2 **5-8.7 Injury by Motorists.**

3 A. Every operator of a motor or other self-propelled vehicle upon the streets and ways
4 shall immediately, upon injuring, striking, maiming or running down any animal, give aid as is
5 reasonably able to be rendered. In the absence of the owner, he shall immediately notify the ~~[director]~~
6 administrator, furnishing sufficient facts relative to the injury.

7 B. Every such operator shall remain at or near the scene until the appropriate authorities
8 arrive, and upon the arrival of the appropriate authorities, the operator shall immediately identify
9 himself to them. Alternatively, in the absence of the owner, a person may give aid by taking the
10 animal to a veterinary hospital or the animal services center and notifying the ~~[director]~~ administrator.
11 The animal shall be deemed an abandoned animal within the meaning of subsection 5-8.4 of this
12 chapter. This provision does not apply to operators of emergency vehicles.

13 **Section 23. Subsection 5-8.9 SFCC 2987 (being Ordained as Code 1978, §4-40, as**
14 **amended) is amended to read:**

15 **5-8.9 Keeping of Diseased or Painfully Crippled Animals.**

16 It is unlawful to have, keep or harbor any animal which is infected with any dangerous or
17 incurable or painfully crippling condition except as provided in this chapter. The ~~[director]~~
18 administrator may impound the diseased or painfully crippled animal in accordance with the
19 provisions of this chapter. All such animals impounded, following examination and approval by a
20 veterinarian may be destroyed humanely as soon thereafter as is conveniently possible. In the case of
21 ~~[destruction]~~ humane euthanasia of an animal, the ~~[director]~~ administrator shall not be required to
22 give any of the notices provided in this chapter. This subsection shall not be construed to include
23 veterinary hospitals or animals under active veterinary care.

24 **Section 24. Subsection 5-8.11 SFCC 2987 (being Ordained as Code 1978, §4-42, as**
25 **amended) is amended to read:**

1 **5-8.11 Confining or Crating of Fowl.**

2 It is unlawful for any person to confine~~[, or the director administrator to confine and~~
3 ~~impound]~~ any wild or domestic fowl or bird unless provisions are made for the proper feeding and the
4 furnishing of water to the fowl or bird at intervals not longer than twelve (12) hours; and unless
5 provisions are made that the crate, box or other enclosure in which the fowl or bird is confined or
6 impounded permits the fowl or bird to stand in a naturally erect position.

7 **Section 25. Subsection 5-9.5 SFCC 2987 (being Ord. #2004-20, §32) is amended to**
8 **read:**

9 **5-9.5 Litter Permit Required.**

10 The owner who [~~intentionally or~~] unintentionally breeds dogs or cats and does not have a
11 current professional animal care permit for breeding, as required in subsection 5-6.2 SFCC 1987,
12 shall pay a litter fee for each litter. An owner shall not advertise, sell, barter, exchange or give away
13 any dog or cat within the municipal boundaries unless the litter fee is paid. Any advertisement for the
14 sale, barter, exchange or give away shall include the litter fee receipt number. An owner shall furnish
15 the litter fee receipt number to any prospective recipient requesting the number. If the owner
16 purchases a breeder permit or provides proof of sterilization of the female animal within thirty (30)
17 days of being cited for violation of this section, such charge shall be dropped. If the owner takes all or
18 part of the litter to the Santa Fe animal shelter to [~~give away~~] surrender, a litter permit shall not be
19 required provided that the animal that produced the litter is neutered.

20 **Section 26. Subsection 5-10.1 SFCC 2987 (Ordained as Code 1973, §4-48, as**
21 **amended) is amended to read:**

22 **5-10.1 Wild or Exotic Animals.**

23 A. It is unlawful to be in charge of, possess or own:

- 24 (1) Any wild or exotic animal or species prohibited by federal or state law;
- 25 (2) Any wild or exotic animal or species when kept in such numbers or in such a

1 way as to constitute likelihood of harm to the animals themselves, to human beings or to the
2 property of human beings, or which constitutes a public or private nuisance;

3 (3) Bats; or

4 (4) Skunks, except those owned by individuals on the effective date of this
5 chapter and provided that any wild or exotic animal permit is obtained for the skunks within
6 sixty (60) days of the effective date.

