3
4
5 AN ORDINANCE

6 AMENDING CHAPTER 21 SFCC 1987 REGARDING SOLID WASTE REQUIREMENTS AND
7 ESTABLISHING SPECIAL CHARGES FOR SUCH SERVICES AS ADDITIONAL CONTAINER
8 AND BAG DISPOSAL, DISPOSAL OF LARGE ITEMS, AND RECYCLABLE/NON-
9 RECYCLABLE LOADS.

10
11 BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF SANTA FE:

12 Section 1. The following definitions in Section 21-2.1 SFCC 1987 (being Ord. #1996-46,
13 §3 as amended) are amended to read:

14 *Ashes* means residue from the burning of wood, coal, or other combustible materials.

15 *Construction and demolition debris (C & D)* means non-hazardous, uncontaminated materials
16 resulting from the construction, remodeling, repair, and demolition of structures, utilities, and roads. C &
17 D materials are generally considered water insoluble and non-hazardous and include, but are not limited
18 to: bricks, concrete, and other masonry materials, asphalt, roofing materials, steel, glass, pipe, gypsum
19 wallboard and lumber. C & D debris does not include asbestos, garbage, corrugated container board,
20 electrical fixtures containing hazardous liquids such as fluorescent light ballasts or transformers,
21 fluorescent lights, furniture, appliances, tires, drums, containers greater than ten (10) gallons in size, any
22 containers having more than one inch (1") of residue remaining on the bottom, fuel tanks, brush and tree
23 remains or other vegetative material from land clearing, uncontaminated soil, rocks, liquids including, but
24 not limited to, waste paints, solvents, sealers, adhesives or potentially hazardous materials. If C & D
25 debris is mixed with any other types of solid waste, whether or not originating from the construction

1 project, it loses its classification as C & D debris.

2 *Multi-family residential* means sixteen (16) or more dwelling units on one lot. A dwelling unit is
3 defined as one room, or rooms connected together, constituting a separate, independent housekeeping
4 establishment for owner occupancy, or rental or lease, and physically separated from any other rooms or
5 dwelling units that may be in the same structure, and containing independent cooking and sleeping
6 facilities.

7 *Nonresidential recyclables, also commercial recyclables* means recyclables generated by stores,
8 offices, restaurants, hotels or motels, warehouses, and other manufacturing and non-manufacturing
9 activities; multi-family residential units; places of religious assembly; schools; and government facilities.

10 *Nonresidential solid waste, also commercial solid waste* means all types of solid waste generated
11 by, but not limited to: businesses including stores, offices, restaurants, hotels or motels, warehouses, and
12 other manufacturing and non-manufacturing activities; multi-family residential units; places of religious
13 assembly; schools and governmental facilities, excluding household and hazardous solid wastes.

14 *Prohibited materials* means solid wastes listed as special waste by New Mexico Solid Waste
15 Management Regulations 20 NMAC 9.1 700-711; or any items listed herein that can cause operational
16 problems, damage to equipment, health risks to workers, adverse impacts to the environment, or any other
17 solid waste that is listed that are not deemed acceptable for disposal or recycling.

18 A. Asbestos wastes, solid or friable;

19 B. Ammunition or any items that have the ability to explode or cause injury when run over
20 by heavy equipment and/or when exposed to an ignition source;

21 C. Animal wastes – horse, cattle and large animal manures and animal bedding mixed with
22 large animal wastes;

23 D. Automobiles and large automobile parts, automobile or equipment lead-acid batteries,
24 automobile parts containing or that contained fluids or liquids (gasoline tanks). Does not include tire rims
25 that have been removed from tires;

- 1 E. Dead animals;
- 2 F. Explosives, fireworks, ammunition or any items that have the ability to explode or ignite
3 when exposed to an ignition source;
- 4 G. Hazardous waste, as defined in this section;
- 5 H. Hot ashes, as defined in this section;
- 6 I. Regulated medical waste (infectious waste) from hospitals, clinics, nursing homes, health
7 maintenance organizations, doctor and dentist offices, blood plasma centers, laboratories, veterinary
8 practices and hospitals or as specified in 20 NMAC 9.1 (706);
- 9 J. Concrete, roofing materials, asphalt or rock;
- 10 K. Liquids including sewage and septage and large quantities of frying fats and oils;
- 11 L. Petroleum or chemically contaminated soils;
- 12 M. Pressurized cylinders;
- 13 N. Radioactive waste;
- 14 O. Sewage, septage and holding tank pumping;
- 15 P. Sludges; or
- 16 Q. Any other item as specified by federal, state or local regulation.

