2.6.13 All Change Orders, defined in the Conditions of the Contract for Construction, shall be prepared by the ARCHITECT. Such Change Orders shall not become effective or binding on the OWNER or Contractor until signed by the OWNER and others whose signatures are required therein. Attached as Exhibit G and incorporated into this Agreement by reference is a copy of the "Change Order Proposal" form. This form shall be initiated by the party requesting a change. Approval in writing by the OWNER of a completed Change Order modifies this contract to the extent indicated. 2.6.16 Should the ARCHITECT, his staff, or consultants direct the Contractor or his Subcontractors to undertake work for which additional compensation could reasonably be expected, and if such work is not: a) an emergency endangering life and property, b) required by the Contract Documents, or c) required by approved Change Orders (signed by the ARCHITECT, the OWNER, and the Contractor), payment for such work, if accomplished without written authorization, shall not be borne by the OWNER and shall constitute adequate grounds for dismissal or other actions against the ARCHITECT.

2.6.17 As part of the Architect's Basic Services, the ARCHITECT shall modify the original reproducible drawings and two sets of Project Manuals delineating recorded built conditions of the Projects or record documents compiled from the records of the Contractor and the ARCHITECT, showing all changes in the Work. This set of documents shall also include record documents, showing actual location of all Work.

2.6.18 The ARCHITECT shall at all time have access to the Work, whether it be in preparation or progress.

## **2.7 PROJECT REPRESENTATION BEYOND BASIC SERVICES**

2.7.1 Architect's Project Representative: If the OWNER and the ARCHITECT agree that more extensive representation for inspection at the Site than that described in Subparagraph 2.6 is needed, the ARCHITECT shall, upon written authorization of the OWNER, provide one or more Project Representatives to assist the ARCHITECT in carrying out such responsibilities at the Site.

2.7.2 Subject to OWNER's approval, the Architect's Project Representative shall be selected, employed, and directed by the ARCHITECT, and the ARCHITECT shall be compensated therefor as mutually agreed between the OWNER and the ARCHITECT as set forth in an approved amendment to this Agreement which shall, in addition, describe the duties, responsibilities, and limitations of authority of such Project Representative(s).

2.7.3 Through the inspections of such project representative(s), the ARCHITECT shall provide further protection for the OWNER against defects and deficiencies in the Work to determine that the work is carried out in conformance with the plans and specifications; but the furnishing of such project representation shall not diminish the rights, responsibilities, or obligations of the ARCHITECT as described in this Agreement.

2.7.4 The OWNER reserves the right to designate an OWNER's Representative, in lieu of an Architect's Project Representative, to provide additional site representation outside of the Architect's services. If the OWNER elects to provide an OWNER's Representative in lieu of a Project Representative, this subsection shall not diminish the rights, responsibilities, or obligations of the ARCHITECT established in this Agreement. The OWNER's Representative's

duties and limits of authority shall be established so as not to conflict with those of the ARCHITECT. The ARCHITECT shall cooperate with the OWNER's Representative in the performance of his duties.

2.7.5 The OWNER reserves the right to employ an independent Cost Engineer to provide value and cost engineering services on the Project. If a Cost Engineer is retained, an amendment to this contract will be required identifying the duties and limits of authority of the Cost Engineer. The ARCHITECT shall cooperate with the Cost Engineer in the performance of the Cost Engineer's duties.

## **2.8 ADDITIONAL SERVICES**

The following Services shall be provided when authorized in advance in writing by the OWNER, and they shall be paid for by the OWNER as provided in Paragraph 13.4. Attached as Exhibit \_\_\_\_ and incorporated into this Agreement by reference is a copy of the Architect's Additional Services Proposal Form.

2.8.1 Provide financial feasibility or other special studies.

2.8.2 Provide planning surveys, site evaluations, environmental impact studies, or comparative studies of productive sites other than those services required under basic services to provide a complete and operable facility.

2.8.3 Provide services relative to future facilities, systems, and equipment, which are not intended to be constructed during the Construction Phase.

2.8.4 Make revisions in drawings, specifications, or other documents when such revisions are inconsistent with written approvals or instructions previously given and are due to causes beyond the control or not the responsibility of the ARCHITECT. This does not apply to revisions necessary for final approval of Schematic Design Studies and Statement of Project Scope, and Design Development Documents. The ARCHITECT shall receive written authorization from the OWNER before commencing work on any change or alteration to the Contract Documents.

2.8.5 Prepare drawings, specifications, and supporting data and provide other services in connection with Change Orders to the extent that the adjustment in the Basic Compensation resulting from the adjusted Construction Cost is not for Work which should have been provided pursuant to Basic Services and that such Change Orders are required because of causes not related to the actions or responsibilities of the ARCHITECT.

