunity hub in the developing Rufina St. area.

Existing & Expanded Operations

The Project under analysis represents the expansion of an existing company in the Santa Fe. The existing operations currently support 60.0 direct jobs in the community and 35.6 indirect and induced jobs. The direct workers earn \$1,669,400 per year and the company supports \$49.3 million per year in taxable sales and spending in the community. Additionally, the company supports taxable property valued at \$2.5 million annually. The table below illustrates the company's economic impact over the next 10 years – including both the existing and expanded operations.

Table 1. Economic Impact of Existing and Expanded Operations Over the Next 10 Years

Executive Summary Total Impact | 5

The table below illustrates the company's fiscal impact - the net benefits for local taxing districts - over the next 10 years - including both the existing and expanded operations.

Table 2. Fiscal Impact of Existing and Expanded Operations Over the Next 10 Years

7 V 2 V 2 V 2 V 2 V 2 V 2 V 2 V 2 V 2 V	and the state of t	Net Benefits			
	Existing	Existing			
	Operations	Expansion	Expanded Ops		
State of New Mexico	\$234,707,838	\$3,924,597	\$238,632,434		
Santa Fe	\$12,437,516	\$3,712,234	\$16,149,750		
Santa Fe County	\$5,337,405	\$1,206,263	\$6,543,668		
Santa Fe Public Schools	\$44,835	\$185,196	\$230,031		
Special Taxing Districts	\$20,198	\$27,349	\$47,547		
Total	\$252,547,791	\$9,055,639	\$261,603,430		

The remainder of this report will focus on only the economic and fiscal impact associated with the expanded operations.

Economic Impact Overview

The Project's operations will support employment and other economic impacts in the state. The 51.0 workers directly employed by the Project will earn approximately \$26,000 per year initially. This direct activity will support 30.3 indirect and induced workers in the state earning \$35,000 on average. The total additional payroll or workers' earnings associated with the Project is estimated to be approximately \$24.3 million over the next 10 years.

Accounting for various taxable sales and purchases, including activity associated with the Project, worker spending, and visitors' spending in the state, the Project is estimated to support approximately \$64.2 million in taxable sales over the next 10 years.

Table 3. Economic Impact Over the Next 10 Years Statewide

	Indirect &			
	Direct	Induced	Total	
Economic output generated by direct, indirect, and induced activity	\$102,504,350	\$42,447,052	\$144,951,402	
Number of permanent direct, indirect, and induced jobs to be created	51.0	30.3	81.3	
Salaries to be paid to direct, indirect, and induced workers	\$13,484,760	\$10,847,141	\$24,331,901	
Taxable sales and purchases	\$61,524,252	\$2,666,386	\$64,190,638	

The project is not expected to result in a consequential increase in the state's population. A majority of newly hired employees would likely be current New Mexico residents. However, it is estimated that approximately 20.0% of the new direct workers may be new residents to Santa Fe County. The local population impacts may result in new residential properties constructed in the county and increase the enrollment of local public schools.

Table 4. Population Impacts Over the Next 10 Years for the County

	Indirect &			
	Direct	Induced	Total	
Number of direct, indirect, and induced workers who will move to the County	10.2	3.3	13,5	
Number of new residents in the County	26.5	8.7	35.2	
Number of new residential properties to be built in the County	1,1	0.3	1.4	
Number of new students expected to attend local school district	5.4	1.7	7.1	

The Project is estimated to support an average of approximately \$0.6 million in new non-residential taxable property each year over the next 10 years. The taxable value of property supported by the Project over the 10-year period is shown in the following table.