17 *Refuse bag* means a city provided or customer owned disposable plastic bag used for the
18 intermediate storage of solid waste, which shall be 1.5 mil thick and thirty-three (33) gallon capacity.

19 *Residential solid waste* means any solid waste or garbage derived from households not defined as
20 multi-family residential and home occupations, as set forth in Chapter 14 SFCC 1987 and licensed by the
21 city.

22 *Residential unit* means a dwelling unit. Where nonresidential and residential uses occur in a
23 single unit, that unit shall be considered nonresidential.

24 *Scavenging* means the removal of any solid waste or recyclables from privately or publicly owned
25 solid waste containers, refuse bags, solid waste facility, transfer station or recycling container in a manner

1 not authorized by the city.

2 **Section 2. [NEW MATERIAL.] Section 21-2.1 SFCC 1987 (being Ord. #1996-46, §3**
3 **as amended) is amended to include the following definition:**

4 *Non-recyclable material* means items that are not recyclable or recyclables that are not accepted
5 within the city's recycling program including, but not limited to, ceramics, pyrex, plate glass, light bulbs,
6 drinking glasses, plastic bags & plastic tubs, 1 & 2 non bottle form plastic, plastic #3 thru #7, pots or
7 pans, phone books, cereal boxes, egg cartons, packing materials, cereal boxes, wax coated or food stained
8 cardboard, municipal solid waste, sharps, hazardous containers or construction & demolition waste. The
9 city reserves the right to modify this list as part of the city's recycling program.

10 **Section 3. Section 21-3.3 SFCC 1987 (being Ord. #1999-42, §8 as amended) is amended**
11 **to read:**

12 **21-3.3 Santa Fe Homes Program Applicability.**

13 The Santa Fe Homes Program as set forth in Section 14-8.11 SFCC 1987 shall apply to any
14 application for residential developments located outside the city limits, which is requesting the extension
15 of city refuse collection, as may be limited by said ordinance and the city's jurisdiction. For the purpose of
16 this subsection residential development shall be defined as set forth in Article 14-12 SFCC 1987.

17 **Section 4. Section 21-4.1 SFCC 1987 (being Ord. #1996-46, §5 as amended) is amended**
18 **to read:**

19 **21-4.1 General Prohibitions.**

20 The following actions with regard to solid waste are hereby prohibited:

- 21 A. Burning.
- 22 B. Dumping.
- 23 C. Placing solid waste in any container or areas other than those specifically designated or
24 approved by the city for collection or disposal.
- 25 D. Transporting solid waste to a solid waste facility without securing or covering the load so

1 as to prevent leakage, littering, blowing, or other form of loss while in transit.

2 E. Scavenging.

3 F. Depositing of hot waste into any container, or enclosure designated for refuse collection.

4 G. Presenting to the city for disposal infectious waste, hazardous waste, flammable or
5 explosive refuse, radioactive waste or other contaminated materials which by law or regulation shall be
6 properly disposed by a specially licensed or equipped person or requires a solid waste facility specifically
7 authorized for this purpose.

8 H. Placing prohibited materials, furniture, mattresses, large tree limbs, tires, engine parts,
9 white goods, or other large items at the curbside, in residential or commercial containers, or in container
10 enclosures for routine weekly collection.

11 I. Using container enclosures for storage.

12 **Section 5. Section 21-4.2 SFCC 1987 (being Ord. #1996-46, §5) is amended to read:**

13 **21-4.2 Residential Collection.**

14 Collection of residential solid waste and related recyclable materials shall be provided at curbside
15 except where the city's solid waste division determines that physical conditions of the site limit curbside
16 collection. In such cases collection shall occur at a location designated by the city and as set forth in 21-
17 4.5 SFCC 1987.

