PART II
GENERAL PROVISIONS

SECTION ONE: SERVICES OF CONTRACTOR

1.1 Scope of Services. In compliance with all terms and conditions of this Agreement, Contractor shall provide the goods and/or services shown on Part IV hereto ("Scope of Services"), which may be referred to herein as the "services" or the "work." If this Agreement is for the provision of goods, supplies, equipment or personal property, the terms "services" and "work" shall include the provision (and, if designated in the Scope of Services, the installation) of such goods, supplies, equipment or personal property.

1.2 Changes and Additions to Scope of Services. City shall have the right at any time during the performance of the services, without invalidating this Agreement, to order extra work beyond that specified in the Scope of Services or make changes by altering, adding to, or deducting from said work. No such work shall be undertaken unless a written order is first given by City to Contractor, incorporating therein any adjustment in (i) the Budget, and/or (ii) the time to perform this Agreement, which adjustments are subject to the written approval of the Contractor. City approval and/or payment for work claimed by Contractor as changed or additional shall not act to prevent City at any time to claim such work is covered by the Scope of Work and should be performed by Contractor without additional consideration due. It is expressly understood by Contractor that the provisions of this Section 1.2 shall not apply to services specifically set forth in the Scope of Services or reasonably contemplated therein. Contractor hereby acknowledges that it accepts the risk that the services to be provided pursuant to the Scope of Services may be more costly or time consuming than Contractor anticipates and that Contractor shall not be entitled to additional compensation therefor.

1.3 Standard of Performance. Contractor agrees that all services shall be performed in a competent, professional, and satisfactory manner in accordance with the standards prevalent in the industry, and that all goods, materials, equipment or personal property included within the services herein shall be of good quality, fit for the purpose intended.

1.4 Performance to Satisfaction of City. Notwithstanding any other provision herein, Contractor agrees to perform all work to the satisfaction of City within the time specified. If City reasonably determines that the work is not satisfactory, City shall have the right to take appropriate action, including but not limited to: (i) meeting with Contractor to review the quality of the work and resolve matters of concern; (ii) requiring Contractor to repeat unsatisfactory work at no additional charge until it is satisfactory; (iii) suspending the delivery of work to Contractor for an indefinite time; (iv) withholding payment; and (v) terminating this Agreement as hereinafter set forth.

1.5 Instructions from City. In the performance of this Agreement, Contractor shall report to and receive instructions from the City's Representative designated in Paragraph D.1 of Part I ("Fundamental Terms") of this Agreement. Tasks or services other than those specifically described in the Scope of Services shall not be performed without the prior written approval of the City's Representative.

1.6 Familiarity with Work. By executing this Agreement, Contractor warrants that Contractor (i) has thoroughly investigated and considered the scope of services to be performed, (ii) has carefully considered how the services should be performed, and (iii) fully understands the

facilities, difficulties, and restrictions attending performance of the services under the Agreement. If the services involve work upon any site, Contractor warrants that Contractor has or will investigate the site and is or will be fully acquainted with the conditions there existing, prior to commencement of services hereunder. Should the Contractor discover any conditions, including any latent or unknown conditions, which will materially affect the performance of the services hereunder, Contractor shall immediately inform the City of such fact in writing and shall not proceed except at Contractor's risk until written instructions are received from the City's Representative.

1.7 Identity of Persons Performing Work.

(A) Contractor represents that it employs or will employ at its own expense all personnel required for the satisfactory performance of any and all tasks and services required hereunder. Contractor shall not replace any of the principal members of the Project team, or any successors to any of such persons, without City's prior written approval.

(B) Contractor represents that the tasks and services required hereunder will be performed by Contractor or under its direct supervision, and that all personnel engaged in such work shall be fully qualified and shall be authorized and permitted under applicable State and local law to perform such tasks and services. In carrying out such tasks and services, Contractor shall not employ any undocumented aliens (that is, persons who are not citizens or nationals of the United States).

(C) This Agreement contemplates the personal services of Contractor and Contractor's employees, and it is recognized by the parties hereto that a substantial inducement to City for entering into this Agreement was, and is, the professional reputation and competence of Contractor and Contractor's employees. Neither this Agreement nor any interest therein may be assigned by Contractor, except upon written consent of City.

1.8 Prohibition Against Subcontracting or Assignment. Contractor shall not contract with any other entity to perform in whole or in part the services required hereunder without the express written approval of City. In addition, neither the Agreement nor any interest herein may be transferred, assigned, conveyed, hypothecated, or encumbered voluntarily or by operation of law, whether for the benefit of creditors or otherwise, without the prior written approval of City. In the event of any unapproved transfer, including any bankruptcy proceeding, City may void the Agreement at City's option in its sole and absolute discretion. No approved transfer shall release any surety of Contractor of any liability hereunder without the express written consent of City.