Table 5. Value of Taxable Property Supported by the Project Over the Next 10 Years

	The Project's Property					Total	
	New	· · · · · · · · · · · · · · · · · · ·	Buildings &	Furniture,	Subtotal	Residential &	
	Residential		Other Real Prop.	Fixtures, &	Nonresidential	Nonresidential	
Year	Property	Land	Improvements	Equipment	Property	Property	
1	\$63,630	\$0	\$331,993	\$271,631	\$603,624	\$667,254	
2	\$74,174	\$0	\$346,967	\$267,801	\$614,767	\$688,942	
3	\$85,115	\$0	\$372,239	\$241,638	\$613,877	\$698,992	
4	\$86,817	\$0	\$383,017	\$236,808	\$619,825	\$706,643	
5	\$88,554	\$0	\$395,678	\$216,145	\$611,823	\$700,377	
6	\$90,325	\$0	\$406,925	\$209,315	\$616,240	\$706,565	
7	\$92,131	\$0	\$418,396	\$176,486	\$594,882	\$687,013	
8	\$93,974	\$0	\$430,098	\$168,323	\$598,420	\$692,394	
9	\$95,853	\$0	\$442,033	\$132,326	\$574,359	\$670,213	
10	\$97,771	\$0	\$454,207	\$123,159	\$577,366	\$675,137	

The taxable value of residential property represents the value of properties that may be constructed as a result of new workers moving to the community.

This analysis assumes the residential real property appreciation rate to be 2.0% per year. The Project's real property is assumed to appreciate at a rate of 2.0% per year. The analysis assumes the Project's furniture, fixtures, and equipment will depreciate over time according to the depreciation schedule shown in Appendix A.

Temporary Construction Impact

The Project will include an initial period of construction lasting 10 year(s) where \$1.2 million will be spent to construct new building and other real property improvements. It is assumed that 50.0% of the construction expenditure will be spent on materials and 50.0% on labor. The temporary construction activity will support temporary economic impacts in the community in the form of temporary construction employment and sales for local construction firms.

Table 5. Spending and Estimated Direct Employment Impact of Project-Related Construction Activity

	Yelling Control of the Control of th	Amount
Total construction expenditure	THE THE SHEET STATES AND STATES A	\$1,150,980
Materials	\$575,490	
Labor	\$575,490	
Temporary Construction Workers Supported (Average Earnings = \$44,25	0)	13

The following table presents the temporary economic impacts resulting from the construction.

Table 6. Temporary Economic Impact of Project-Related Construction Activity

	Indirect &		
	Direct	Induced	Total
Number of temporary direct, indirect, and induced job years to be supported*	13.0	8.0	21.0
Salaries to be paid to direct, indirect, and induced workers	\$575,490	\$267,891	\$843,381
Revenues or sales for businesses related to construction	\$1,150,980	\$865,997	\$2,016,977

^{*} A job year is defined as full employment for one person for 2080 hours in a 12-month span.

Gross receipt tax calculations related to construction activity are presented in the following table. The gross receipts tax revenue generated from construction-period taxable spending is included in the fiscal impact for affected districts.

Table 7. Construction-Related Taxable Spending

	Estimate
Expenditure for Materials	\$575,490
Percent of Materials subject to local gross receipts tax	75.0%
Subtotal Taxable Materials	<u>\$431,618</u>
Expenditure for Labor / Paid to construction workers	\$575,490
Percent of gross earnings spent on taxable goods and services	26,0%
Percent of taxable spending done locally	25.0%
Subtotal Taxable Construction Worker Spending	<u>\$37,407</u>
Expenditure for Furniture, Fixtures, & Equipment (FF&E)	\$1,199,892
Percent of FF&E subject to local gross receipts tax	25.0%
Subtotal Taxable FF&E Purchases	<u>\$299,973</u>
Total Construction-Related Taxable Spending	\$768,997

The above construction analysis focuses on the impact resulting from the Project's initial construction investments over the first 10 year(s).

Executive Summary

Total Impact | 9

Fiscal Impact Overview

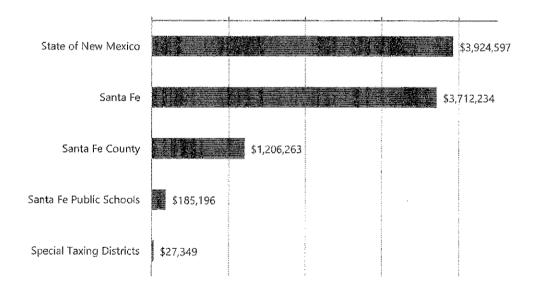

The Project will generate additional benefits and costs for local taxing districts, a summary of which is provided below. The source of specific benefits and costs are provided in greater detail for each taxing district on subsequent pages. Overall, the City will receive approximately \$3,712,200 in net benefits over the 10-year period and the Project will generate \$9,055,600 in total for all local taxing districts.