7 B. It is unlawful to receive, purchase, own or keep any wild or exotic animal without
8 first applying to and receiving from the [~~director~~] administrator a permit to do so. Notwithstanding,
9 those persons in possession of a wild or exotic animal when they become residents of the city in the
10 future or who possess the animal on the effective date of this chapter have a sixty (60) day period in
11 which to apply for the permit before the penalty provisions of this chapter become enforceable.

12 C. No person shall apply for a wild or exotic animal permit without first obtaining any
13 required state or federal permits.

14 D. The application for a permit shall contain the name of the applicant; his address, the
15 address of the proposed location of the wild or exotic animal if different from the applicant's; a brief
16 description of the applicant's plan for keeping the wild or exotic animal which shall include the
17 species of animal, the number of individuals of each species, and a description of the housing
18 facilities; a list of individuals qualified to care for the animal desired or that have agreed to advise or
19 assist the applicant in the proper care and treatment of the animal and who would be willing to
20 recommend the person applying for the permit; and the list of publications which the applicant has
21 studied in order to qualify for a permit for the animal.

22 E. Upon receipt of the application, the [~~director~~] administrator shall inspect the facilities
23 where the animal is to be housed and shall make whatever other investigations he deems necessary.
24 The [~~director~~] administrator may deny a permit if the inspection or investigation determines that the
25 provisions of this section are not met.

1 F. Whenever, in any given permit year, there are new wild or exotic animals in a
2 collection due to the reproduction of members of the collection or to replacement in the [~~sane~~] same
3 number and zoological species as the members replaced, the new animals do not require an additional
4 permit during the year, provided the [~~director~~] administrator is notified in writing of the new exotic
5 animals within thirty (30) days of acquisition. When a new or wild exotic animal or collection is
6 added, a new permit must be secured and a new fee shall be due and payable at the time of issuance
7 of the permit and shall be a prerequisite of the issuance.

8 G. The wild or exotic animal permit shall be valid for one (1) year, and shall be
9 reviewed within sixty (60) days after expiration and an inspection is required prior to the renewal of
10 the permit. If, during the preceding year, more than one (1) renewal permit has been issued an
11 applicant, the former permits may be consolidated so that only one (1) renewal permit is required;
12 provided, however, that the renewal date for the consolidated permit shall be the date of the issuance
13 of the earliest permit. The animal services center may deny the application for renewal for cause.

14 H. Individuals authorized to acquire a wild or exotic animal shall, within fourteen (14)
15 days of acquisition, submit to the animal services center, a health certificate from a qualified
16 veterinarian stating that the animal is in good health and has been vaccinated in accordance with
17 applicable time schedules.

18 I. It is unlawful to receive, purchase, own or keep any wild or exotic animal unless:

19 (1) Housing is sufficiently spacious, ventilated and temperature-controlled, clean
20 and sanitary at all times;

21 (2) The wild or exotic animal is provided with proper food, water and attention;

22 (3) The wild or exotic animal is kept and cared for in such a way as not to
23 endanger the safety of any person or property; and

24 (4) The wild or exotic animal permittee notifies the [~~director~~] administrator
25 when changing his residence or location of the wild or exotic animal, or selling or otherwise

1 disposing of the wild or exotic animal for which the permit was issued.

2 J. Permits issued pursuant to the provisions of this subsection shall be surrendered for
3 inspection upon the request of the [~~director~~] administrator. The premises on which a wild or exotic
4 animal is maintained shall be open at any reasonable hour and in a reasonable manner for inspection
5 by the [~~director~~] administrator.

