Failure of any proposing firm to receive any such addenda or interpretations shall not relieve such firm from any obligation under their proposal as submitted. All addenda so issued shall become part of the contract documents.

The City reserves the right to not comply with these time frames if a critical addendum is required or if the proposal deadline needs to be extended due to a critical reason in the best interest of the City of Santa Fe.

4. LAWS AND REGULATIONS

The proposing firm's attention is directed to the fact that all applicable Federal Laws, State Laws, Municipal Ordinances, and the rules and regulations of all authorities having jurisdiction over said item shall apply to the contract throughout. They will be deemed to be included in the contract the same as though herein written out in full.

5. METHOD OF AWARD

The proposal is to be awarded based on qualified proposals as per the enclosed rating system and at the discretion and consideration of the governing body of the City of Santa Fe. The selection committee may interview the top three rated proponents; however, contracts may be awarded without such interviews. At its discretion the city reserves the right to alter the membership or size of the selection committee. The City reserves the right to change the number of firms interviewed.

6. COMPLIANCE WITH CITY'S MINIMUM WAGE RATE ORDINANCE (LIVING WAGE ORDINANCE)

A copy of the City of Santa Fe Ordinance No. 2003-8, passed by the Santa Fe City Council on February 26, 2003 is attached. The proponent or bidder will be required to submit the proposal or bid such that it complies with the ordinance to the extent applicable. The recommended Contractor will be required to comply with the ordinance to the extent applicable, as well as any subsequent changes to the Ordinance throughout the term of this contract.

7. RESIDENT, LOCAL OR VETERANS PREFERENCE

INTENT AND POLICY

The city recognizes that the intent of the state resident preference statute is to give New Mexico businesses and contractors an advantage over those businesses,

policy is to give a preference to those persons and companies who contribute to the economy of the State of New Mexico by maintaining businesses and other facilities within the state and giving employment to residents of the state (1969 OP. Att'y Gen. No. 69-42). The city also has adopted a policy to include a local preference to those persons and companies who contribute to the economy of the County of Santa Fe by maintaining businesses and other facilities within the county and giving employment to residents of the county.

With acknowledgment of this intent and policy, the preference will only be applied when bids are received from in-state and county businesses, manufacturers and contractors that are within 5% of low bids received from out-of-state businesses, manufacturers and contractors (13-1-21 (A) -1-21 (F) and 13-4-2 (C) NMSA 1978).

To be considered a resident for application of the preference, the in-state bidder must have included a valid state purchasing certification number with the submitted bid.

Thus it is recommended that in-state bidders obtain a state purchasing certification number and use it on all bids, in order to have the preference applied to their advantage, in the event an out-of-state bid is submitted. In submitting a bid, it should never be assumed that an out-of-state bid will not be submitted.

For information on obtaining a state purchasing certification number, the potential bidder should contact the State of New Mexico Taxation and Revenue Department.

All resident preferences shall be verified through the State Purchasing Office. Applications for resident preference not confirmed by the state Purchasing Office will be rejected. The certification must be under the bidder's business name submitting the bid.

NON-APPLICATION-COMPETING IN-STATE BIDDERS

If the lowest responsive bid and the next responsive bids within 5% of the lowest bid, are all from the state of New Mexico, then the resident preference will not be applied and the state purchasing certification number will not be considered. To be considered an in-state bidder in this situation, the bidders must meet the definition criteria of Chapter 13-1-21 (A)(1) and Chapter 13-4-2 (A) NMSA 1978. After examining the information included in the bid submitted, the city Purchasing Director may seek additional information of proof to verify that the business is a valid New Mexico business. If it is determined by the city Purchasing Director that the information is not factual and the low responsive bid is actually an out-of-state bidder and not a New Mexico business, then the procedures in the previous section may be applied.

If the bidder has met the above criteria, the low responsive "resident" bid shall be multiplied by .95. If that amount is then lower than the low responsive bid of a "non-resident" bidder, the award will be based taking into consideration the resident preference of 5%.

