During the Loan Agreement Term, the Governmental Unit shall annually cause an audit of the books and accounts of its operations in their entirety, or in the alternative an audit of the books and accounts of each of its departments, agencies and other organizational units which expended or otherwise administered the Loan or any other funds derived from the government of the United States, to be completed by an Independent Accountant in accordance with the Single Audit Act Amendments of 1996 (31 U.S.C. § 7501 et seq.), and applicable regulations thereunder. The audit will be available for inspection by the NMFA and by the Environmental Protection Agency.

Upon completion of the acquisition of the Project, the Governmental Unit shall provide a written notice of completion of the Project.

Section 2.2 Protective Covenants Regarding Operation of the System. The Governmental Unit further represents, covenants and warrants as follows:

(a) Rate Covenant.

(i) The Governmental Unit covenants that it will at all times fix rates and collect charges for each class of service rendered by the System, and to amend or adjust such rates from time to time so that Gross Revenues of the System shall always be sufficient to provide for the payment of expenses of administration, Operation and Maintenance Expenses, other expenses which may be necessary to preserve the System in good repair and working order, including the necessary reserves therefor and all other payments necessary to meet ongoing legal obligations to be paid at that time; and

(ii) The Governmental Unit further covenants that it will at all times fix, charge and collect such rates and charges as shall be required in order that in each Fiscal Year the Pledged Revenues shall at least equal one hundred twenty-five percent (125%) of the Debt Service Requirements on the Senior Obligations outstanding in such Fiscal Year.

(iii) The Governmental Unit further covenants that it will at all times fix, charge and collect such rates and charges as shall be required in order that in each Fiscal Year the Pledged Revenues shall at least equal one hundred ten percent

(110%) of the Debt Service Requirements on the Senior Obligations outstanding and Second Lien Obligations outstanding in such Fiscal Year.

(iv) Failure by the Governmental Unit to comply with the foregoing rate covenant in any Fiscal Year will not constitute an event of default under the Master Ordinance or this Loan Agreement so long as the Governmental Unit, within one hundred eighty (180) days after the end of such Fiscal Year, adopts the schedule of rates and charges recommended or approved by a Consulting Engineer which would bring the Governmental Unit into compliance with this rate covenant. The Governmental Unit is also required under the Master Ordinance in each Fiscal Year to complete a review of its financial condition for the purpose of estimating whether the Pledged Revenues for such Fiscal Year and for the next succeeding Fiscal year will be sufficient to comply with the rate covenant set forth above. If the Governmental Unit determines that the Pledged Revenues may not be so sufficient, it shall forthwith cause the Consulting Engineer to make a study for the purpose of recommending a schedule of fees, rates and charges for the System which, in the opinion of the Consulting Engineer, will cause sufficient Gross Revenues, together with Pledged Capital Outlay Gross Receipts Tax Revenues, to be collected in such Fiscal Year to comply with the rate covenant set forth above and will cause additional Gross Revenues, together with Pledged Capital Outlay Gross Receipts Tax Revenues, to be collected in such Fiscal Year to eliminate the amount of any deficiency at the earliest practicable time within such Fiscal Year. The City shall as promptly as practicable adopt and place in effect the schedule of fees, rates and charges recommended or approved by the Consulting Engineer pursuant to the Master Ordinance. In the alternative of establishing fees, rates and charges necessary to meet the rate covenant set forth above, the Governmental Unit may implement reductions in Operation and Maintenance Expenses for the System in an amount sufficient to meet the rate covenant.

(b) Lien on Lands Serviced by System. State law grants the Governmental Unit a lien upon each lot or parcel of land for the charges imposed for water and sanitary sewer services supplied by the System to the owner of such lot or parcel (except as otherwise provided in Section 3-23-6 NMSA 1978). The Governmental Unit will cause each lien to be perfected in accordance with the provisions of Sections 3-23-6 and 3-36-1 through 3-36-5 NMSA 1978. The Governmental Unit will take all necessary steps to enforce the lien against any parcel of property the owner of which is delinquent for more than six (6) months in the payment of charges imposed for the use of the System.