SECTION TWO: INSURANCE AND INDEMNIFICATION

2.1 Insurance. Without limiting Contractor's indemnification obligations, Contractor shall procure and maintain, at its sole cost and for the duration of this Agreement, insurance coverage as provided below, against all claims for injuries against persons or damages to property which may arise from or in connection with the performance of the work hereunder by Contractor, its agents, representatives, employees, and/or subcontractors. In the event that Contractor subcontracts any portion of the work in compliance with Section 1.8 of this Agreement, the contract between the Contractor and such subcontractor shall require the subcontractor to maintain the same policies of insurance that the contractor is required to maintain pursuant to this Section 2.1. **The insurance and certificates submittal requirements shall apply only in the event one or more projects are awarded to the Contractor under this master Agreement.**

2.1.1 Insurance Coverage Required. The policies and amounts of insurance required hereunder shall be as set forth below. **The City reserves the right to require increased insurance limits for certain high-value and/or high-risk projects relating to engineering and/or architectural design.**

The limits shall be provided by either a single primary policy or combination of policies. If limits are provided with excess and/or umbrella coverage the limits combined with the primary will equal the minimum limits set forth above. If written with an aggregate, the aggregate shall be double the each occurrence limit. Such insurance shall be endorsed to:

- (1) Name the City of Irvine and its employees, representatives, officers and agents (collectively hereinafter "City and City Personnel") as additional insured for claims arising out of Contractor's performance of this Agreement.

A statement on an insurance certificate will not be accepted in lieu of the actual endorsement unless your insurance carrier is the State of California

Insurance Fund (SCIF) and the endorsement numbers 2570 and 2065 are referenced on the certificate of insurance.

Contractor's completion of the form attached hereto as Exhibit 1 shall be a condition precedent to Contractor's rights under this Agreement. Should Contractor certify, pursuant to Exhibit 1, that, in the performance of the work under this Agreement, it shall not employ any person in any manner so as to become subject to the workers' compensation laws of California, Contractor shall nonetheless maintain responsibility for requiring that any subcontractors performing work under this Agreement have and maintain workers' compensation insurance, as required by Section 3700 of the Labor Code, for the work performed under this Agreement.

D. Professional Liability Insurance with minimum limits of \$1,000,000 each claim. Covered professional services shall include all work performed under this Agreement and delete any exclusion that may potentially affect the work to be performed.

E. Evidence of Insurance: Contractor shall provide to City a Certificate(s) of Insurance evidencing such coverage together with copies of the required policy endorsements no later than five (5) business days prior to commencement of service and at least fifteen (15) business days prior to the expiration of any policy. Coverage shall not be suspended, voided, cancelled, reduced in coverage or in limits, non-renewed, or materially changed for any reason, without thirty (30) days prior written notice thereof given by the insurer to City by U.S. mail, or by personal delivery, except for nonpayment of premiums, in which case ten (10) days prior notice shall be provided.

Any other rating must be approved in writing by the City.

I. Insurance of Subcontractors. Contractor shall be responsible for causing Subcontractors to maintain the same types and limits of coverage in compliance with this Agreement, including naming the City as an additional insured to the Subcontractor's policies.

2.2 Indemnification. Contractor shall indemnify, defend, and hold City and City Personnel harmless from and against any and all actions, suits, claims, demands, judgments, attorney's fees, costs, damages to persons or property, losses, penalties, obligations, expenses or liabilities (herein "claims" or "liabilities") that may be asserted or claimed by any person or entity arising out of the willful or negligent acts, errors or omissions of Contractor, its employees, agents, representatives or subcontractors which directly or indirectly relate to the work being performed or services being provided under this Agreement, whether or not there is concurrent active or passive negligence on the part of City and/or City Personnel, but excluding such claims or liabilities arising from the sole active negligence or willful misconduct of City or City Personnel in connection therewith:

2.2.1 Contractor shall defend any action or actions filed in connection with any such claims or liabilities, and shall pay all costs and expenses, including attorney's fees incurred in connection therewith.

SECTION THREE: LEGAL RELATIONS AND RESPONSIBILITIES

3.1 Compliance with Laws. Contractor shall keep itself fully informed of all existing and future state and federal laws and all county and city ordinances and regulations which in any manner affect those employed by it or in any way affect the performance of services pursuant to this Agreement. Contractor shall at all times observe and comply with all such laws, ordinances, and regulations and shall be responsible for the compliance of all work and services performed by or on behalf of Contractor. When applicable, Contractor shall not pay less than the prevailing wage, which rate is determined by the Director of Industrial Relations of the State of California.