APPLICATION FOR LOCAL PREFERENCE

For the purposes of this section, the terms resident business and resident manufacturer shall be defined as set out in Section 13-1-21 NMSA 1978; the term local as applied to a business or manufacturer shall mean:

Principal Office and location must be stated: To qualify for the local preference, the principal place of business of the enterprise must be physically located within the Santa Fe County Geographic Boundaries. The business location inserted on the Form must be a physical location, street address or such. DO NOT use a post office box or other postal address. Principal place of business must have been established no less than six months preceding application for certification.

The PREFERENCE FACTOR for resident and local preferences applied to bids shall be .95 for resident and .90 for local. The preference for proposals shall be 1.10 for local.

New Mexico Resident Veteran Business Preference: New Mexico law, Section 13-1-22 NMSA 1978, provides a preference in the award of a public works contract for a “resident veteran business”. Certification by the NM Department of Taxation and Revenue for the resident veteran business requires the Offeror to provide evidence of annual revenue and other evidence of veteran status.

An Offeror who wants the veteran business preference to be applied to its proposal is required to submit with its proposal the certification from the NM Department of Taxation and Revenue and the sworn affidavit attached hereto as Appendix E.

If an Offeror submits with its proposal a copy of a valid and current veteran resident business certificate, 7%, 8%, or 10% of the total weight of all the evaluation factors used in the evaluation of proposal may be awarded.

The local preference or resident business preference is not cumulative with the resident veteran business preference.

Proposals for Goods and Services. When proposals for the purchase of goods or services pursuant to Section 23 are received, the evaluation score of the proposal receiving the highest score of all proposals from those proponents in the first category listed above shall be multiplied by the Preference Factor. If the resulting score of that proposal receiving the preference is higher than or equal to the highest score of all proposals received, the contract shall be recommended to that proponent receiving the preference. If no proposal are received from proponents in

the first category, or if the proposal receiving the preference does not qualify for an award after multiplication by the Preference Factor, the same procedure shall be followed with respect to the next category of proposals listed to determine if a proponent qualifies for award.

Qualifications for Local Preference. The Central Purchasing Office shall have available a form to be completed by all bidders/proponents who desire to apply for the local preference as a local business. The completed form with the information certified by the offeror must be submitted by the bidders/proponents with their bid or proposal to qualify for this preference.

Limitation. No offeror shall receive more than a 10% for local preference pursuant to this section on any one offer submitted. A bidder may not claim cumulative preferences.

Application. This section shall not apply to any purchase of goods or services when the expenditure of federal and/or state funds designated for a specific purchase is involved and the award requirements of the funding prohibit resident and/or local preference(s). This shall be determined in writing by the department with the grant requirements attached to the Purchasing Office before the bid or request for proposals is issued.

Exception. The City Council at their discretion can approve waiving the Local Preference requirements for specific projects or on a case by case basis if it is the City's best interest to do so.

8. PROTESTS AND RESOLUTIONS PROCEDURES

Any proponent, offeror, or contractor who is aggrieved in connection with a procurement may protest to the Purchasing Officer. The protest must be in writing and submitted within fifteen (15) days and requirements regarding protest and resolution of protests are available from the Purchasing Office upon request.

GENERAL INFORMATION

MISSION STATEMENT

One mission of the Youth and Family Services Division is to plan, develop and implement quality programming for Santa Fe's teens. The *Teen Nights Program* was developed as a result and as a recommendation of a Mayor's Youth Summit which involved teenagers from every middle and high school in Santa Fe, both public and private, to participate in a forum where their views, ideas and recommendations could be expressed. The **number one** issue that continues to be expressed by the teens is the "*lack of recreational and leisurely activities for teens*" in Santa Fe. The types of activities desired by teens have been generally described in the "Scope of Services" section of this document on page 12. To be considered for funding, a proponent must provide a scope of services within their proposal, which meets the desired needs of the teens.

