- Request award for Professional Services Agreement Between Owner and Contractor in the amount of (\$89,927.80 contract sum) exclusive of NMGRT.

SUMMARY:

In the 2014 CIP Bond sale, funds were allocated to Carlos Ortega Teen Center to install a fire suppression system. Vendors were contracted to provide ideas & quotes to install a sprinkler system or dry system. The water systems costs are approximately \$70,000 and requires maintenance/inspections every 6 months. The aerosol system is \$89,927.80 and has no maintenance and requires inspection every 10 years. In the event of a fire, a water system will cause water damage to building and equipment. With an aerosol system a nontoxic powder is dispensed which will cause no additional damage and can be easily vacuumed up.

The Facilities Division recommending to use ATI Security, a local certified contractor though the State Price Agreement. ATI Security will furnish and install a Fire Alarm, Conventional Fire Alarm Panel, and a FireNet fire extinguishing aerosol system.