6 K. For failure to have a permit in advance of obtaining a wild or exotic animal or to
7 renew the permit within sixty (60) days of the expiration date, or upon suspension of a wild or exotic
8 animal permit, the [~~director~~] administrator shall have the authority to enter the premises where the
9 wild or exotic animal is kept, at any reasonable hour, and to impound the animal. The animal shall be
10 surrendered upon the demand of the [~~director~~] administrator. Procedures for the reclamation and
11 [~~destruction~~] humane euthanasia of impounded wild or exotic animals shall be followed pursuant to
12 subsection 5-4.4 of this chapter, and for penalties, pursuant to Section 5-12. The wild or exotic animal
13 may be returned to its owner if the problem for which it was impounded is corrected within the time
14 period allotted by the [~~director~~] administrator and all penalties are paid.

15 L. Notwithstanding the above, the valid zoological park, veterinary hospital, humane
16 society, shelter, public laboratory, circus, sideshow, educational or scientific facility, provided
17 protective devices adequate to prevent the animal from escaping or injuring the public are provided,
18 are excluded from the above portions of this subsection.

19 M. Upon application to the [~~director~~] administrator, the keeping of these prohibited
20 animals may be permitted for educational or scientific purposes; provided there is no conflict with
21 state or federal regulations. In lieu of licensing each animal, a wild or exotic animal permit may be
22 issued in accordance with this subsection.

23 N. No person shall keep, conduct or operate any traveling animal show, petting zoos,
24 circus, pony rides, animal acts or miscellaneous animal or reptile exhibits without first obtaining a
25 special animal permit from the [~~director~~] administrator as follows:

1 (1) Each application for a special animal permit shall be in writing upon a form
2 to be furnished by the ~~[director]~~ administrator and shall contain such information as the
3 ~~[director]~~ administrator shall require;

4 (2) All special permits issued by the ~~[director]~~ administrator shall be for a
5 specified period of time but not to exceed one (1) year unless revoked or suspended, or unless
6 the holder of the
7 permit changes the location of his place of business, or sells, assigns, transfers or otherwise
8 disposes of his business or his interests therein; and

9 (3) Upon the filing of each application, either for an original permit or renewal,
10 the ~~[director]~~ administrator shall make an investigation as he deems proper. The ~~[director]~~
11 administrator shall then issue a permit to the applicant if it is found that:

12 (a) The animals, or the conduct or operation of the business for which
13 the permit is requested will not constitute a menace to the health, peace or safety of
14 the citizens; and

15 (b) The premises and establishment where the animals are to be kept are
16 maintained in a clean and sanitary condition and that the animals will not be subject
17 to needless suffering, unnecessary cruelty or abuse and that the applicant has not had
18 a permit revoked within one (1) year prior to the date of application.

19 **Section 27. Subsection 5-10.2 SFCC 2987 (Ordained as Code 1973, §4-49, as**
20 **amended) is amended to read:**

21 **5-10.2 Permits and Housing of Guard Dogs.**

22 A. It is conducive to the promotion of the health and general welfare of the inhabitants
23 of this city to require permits for guard dogs, used on commercial property, and to establish
24 regulations for the proper and safe use of guard dogs used for protecting commercial property.

25 B. Permits:

1 (1) Unless a guard dog permit is in effect for each commercial property where
2 guard dogs are to be used, they shall not be used. Procedures for permit application,
3 inspection of guard dog facilities, and issuance of dog identification tags will be established
4 by the [~~director~~] administrator. Permits for both permanent and temporary locations may be
5 transferred to a new location operated by the same business firm during the license year.
6 However, such transfers shall not be effective until the [~~director~~] administrator or his
7 designee has inspected and approved required facilities at the new location and the
8 information required below for permit applications has been recorded. Applicants must
9 provide five (5) working days advance notice to the animal services center for permit
10 transfers.

11 (2) Permit applications shall include the following information:

12 (a) The business name, address and telephone number of the commercial
13 property where guard dogs are to be used;

14 (b) The name, address and telephone number of the handler who can be
15 reached at any time during the day or night;

16 (c) The number of dogs to be used and a general description of their use;

17 (d) The location where dogs are to be housed; and

18 (e) Any other information that the [~~director~~] administrator deems
19 necessary by rule and regulation. Permit holders shall notify the animal services
20 center if any information recorded as part of the permit application is changed during
21 the course of the period for which the permit is issued.