Table 8. Fiscal Net Benefits Over the Next 10 Years for the State and Local Taxing Districts

				Present	
			Net	Value o	
	Benefits	Costs	Benefits	Net Benefits*	
State of New Mexico	\$5,273,181	(\$1,348,584)	\$3,924,597	\$2,920,355	
Santa Fe	\$4,227,328	(\$515,094)	\$3,712,234	\$2,746,208	
Santa Fe County	\$1,293,445	(\$87,182)	\$1,206,263	\$894,698	
Santa Fe Public Schools	\$355,173	(\$169,977)	\$185,196	\$139,959	
Special Taxing Districts	\$27,349	\$0	\$27,349	\$21,128	
Total	\$11,176,476	(\$2,120,837)	\$9,055,639	\$6,722,348	

^{*} The Present Value of Net Benefits expresses the future stream of net benefits received over several years as a single value in today's dollars. Today's dollar and a dollar to be received at differing times in the future are not comparable because of the time value of money. The time value of money is the interest rate or each taxing entity's discount rate. This analysis uses a discount rate of 5% to make the dollars comparable.

Figure 1. Net Benefits Over the Next 10 Years for the State and Local Taxing Districts

Executive Summary Total Impact | 10

Executive Summary Total Impact | 11

State of New Mexico

The table below displays the estimated additional benefits to be received by the State of New Mexico over the first 10 years. The project is expected to have a small effect on the statewide population and therefore some additional statewide costs to provide additional services were estimated for the state. Appendix C contains the year-by-year calculations,

Table 9. State of New Mexico: Benefits, Costs, and Net Benefits Over the Next 10 Years

	Amount
Gross Receipts Taxes	\$2,503,435
Real Property Taxes - Project	\$5,415
FF&E Property Taxes - Project	\$2,779
Property Taxes - New Residential	\$1,181
Personal Income Taxes	\$866,216
Corporate Income Taxes	\$92,060
Miscellaneous Taxes & User Fees	\$1,802,094
Subtotal Benefits	\$ <u>5,273,181</u>
Cost of Providing State Services	(\$1,348,584)
<u>Subtotal Costs</u>	<u>(\$1,348,584)</u>
Net Benefits	\$3,924,597
Present Value (5% discount rate)	<i>\$2,920,355</i>

Gross receipts taxes are estimated on new taxable gross receipts resulting from the project. Property taxes are estimated on the firm's property and new residential property constructed. Personal income taxes are estimated based on an effective income tax rate and the earnings of new direct and indirect workers. Corporate income taxes on the direct activity is based on the net taxable income projected by the company. Corporate income taxes on the indirect activity is estimated on a per indirect worker basis and the observed statewide corporate income tax collections per worker. To the extent that the project will result in an increase in new households in the state, additional miscellaneous taxes and user fees have been estimated for the state. Additionally, the costs to provide state services to these new households were also estimated based on recent state expenditure data as detailed in the Appendix.

Overview of Methodology

This report presents the results of an analysis undertaken by the New Mexico Economic Development Department using Total Impact, an economic and fiscal impact analysis tool developed and supported by the Austin, TX based economic consulting firm, Impact DataSource.

The Total Impact model combines project-specific attributes with community data, tax rates, and assumptions to estimate the economic impact of the Project and the fiscal impact for local taxing districts over a 10-year period.

The economic impact as calculated in this report can be categorized into two main types of impacts. First, the direct economic impacts are the jobs and payroll directly created by the Project. Second, this economic impact analysis calculates the indirect and induced impacts that result from the Project. Indirect jobs and salaries are created in new or existing area firms, such as maintenance companies and service firms, that may supply goods and services for the Project. In addition, induced jobs and salaries are created in new or existing local businesses, such as retail stores, gas stations, banks, restaurants, and service companies that may supply goods and services to new workers and their families.

