Councilors Abeyta, Harris, Ives, Lindell, Rivera, Romero-Wirth and Vigil Coppler voting in favor of the motion and none voting against.

**4. Consent to the appointment of Jarel LaPan Hill as Interim City Manager (Mayor Alan Webber)**

Mayor Webber said we are here tonight to gain Council support for the appointment of Jarel LaPan Hill. The Ordinance says until a regular City Manager is selected, going forward, an Interim City Manager must be approved within 72 hours after the vacancy occurs. That is the reason for the special meeting.

Mayor Webber explained that he selected Jarel because she has all the requisite qualifications. Her background is in government and management at the highest levels. She has been here as his Chief of Staff for the last year and a half. She has been present in the hiring process of almost all the Department Heads, working with Erik. She has a tremendous amount of confidence and support from the Department Heads.

In the meantime he is vigorously recruiting and analyzing candidates for the full-time position and securing a professional search firm to help with the search. He is getting advice from previous City Managers and hoping to bring a selection to Council in a timely manner. He has been given good advice from all Councilors.

Mayor Webber agreed that the Governing Body needs to continue to professionalize the role of the City Manager and he is taking that advice very seriously.

**MOTION:** Councilor Ives moved, seconded by Councilor Lindell to approve the appointment of Jarel LaPan Hill as Interim City Manager.

**VOTE:** The motion was approved on a voice vote with Mayor Webber and Councilors Abeyta, Harris, Ives, Lindell, Rivera, Romero-Wirth and Vigil Coppler voting in favor of the motion and none voting against.

Mayor Webber thanked Jarel for stepping up to take on this responsibility.

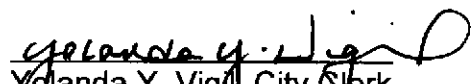

**5. ADJOURN**

Having Completed the agenda and with no further business to come before the Governing Body, the meeting was adjourned at approximately 4:35 p.m.

Approved by:

  
Mayor Alan Webber