CONTRACTOR RESPONSIBILITIES

1. The Contractor will provide safe and fun recreational/leisurely activities for local teens. The minimum attendance per event should be no less than 30 teens ages 12-18.
2. The Contractor will be responsible for the provision of adequate staffing and security at each of the planned activities and events in order to ensure the safety of the teens participants. Failure to do so can result in a "Default" on part of the Contractor, thereby, allowing the City to reserve its right to cancel all or any part of this order as described on Page 9, Section 9 "DEFAULT";
3. The Contractor will be responsible for securing private or public facilities intended for the use of *Teen Nights Program* events;
4. The Contractor will be responsible for providing free food, refreshments and prizes, when appropriate, to participating teens of the *Teen Nights Program*;
5. The Contractor **must** submit the required Narrative Report for each event as specified on page 8 (Reporting Documents) of this document. The narrative report must be submitted with the request for reimbursement documents in order to receive payment.

CITY RESPONSIBILITIES

1. The City will be responsible in assisting the Contractor with planning functions of the Teen Nights program. Planning functions may include seeking input from the Mayor's Youth Advisory Board with regard to events.
2. The City will be responsible for drafting required correspondences such as requests for the use of City facilities or parks and any necessary waivers, thereof, for the use of Teen Nights events.
3. The City will be responsible for processing reimbursement requests expeditiously, provided that all required invoicing and reporting documents are submitted complete and on a timely manner. It could take up to two weeks for processing of reimbursement requests once they have been submitted to the Community Services Department/Youth and Family Services.

FUNDING FOR THE TEEN NIGHTS PROGRAM

Funding for the Teen Nights Program was allocated by the City's governing body from the *Quality of Life Fund* to implement safe and fun activities for local teens as identified in the Mayor's Youth Summit Report. Funds for this program are intended to benefit teenage residents (ages 12-18) of the City of Santa Fe. The instructions and forms contained within this packet are meant to simplify the process.

The Evaluation Committee will review all proposals submitted to the City of Santa Fe, and make funding recommendations for award of contract to the Finance Committee and City Council for approval.

The following proposal format is designed to minimize the amount of paperwork required from proponents. The text of the proposal should be typed in the format provided within this packet. The narrative should provide a summary statement that is complete in and of itself. Additional materials such as support letters are not necessary, but if a proponent wishes to include supplemental materials, they may be included in an appendix to the proposal.

The following items outline the proposal evaluation criteria used by the Evaluation Committee. Since the amount of funding available for this program is limited, the monies are intended to pay primarily for direct services rather than administrative costs. However, an amount up to five percent (5%) will be allowed for program administration. Those expenses must be directly related to the program and must be stated and justified when submitting documentation for reimbursement.

MAXIMUM COMPENSATION

The total amount of compensation by the City to the proponent shall not exceed \$60,000.00 (sixty thousand dollars), inclusive of New Mexico Gross Receipts Tax.

SCOPE OF SERVICES

The City of Santa Fe sponsored three Youth Summits, whereby, the teen participants identified the *“lack of recreational and leisurely activities for teens in Santa Fe”* as their priority issue. To be considered for funding, proponents will be evaluated based on their ability to provide teen services as described below:

- A. Plan, organize and conduct special events and activities for teens (ages 12-18) in coordination with the Community Services Department/Youth and Family Services Division staff, the Mayor’s Youth Advisory Board and teens from the community. Events and activities to be conducted shall be recreational and/or leisurely in nature and shall be provided *at no cost* to participating teens. Activities may be conducted in the form of teen dances or concerts, intramural sports, recreational/sporting exhibitions or competitions such as skateboarding/rollerblading, basketball tournaments, talent shows, custom car and bike shows, movie and bowling nights, etc. with no less than 30 teen participants.
- B. It shall be the responsibility of the contractor to provide all staffing, security, advertisement, food and entertainment services for all events.