18 **Section 6. Section 21-4.3 SFCC 1987 (being Ord. #1996-46, §5 as amended) is amended**
19 **to read:**

20 **21-4.3 Conditions of Service - Residential Collection.**

21 A. For residential bag collection service, the customer may use commercially available
22 plastic refuse bags.

23 B. For residential automated collection service, the size and mil of the bags in the container
24 are not mandated.

25 C. Customer shall keep all refuse and recycling within private property away from public

1 view until the time when containers are placed at the curbside for city collection. In order to minimize
2 garbage falling out upon collection and to keep containers clean, the city recommends that all garbage be
3 bagged inside a customer owned or city provided container. Bags inside such containers are not required
4 to meet any standard. The city encourages the reuse of shopping bags for this purpose. Bags placed
5 outside of a container shall meet requirements in paragraph A. above.

6 D. Customer shall place refuse bags and private containers by curbside only between the
7 hours of 6:00 a.m. and 8:00 a.m. of the day designated for collection.

8 E. Customers shall place city provided refuse containers and recycling containers by
9 curbside between the hours of 6:00 p.m. the night before the designated day of collection and 8:00 a.m. on
10 the day designated for collection. Refuse containers and recycling containers shall be removed from the
11 curbside by 8:00 a.m. the day following the designated collection day.

12 F. Customers who receive automated collection shall place containers at a minimum of three
13 feet (3') from any other object, including, refuse bags, recycling containers and other containers so that
14 personal property or city equipment do not get damaged, or city collection personnel do not get injured.

15 G. Where a curb does not exist, refuse containers shall be placed on the property side,
16 outside the traffic boundaries of the road. Carts shall be placed on a flat level surface. In other special
17 situations outside of those described herein, the location in which refuse is placed for collection shall be
18 determined by the city.

19 H. Bags shall be securely tied to avoid spillage. Cleaning of any spillage that occurs within
20 public right-of-way as a result of improperly bagged or secured refuse or due to entry by animals shall be
21 the responsibility of the customer.

22 I. Refuse bags placed for collection shall not exceed fifty (50) pounds. City provided
23 containers shall not exceed two hundred (200) pounds and shall not exceed 33 gallon capacity.

24 J. Broken glass, cactus plants and other sharp objects shall be picked up only if placed in
25 separate refuse bags or containers and labeled accordingly. Refuse bags or containers shall not exceed

1 twenty-five (25) pounds. Needles shall be placed in a puncture proof container with a screw top lid.

2 K. Pet waste shall be separated and double-bagged in refuse bags for placement on the
3 curbside and shall not exceed twenty-five (25) pounds.

4 L. Tree limbs and other vegetative cuttings shall be tied in bundles no longer than four feet
5 (4') and shall not exceed forty (40) pounds.

6 M. Items which do meet the conditions of this section shall remain the sole responsibility of
7 the customer to dispose in accordance with this chapter.

8 **Section 7. Section 21-4.5 SFCC 1987 (being Ord. #1996-46, §5) is amended to read:**

9 **21-4.5 Collection from Containers Not at Curbside.**

10 Collection from containers not at curbside shall include, but not be limited to, service to front-
11 loading, rear-loading and roll-off containers and carts. The use of containers not owned by the city shall
12 be approved by the city prior to use. The placement shall be approved by the city prior to use.
13 Maintenance of containers not owned by the city shall be sole responsibility of the owner of the container.

14 **Section 8. Section 21-4.6 SFCC 1987 (being Ord. #1996-46, §5 as amended) is amended**
15 **to read:**

16 **21-4.6 Conditions of Service - Commercial and Multi-Family Residential.**

17 A. Customer service requests shall include the size and type of container to be used as well
18 as the frequency of service. Request shall be made in writing on forms specified by the city.

19 B. The specific site and enclosure for the placement of any refuse container shall be
20 consistent with the standards hereby adopted by reference and incorporated in this chapter as Exhibits A.1
21 or A-2.*

22 C. Enclosures and containers shall be kept free of any blockage or obstruction.

23 D. Enclosures shall be used exclusively for the purpose of storing solid waste or recycling
24 containers.

25 E. Locked enclosure gates shall be unlocked by driver and/or customer by prior arrangement

1 on the day designated for collection.