3.2 Licenses, Permits, Fees and Assessments. Contractor shall obtain at its sole cost and expense all licenses, permits, and approvals that may be required by law for the performance of the services required by this Agreement. Contractor shall have the sole obligation to pay any fees, assessments, and taxes, plus applicable penalties and interest, which may be

imposed by law and arise from or are necessary for Contractor's performance of the services required by this Agreement, and shall indemnify, defend, and hold harmless City against any such fees, assessments, taxes, penalties, or interest levied, assessed, or imposed against City thereunder.

3.3 Covenant Against Discrimination. Contractor covenants for itself, its heirs, executors, assigns, and all persons claiming under or through it, that there shall be no discrimination against any person on account of race, color, creed, religion, sex, marital status, national origin, or ancestry, in the performance of this Agreement. Contractor further covenants and agrees to comply with the terms of the Americans with Disabilities Act of 1990 (42 U.S.C. §12101 et seq.) as the same may be amended from time to time.

3.4 Independent Contractor. Contractor shall perform all services required herein as an independent contractor of City and shall remain at all times as to City a wholly independent contractor. City shall not in any way or for any purpose become or be deemed to be a partner of Contractor in its business or otherwise, or a joint venturer, or a member of any joint enterprise with Contractor. Contractor shall not at any time or in any manner represent that it or any of its agents or employees are agents or employees of City. Neither Contractor nor any of Contractor's employees shall, at any time, or in any way, be entitled to any sick leave, vacation, retirement, or other fringe benefits from the City; and neither Contractor nor any of its employees shall be paid by City time and one-half for working in excess of forty (40) hours in any one week. City is under no obligation to withhold State and Federal tax deductions from Contractor's compensation. Neither Contractor nor any of Contractor's employees shall be included in the competitive service, have any property right to any position, or any of the rights an employee may have in the event of termination of this Agreement.

3.5 Covenant Against Contingent Fees. Contractor warrants that it has not employed or retained any company or person to solicit or secure this Agreement and that it has not paid or agreed to pay any company or person any fee or commission from the award or making of this Agreement. For breach or violation of this warranty, City shall have the right to annul this Agreement without liability or, in its discretion, to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such fee or commission.

3.6 Use of Patented Materials. Contractor shall assume all costs arising from the use of patented or copyrighted materials, including but not limited to equipment, devices, processes, and software programs, used or incorporated in the services or work performed by Contractor under this Agreement. Contractor shall indemnify, defend, and save the City harmless from any and all suits, actions or proceedings of every nature for or on account of the use of any patented or copyrighted materials consistent with Section 2.2 herein.

3.7 Proprietary Information. All proprietary information developed specifically for City by Contractor in connection with, or resulting from, this Agreement, including but not limited to inventions, discoveries, improvements, copyrights, patents, maps, reports, textual material, or software programs, but not including Contractor's underlying materials, software, or know-how, shall be the sole and exclusive property of City, and are confidential and shall not be made available to any person or entity without the prior written approval of City. Contractor agrees that the compensation to be paid pursuant to this Agreement includes adequate and sufficient compensation for any proprietary information developed in connection with or resulting from the performance of Contractor's services under this Agreement. Contractor further understands and agrees that full disclosure of all proprietary information developed in connection with, or resulting from, the performance of services by Contractor under this Agreement shall be made to City, and

that Contractor shall do all things necessary and proper to perfect and maintain ownership of such proprietary information by City.

3.8 Retention of Funds. Contractor hereby authorizes City to deduct from any amount payable to Contractor (whether arising out of this Agreement or otherwise) any amounts the payment of which may be in dispute hereunder or which are necessary to compensate City for any losses, costs, liabilities, or damages suffered by City, and all amounts for which City may be liable to third parties, by reason of Contractor's negligent acts, errors, or omissions, or willful misconduct, in performing or failing to perform Contractor's obligations under this Agreement. City in its sole and absolute discretion, may withhold from any payment due Contractor, without liability for interest, an amount sufficient to cover such claim or any resulting lien. The failure of City to exercise such right to deduct or withhold shall not act as a waiver of Contractor's obligation to pay City any sums Contractor owes City.

3.9 Termination By City. City reserves the right to terminate this Agreement at any time, with or without cause, upon written notice to Contractor. Upon receipt of any notice of termination from City, Contractor shall immediately cease all services hereunder except such as may be specifically approved in writing by City. Contractor shall be entitled to compensation for all services rendered prior to receipt of City's notice of termination and for any services authorized in writing by City thereafter. If termination is due to the failure of Contractor to fulfill its obligations under this Agreement, City may take over the work and prosecute the same to completion by contract or otherwise, and Contractor shall be liable to the extent that the total cost for completion of the services required hereunder, including costs incurred by City in retaining a replacement contractor and similar expenses, exceeds the Budget.