22 (3) The [~~director~~] administrator or his designee shall inspect the facilities where
23 the guard dog is to be used and housed when the guard dog permit is applied for and when it
24 is renewed.

25 (4) If the inspection reveals that all the requirements of law and regulation are

1 met, a guard dog for the approved commercial property shall be issued by the animal services
2 center. The permit shall be displayed at the approved commercial property and an
3 identification tag shall be affixed to the collar of each dog used. Holders of the guard dog
4 permits shall be exempt for the guard dogs from the license fee requirements of subsection 5-
5 5.6 of this chapter.

6 (5) The guard dog permit shall be valid for one (1) year and shall be renewed
7 annually within thirty (30) days after the renewal date.

8 (6) The guard dog permit must be obtained prior to housing or utilizing guard
9 dogs at the commercial property; provided that for those commercial properties where guard
10 dogs were in use when this regulation became effective, there shall be a ninety-day period in
11 which to obtain the permit without penalty.

12 C. Whenever there is a guard dog on the premises, the standards of this subsection, in
13 addition to the other requirements of law and regulations, shall be complied with, as follows:

14 (1) Housing shall have anti-escape fences completely surrounding it or be an
15 anti-escape building sufficient to house guard dogs.

16 (2) All gates and entrances to the area where the guard dog is housed, used or
17 trained shall be locked when not in use.

18 (3) Additional measures found necessary by the [~~director~~] administrator shall be
19 taken to protect the public from accidental contact with any guard dog.

20 (4) Where guard dogs are used outside buildings, the area must be enclosed by at
21 least a six-foot chain link fence or other fence of equal security, wall or adequate wood fence,
22 to which anti-escape devices have been added. The adequacy of the fencing shall be subject
23 to the approval of the [~~director~~] administrator.

24 (5) In order to control noise, the [~~director~~] administrator may require a sight
25 barrier which breaks the dog's line-of-sight.

1 (6) In buildings where guard dogs are housed, exterior glass shall be adequate, or
2 additional protective measures shall be taken by the owner, as required by the [~~director~~]
3 administrator, to prevent the dog from jumping through it.

4 (7) The building and yard in which a guard dog is housed shall be posted with bilingual,
5 English and Spanish, or visual guard dog signs, approved by the [~~director~~] administrator that
6 shall not be more than two hundred feet (200') apart, and shall be at all property corners and
7 at every entrance into the area.

8 (8) For guard dogs either transported or used in vehicles, measures prescribed by
9 rule and regulation of the [~~director~~] administrator must be taken to protect the public from
10 accidental contact with a guard dog.

11 (9) A handler is required to be physically present while guard dogs are being
12 used at temporary sites which do not comply with this subsection.

13 D. Dogs which are used as private guard dogs on the property of their owner's private
14 residence, shall be excluded from the provisions of this subsection unless the residence is located on
15 premises used for commercial purposes. Guard dogs kept in a kennel with a valid professional animal
16 permit are also excluded.

17 **Section 28. Subsection 5-10.3 SFCC 2987 (Ordained as Code 1973, §4-50, as**
18 **amended) is amended to read:**

19 **5-10.3 Violations, Suspensions and Revocations under Professional Animal Care**
20 **Permit, the Exotic Animal Permit and the Guard Dog Permit; Appeal Procedure.**

21 A. If the [~~director~~] administrator makes an inspection of a kennel, grooming parlor, pet
22 shop, shelter, facility for exotic animals or commercial property where guard dogs are used, and
23 discovers a violation of law or regulations, he shall notify the permit holder, or operator, of such
24 violations by means of an inspection report form or other written notice. The notice shall:

25 (1) Set forth the specific violation found;

1 (2) Establish a specific and reasonable period of time for correction of the
2 violation found;

3 (3) State that failure to comply with any notice issued in accordance with the
4 provisions of this chapter may result in immediate suspension of the permit; and

5 (4) State that an opportunity for appeal from any notice or inspection findings
6 will be provided if a written request for a hearing is filed with the [~~director~~] administrator
7 within five (5) days of the receipt of the notification.