2.8.6 Make investigations, surveys, valuations, inventories, or detailed appraisals of existing facilities when such work is not covered by this Agreement.

2.8.7 Provide consultation concerning replacement of any work damaged by fire or other cause during construction and furnishing services as may be required in connection with the replacement of such work.

## **2.9 TIME**

2.9.1 The ARCHITECT shall perform Basic and Additional Services as expeditiously as is consistent with professional skill and care and the orderly progress of the Work. The ARCHITECT shall submit, for the OWNER's approval and as a part of this Contract, a schedule for the performance of the Architect's services and shall include allowances for periods of time required for the OWNER's review and approval of submissions and for approvals of authorities having jurisdiction over the project. This schedule, when approved by the OWNER, shall not, except for reasonable cause, not within the control of ARCHITECT, be exceeded by the ARCHITECT (see Exhibit A, Time Schedule for Project Phases). Failure of the ARCHITECT to perform within this schedule except through authorized extensions thereto shall constitute a basis for termination and/or withholding of payment until schedule compliance is achieved by the ARCHITECT.

- 5.2.1 Evaluation of the OWNER's Project budget, statements of probable construction cost, and detailed estimates of construction cost prepared by the ARCHITECT represent the Architect's best judgment as a design professional familiar with the construction industry. It is recognized, however, that the ARCHITECT does not have control over the cost of labor, materials, or equipment; over the Contractor's methods of determining bid prices; or over competitive bidding, market, or negotiating conditions. Accordingly, the ARCHITECT cannot and does not warrant or represent that bids or negotiated prices will not vary from the Project budget proposed, established, or approved by the OWNER, or from any Statement of Probable Construction Cost or other cost estimate or evaluation prepared by the ARCHITECT.
- 5.2.2 The MACC is established, as a condition of this Agreement, as a fixed limit of Construction Cost for Design and bidding purposes. The ARCHITECT shall be permitted to determine what materials, equipment, component

systems, and types of construction are to be included in the Bidding Documents to bring it within the MACC. With the written consent of the OWNER, the ARCHITECT may also include in the Bidding Documents either additive or deductive alternate bids to adjust the Construction Cost to the fixed limit.

5.2.3 If Bidding has not commenced within two months or if negotiations with potential Contractors have not commenced within two months after the ARCHITECT submits Bidding Documents to the OWNER, the Project Budget and/or MACC shall be adjusted to reflect any change in the general level of prices in the construction industry between the date of submission of the Bidding Documents to the OWNER and the date on which proposals are sought.

5.2.4 The MACC, therefore, is established as a condition of this Agreement. When it is exceeded by the lowest bona fide bid, the OWNER may (1) give written approval of an increase in the MACC; (2) authorize re-bidding the Project within a reasonable time; or (3) cooperate with ARCHITECT in revising the project scope and as required to reduce the Probable Construction Cost. If the OWNER elects to reduce the Probable Construction Cost, the OWNER shall cooperate with the ARCHITECT in revising the quality and scope of the Project, and the ARCHITECT, without additional charge, shall modify the Drawings and Specifications as necessary to bring the Construction cost within the MACC and assist the OWNER throughout the bidding process (see Subparagraph 2.5). When the detailed cost estimate required by Subparagraphs 2.1.3, 2.2.4, 2.3.3 and 2.4.3 of this document or other evaluation prepared by the ARCHITECT indicate that the Project exceeds the MACC, the provisions outlined in this paragraph shall apply.

## ARTICLE 6 REIMBURSABLE EXPENSES

6.1 Reimbursable expenses are above and beyond basic services compensation and are the actual expenditures made by the ARCHITECT or his employees in the interest of the Project. Reimbursable expenses shall be limited to the following:

6.1.1 Expenses of transportation when traveling in connection with the Project has been included in the basic services compensation. Such expenses are limited to mileage and per diem rates as set forth in the Per Diem and Mileage Act, and such travel shall be authorized in advance by the OWNER.

6.1.2 Expense of fees paid for securing approvals of authorities having jurisdiction over the project. Fees for Construction Industries Division and/or Planning & Land Use Department approval will be paid directly by the OWNER after submittal of the documents by the ARCHITECT to the OWNER.