3.10 Right to Stop Work; Termination By Contractor. Contractor shall have the right to stop work and terminate only if City fails to timely make a payment required under the terms of the Budget. Contractor shall provide City thirty (30) day prior written notice of such claimed payment owed and City shall have an opportunity to remedy any such claimed breach during such time with no legal consequence to City. Contractor shall immediately cease all services hereunder following the thirty (30) day notice, except such services as may be specifically approved in writing by City. Contractor shall be entitled to compensation for all services rendered prior to termination and for any services authorized in writing by City thereafter. If Contractor terminates this Agreement because of an error, omission, or a fault of Contractor, or Contractor's willful misconduct, the terms of Section 3.9 relating to City's right to take over and finish the work and Contractor's liability, the thirty (30) day notice shall apply.

3.11 Waiver. No delay or omission in the exercise of any right or remedy by a nondefaulting party on any default shall impair such right or remedy or be construed as a waiver. A party's consent to or approval of any act by the other party requiring the party's consent or approval shall not be deemed to waive or render unnecessary the other party's consent to or approval of any subsequent act. Any waiver by either party of any default must be in writing.

3.12 Legal Actions. Legal actions concerning any dispute, claim, or matter arising out of or in relation to this Agreement shall be instituted and maintained in the Municipal and Superior Courts of the State of California in the County of Orange, or in any other appropriate court with jurisdiction in such County, and Contractor agrees to submit to the personal jurisdiction of such court.

3.13 Rights and Remedies are Cumulative. Except as may be expressly set forth in this Agreement, the rights and remedies of the parties are cumulative and the exercise by either

party of one or more of such rights or remedies or other rights or remedies as may be permitted by law or in equity shall not preclude the exercise by such party, at the same or different times, of any other rights or remedies to which such party may be entitled.

3.14 Attorneys' Fees. In any action between the parties hereto seeking enforcement of any of the terms or provisions of this Agreement or in connection with the performance of the work hereunder, the party prevailing in the final judgment in such action or proceeding, in addition to any other relief which may be granted, shall be entitled to have and recover from the other party its reasonable costs and expenses, including, but not limited to, reasonable attorney's fees, expert witness fees, and courts costs. If either party to this Agreement is required to initiate or defend litigation with a third party because of the violation of any term or provision of this Agreement by the other party, then the party so litigating shall be entitled to its reasonable attorney's fees and costs from the other party to this Agreement.

3.15 Force Majeure. The time period specified in this Agreement for performance of services shall be extended because of any delays due to unforeseeable causes beyond the control and without the fault or negligence of City or Contractor, including, but not restricted to, acts of nature or of the public enemy, unusually severe weather, fires, earthquakes, floods, epidemics, quarantine restrictions, riots, strikes, freight embargoes, wars, litigation, and/or acts of any governmental agency, including City, if the delaying party shall within ten (10) days of the commencement of such delay notify the other party in writing of the causes of the delay. If Contractor is the delaying party, City shall ascertain the facts and the extent of delay, and extend the time for performing the services for the period of the enforced delay when and if in the judgment of City such delay is justified. City's determination shall be final and conclusive upon the parties to this Agreement. In no event shall Contractor be entitled to recover damages against City for any delay in the performance of this Agreement, however caused. Contractor's sole remedy shall be extension of this Agreement pursuant to this Section 3.13.

3.16 Non-liability of City Officers and Employees. No officer, official, employee, agent, representative, or volunteer of City shall be personally liable to Contractor, or any successor in interest, in the event of any default or breach by City, or for any amount which may become due to Contractor or its successor, or for breach of any obligation of the terms of this Agreement.

3.17 Conflicts of Interest.

A. No officer, official, employee, agent, representative or volunteer of City shall have any financial interest, direct or indirect, in this Agreement, or participate in any decision relating to this Agreement that affects his or her financial interest or the financial interest of any corporation, partnership, association or other entity in which he or she is interested, in violation of any Federal, State or City statute, ordinance or regulation. Contractor shall not employ any such person while this Agreement is in effect.

B. Contractor represents, warrants and covenants that he, she or it presently has no interest, direct or indirect, which would interfere with or impair in any manner or degree the performance of Contractor's obligations and responsibilities under this Agreement. Contractor further agrees that while this Agreement is in effect, Contractor shall not acquire or otherwise obtain any interest, direct or indirect, that would interfere with or impair in any manner or degree the performance of Contractor's obligations and responsibilities under this Agreement.

