Memorial Dedications and/or Donations to be placed in City Parks and Public Spaces*

PART 1: TYPES OF MEMORIALS

- 1.1 Memorial donations can include:
- 1) Landscape donations including trees and shrubs.
 - 2) Park benches, tables, or similar items.
- a. Memorial plaques identifying the donation may be provided for donations of benches, tables, or similar items, but shall not include living plants.
- 1.2 Other Types of Memorials: Other types of memorials may be considered on a case-by-case basis by the Parks Division in consultation with the Parks and Recreation Advisory Commission and City staff.
- a. A proposed donation of a permanent asset shall be coordinated with the Parks and Recreation Department Director, and staff of the Parks Division. Design specifications must be compatible with existing management and operation plans, as found in the Parks Master Plan, Traffic, Drainage, or Development Plans, or any other relevant planning document. Consideration for resource management and sustainability of natural landscapes will be taken into consideration when placement of the donation is decided.
 - b. Depending on the scope of the memorial, the Parks and Recreation Department may refer the project to the Governing Body for final authorization, after presentation to the appropriate Council Committee(s), based on inter-departmental review, archeological and historic review, and environmental assessment. Other investigations and/or coordination may be required, as determined by the City Manager, under counsel of City Attorney and the Parks and Recreation Director, as well as the Director of Public Works.
 - c. Non-designated monetary memorial donations to the City of Santa Fe Parks and Recreation Department will be used to meet current needs of the Department, as recommended by the Parks and Recreation Department Director.
- 1.3 Memorials may not have a commercial appearance or corporate label. Recommendation for a desired location of a donation may be requested by those providing the donation, but final placement will determined by the Parks Division.
- 1.4 All donated items become City property at time of donation.

PART 2: MEMORIAL DONATION PROCESS:

The following describes the steps necessary for application and approval of a memorial donation.

- 2.1 Initial Contact
 - a. All inquiries should be addressed to the Office of the Director, Department of Parks and Recreation (Director).
 - b. The Director shall coordinate with the Parks Administrator to meet with those parties requesting permission to have a memorial dedication and/or donation (donation) placed in a City park, or City owned and controlled public space.
 - c. The Parks Administrator or their designee shall schedule a site visit to discuss the proposed donation, the site limitations, and the guidelines and regulations.

- 2.2 Determination
 - a. The Parks Administrator shall make an initial determination based on the above scope of work, such that landscape element and installation may be authorized by the Director and approved for donation and installation. Landscape elements should reflect thoughtful consideration of a plant's suitability or adaptability, with respect to temperature ranges, humidity and available soil moisture to provide for the plant's vigor and vitality.
 - b. All determinations will be presented to the Parks and Recreation Advisory Commission for their review and advice.

- 2.3 The City shall be responsible for the installation, maintenance, and protection of the donation, as determined by the Parks and Recreation Department.

- 2.4 Permanency
 - a. Permanency of a memorial is not guaranteed by the City of Santa Fe. Permanency may be affected by natural or man-made pressures beyond the City's control. Such pressures include, but are not limited to, lack of water, vandalism, and natural decay.
 - b. Memorials that succumb to natural or man-made pressures will not be replaced at the expense of the Department, unless such replacement is within the existing budget, and in accordance with current Department policies.
 - c. If a memorial must be relocated, Department staff will attempt to notify the donor in writing at the donor's last known address.

- 2.5 Inventory and details of such donations will become part of the permanent inventory of the Parks Division.

- 2.6 Appeal Process
 - a. The Parks Administrator's determination may be appealed to the Director of Parks and Recreation or the City Manager, whose determination may be appealed to City Council. Such appeal would be filed with the City Clerk, for placement on the City Council Agenda.

PART 3: INFORMATION

- 3.1 Information regarding the City of Santa Fe Parks Memorial Program is available from the Parks Division during business hours, or from the City's website. Copies of these

policies and other related information will be provided by the Division at a price determined by the City.

PART 4. AMENDMENTS TO THESE GUIDELINES AND REGULATIONS

- 4.1 Amendments to these policies may be approved by the City Manager upon recommendation of the Parks & Recreation Director and the Parks Administrator, in coordination with the Parks and Recreation Advisory Commission.
