SUSTAINABLE SANTA FE COMMISSION

Friday, September 16, 2016, 12:00p.m.

Round House Conference Room, City of Santa Fe Offices, Santa Fe Railyard (500 Market St.)

This meeting of the Sustainable Santa Fe Commission is to hear a presentation about the carbon fluxes in Santa Fe's forests and grasslands. The goal is to better understand how carbon is stored and methods of estimating and tracking carbon storage and change in our grasslands and forests. Although a quorum of commissioners may be present, no business will be discussed or conducted.
