RE: Rail Runner Trail Extension Project **aka** Santa Fe Rail Trail Extension (Alta Vista to Pen Road)

As per Resolution 2006-151, the above referenced project was reviewed by myself, Chair of the MCD Plan Review Sub-Committee, Ron Ortiz Dinkel, Plan Review Sub-Committee Member and David A. Chapman, Interim ADA Coordinator/MCD Staff Liaison on June 8, 2015. Leroy Pacheco, Project Manager, Angela Valdez, HDR Engineering, and Claudia Horn, Design Office, participated via conference call. Plan comments are as follows:

- No ADA General Note was provided.
- The City is requested to furnish an approved 'T' Intersection Policy to this committee. This policy development was recommended in 2004.
- Engineering and consulting staff did not attend; therefore, meeting was held by conference call with a reduced plan set which was unreadable.
- Having addressed recent comments except for the ADA General Note requirement, project is good to go.

If you have any questions please **call me at 471-5785**. Thank you.
