### 3. Expenditure/Revenue Narrative:

Explain revenue source(s). Include revenue calculations, grant(s) available, anticipated date of receipt of revenues/grants, etc. Explain expenditures, grant match(s), justify personnel increase(s), detail capital and operating uses, etc. (Attach supplemental page, if necessary.)

The \$29,600 specified on the previous page is for a loss in potential opportunity costs the SFCCC could lose out on if another event organizer would be interested in hosting an event during the dates of the Mission of Mercy event.

In addition, there will be:

- A hard cost to the City to install and remove plastic on the floors for the event;
  - Loss in revenue for providing free parking for volunteers; and
  - A possible cost to the City for coordinating transit services from area parking lots to the SFCCC;
- 

### Section D. General Narrative

Include details of city adopted laws/ordinance/resolutions and dates. Summarize the relationships, conflicts or overlaps.

The proposed resolution relates to Resolution 2013-107 wherein the Governing Body stated that the Community Convention Center exists not only to support for-profit events but to support community events, as well, including events sponsored by local non-profit organizations.

Additionally, the proposed resolution relates to Resolution #2012-89 whereby the Governing Body endorsed the efforts of the dental community to collaborate with local schools, health providers and state and local governmental entities to formulate a plan to provide increased services, education and outreach to the residents of Santa Fe county.

### 2. Consequences of Not Enacting This Bill/Resolution:

Are there consequences of not enacting this bill/resolution? If so, describe.

The New Mexico Mission of Mercy would not have an avenue in Santa Fe that support its annual event in 2016.

---

### 3. Technical Issues:

Are there incorrect citations of law, drafting errors or other problems? Are there any amendments that should be considered? Are there any other alternatives which should be considered? If so, describe.

None that staff are aware of.

---

### 4. Community Impact:

Briefly describe the major positive or negative effects the Bill/Resolution might have on the community including, but not limited to, businesses, neighborhoods, families, children and youth, social service providers and other institutions such as schools, churches, etc.

There would be positive community impact related to the adoption of this resolution because the Governing Body is partnering with the New Mexico Mission of Mercy to provide no cost dental services for the indigent residents of the Santa Fe area. The dental services provided during the New Mexico Mission of Mercy event include cleanings, fillings, root canals, extractions, and simple prosthetics performed by approximately 500 volunteer dentists and other dental professionals, in addition to 1000 lay volunteers. Such services will benefit the underserved working-poor of Santa Fe.