The economic impact estimates in this report are based on the Regional Input-Output Modeling System (RIMS II), a widely used regional input-output model developed by the U. S. Department of Commerce, Bureau of Economic Analysis. The RIMS II model is a standard tool used to estimate regional economic impacts. The economic impacts estimated using the RIMS II model are generally recognized as reasonable and plausible assuming the data input into the model is accurate or based on reasonable assumptions. Impact DataSource utilizes county-level multipliers to estimate the impact occurring at the sub-county level.

Two types of regional economic multipliers were used in this analysis: an employment multiplier and an earnings multiplier. An employment multiplier was used to estimate the number of indirect and induced jobs created or supported in the area. An earnings multiplier was used to estimate the amount of salaries to be paid to workers in these new indirect and induced jobs. The employment multiplier shows the estimated number of total jobs created for each direct job. The earnings multiplier shows the estimated amount of total salaries paid to these workers for every dollar paid to a direct worker. The multipliers used in this analysis are listed below:

Multiplier	Надажника на должно во должно во на вителения на должно на должно на должно на должно на причения породине на п	City	County	State
Employment Multiplier	(Type II Direct Effect)	1.2380	1.3174	1.5927
Earnings Multiplier	(Type II Direct Effect)	1.3231	1.4308	1.8044

Calculation of Fiscal Impact

Calculation of Revenues for the State

The state's revenues from gross receipts taxes, property taxes, personal and corporate income taxes were estimated directly using data entered about the project and state tax rates and assumptions about workers moving to the area and possibly building new property.

Impact DataSource estimated the miscellaneous taxes and user fees as a function of statewide personal income. The data used to estimate these factors were obtained from the US Census of Governments and the Bureau of Economic Analysis. Next, these percentages were applied to the total increase in workers' earnings from the economic impact calculations to determine the annual miscellaneous taxes and user fees to be collected by the state related to the permanent increase in economic activity supported by the project.

SECOND STREET BREWERY RUFINA TAPROOM | METHODOLOGY

The fiscal costs associated with the project result from the portion of new worker households that relocate to New Mexico to take a job and the resulting costs to provide state services to these new residents. Impact DataSource estimated the cost of providing state services to new worker households moving to the state by applying the average per household cost of state expenditures to the estimated number of new workers new to the state.

Impact DataSource determined the marginal cost to provide state government services on per household in the state by using approximately 40% of the average cost. The data used to estimate these costs were obtained from the US Census of Governments and US Census. On average, the state incurs \$5,000 in costs to provide these services to households.

Calculation of Revenues for the City

The city's revenues from gross receipts taxes, property taxes, city-owned utilities, utility franchise fees, lodging taxes, and building permits and fees were estimated directly using data entered about the project and local tax rates and assumptions about workers moving to the area and possibly building new property.

The new firm was not asked for nor could reasonably provide some data for calculating some other revenues for the city. For example, while the city will likely receive revenues from fines paid on speeding tickets given to new workers at the firm may not reasonably know the propensity of its workers to speed. Therefore, some other city revenues were calculated using an average revenue approach. This approach uses two assumptions:

- 1 The city has two general revenue sources -- revenues from residents and revenues from businesses.
- 2 The city will collect (a) about the same amount of other revenues from each household of new workers that may move to the city as it currently collects from an average household of existing residents, and (b) about the same amount of other revenues from the new firm (on a per worker basis) will be collected as the city collects from other businesses in the city.

Using this average revenue approach, revenues likely to be received by the city were calculated from the households of new workers who may move to the city and from the new firm using average city revenues per household and per worker calculations. These revenues are labeled as miscellaneous taxes and user fees.

The total annual city revenues used to make average revenue calculations in this analysis were obtained from the city's latest annual budget and the per household and per worker and calculations are detailed in Appendix A.