8 B. Notices provided for under this subsection shall be deemed to have been properly
9 served when the original of the inspection report form or other notice has been delivered personally or
10 mailed by registered or certified mail, return receipt requested, to the permit holder, person in charge,
11 or alleged violator. A copy of such notice shall be filed with the records of the [~~director~~]
12 administrator.

13 C. Hearings provided for in this subsection shall be conducted by the [~~director~~]
14 administrator at a time and place designated by him. Based upon the record of such hearing, the
15 [~~director~~] administrator shall make a finding and shall sustain, modify or rescind any official notice or
16 order considered in the hearing. A written report of the hearing decision shall be furnished to the
17 permit holder by the [~~director~~] administrator. This paragraph shall not be intended to preclude the
18 institution of court action as provided elsewhere in this chapter.

19 D. Permits may be suspended by the [~~director~~] administrator for failure of the holder to
20 comply with the requirements of law or regulations. The [~~director~~] administrator may notify a permit
21 holder in writing that the permit or license is, upon receipt of the notice, immediately suspended, and
22 that an opportunity for a hearing will be provided if a written request for a hearing is filed with the
23 [~~director~~] administrator within five (5) days of receipt.

24 E. Notwithstanding the notice requirements herein, when the [~~director~~] administrator
25 finds unsanitary or other conditions in the operation of a kennel, grooming parlor, pet shop, shelter,

1 exotic animal facility, or site where guard dogs are used, which, in his judgment, constitute a
2 substantial hazard to public health, he may, without notice or opportunity to be heard, issue a written
3 notice to the permit holder or operator citing such condition and stating the corrective action to be
4 taken. If deemed necessary, the permit shall be immediately suspended and all operations
5 immediately discontinued. Any person to whom such an order is issued shall comply forthwith.

6 F. For repeated violations of any of the requirements of law or regulations or for
7 interference with the ~~[director]~~ administrator in the performance of his duties, the violator's permits
8 may be permanently revoked after an opportunity for a hearing has been provided by the ~~[director]~~
9 administrator. The individual whose professional animal, exotic animal or guard dog permit is
10 revoked shall not apply for another permit or license for the period of one (1) year. Prior to such
11 action, the ~~[director]~~ administrator shall notify the permit holder in writing, stating the reasons for
12 which the permit is proposed to be revoked at the end of five (5) days following service of such
13 notice, unless a request for a hearing is filed with the ~~[director]~~ administrator by the permit holder or
14 licensee, within such five (5) day period.

15 G. If the exotic animal permit is revoked, the owner of the exotic animal shall ~~[give~~
16 ~~away, sell or]~~ surrender the animal to the animal services center within five (5) days of the effective
17 date of revocation. ~~[If within seven (7) days thereafter, the director finds the former permittee is in~~
18 ~~compliance with law and regulations, the permit shall be renewed.]~~

19 H. Any person whose professional animal or guard dog permit has been suspended, shall
20 cease the previously permitted activity. The person may, at any time, make application for an
21 inspection for the purpose of reinstatement of the permit. Within five (5) days of a request for
22 reinstatement, the ~~[director]~~ administrator shall make an inspection. If the applicant is complying with
23 the requirements of law and regulations, the permit may be reinstated.

24 I. Any person aggrieved by any decision of the ~~[director]~~ administrator may, within five
25 (5) days of receipt of his decision, file written notice of appeal to the governing body. The hearing of

1 the governing body shall be conducted within thirty (30) days of receipt of the notice of appeal.

2 Section 29. Section 5-12 SFCC 2987 (Ordained as Code 1973, §4-53, as amended) is
3 amended to read:

4 **5-12 LICENSES AND PERMIT FEES; FINES AND PENALTIES; AND OTHER**
5 **CHARGES.**

6 A. The governing body shall adopt by passage of a resolution a schedule of licensing
7 and permit fees, mandatory fines and penalties for violation of this chapter and other charges. The
8 animal services center may establish alternatives to the mandatory fines and penalties for first
9 offenses in order to encourage responsible pet ownership. The fines and penalties may not be deferred
10 or suspended on second or subsequent offenses.