6.1.3 Expense of reproductions of drawings, specifications, and other documents as required by the OWNER to solicit bids and execute construction contracts, including reproductions as may be required for the OWNER's review or for the office use of the ARCHITECT and the ARCHITECT'S consultants, unless provided as part of the ARCHITECT'S basic compensation. The ARCHITECT shall charge Bidders a deposit fee equal to the full cost of reproduction, said fee to be completely refunded if documents are returned in useable condition within time limits specified in the Invitation to Bid. All forfeited fees shall be returned to the OWNER.

6.1.4 Applicable gross receipts taxes on reimbursable expenses or additional services received by the ARCHITECT under the provisions of this contract. The ARCHITECT shall use and require the use of tax exempt certificates by Consultants and Suppliers whenever allowed by law. In any event, the ARCHITECT shall not include taxes paid as a part of the base dollar amount upon which taxes are calculated. Payment pursuant to this provision does include payment for gross receipts taxes pursuant to Subparagraph 13.2.1.

6.2 No expenses for which the ARCHITECT is entitled reimbursement shall be incurred by the ARCHITECT until written approval is given by the OWNER unless specifically allowed under Article 13 of this Agreement.

**ARTICLE 7**  
**PAYMENTS TO THE ARCHITECT**

**7.1 PAYMENTS ON ACCOUNT OF BASIC SERVICES**

7.1.1 Payments for Basic Services shall be made monthly and shall be in proportion to services performed within each phase of services, on the basis set forth in Article 13.

7.1.2 When portions of the Project are deleted or otherwise not constructed, compensation for such portions of the Project shall be payable to the extent services are performed on such portions, in accordance with the schedule set forth in Subparagraph 13.2.2, based on (1) the lowest bona fide bid or negotiated proposal, or (2) if no such bid or proposal is received, the most recent of Probable Construction Cost or detailed estimate of Construction Cost for such portions of the Project.

**7.2 PAYMENT FOR SERVICES AND COSTS**

7.2.1 The ARCHITECT shall submit monthly a fully completed request for payment for all services and costs on the form provided as Exhibit E to this Agreement.

7.2.2 The ARCHITECT shall submit, with his billings at the completion of the Project, certification that payment has been made to all consultants, suppliers, and others for materials and services required by this Agreement.

**7.3 PAYMENT WITHHELD**

7.3.1 No deductions or withholdings shall be made from the Architect's compensation on account of penalty, liquidated damages, or other sums withheld from payments to contractors, or on account of the cost of changes in the Work other than those for which the ARCHITECT may be legally liable.

**7.4 PROJECT SUSPENSION OR TERMINATION--OTHER PARTIES**

7.4.1 In the event of termination or suspension of the Project due to the fault of parties other than the ARCHITECT, the ARCHITECT shall be compensated for services performed to termination date pursuant to Article 10.

**ARTICLE 8**  
**ARCHITECT'S ACCOUNTING RECORDS**

8.1 Records of expenses by the ARCHITECT and his consultants pertaining to all services under this Agreement shall be kept on the basis of generally accepted accounting principles and shall be available at mutually convenient times to the OWNER or the OWNER's authorized representative. The OWNER shall have the right to audit all such records and billings both before and after payment. Payment under this Agreement shall not foreclose the right of the OWNER to recover excessive or illegal payments.

8.2 Records of expenses shall be kept by ARCHITECT and the ARCHITECT'S consultants and shall be available to the OWNER until all applicable Statutes of Limitations have run, and this provision shall survive and continue beyond the termination of other terms of this Agreement.

**ARTICLE 9**  
**OWNERSHIP AND USE OF DOCUMENTS**

9.1 Original construction document drawings, designs, specifications, notes, project manuals, and/or related documents and other work developed in the performance of this Agreement by the ARCHITECT shall become the sole property of the OWNER whether the Project for which they are made is constructed or not. These documents shall be

kept on file by the OWNER. The ARCHITECT may maintain a complete reproducible set of any and all record documents developed under this Agreement.

9.2 All documents, including drawings and specifications prepared by the ARCHITECT pursuant to this Agreement, are instruments of service in respect to the Project. They are not intended or represented to be suitable for reuse by the OWNER on any other Project.

9.3 The original drawings may be marked by the OWNER or the ARCHITECT to designate the restrictions of use of these documents as set forth in Paragraph 9.2.

9.4 Copyright: No reports, maps, or other documents produced in whole or in part under this Agreement shall be the subject of an application for copyright by or on behalf of the ARCHITECT.

## **ARTICLE 10** **TERMINATION OF AGREEMENT**

10.1 If either party should fail to fulfill in a timely and proper manner his obligations under this Contract, or if either party should violate any of the covenants, agreements, or stipulations of this Contract, such party, in addition to remedies available under the terms of this Agreement shall thereupon have the right to terminate this Contract by giving written notice to the other party of such termination and specifying the effective date thereof at least seven days before the effective date of such termination.