Calculation of Costs for the City

This analysis sought to answer the question, what additional monies will the city have to spend to provide services to households of new workers who may move to the city and to the firm. A marginal cost approach was used to calculate additional city costs from the new firm and its workers.

This approach uses two assumptions:

- 1 The city spends money on services for two general groups -- residents and businesses.
- 2 The city will spend (a) about the same amount for variable or marginal cost for each household of new workers that may move to the city as it currently spends for an average household of existing residents, and (b) about the same amount for variable or marginal costs for the new firm (on a per worker basis) as it spends for other businesses in the city.

Calculation of Net Benefits for the City

Net benefits calculated in this analysis are the difference between additional city revenues over a ten-year period and additional city costs to provide services to the new firm and its workers and indirect workers who may move to the city.

Executive Summary Total Impact | 20

SECOND STREET BREWERY RUFINA TAPROOM | METHODOLOGY

Calculation of Revenues, Costs and Net Benefits for the County

The model estimates additional revenues, costs and net benefits for the county using the same methodology described for the city relying on county budget data.

Calculation of Revenues for Public Schools

The school district's revenues from property taxes were calculated on the new residential property for some new direct and indirect workers who may move to the county and on the firm's property that will be added to local tax rolls.

However, school district revenues from state and federal funds and other local funding were calculated using an average revenue approach. This approach used the assumption that the school district will collect about the same amount of these revenues for each new student in the household of a new worker who may move to the county as it currently collects for each existing student,

Calculation of Costs for Public Schools

A marginal cost approach was used to calculate additional school district costs from the new firm and its workers. This approach uses the assumption that the school district will spend about the same amount for variable or marginal cost for each new student as it spends for each existing student.

Calculation of Net Benefits for Public Schools

Net benefits calculated in this analysis are the difference between additional school district revenues over a ten-year period and marginal costs for the school district to provide services to students in the households of new workers who may move to the county.

The school district's total annual revenues and expenses to make average revenue and marginal costs calculations in this analysis were obtained from the school district's latest annual budget.

Calculation of Property Taxes to be Collected by Countywide Special Taxing Districts

Revenues for countywide special taxing districts from property taxes were calculated on the new residential property for some new direct and indirect workers who may move to the county and on the firm's property that will be added to local tax rolls.

While each of these special taxing districts may incur additional costs from new residents and from the new firm, these additional costs were not calculated in this analysis.

About Impact DataSource

Impact DataSource is an Austin economic consulting, research, and analysis firm founded in 1993. The firm has conducted over 2,500 economic impact analyses of firms, projects, and activities in most industry groups in New Mexico and more than 30 other states.

In addition, Impact DataSource has prepared and customized more than 50 economic impact models for its clients to perform their own analyses of economic development projects. These clients include the Frisco EDC in Texas and the Metro Orlando (Florida) Economic Development Commission.

Members of the Economic Development Review Committee (EDRC)

From:

Alexandra Ladd, Interim Director, Office of Economic Development

Re:

Report of Economic Development Portfolio

ACTION REQUESTED

For your information.

BACKGROUND

The Office of Economic Development released RFP 16/38/P last year to procure economic development services. The intention was to invest in an array of programs and projects to meet economic development needs in the community. Nine contracts were awarded and two contracts extended from the prior year's RFP to provide services including: workforce development, business support and technical assistance, entrepreneurship assistance and acceleration, and consulting services.

ITEM AND ISSUE

As directed, staff provides to the EDRC the following summary by category and funding amounts. This documents the dollar amounts drawn which in most cases, indicates progress to date for meeting the deliverables identified in the contractual scope of services.

Activity	Amount Funded	% of Total	% Drawn
Workforce Development	\$ 246,610	39%	45%
Business Support	\$ 230,000	37%	64%
Entrepreneurship/Acceleration	\$ 88,000	12%	24%
Other Consulting	\$ 75,593	12%	49%
Total:	\$628,203	100%	

Staff is beginning the evaluation process for determining which projects will receive ongoing funding for the upcoming fiscal year beginning July 1, 2017.