11 B. Any violation of this chapter other than those listed in paragraph A. of this Section
12 shall be punished as provided in Section 1-3 of this Code. Each day this chapter is violated shall be
13 considered a separate offense. If any person is convicted of cruelty or mistreatment of an animal, that
14 animal shall be removed from his custody and placed with the [~~director~~] administrator.

A. Proposed ordinance amending various provisions of the City of Santa Fe Animal Services Ordinance, Chapter 5 SFCC 1987 (Councilor Bushee, Animal Services Supervisor Johnny Martinez)

Mr. Martinez stated that the bill proposes to amend various provisions of the City of Santa Fe Services Ordinance, Chapter 5 SFCC 1987. These changes are documented in the proposed bill included in the PSC packet. One of the main changes is adapting to the trolley system and animal provisions to be in compliance with ADA. The trolley system gives more room for the animal to move around. The Santa Fe Human Society will work with residents in acquiring a trolley if they cannot afford one by turning in their old spikes and they will be provided a new trolley system.

Dr. Mier asked for more explanation referencing Page 24 – line 17: It is almost difficult to clean up the urination of an animal.

Mr. Martinez said that the intent was not to clean it up but to make the owner aware of the responsibility for clean up. Mr. Martinez said it is almost impossible to enforce.

Dr. Mier referenced – Page 23-L: What happens on the weekend when an animal has to be held or detained? Mr. Martinez said that it is sometimes difficult to get a hold of the Judge over the weekend; and informed Dr. Mier that there are multiple people on his staff who can enforce this action.

Dr. Mier moved to approve the proposed ordinance amending various provisions of the City of Santa Fe Animal Services Ordinance, Chapter 5 SFCC 1987, second by Mr. Mizrahi, motion carried by unanimous voice vote.

~~**B. Proposed ordinance relating to the prohibition of procurement of tobacco by minors, amending subsection 16-15.4 SFCC 1987 to amend the definition of “Tobacco Product” and create a new definition for “electronic smoking device” (Councilor Trujano, Alfred Walker)**~~

~~Mr. Walker stated that at the November 19, 2013 Public Safety Committee meeting, the PSC approved a proposed bill that would have created a new section in the City’s criminal code that would have prohibited the procurement of electronic nicotine devices by minors. Thereafter, the City Attorney’s Office found that the bill did not conform to the standards of the American Cancer Society so the sponsor withdrew that version of the bill and now proposes the attached bill which will conform to the standards of the American Cancer Society. The proposed bill will prohibit the procurement of electronic nicotine devices by minors in the same manner as the current Ordinance prohibits the procurement of tobacco by minors. Additionally, the bill amends the definition of “tobacco product” and creates a new definition for “electronic smoking device”.~~

~~Page 1, Line 21 – Electronic smoking device means any product containing or delivering nicotine or any substance intended for human consumption that can be used by a person~~

11. REQUEST FOR APPROVAL OF GRANT AWARD – SANTA FE ARTS COMMISSION 2014 ARTS INTERNSHIP PROGRAM; PRINCETON INTERNSHIPS IN CIVIL SERVICE. (DEBRA GARCIA Y GRIEGO)

A. REQUEST FOR APPROVAL OF BUDGET INCREASE – GRANT FUND

Councilor Calvert asked how much this will cost the City, commenting it noted different amounts in different places. He said it indicates we are getting a grant for \$13,000. He noted it references Exhibit "B," which wasn't in the packet.

Ms. Garcia y Griego apologized that it wasn't in the packet, saying it was an email from Princeton stating the offer and the intern was to be paid at least \$450 per week. She said under the Living Wage Ordinance they are paid more, so the cost last year was approximately \$4,000 for the 8-week internship.