(c) Levy of Charges. The Governmental Unit will promptly fix, establish and levy the rates and charges which are required by Section 2.2(a) hereof. Unless contrary to any provision of applicable law, any resolution or ordinance adopted by the Governing Body to fix, establish and levy such rates and charges shall be deemed an administrative or executive matter not subject to the referendum provisions of the Charter or State law. No reduction in any initial or existing rate schedule for the System may be made unless:

(i) The Governmental Unit has fully complied with the requirements of the rate covenant contained in Section 2.2(a) hereof for any twelve (12) consecutive months out of the sixteen (16) calendar months immediately preceding the reduction of the rate schedule, and

(ii) The audit required by Section 26.09 of the Master Ordinance or a separate certificate by an Independent Accountant for or relating to any twelve (12) consecutive months out of the sixteen (16) calendar months immediately preceding any reduction discloses that the Pledged Revenues resulting from the proposed rate schedule would have been sufficient to meet the rate covenant contained in Section 2.2(a) hereof during the applicable twelve (12) month period.

(d) Efficient Operation. The Governmental Unit will maintain the System in efficient operating condition and make such improvements, extensions, enlargements, repairs and betterments to the System as may be necessary or advisable for its economical and efficient operation at all times and to supply reasonable public and private demands for System services within the Service Area.

(e) Records. At all times during the Loan Agreement Term, proper books of record and account will be kept by the Governmental Unit, separate from all other records and accounts, showing complete and correct entries of all transactions relating to the System. However, pursuant to Section 6-14-10(E) NMSA 1978, as amended, records with regard to the ownership or pledge of System Bonds are not subject to inspection or copying.

(f) Right to Inspect. NMFA, or its duly authorized agents, shall have the right to inspect at all reasonable times, with reasonable frequency, and upon reasonable notice, the Project and all records, accounts and data relating to the Project, and the System.

(g) Audits. Within two hundred seventy (270) days following the close of each Fiscal Year, the Governmental Unit will cause an audit of the books and accounts of the System to be made by an Independent Accountant and the audit will be available for inspection by the NMFA. Each audit of the Joint Utility System shall comply with Generally Accepted Accounting Principles.

(h) Billing Procedure. Bills for water or water facilities, furnished by or through the System shall be rendered to customers on a regular basis each month following the month in which the service was rendered and shall be due as required by the applicable ordinance of the Governmental Unit. If permitted by law, if a bill is not paid within the period of time required by such ordinance, water service shall be discontinued as required by such ordinance, and the rates and charges due shall be collected in a lawful manner, including, but not limited to, the cost of disconnection and reconnection.

(i) Charges and Liens Upon System. The Governmental Unit will pay when due from Gross Revenues or other legally available funds all taxes and assessments or other municipal or governmental charges, lawfully levied or assessed upon the System and will observe and comply with all valid requirements of any municipal or governmental authority relating to the System. The Governmental Unit will not create or permit any lien or charge upon the System or the Pledged Revenues except as permitted by the Master Ordinance, or it will make adequate provisions to satisfy and discharge within sixty (60) days after the same accrue, all lawful claims and demands for labor, materials, supplies or other objects, which, if unpaid, might by law become a lien upon the System or the Pledged Revenues. However, the Governmental Unit shall not be required to pay or cause to be discharged, or make provision for any tax assessment, lien or charge before the time when payment becomes due or so long as the validity thereof is contested in good faith by appropriate legal proceedings and there is no adverse effect on the NMFA.