C. Contractor represents and warrants that it has not provided or promised to provide any gift or other consideration, directly or indirectly, to any officer, employee, or agent of

City to obtain City's approval of this Agreement. Contractor shall not, at any time, have any financial interest in this Agreement or the project that is the subject of this Agreement other than the compensation to be paid to Contractor as set forth in this Agreement. CITY COUNCIL ORDINANCE NO. 07-15

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF IRVINE, CALIFORNIA, ADDING DIVISION 6 TO TITLE 2 OF THE IRVINE MUNICIPAL CODE RELATING TO LIVING WAGE REQUIREMENTS

The City Council of the City of Irvine DOES HEREBY ORDAIN AS FOLLOWS:

SECTION 1. Division 6, entitled "Living Wage Requirements," is hereby added to Title 2 ("Administrative Services") of the Irvine Municipal Code to read in its entirety as follows:

Division 6. Living Wage Requirements

Section 2-6-101. Title and Purpose.

A. This division shall be known and may be cited as the "City of Irvine Living Wage Ordinance."

B. The purpose of this division is to improve the quality of services to beneficiaries of City-contracted services and to ensure that employees of City service contractors earn an hourly wage that is sufficient to live with dignity and to achieve economic self-sufficiency. The City contracts with many businesses and organizations to provide services to the public. Such public expenditures should in accordance with a community economic standard that permits workers to live above the poverty level.

C. This division is intended to protect the public health, safety and welfare. It advances this intent by requiring that public funds be expended in such a manner as to facilitate individual self-reliance by employees of City contractors.

Section 2-6-102. Findings.

A. As a charter city, the City has the power to set compensation and terms of employment for its employees as an exercise of its municipal powers.

B. The City awards contracts to private firms and other businesses to provide services to the public and to City government.

C. The use of City funds to create living wage jobs will decrease poverty, increase consumer income, invigorate community businesses and reduce the need for taxpayer-funded social service programs.

D. When City funds are used to contract for services, such contracts should demonstrate an effort to promote an employment environment that enhances the general quality of life within the community and maximizes the productive effect of the City's limited resources.

E. The City's use of contractors that do not provide health insurance to their employees can result in imposing the costs of their medical care on the county, state and federal governments.

F. Employees are more likely to be healthy if their employers provide reasonable health insurance to them and their dependents.

G. The payment of a living wage as required by this division benefits the above-stated interests.

Section 2-6-103. Definitions.

For purposes of this division, the following definitions shall be applicable:

(a) "Benefit factor rate" means the rate established by the City to be the estimated cost of health benefits paid to a covered employee. If the Contractor does not provide comparable benefits equal to or exceeding this rate to the covered employee, the benefit factor rate must be added to the living wage rate to arrive at the total hourly rate that must be paid to the covered employee.

(b) "City" means the City of Irvine and all City agencies, departments and offices, including but not limited to the Irvine Redevelopment Agency and the Orange County Great Park Corporation.

(c) "Contractor" means any person or business that enters into a new service contract or any service contract with the City that is amended, renewed or extended after the effective date of this division except for those bids, RFP's and contracts that were in process at the time this division becomes effective. For the purposes of this division, the term "Contractor" shall include all subcontractors retained by a Contractor to perform any or all of the functions covered by the contract.

(d) "Covered employee" means (1) any employee whose services fulfill the Contractor's contractual obligations for contracts with the City that are subject to this division and (2) any other employee of the Contractor who performs a majority of his or her services within Orange County. Additionally, bona fide volunteers shall not be considered "covered employees."

(e) "Health benefits" means medical and dental benefits offered by the Contractor to its employees in which the employer pays at least the current benefit factor rate on behalf of its covered employees.

Section 2-6-104. Application of this Division.

Every Contractor that enters into a contract with the City to provide services with an estimated value of one hundred thousand dollars (\$100,000) or more for any consecutive twelve-month period shall comply with the requirements of this division. As a condition of the contract, the Contractor shall notify the City in writing if the aggregate value of multiple contracts with the City is \$100,000 or more.

Section 2-6-105. Duties of the Purchasing Agent.

The Purchasing Agent shall be responsible for ensuring that the requirements of this division are incorporated in all contracts, bid documents, requests for proposals (RFP's) and requests for qualifications (RFQ's) that may be subject to this division to ensure proper implementation of all requirements. In addition, the Purchasing Agent shall be responsible for developing and implementing rules and regulations for the effective administration of all requirements set forth in this division.

Section 2-6-106. Compensation Required to be Paid to Contractor's Employees.