The ARCHITECT shall be responsible for all consequential costs, which may arise out of failure to complete the services in accordance with the schedule, attached as Exhibit A.

10.2 The OWNER reserves the right, at any time, for any reason deemed appropriate or necessary by the OWNER, at its sole discretion, to terminate the contract for the convenience or requirements of the OWNER, upon seven calendar days notice in writing to the ARCHITECT.

10.3 In the event that the Project is abandoned by the OWNER, the OWNER may terminate this Contract at any time by giving at least seven calendar days written notice to the ARCHITECT.

10.4 In the event of termination, all finished or unfinished documents, data, sketches, calculations, estimates, records, schedules, studies, surveys, drawings, maps, models, photographs, reports, and such other information and data accumulated in the performance of services under this Agreement, whether complete or in progress, prepared by the ARCHITECT under this Contract shall become the OWNER's property, and the ARCHITECT shall be entitled to receive compensation for actual work satisfactorily completed hereunder, including reimbursable expenses authorized by OWNER which are then due.

## **ARTICLE 11** **GENERAL AND SPECIAL PROVISIONS**

11.1 This Agreement shall be governed exclusively by the provisions hereof and by the laws of the State of New Mexico as the same from time to time exist.

11.2 Unless expressly provided otherwise, terms in this Agreement shall have the same meaning as those in the Conditions of the Contract for Construction.

11.3 The ARCHITECT shall maintain comprehensive commercial general liability insurance in at least the maximum amounts which the City could be liable under the New Mexico Tort Claims Act and shall provide proof of such insurance coverage to the City. The ARCHITECT shall furnish the OWNER with a copy of a Certificate of Insurance or other evidence of ARCHITECT'S compliance with the provisions of this section as a condition prior to

performing services under this Agreement. It is the sole responsibility of the ARCHITECT to be in compliance with the law.

11.4 The ARCHITECT shall defend, indemnify and hold harmless the OWNER against any and all injury, loss or damage, including cost of defense, and including without limitation, court costs and attorney's fees, arising out of the acts, errors, or omissions of the ARCHITECT.

11.5 This Agreement shall not become effective until: (1) approved by the Governing Body of the City of Santa Fe; (2) signed by all parties required to sign this Agreement; (3) the Agreement must comply with all requirements of City of Santa Fe Procurement Regulations and requirements of the New Mexico Procurement Code and all applicable laws and regulations.

11.6 The ARCHITECT, and its agents and employees, are independent contractors performing professional and technical services for the OWNER and are not employees of the OWNER. The ARCHITECT, and its agents and employees, shall not accrue leave, retirement, insurance, bonding, use of OWNER's vehicles or any other benefits afforded employees of the OWNER as a result of this Agreement.

11.7 The Architect's design shall be in compliance with all Federal, State, and local codes and laws related to the Work, including, without limitation, provisions of the Civil Rights Act of 1964 and Executive Order 11246, Title VI, Sections 3 and 109; the minimum handicapped accessibility as required by Section 60-13-44d, NMSA 1978; Section 306, New Mexico Uniform Building Code, which adopts ANSI A117.1, 1980; ADA, and parking requirements as required by City Ordinance. In all cases the more restrictive code or statute adopted by the Construction Industries Division of the Regulation and Licensing Department will govern.

11.8 The ARCHITECT shall not assign or transfer any interest in this Agreement or assign any claims for money due or to become due under this Agreement without the prior written consent of the OWNER.

11.9 Whenever the ARCHITECT contracts for an additional Project representative to be on the Project or enters into a joint venture to share the duties and responsibilities of the ARCHITECT under this Agreement, all such Agreements require prior OWNER approval and must outline the duties and responsibilities of the ARCHITECT and his representative, or joint venturer, or consultant, and a copy of such approved Agreement shall be filed with OWNER. Such Agreements shall be amendments to this Agreement.

11.10 The ARCHITECT, upon final payment of the amounts due under this Agreement, releases the OWNER, its officers and employees, from all liabilities and obligations arising from or under this Agreement, including, without limitation, all damages, losses, costs, liability, and expenses, including, without limitation, attorney's fees and costs of litigation that the ARCHITECT may have.

11.11 The terms of this Agreement are contingent upon sufficient appropriations and authorization being made by the OWNER for the performance of this Agreement. If sufficient appropriations and authorization are not made by the OWNER, this Agreement shall terminate upon written notice being given by the OWNER to the ARCHITECT. The OWNER's decision as to whether sufficient appropriations are available shall be accepted by the ARCHITECT and shall be final.