Councilor Calvert said he presumes the cost will be \$4,480, and Ms. Garcia y Griego said this is correct. Councilor Calvert asked if the difference has been budgeted.

Ms. Garcia y Griego said yes, noting it has been a standing item in the budget since they became involved in the program.

Councilor Calvert said we want to be sure that the intern is productive, that the City gets something out of its participation, and "we're not just taking it because we're getting \$1,350."

Ms. Garcia y Griego said, "It's been an incredibly valuable program for us. The interns that have come to us have been very high quality, very experienced, worked hard and been dedicated. And frankly, it's the only way we're able to operate the Art on Loan Program, because the regular staff doesn't have time to solicit artists, go through the submissions, present them, get them installed. This is a visible program that the public enjoys, so I think in terms of my minimal estimate, it is very much worth the return."

MOTION: Councilor Calvert moved, seconded by Councilor Ives, to approve this request.

NOTE: The motion was approved unanimously on a voice vote.

14. REQUEST FOR APPROVAL OF AN ORDINANCE AMENDING VARIOUS PROVISIONS OF THE CITY OF SANTA FE ANIMAL SERVICES ORDINANCE, CHAPTER 5 SFCC 1987 (COUNCILOR BUSHEE). (JOHNNY MARTINEZ) Committee Review: Public Safety Committee (approved) 12/17/13; City Council (request to publish) 01/08/14; and City Council (public hearing) 01/29/14. Fiscal Impact – No.

Councilor Calvert said he is supportive of the Ordinance, but he is somewhat confused about a couple of things. He said we are amending definitions and taking certain things out, but the "one we're

replacing with is not in the definitions. We're deleting kennels, grooming parlors, pet shops and shelters and inserting in lieu thereof professional animal care, but we didn't define professional animal care."

Officer Martínez said all animal entities must apply annually for a professional care permit which is under permits, which allows us to do inspections and ensure everyone is in compliance with City Ordinance.

Councilor Calvert said he understands, and reiterated his concern about the definitions.

Officer Martinez said they can define that item.

Councilor Calvert said this allows for a trolley system, which is 10 feet or longer in some places and in other 12 feet. He said we need consistency on that. He said on Ordinance page 6, there is a definition of the trolley system which is 10 feet or longer, and on Ordinance page 11, line 18, it says, "The device shall be at least 12 feet long."

Officer Martinez said he can make that correction, noting there is a 10 foot run with a cord attached, and he will change everything to 10 feet.

Chair Dominguez asked if they are talking about the device in one place and the tether in the other.

Officer Martinez said two different cords are required for the tether, so there are two different mechanisms in the trolley system.

Councilor Calvert said it references an Exhibit A in the definitions section, but he didn't see an Exhibit A which would help to clarify all of the questions.

Melissa Byers said that will be included in the next packet.

Officer Martinez said we want to do away with all of the animals being tethered here in Santa Fe, and we're taking a step with the trolley system trying to be more humane without the chains.

Councilor Calver said perhaps this should be done incrementally.

Councilor Bushee said the Municipal Judge may not be getting back quickly enough with the language in places.

Ms. Byers said Judge Yalman has concerns with the current definitions of "dangerous animal" and "vicious animal," and she has called the Judge for clarification, so an amendment may be introduced to this bill tomorrow at Council with the Request to Publish.

Chair Dominguez asked if there is a time urgency on this Ordinance.

Councilor Bushee said no, but it has been hanging around for a while. She said we waited for the County to go through its process, thinking we may have a seamless ordinance process. However, there are different concerns in the rural areas. She said she thinks the County updated its ordinance, and borrowed some things from our Ordinance and "kept some others individualized."

Council Calvert, quoting from Ordinance Page 14, said, "Line 8, Item h. Every individual entity that provides animals for sale or adoption shall purchase and display a professional animal care permit issued by the administrator. Any entity that is discovered representing another entity's animal as their own, shall be in violation of this Chapter, and shall be cited and may be required to forfeit..." He asked if "individual entity" applies to the people who take their newborn kittens or dogs to the Coop and say they have animals to give away.

