Program Committee

BAR for FY 15/16

As per the half year funding review Day Reporting there will be a \$32,538.00 surplus for the remaining year.

Since the contract for Day Reporting has not yet been signed, but should be signed by early February, and since per CYFD rules and regulations, we cannot pay for services until a contract has been signed, it appears that there will be a surplus of \$32,538 that they will not be able to use this fiscal year. The Program Committee met January 15, and agreed that this is the best use of that money.

ICM will receive \$15,000. Add that to the original amount of \$42,108, and the transfer of \$1,938 from Contractual Services, and a transfer of \$1,000 from travel; and ICM has a total of \$60,046 for the current fiscal year. Based upon past experience, this should be sufficient to provide ICM services until the end of this fiscal year.

ICM \$42,108 increase thru the Contractual Services of \$1,938 and travel of \$1,000.00 for a total of \$45,046.00 Increase by \$15,000 to a new total of \$60,046.00

Gender Specific: \$4,785 increase by \$3,215 for a total of \$8,000

Boys and Girls. This will allow two sessions for boys and two sessions for girls.

Strengthening Families \$6,910.00 increase by \$1,000.00 a total of \$7,910.00

CIS \$30,175.00 increase by \$13,323 a total of **\$43,498.00**. The Program Committee requested that CIS get matching numbers to the Board in a timely manner so that the Board can report this match to CYFD in a timely manner.
