Amends existing code by extending the truck ban on Jaguar Drive to the 599 overpass.

2. Consequences of Not Enacting This Bill/Resolution:

Large vehicles would be permitted on Jaguar Drive between 599 and County Club Road, increasing what is expected to be a substantial growth in traffic once the 599 overpass is complete.

3. Technical Issues:

Are there incorrect citations of law, drafting errors or other problems? Are there any amendments that should be considered? Are there any other alternatives which should be considered? If so, describe.

None.

4. Community Impact:

Briefly describe the major positive or negative effects the Bill/Resolution might have on the community including, but not limited to, businesses, neighborhoods, families, children and youth, social service providers and other institutions such as schools, churches, etc.

Residents in the area have requested this ban to stop large trucks from using Jaguar Drive between 599 and Country Club Road. There are many children in the area who could be at risk from the increased traffic large trucks would present.