Officer Martinez said, "No. This section applies to outside agencies that come into, for example, PetSmart or PetCo and advertise animals, trying to sell them under the Petco permit."

Councilor Calvert said he understands, but asked if the language captures more than you want.

Officer Martinez said he can revise that language.

Councilor Calvert said the language needs to be specific that you are talking about business entities, as opposed to individuals or personal entities. He said he isn't going to provide the wording, reiterating he may be capturing more there than he wants to capture.

Councilor Bushee asked if this bill will go to the Public Works Committee, and the Chair said no.

Councilor Ives said Section 5-7.9 is an amendment to bring the definition of service animal into compliance with the Americans with Disability Act. He said presumably the ADA provides that "...only a dog or a miniature horse that is individually trained to do work or perform tasks for a person with a disability is a service animal to which the act applies."

Officer Martinez said that is correct.

Councilor Ives said then presumably the particular animal has to be trained to do that work. He said he wants to be sure, because we hear folks describing dogs as a service animal without any reference to training, merely as a sort of companion as opposed to a full-blown service animal as defined here.

Officer Martinez said, "It is required to be trained. However, it is a very touchy subject when dealing with them, so we are pretty lenient. Most of the time, when people tell us they have a service animal, we take their word, and don't demand proof. But that is the exact wording of the ADA law, so we would like to change ours to govern that."

Councilor Ives asked if he knows of instances in Santa Fe where people purport to be using anything other than a dog or a miniature horse as a service animal.

Officer Martinez said, "No. And right now we don't have any horses, but there are people with therapeutic cats they walk around with, or birds. But as far as service animals, they are downsized to dogs and miniature horses."

Councilor Calvert said on Ordinance page 12, in Section 5-6.1 Purpose, we are introducing some new terms – animal training, dog walking or animal sitting business. So we're introducing those, but we haven't defined them."

Officer Martinez said this is correct, but they will be part of the definitions.

Chair Dominguez said then work needs to be done on this before tomorrow, depending on whatever action the Committee takes today, noting it will be at the Council tomorrow for a Request to Publish.

MOTION: Councilor Calvert moved, seconded by Councilor Ives, to approve this request with direction to staff to make sure the amendments are provided as this moves forward.

DISCUSSION: Councilor Bushee said the biggest change is no tethering, which is a significant change.

Officer Martinez agreed, commenting that compliance with the ADA is another significant change.

VOTE: The motion was approved unanimously on a voice vote.

1 REQUEST FOR APPROVAL OF AN ORDINANCE RELATING TO SANTA FE SMOKE FREE ORDINANCE, SECTION 10-6 SFCC 1987; AMENDING SUBSECTION 10-6.2 TO INCLUDE FINDINGS RELATING TO ELECTRONIC SMOKING DEVICES AND AMENDING SUBSECTION 10-6.3 TO PROVIDE DEFINITIONS FOR "ELECTRONIC SMOKING DEVICE" AND "TOBACCO PRODUCT" (COUNCILOR TRUJILLO). (ALFRED WALKER) Committee Review: Public Safety Committee (approved w/amendment) 12/17/13; City Council Request to publish) 01/08/14; and City Council (public hearing) 01/29/14. Fiscal Impact – No.

Councilor Bushee said when she brought the Santa Fe Smoke Free Ordinance forward she believed strongly in it, and for everyone who has to be inside of second hand smoke. She said a lot of people are using eCigarettes. She asked if there are studies in terms of the second hand smoke effects of eCigarettes, noting nicotine is an ingredient but certainly not the only one. She said she wants to make sure she has justification for the Ordinance. She said many of her friends have been helped with eCigarettes, but understands the concept of not wanting others to be impacted. She wants to be sure we are basing this on recent studies or evidence.

Mr. Walker said, "To the best of my knowledge, the studies depend on who's doing the studies. That's my understanding. My understanding also is that the Food & Drug Administration has refused to certify electronic cigarettes as a smoking cessation device. It will not do it. And the FDA was intending to
