**RE:** The Fusion Project (Purchase of Four Ford Fusion Vehicles and all related equipment)

---

### **Background and Summary:**

The City of Santa Fe's City Council has directed the Santa Fe Police Department to explore other non-police rated vehicles for our administrative and/or criminal investigations fleet, not the patrol fleet. The Fusion Project will address their suggestions and/or concerns by purchasing four Ford Fusion vehicles. The Santa Fe Police Department will purchase two Hybrid Ford Fusions and two non-Hybrid Ford Fusions and all emergency related equipment. With this purchase, it will allow the Santa Fe Police Department to properly test and evaluate these non-police rated vehicles for our administrative and/or criminal investigations fleet. Once the testing and evaluation period is over, we will be able to decide what option (Hybrid or non-Hybrid) will be the best fit for our administrative and/or criminal investigations fleet.

### **Funding Information from FY 14/15:**

1. BU/LI: 22252.570950 for vehicle cost to Don Chalmers.

	<b>Contract Number and Title:</b> 02702, WSCA Public Safety Communications Equipment	<b>Date Issued:</b> August 27, 2014
	<b>Amendment Number:</b> 33 – Motorola Solutions	<b>Date Effective:</b> October 30, 2014
This Contract Amendment is issued under the provisions of the State Contract identified above. The changes authorized are within the scope of the original contract. All rights and obligations of the parties shall be subject to and governed by the terms of the original contract including any subsequent amendments, which are hereby incorporated by reference.		

**Purpose of Amendment**

**Purpose:** Reduce Washington's management fee and execute short-term contract extension (10/30/14 – 3/31/15)

For contract sales made to contract customers located within the state of Washington the current management fee of one and a half percent (1.5%) shall be reduced to 0.74 percent (0.74%) on sales made on and after July 1, 2014. Contract sales shall continue to be reported on a quarterly basis and fees shall continue to be due within thirty (30) days of date of an invoice issued by the Department of Enterprise Services (DES). There shall be no change other state's administrative fees or in the WSCA-NASPO quarterly sales/administrative fee.

Motorola Solutions agrees to extend Contract 02702 for WSCA Public Safety Communications Equipment and Services for an additional five months (October 30, 2014 through March 31, 2015), under the existing contract terms, conditions, specifications and pricing. This short-term extension will allow additional time to complete the award of replacement contract(s) resulting from RFP 06913 for Public Safety Communication Equipment. Should any of these WSCA-NASPO replacement contracts become effective prior to March 31, 2015, this contract may run concurrently with these contracts to allow time for participating entity customers to transition to new contract(s).

Should Motorola Solutions be successful in receiving an award resulting from RFP 06913, once a Participating Addendum (PA) is executed under the terms of the new contract, all contract sales will be made to qualified purchasers under the terms of the new PA/contract and no further sales shall be made to those customers under the terms of Contract 02702.
