3. INFORMATON/DISCUSSION/ACTION

a. Review of River Commission Resolution, Roles and Responsibilities

Ms. McDonald provided the Resolution which describes the tasks of this committee and asked for review from the River Commission members. The intent is to review the benchmarks that have been met, to review if there should be additions or deletions and to request feedback taking in to consideration the addition of new members and incorporating Mayor Gonzales vision for the River Commission.

Mr. Buchser asked if the letter was created by Mr. Jacobi. Mr. Jacobi did create the letter on the status of the committee members and a meeting is being scheduled with the Mayor and Ms. McDonald and she will discuss the River Commission member composite.

Ms. McDonald said that the Chair felt it important to advise the Mayor how many people were considering leaving the River Commission and how many members it would leave which makes meeting a quorum difficult.

Exhibit A – Santa Fe River Commission – Document distributed by the City Clerk when asked the purpose and process of the Santa Fe River Commission. The Purpose in this document is very clear and comes from the Resolution.

The consensus of the River Commission members is they are satisfied with the Resolution as it is stated now.
