None.

**6. NEW BUSINESS**

**A. INTRODUCTION - HOPE REED, COMMITTEE MEMBER**

Chair Bleck welcomed Hope Reed, newly appointed Committee member.

Ms. Reed said she has worked on disability issues since 1988, before ADA. There have been so many improvements due to ADA and the Department of Justice enforcement of that. She is doing consulting with the Albuquerque Bio Park to do the master plan review of the Zoo, Botanical Gardens and Tingly Beach.

The other Committee members introduced themselves to Ms. Reed.

**B. SIDEWALK PRIORITY REVIEW - VENTANA DE VIDA TO ST. MICHAELS**

Mr. Fernandez reported that this project is on the next project list and that Dave and Hope provided input to plan. Next on agenda is sidewalks on both sides. The project should be started by summer of 2019.

**C. COMMITTEE REVIEW AND APPROVAL OF LETTER SUPPORTING TRANSIT COMPENSATION IMPROVEMENTS**

Chair Bleck reported that the draft letter is in the meeting packet and was emailed to everyone. Meriam commented to her through email that the points regarding the responsibilities of the drivers should be in bullet point form and as an addendum to the letter.

Mr. Lucero and Ms. Gish suggested that the sentence that talks about by having fewer drivers they are denying access to essential services, resources and activities to disadvantaged riders be made stronger.

**MOTION** A motion was made by Ms. Gish, seconded by Mr. Lucero, to approve the letter with the amendments.

**VOTE** The motion passed unanimously by voice vote.

Chair Bleck will make the changes, sign the letter and get it out to the Mayor.

**D. DECEMBER LUNCHEON**

Chair Bleck said in lieu of having a December meeting we have a luncheon and invite the Mayor to join us. Daniel checked with the Mayor regarding schedule availability for him to attend a luncheon.

It was decided that the December luncheon for the Mayor's Committee on Disability will be on December 18<sup>th</sup>, from noon to 1:00 pm at the New York Deli at 420 Canton Street.

**7. OLD BUSINESS**

**A. MCD SUBCOMMITTEE REPORTS**

**PLAN REVIEW**

Ms. Reed reported that the report of the review of the dog park project and the project on Agua Fria are in the meeting packet.

There was discussion around how the Plan Review Subcommittee works and what type of documents they are to receive from the City for review.

Mr. Lucero asked about setting the next meeting for the subcommittee.

It was decided that when Mr. Fernandez receives his next set of plans for review, Ms. Reed, Mr. Lucero and Mr. Fernandez will meet to review the plans at the Market Station offices.

**MEDIA**

No report.

**TRANSIT**

Chair Bleck reported that the Board did approve changes to the public comment process in case they have to temporarily reduce service due to driver shortages. They also approved the

bus stop signage we saw last month. They will be getting four new buses by September 2019. In December they are getting four new para transit vans with side lifts. In November they will find out about the VW settlement grant. The Rider Alert program is not in the software they have, but they are going to ask for a contract to add that and some extra features. They have produced new bus schedules which are already on the buses. The southside bus terminal contract will go out to bid at the end of the year for spring construction. The Sheridan bus stop is held up for archeology verification.

Mr. Fernandez will ask for the plans on the bus stops so that Plan Review can look at them and comment.

## **B. RENTAL INCOME DISCRIMINATION**

Chair Bleck said at our last meeting we discussed this issue. She sent out an article to everyone about what another city has done to deal with this issue. What do we think of as next steps. Is it a City Ordinance. She will also transmit this information to the Coalition for the Homeless so they can work on the issue statewide.

Mr. Lucero said the problem with moving forward is that the only information we have is anecdotal. Since we have no data, he feels we need to compile the data and some testimonial information before we try to move forward with a City Ordinance and a City Councilor to sponsor that Legislation.

It was suggested that some entities to check with regarding gathering data would include the Civic Housing Authority and the Coalition for the Homeless.

Ms. Gish will contact them and report back at a future meeting.

Mr. Lucero suggested that a new subcommittee be formed on post traumatic stress and how it relates to poverty and disabilities.

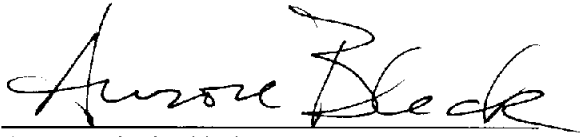

Chair Bleck asked that Mr. Lucero take that on and chair that subcommittee.

Everyone was very supportive of that idea.

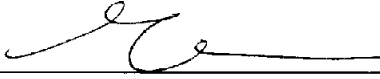

## **8. NEXT MEETING JANUARY 17, 2019**

## **9. ADJOURNMENT**

There being no further business before the Committee the meeting adjourned at 11:00 am.