11.12 The ARCHITECT agrees not to purport to bind the OWNER to any obligation not assumed herein by the OWNER, unless the ARCHITECT has express written authority to do so, and then only within the strict limits of that authority.

11.13 The ARCHITECT warrants that the ARCHITECT currently has no interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance or services required under this Agreement. The ARCHITECT further covenants that, in their performance of this Agreement, no person having any such interest shall be employed by the ARCHITECT. The ARCHITECT also agrees that neither the ARCHITECT nor anyone employed by him shall have an interest, direct or indirect, in any company hired for the Project as Contractor,

subcontractor, or supplier, except when the project is a design-build project and/or the OWNER provides inspections independent of the ARCHITECT.

11.14 Pursuant to Section 13-1-191, NMSA 1978, reference is hereby made to the Criminal Laws of New Mexico (including Sections 30-14-1, 30-24-2 and 30-41-1 through 30-41-3, NMSA 1978) which prohibit bribes, kick backs, and gratuities, violation of which constitutes a felony. Further, the Procurement Code (Section 13-1-28 through 13-1-199, NMSA 1978) imposes civil and criminal penalties for its violation.

11.15 The ARCHITECT shall obtain professional liability insurance and provide a certificate of coverage on the form designated herein as Exhibit B. The ARCHITECT shall furnish the OWNER with a copy of a Certificate of Insurance or other evidence of ARCHITECT'S compliance with the provisions of this section as a condition prior to performing services under this Agreement. Such insurance coverage shall be maintained in full force and effect at all times during the performance of Project services and for a period thereafter of not less than three years following Substantial Completion of the Work. Fees for such insurance shall be at the Architect's expense and of the following limits of liability:

Professional Liability Insurance, per occurrence of \$1,000,000.00, exclusive of cost of litigation and attorneys' fees, unless as otherwise provided in Article 14. Proof of compliance with this section shall be provided by ARCHITECT to OWNER in each year insurance is required.

11.16 No work requiring the approval of the OWNER shall be undertaken until the OWNER's written approval has been requested and obtained. Any deviation from this requirement shall be considered a material breach of this Agreement and grounds for termination.

11.17 In the event that the ARCHITECT subcontracts out any portion of his duties or responsibilities under this Agreement or if the ARCHITECT hires consultants to assist him with his duties or responsibilities under this Agreement, the ARCHITECT shall require that all terms of this Agreement applicable to the consultant, subcontractor, or joint venturer shall be incorporated into any contract or agreement entered into with such consultant, subcontractor, or joint venturer.

11.18 Notices. Any and all notices provided for hereunder shall be in writing and shall be deemed delivered, given and received when (i) personally delivered, or (ii) five days after the same are deposited in the United States mail, postage prepaid, registered or certified mail, return receipt requested, addressed to the applicable party at the address indicated below for such party, or at such other address as may be designated by either party in a written notice to the other party.

No provision of this Agreement shall be deemed to have been waived by either party unless such waiver be in writing signed by the party making the waiver and addressed to the other party, nor shall any custom or practice which may evolve between the parties in the administration of the terms hereof be construed to waive or lessen the right of either party to insist upon their performance by the other party in strict accordance with the terms hereof. Further, the waiver by any party of a breach by the other party of any term, covenant, or condition hereof shall not operate as a waiver of any subsequent breach of the same or any other term, covenant, or condition thereof.

11.26 Mergers, Dissolution, Successors, and Assigns. The ARCHITECT agrees that during the term hereof it will maintain its existing business structure and will not dissolve or otherwise dispose of all or substantially all of its assets and will not consolidate with or merge into another business structure or permit one or more other business structures to consolidate or merge into it, unless the surviving, resulting, or transferor business structure, as the case may be, (1) assumes, is capable of, and agrees in writing to perform all of the obligations of the ARCHITECT hereunder; (2) qualifies to do business in the State of New Mexico, including providing a legal resident registered ARCHITECT of New Mexico as Project ARCHITECT; and (3) the OWNER approves the firm or individual ARCHITECT, or new ARCHITECT, if any, who is to proceed. The terms and provisions hereof shall extend to and be binding upon and ensure to the benefit of the successors and assigns of the respective parties hereto.

11.27 Contract Rights. The OWNER shall have sole discretion to determine whether the Project ARCHITECT or the firm named as ARCHITECT in this Agreement shall continue to have all contract rights under Agreement and continue to represent the OWNER under this Agreement in all instances where the Project ARCHITECT ceases to be associated with the firm named in this Agreement.