2 F. In the event a container or access to the container is blocked and the container cannot be
3 emptied, a special service fee shall be assessed for a subsequent service visit.

4 G. During winter months, the area leading to the enclosure or container shall be kept clear of
5 snow and ice at the customer's expense. The city shall, at its discretion, determine whether the snow and
6 ice have been cleared sufficiently or service may be suspended.

7 H. The city shall not be responsible for damage to enclosures or containers that are not
8 designed or constructed in accordance with standards in Exhibits A.1 or A.2* of this chapter. Service may
9 be suspended for enclosures or containers that are in a state of disrepair which may cause unsafe
10 conditions for the collection personnel. The city may relocate the container, or place an alternate type of
11 container, without prior approval from the customer, if the city deems that the location of the container is
12 unsafe and risks damage to private property, city property or injury to city collection personnel.

13 Maintenance of the enclosure and privately-owned containers shall be the responsibility of the owner.
14 Enclosures built after the date of adoption of this chapter shall fully comply with standards in Exhibit A.1
15 or A.2* of this chapter.

16 I. Containers shall be loaded so that the closed lid shall be level with the container's rim.
17 Refuse spills around the container shall be cleaned by the customer. The city may require an increase in
18 service frequency and/or container capacity as a condition of service where containers are routinely
19 overfilled.

20 J. City-owned containers in need of repairs due to normal wear and tear shall be repaired or
21 replaced at the city's discretion upon request of the customer.

22 K. Privately owned containers shall be the sole responsibility of the owner. Repairs of such
23 containers shall be made within fifteen (15) days upon customer being notified by the city of the needed
24 repairs. In the event that the needed repairs present endangerment to city employees or agents in the
25 collection of waste, the city may suspend service until the container is repaired or replaced.

1 L. Front loading and rear loading service shall be provided Monday through Friday
2 including holidays. Saturday service will be available for customers requiring six days of service.

3 M. Roll-off service shall be provided Monday through Friday including holidays. Requests
4 for temporary changes in collection scheduling shall be submitted to the city not less than one (1) week in
5 advance of the requested change.

6 N. The customer or customer's representative shall complete a written request to the city for
7 cancellations of service or to request long term or permanent changes in service.

8 O. Requests for additional special service may be made by phone to the city during normal
9 business hours, within two (2) city working days of the requested date of service.

10 **Section 9. Section 21-7.1 SFCC 1987 (being Ord. #1996-46, §8 as amended) is amended**
11 **to read:**

12 **21-7.1 Service Fees and Charges.**

13 A. There is assessed against every person owning or controlling any developed property in
14 the city, monthly and other special refuse collection and disposal fees payable to the city in accordance
15 with the Refuse and Recycling Rate and Fee Schedule, hereby adopted by reference and incorporated as
16 part of this chapter as Exhibit B*, and in accordance with service rate classes described herein.

17 (1) There is a residential curbside service rate which shall apply to those residential
18 units having collection of refuse at the curb. The monthly rate shall be in accordance with the
19 Refuse and Recycling Rate and Fee Schedule.

20 (2) There is a non-compacting rear-loading commercial service rate which shall
21 apply to nonresidential establishments having collection of refuse at non-compacting rear-loading
22 bins or carts. The city shall provide and maintain non-compacting rear-loading bins or carts at an
23 indicated rental charge which shall be provided for in the service rate. Bins and carts shall be
24 placed for service in a manner and location acceptable to the city. The monthly rate shall be in
25 accordance with the Refuse and Recycling Rate and Fee Schedule.

1 (3) There is a non-compacting rear-loading light commercial service rate which shall
2 apply to nonresidential establishments having collection of refuse from not larger than one (1)
3 ninety (90) gallon cart and not more than one (1) service visit per week. The city shall provide
4 and maintain non-compacting rear-loading carts which shall be provided for in the service rate.
5 Carts shall be placed for service in a manner and location acceptable to the city. The monthly rate
6 shall be in accordance with the Refuse and Recycling Rate and Fee Schedule.