A. All Contractors subject to the requirements of this division shall pay its covered employees an hourly rate and comparable health benefits and paid time off

(such as vacation, sick, holiday and jury duty) as set by the most current City Council Resolution establishing compensation policy for employees. The hourly rate shall be the minimum hourly rate of all salary classifications. An additional rate, defined as the benefit factor rate, shall be added to the hourly rate if comparable health benefits are not offered by the Contractor to the covered employee.

B. Beginning July 1, 2007, the City shall provide notice to all covered Contractors by posting current living wage and benefit factor rates on the City's web site in the Bids & RFP's Purchasing section. In general, rates are subject to change each July; however, Contractors are responsible for monitoring and updating payroll records to accommodate rate changes where applicable. In addition, Contractors are responsible for notifying and ensuring compliance with these requirements by subcontractors retained by Contractor to perform any or all of the functions covered by the contract.

C. A Declaration of Compliance must be signed by an authorized agent of the Contractor and will serve as part of the terms of the contract and/or amendments.

D. In the event that collective bargaining agreements and/or prevailing wage requirements are higher than the current living wage rates as set forth in this division, collective bargaining and/or prevailing wage rates must be paid to covered employees.

Section 2-6-107. Exceptions.

A. The City Council, by majority vote, may grant a whole or partial exception to the requirements of this division to a Contractor at the time of award of the contract if the City Council determines that imposition of the requirements of this division would violate State or Federal laws. A Contractor that desires such a determination by the City Council shall, at the time it submits its bid or proposal to the City, provide the City with a written request that it desires exemption from the requirements of this division, and a reference to the specific State or Federal laws, if applicable, that would be violated if the City imposed the requirements of this division on the Contractor.

B. The City Council, by a four-fifths vote, may grant a whole or partial exception to the requirements of this division to a Contractor at the time of award of the contract if the City Council determines that the existence of an emergency or other extraordinary circumstances (such as the creation of training positions that will enable employees to advance into permanent living wage jobs or better) justifies an exemption from the requirements of this division. Exemptions pursuant to this subsection are disfavored and shall be granted only when a balancing of competing interests weighs clearly in favor of granting an exemption, in the sole and absolute discretion of the City Council. If an exemption is to be granted, a partial exemption is favored over a whole exemption, and limits on the duration of the exemption are favored as well.

Section 2-6-108. Duties of Director of Administrative Services.

A. The Director of Administrative Services, or his or her designee, shall have the authority to perform the following acts for purposes of accomplishing the intent of this division and as deemed necessary or appropriate in the Director's judgment:

B. Upon determining that a Contractor is operating in accordance with the requirements of this division, the Director of Administrative Services shall furnish the Contractor with a written recognition and acknowledgment of such compliance.

Section 2-6-109. Contractor Notice Posting Requirements.

The Contractor is responsible for notifying and requiring compliance from any subcontractors retained by Contractor, to perform any or all functions covered by the contract.

B. A Contractor subject to the requirements of this division shall post in a conspicuous place, as required by State and Federal laws for other notices to employees, a notice of potential Federal Earned Income Tax Credit (EITC) eligibility for covered employees.

Section 2-6-110. Retaliation and Discrimination Prohibited.

No Contractor shall discharge, reduce the compensation of or otherwise discriminate or retaliate against any of its employees for making a complaint to the City, asserting the employee's rights or assisting another employee in making a complaint or asserting his or her rights under this division.

Section 2-6-111. Complaint Process for Violations.

A. Any covered employee may lodge a written complaint with the Director of Administrative Services or his/her designee that a Contractor or subcontractor has violated the requirements of this division.

B. Upon receipt of such a complaint, the Director of Administrative Services, or his/her designee, shall review and investigate at his/her discretion, the complaint and determine if the Contractor should be issued a preliminary notice of violation, which shall also contain the corrective measures the Contractor is required to undertake and/or the remedies that are being imposed. If the Contractor does not file a timely and sufficient appeal to the preliminary notice of violation, it shall become final and conclusive.

C. SECTION 3. The City Council determines that pursuant to Title 14, California Code of Regulations Section 15061, this project is exempt from the California Environmental Quality Act because it can be seen with certainty that there is no possibility that the activity in question may have a significant effect on the environment.

City of Irvine Living Wage Guide

Living Wage Description

What is the City of Irvine's Living Wage Ordinance?

The Living Wage Ordinance requires a Contractor entering into City contracts subject to the Ordinance to pay its covered employees an hourly rate, comparable health benefits and paid time off (such as vacation, sick and holiday paid time off) as set by the most current City Council Resolution (Resolution) establishing compensation policy for employees. These benefits are summarized in the Living Wage Comparable Benefits Summary included with this document.

