

Process for Resolution 2015-99 which authorizes the Transit Division to establish a no-cost Transit Program that would serve the transportation needs of all United States Veterans

On October 28, 2015, Resolution 2015-99 was passed, approved and adopted. This resolution directs Transit to establish a no-cost Transit program for all United States Veterans. In order to establish this program, Transit is researching a process in which to provide this service. Below is the recommended process:

Santa Fe Trail's staff will request the following:

1. Proof of Veteran status by requesting either an official Department of Veterans Affairs I.D. card or an official U.S. Department of Veterans Affairs I.D. card, driver's license and DD214 Samples of both cards provided below.
2. The first card will be issued for free with replacement cards costing \$5.00 per card.
3. Fill out form and create a file

A Santa Fe Trails Veterans Transit card with picture I.D. will be issued at the Santa Fe Trails Administrative Office located at 2931 Rufina. This I.D. will not have an expiration date. To travel fare-free, the Veteran presents the Transit card to the driver who will count the drive under the Veteran category.