7 (4) There is a non-compacting front-loading commercial service rate which shall
8 apply to nonresidential establishments having collection of refuse at non-compacting front-
9 loading bins. The city shall provide and maintain non-compacting front-loading bins at an
10 indicated rental charge which shall be provided for in the service rate. Bins shall be placed for
11 service in a manner and location acceptable to the city. The monthly rate shall be in accordance
12 with the Refuse and Recycling Rate and Fee Schedule.

13 (5) There is a compacting front-loading commercial service rate which shall apply to
14 nonresidential establishments having collection of refuse at compacting front-loading bins. Such
15 bins shall be approved by the city and provided, installed and maintained at customer expense and
16 shall be placed for service in a manner and location acceptable to the city. The monthly rate shall
17 be in accordance with the Refuse and Recycling Rate and Fee Schedule.

18 (6) There is non-compacting open top roll-off commercial service rate which shall
19 apply to any establishment having collection of refuse at non-compacting, open top roll-off bins.
20 The non-compacting open top roll-off container shall be serviced a minimum of one time per
21 month or a service rate will be assessed as a bin rental shown on the Refuse and Recycling Rate
22 and Fee Schedule (Exhibit B attached at the end of this Chapter. Bins shall be placed for service
23 in a manner and location acceptable to the city. The gross weight including the weight of the bin
24 and its contents may not exceed twenty thousand (20,000) pounds and the external dimensions of
25 the bin shall be reviewed and approved by the city prior to the commencement of service. The

1 monthly rate shall be in accordance with the Refuse and Recycling Rate and Fee Schedule.

2 Persons wishing to substitute special on-call service in lieu of scheduled service for a period of
3 thirty (30) days or more shall be assessed on the basis of each special service call provided by the
4 city for each bin.

5 (7) There is a non-compacting, open top roll-off special event commercial service
6 rate which shall apply to any establishment requiring collection of refuse at non-compacting,
7 open top roll-off bins for a special event or other use having a duration of less than thirty (30)
8 days. The service rate shall be in accordance with the Refuse and Recycling Rate and Fee
9 Schedule for special service under the commercial non-compacting roll-off class of service. Bins
10 shall be placed for service in a manner and location acceptable to the city.

11 (8) There is a compacting roll-off commercial service rate which shall apply to
12 nonresidential establishments having collection of refuse at compacting roll-off bins. Bins shall
13 be provided and maintained at customer expense and shall be placed for service in a manner and
14 location acceptable to the city. If the compacting roll-off bin is in disrepair, city collection
15 personnel shall give notice to the customer informing customer of the need to repair the bin
16 within fifteen (15) calendar days. If the repairs are not made, the city may suspend collection. The
17 gross weight including the weight of the bin and its contents may not exceed twenty thousand
18 (20,000) pounds and the external dimensions of the bin shall be reviewed and approved by the
19 city prior to the commencement of service. The monthly rate shall be in accordance with the
20 Refuse and Recycling Rate and Fee Schedule.

21 (9) Commercial recycling will be available to nonresidential establishments and
22 charged as a separate service. Such charges will be in addition to the regular commercial service.
23 The city shall provide and maintain non-compacting bins and carts at an indicated rental charge
24 which shall be provided for in the service rate. The city shall approve the placement site of the
25 container. The monthly rate shall be in accordance with the Refuse and Recycling Rate and Fee

1 Schedule, Exhibit B* of this chapter.

2 (10) There is a residential, curbside, large-item collection rate which will apply to on-
3 call collection at curbside of items/materials that can not be collected as residential curbside
4 collection due to weight or size restrictions. The fee for this service shall be in accordance with
5 the Refuse and Recycling Rate and Fee Schedule. This collection fee does not include the
6 disposal cost of all items collected.

7 B. The city reserves the right at any time to refuse to remove materials placed for city
8 collection and disposal if, in the judgment of the city, the removal from the premises may be harmful or
9 hazardous or in violation of state or city regulations governing weight or contents. The city shall inform
10 the person responsible for the materials and shall allow the person to correct the problem so as to allow
11 removal by the city.