Current hourly and benefit factor rates, along with other Living Wage Ordinance information, is available on the City of Irvine web site at www.cityofirvine.org. Click on the "Doing Business" tab at the top of the screen, and then select "Living Wage Info."

The purpose of the Ordinance is to ensure that employees of City services Contractors can earn an hourly wage that is sufficient to live with dignity and to achieve economic self-sufficiency. The use of City funds to create living wage jobs is intended to decrease poverty, increase consumer income, invigorate community businesses and reduce the need for taxpayer-funded social service programs.

Contractors and Contracts Subject to the Living Wage Ordinance

Which Contractors are subject to the Living Wage Ordinance?

"Contractor" means any person or business that enters into a new service contract or any service contract with the City (including the Orange County Great Park Corporation) and all other City agencies, departments and offices) that is amended, renewed or extended after July 12, 2007 except for those bids, RFP's and contracts that were in process on that date.

The term "Contractor" shall include all subcontractors retained by a Contractor to perform any or all of the functions covered by the contract.

Which contracts are subject to the Living Wage Ordinance?

All services contracts greater than \$100,000 over a 12-month period are subject to the Living Wage Ordinance. A contract shall be subject to the Living Wage Ordinance if the aggregate value of multiple contracts with the City, including amendments to contracts, is \$100,000 or more in a consecutive 12-month period.

Employees Covered Under the Living Wage Ordinance

Who is a "covered employee"?

"Covered employee" means (1) any employee whose services fulfill the Contractor's contractual obligations for contracts with the City that are subject to this Ordinance and (2) any other employee of the Contractor who performs a majority of his or her services within Orange County. Volunteers are not considered "covered employees" under the Ordinance.

Are both part-time and full-time employees covered under the Living Wage Ordinance?

The City does not provide health benefits or paid time off for City employees working less than 30 hours per week on average. Accordingly, there is no current requirement for a Contractor to pay a "benefit factor rate" for its part-time employees who work less than 30 hours a week on average.

Compensation Required Under the Ordinance

What base hourly rate must I pay "covered employees"?

The current City Council Resolution sets the minimum hourly rate. This is the rate at which an employee must be paid if the Contractor also provides the employee with health benefits and paid time off that are equal to or exceeding those offered to City employees, as detailed in the current City Council Resolution. **Rates generally change in July of each year.** All rate changes will be posted on the City's web site and Contractors are responsible for monitoring all changes and for notifying their subcontractors of those changes.

What if my employees are under a collective bargaining agreement or if I am paying my employees prevailing wages?

In the event that collective bargaining agreements and/or prevailing wage requirements are higher than the current living wage rates as set forth in the Ordinance, collective bargaining and/or prevailing wage rates must be paid to covered employees.

What minimum health and paid time off benefits are offered to City employees?

The selection of benefits of all salary classifications is set forth by the most current City Council Resolution establishing compensation for City employees. Currently, minimum City health benefits include an option for employees to enroll in the City's indemnity medical insurance plan or the Health Maintenance Organization (HMO), and the option to enroll in a dental plan. City benefits also include pro-rata paid time off such as sick, vacation, and holiday pay. A summarization of these benefits is included in the Living Wage Comparable Benefit Summary.

What if I don't offer my employees comparable health and paid time off benefits?

An additional "benefit factor" must be added to the base hourly rate if employees are not offered health and paid time off benefits equal to or exceeding those offered to City employees, as detailed in the current City Council Resolution and summarized in the Living Wage Comparable Benefit Summary. The current benefit factor must be added to the base minimum rate to reach the total minimum rate for covered employees.

If the cost of health and paid time off benefits provided to your employees cost you less than the current benefit factor, the difference between what you pay and the benefit factor must be added to the base minimum rate to achieve the total hourly compensation that must be paid to the covered employees.

All rate changes will be posted on the City's web site. Contractors are responsible for monitoring all changes and for notifying their subcontractors of the changes.

How is the benefit factor calculated and how often is it updated?

The methodology for calculating the benefit factor is based on the actual cost to the City for providing those benefits to employees. **The rate is updated as benefit costs change, generally in July of each year.** All rate changes will be posted on the City's web site. Contractors are responsible for monitoring all changes and for notifying their subcontractors of the changes.

How do I calculate the benefit factor I am currently paying my employees?

Take the total annual cost you pay, or offer to pay, as the employer for the benefits offered to your employees including health insurance and paid time off benefits, and then divide by 2,080 (the number of hours in a year).

Where do I find the current rates?

Rates may be found on the City's web site, at www.cityofirvine.org. Click on the "Doing Business" tab at the top of the screen, and then select "Living Wage Info." You may also call the Purchasing Department at

949-724-6180.

