

**“Request for Proposals” - Hospital Tank Replacement Engineering
RFP #15/32/P**

March 17, 2015

Addendum No. 2 –

1. Mandatory Pre-Proposal Meeting/Site Visit – March 26, 2015 1:00 PM City of Santa Fe Water Division, El Paragua Conference Room (801 W. San Mateo, Santa Fe, NM 87505)

This addendum is being issued in order to schedule a Mandatory Pre-Proposal Meeting. All firms wishing to propose on RFP # 15/32/P shall attend the meeting. Attendance will be recorded and only those firms that are present at the meeting will be allowed to propose on the project. A briefing of the project with a question and answer session will be held at the Water Division building. A site visit will be held following the meeting.

2. Clarification of Desired Tank Type – AWWA D115

As indicated on Page 12 of the RFP, the City of Santa Fe is seeking a qualified Engineering firm to design either one 4-million gallon divided pre-stressed, post-tensioned rectangular or two 2-million gallon pre-stressed, post-tensioned circular water tanks. The City of Santa Fe would like to add clarification to this requirement by indicating that we desire the tank(s) designed according to the AWWA D115 Standard.

Project Manager & Water Division Engineer: Eric Ulibarri, (505) 955-4279
