Section D. General Narrative

1. Conflicts: Does this proposed bill/resolution duplicate/conflict with/companion to/relate to any City code, approved ordinance or resolution, other adopted policies or proposed legislation? Include details of city adopted laws/ordinance/resolutions and dates. Summarize the relationships, conflicts or overlaps.

Through the adoption of Ordinance No. 2014-18, the Governing Body established tournament fees for sports leagues which greatly reduced the fees that were being charged for tournaments through an administrative process. Because of the ordinance change, there is opportunity for the City to have an increased amount of sports tournaments that could be a great economic benefit to the City.

2. Consequences of Not Enacting This Bill/Resolution:

Are there consequences of not enacting this bill/resolution? If so, describe.

The Zozobra Burn-Out Tournament would not happen this year or in future years.

3. Technical Issues:

Are there incorrect citations of law, drafting errors or other problems? Are there any amendments that should be considered? Are there any other alternatives which should be considered? If so, describe.

None that staff is aware of.

4. Community Impact:

Briefly describe the major positive or negative effects the Bill/Resolution might have on the community including, but not limited to, businesses, neighborhoods, families, children and youth, social service providers and other institutions such as schools, churches, etc.

Positive impact would include increase in sports tournament activity at the MRC and goal to bring in enough teams to create economic impact for the City of Santa Fe.
