RE: Expansion of Tables on Plaza

SUMMARY:

Please see attached - 3 separate alternative proposals for the expansion of the existing table layout on the Plaza.

The intent is to accommodate the increase and demand of constituents created by the additional vendors and food trucks. Being that the City is nearing one of the busiest times in the year, the increase in tables is recommended to account for an increase in constituent activity in the Plaza area.

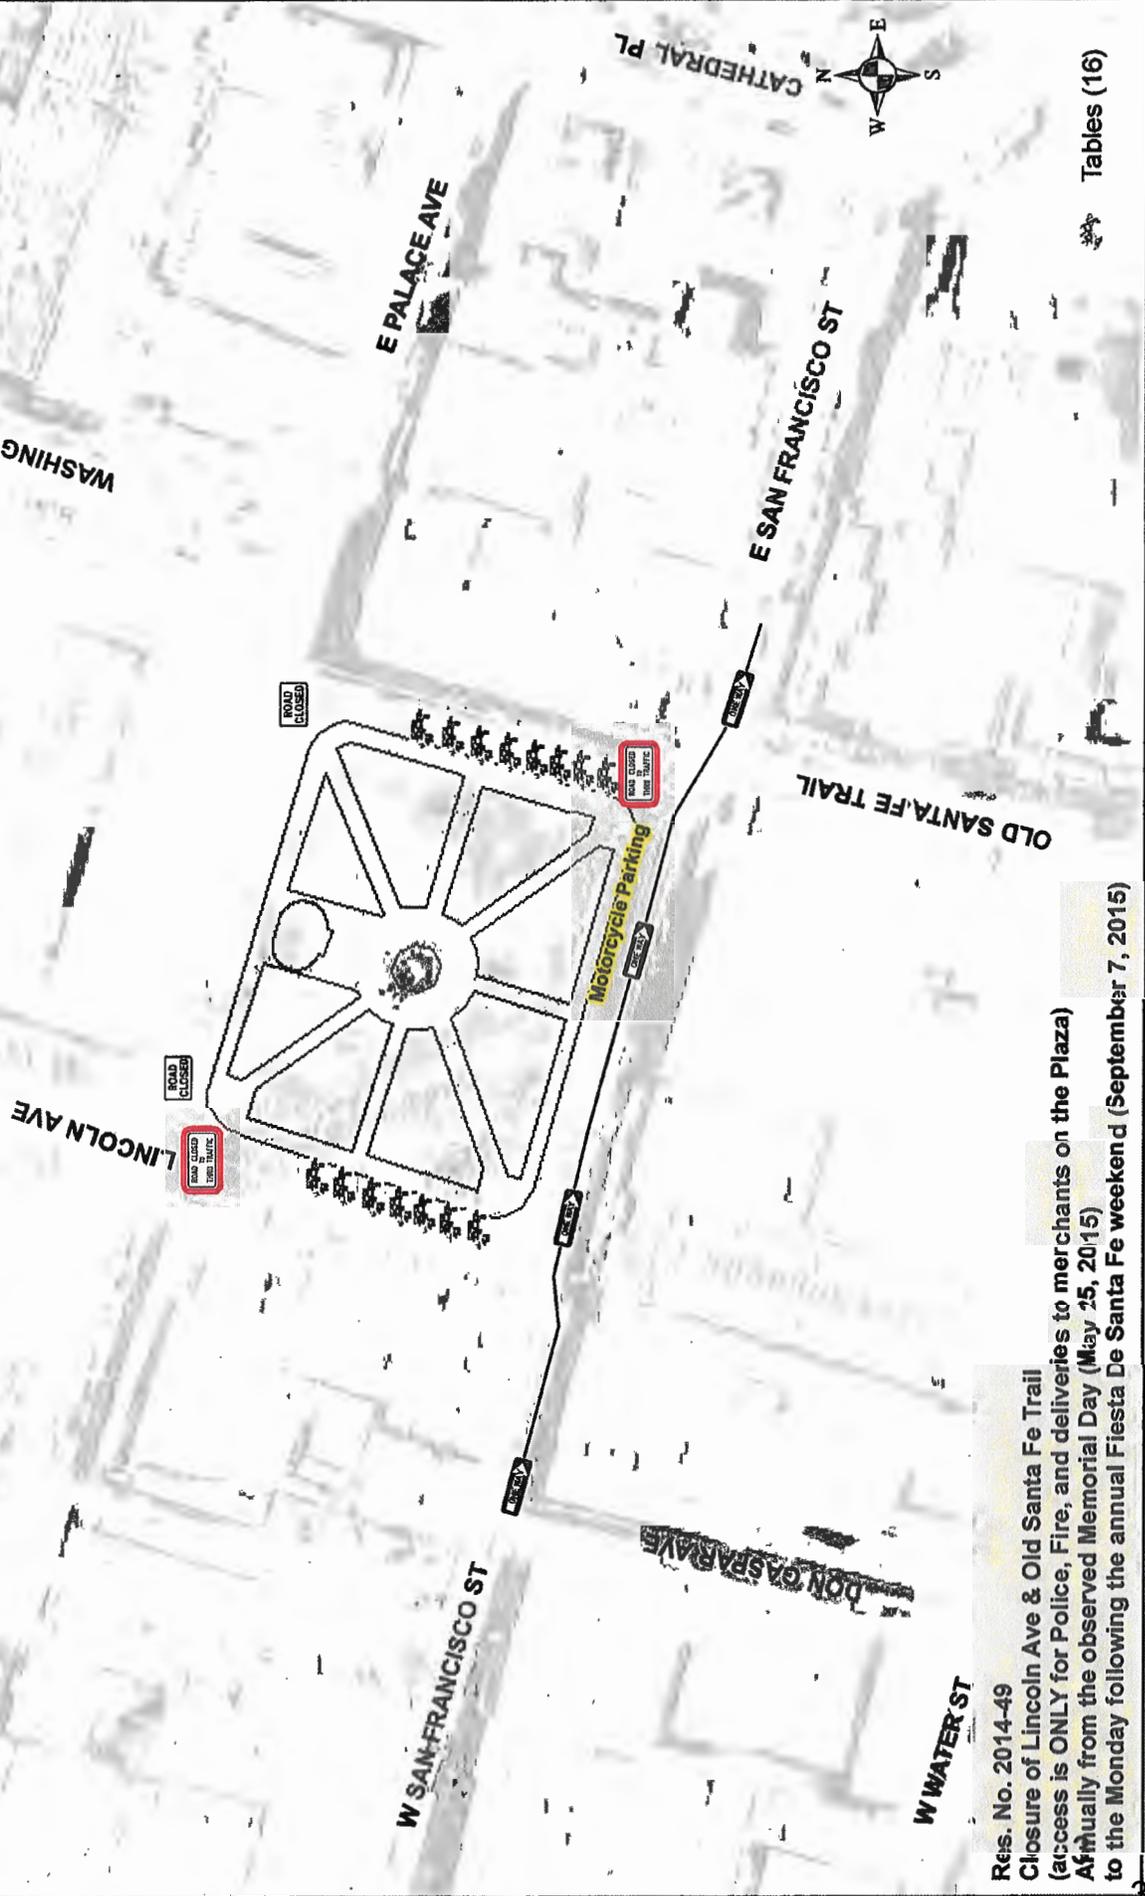

Parks was directed to add an additional 8 tables for a total of 16 tables this summer for Events occurring on the plaza.

RECOMMENDED ACTION:

The recommended action is to open the expansion request for discussion and potential approval.
