**Section B. Summary**

Briefly explain the purpose and major provisions of the bill/resolution:

This resolution would allow the Farmers Market to hold an event on the Plaza on Sunday, September 27<sup>th</sup>. City code currently allows for only 8 commercial events per year, but gives the City permission to hold others through the adoption of a resolution. This resolution would direct the Public Works Committee to consider the request, before going before the full council for approval.

**Section C. Fiscal Impact**

**Note:** Financial information on this FIR does not directly translate into a City of Santa Fe budget increase. For a budget increase, the following are required:

- a. The item must be on the agenda at the Finance Committee and City Council as a "Request for Approval of a City of Santa Fe Budget Increase" with a definitive funding source (could be same item and same time as bill/resolution)
- b. Detailed budget information must be attached as to fund, business units, and line item, amounts, and explanations (similar to annual requests for budget)
- c. Detailed personnel forms must be attached as to range, salary, and benefit allocation and signed by Human Resource Department for each new position(s) requested (prorated for period to be employed by fiscal year)\*

**1. Projected Expenditures:**

- a. Indicate Fiscal Year(s) affected -- usually current fiscal year and following fiscal year (i.e., FY 03/04 and FY 04/05)
- b. Indicate: "A" if current budget and level of staffing will absorb the costs  
"N" if new, additional, or increased budget or staffing will be required
- c. Indicate: "R" -- if recurring annual costs  
"NR" if one-time, non-recurring costs, such as start-up, contract or equipment costs
- d. Attach additional projection schedules if two years does not adequately project revenue and cost patterns
- e. Costs may be netted or shown as an offset if some cost savings are projected (explain in Section 3 Narrative)

Section D. General Narrative

1. Conflicts: Does this proposed bill/resolution duplicate/conflict with/companion to/relate to any City code, approved ordinance or resolution, other adopted policies or proposed legislation? Include details of city adopted laws/ordinance/resolutions and dates. Summarize the relationships, conflicts or overlaps.

Conflicts with City of Santa Fe Ordinance 23-5.2, Farmers Market is not one of the 8 major commercial events authorized by City of Santa Fe code to utilize the Plaza for a major commercial event. City code allows for other events with the approval of the Governing Body.

2. Consequences of Not Enacting This Bill/Resolution:

Are there consequences of not enacting this bill/resolution? If so, describe.

The Farmers Market would be unable to hold an event on the Plaza. The event is an attempt to continue the People to the Plaza initiative of 2014, and would be in support of continued invigoration of the downtown area.

3. Technical Issues:

Are there incorrect citations of law, drafting errors or other problems? Are there any amendments that should be considered? Are there any other alternatives which should be considered? If so, describe.

None.

4. Community Impact:

Briefly describe the major positive or negative effects the Bill/Resolution might have on the community including, but not limited to, businesses, neighborhoods, families, children and youth, social service providers and other institutions such as schools, churches, etc.

This event would bring people to the Plaza, where they would increase spending at local shops as well as for those vendors participating as part of the Farmers Market. This event is in support of the People to the Plaza initiative, and would attract more people to the downtown area. It could cause traffic and parking problems in the downtown area, and has the potential to alienate downtown business owners if access to their shops is hampered. The resolution requests that the Santa Fe Farmers Market engage with the downtown merchants association in order to ensure they are aware of the event and can plan accordingly.