Rates are subject to change and it is the Contractor's responsibility to monitor and update payroll records to accommodate rate changes when applicable. In addition, Contractors are responsible for notifying and ensuring compliance with these requirements by subcontractors retained by the Contractor to perform any or all functions covered by the contract.

Other Requirements under the Ordinance

What other requirements must I meet under the Ordinance?

You are required under the Ordinance to:

- Post in a conspicuous place, as required by State and Federal laws for other notices to employees, a copy of the notice referred to in the Ordinance that informs covered employees of their rights under the Ordinance. A copy will be provided to you with your contract documents and is also available on the City's web site.
- Post in a conspicuous place, as required by State and Federal laws for other notices to employees, a copy of the notice referred to in the Ordinance that informs covered employees of their potential eligibility for Federal Earned Income Tax Credit (EITC). Provide notification of all of the requirements of the Ordinance to any subcontractors retained by you to perform any or all of the functions covered by the contract; and ensure compliance to the Ordinance.
- You are required to monitor and update your payroll records to accommodate Living Wage minimum wage and benefit factor rates when applicable.
- **You are required to contact the City in writing if you are awarded additional contracts and the aggregate value of your contract(s) with the City, including amendments to your contract(s), is \$100,000 or more in a 12-month period. Such notification should be sent to: Purchasing Agent, City of Irvine, PO Box 19575, Irvine, CA 92623-9575**

You are **prohibited** under the Ordinance to discharge, reduce the compensation, discriminate or retaliate against any employee for making a complaint to the City, asserting his or her rights or assisting another employee in making a complaint or asserting his or her rights under the Ordinance.

Compliance and Violations

How is the Living Wage Ordinance enforced?

Any covered employee may lodge a written complaint and/or the Director of Administrative Services may at any time review, investigate and/or perform random audits of the Contractor's records to verify compliance with the Ordinance.

If I am audited what documents might I be asked to provide?

Specific documents that may be reviewed include, but are not limited to, covered employee time cards, gross pay calculations, pay registers, canceled checks, medical and dental insurance invoices, paid time off policies, required postings and other related payroll or benefit documents.

What happens if it is determined that I am not in compliance with the Ordinance?

The City may impose any or all of the following corrective measures for violations of the Ordinance:

- Order Contractor to comply within 60 days
- Order payment to covered employees to compensate the employee for amounts that should have been paid under the contract
- Suspend payments to the Contractor for the contract in violation

- Cancel the City contract in violation
- Render the Contractor ineligible to enter into contracts with the City for a period of three years or until all restitution to covered employees has been paid, whichever is longer
- Seek all other equitable and legal rights under Federal, State and local laws, including injunctive relief

Is there an appeal process?

If it is determined that the Contractor is not in compliance, the Contractor will be issued a preliminary notice of violation that contains the corrective measures required by the Contractor. The Contractor may request in writing an appeal hearing before the Director of Administrative Services to dispute the violation and/or the corrective measures. The request for appeal hearing must be filed with the City Clerk within fifteen (15) days of the date of the preliminary notice of violation and must contain the reasons the Contractor believes that a violation does not exist and/or that the corrective measures or remedies are not appropriate.

The Director of Administrative Services will conduct the appeal hearing within forty-five (45) days of receipt of the appeal request. Within fifteen (15) days of the conclusion of the appeal hearing, the Director of Administrative Services will issue his/her findings and final decision.

The final decision of the Director of Administrative Services may be appealed to the City Council by filing a written notice of appeal within fifteen (15) days of the date of the Director's final written decision. The City Council shall conduct a hearing on the appeal within forty-five (45) days of its receipt of the appeal request and either uphold, overturn or modify the Director's final decision.

How does a covered employee file a complaint if they believe that a Contractor or subcontractor is in violation of the Ordinance?

A Covered employee who believes a Contractor or subcontractor has violated the requirements of the Ordinance may file a written complaint with the Director of Administrative Services.

What remedies for violation do covered employees have under the Ordinance?

A covered employee may seek the following remedies against a Contractor violating the Ordinance:

- Restitution to compensate the employee for amounts that should have been paid under the contract
- Reasonable attorneys' fees and costs
- Any and all other legal and equitable remedies available under Federal, State and local laws

Exceptions

Are there any circumstances in which an exception to the Ordinance will be granted?

The City Council, by a majority vote, may grant a whole or partial exception at the time of award of the contract if it is determined that imposition of this Ordinance would violate State or Federal laws. A Contractor that desires an exception must, at the time of the bid proposal, provide the City with a written request with a reference to the specific State or Federal law that would be violated.

The City Council, by a four-fifths vote, may grant a whole or partial exception if it is determined that an emergency or extraordinary circumstance justifies an exemption.