(j) Insurance. Subject, in each case, to the condition that insurance is obtainable at reasonable rates and upon reasonable terms and conditions, in its operation of the System, the Governmental Unit will procure and maintain or cause to be procured and maintained commercial insurance or provide Qualified Self Insurance with respect to the facilities constituting the System and public liability insurance in the form of commercial insurance or Qualified Self Insurance and, in each case, in such amounts and against such risks as are, in the judgment of the Governmental Unit, prudent and reasonable taking into account, but not being controlled by, the amounts and types of insurance or self-insured programs provided by municipalities which operate water systems. "Qualified Self Insurance" means insurance maintained through a program of self insurance or insurance maintained with a fund, company or association in which the Governmental Unit may have a material interest and of which the Governmental Unit may have control, either singly or with others. Each plan of Qualified Self Insurance shall be established in accordance with law, shall provide that reserves be established or insurance acquired in amounts adequate to provide coverage which the Governmental Unit determines to be reasonable to protect against risks assumed under the Qualified Self Insurance plan, including any potential retained liability in the event of the termination of such plan of Qualified Self Insurance. In the event of property loss or damage to the System, insurance proceeds shall be used first for the purpose of restoring or replacing the property lost or damaged and thereafter, any remainder may be used to redeem System Bonds or be treated as Gross Revenues and used in any legally permissible manner.

(k) No Alienation of System. While the System Bonds are outstanding, the Governmental Unit shall not, except as permitted below, transfer, sell, or otherwise dispose of the System. For purposes of this Section 2.2(k), any transfer of an asset over which the Governmental Unit retains or regains substantial control shall not, for so long as the Governmental Unit has such control, be deemed a disposition of the System.

The Governmental Unit may transfer, sell or otherwise dispose of the System only if such transfer, sale or disposition complies with one or more of the following provisions:

(i) The property being disposed of is inadequate, obsolete or worn out; or

(ii) The property proposed to be disposed of and all other property of the System disposed of during the twelve (12) month period ending on the day of such transfer (but excluding property disposed of under Subsection 2.2(k)(i) above) will not, in the aggregate, constitute a Significant Portion of the System determined as described below and the proceeds are deposited into the Income Fund to be used as described below; or

(iii) The Governmental Unit receives fair market value for the property, the proceeds are deposited into the Income Fund to be used as described below and prior to the disposition of such property there is delivered to the Fiscal Agent a certificate of a Consultant to the effect that notwithstanding such disposition, but taking into account the use of such proceeds in accordance with the expectations of the Governmental Unit as evidenced by a certificate of an Authorized Officer, the Consultant estimates that the Governmental Unit will be in compliance with the rate covenant in Section 2.2(a) hereof during each of the five (5) Fiscal Years immediately following such disposition.

For purposes of this Section 2.2(k), the term "Significant Portion" of the System means property of the System which, if such property had been disposed of by the Governmental Unit at the beginning of the Fiscal Year which includes the month of commencement of the twelve (12) month period referred to in Subsection 2.2(k)(ii) above would have resulted in a reduction in Net Revenues for such Fiscal Year of more than four percent (4%) when the actual Net Revenues for such Fiscal Year are decreased by the revenues directly attributable to such property of the System and increased by the expenses of the Governmental Unit directly attributable to such property of the System.

Proceeds of the disposition of assets under Subsection 2.2(k)(ii) or 2.2(k)(iii) above shall be deposited into the Income Fund and used, within a reasonable period of time, not to exceed three (3) years, to (I) provide additional revenue-producing properties to the System, (II) redeem System Bonds or (III) create an escrow fund pledged to pay specified System Bonds and thereby cause such System Bonds to be deemed to be paid as provided in the Master Ordinance.

(l) Competent Management. The Governmental Unit shall employ experienced and competent personnel to manage the System.

(m) Performing Duties. The Governmental Unit will faithfully and punctually perform all duties with respect to the System required by the laws of the State and the ordinances and resolutions of the Governmental Unit relating to the System,

including, but not limited to, making and collecting reasonable and sufficient rates and charges for services rendered or furnished by the System as required by this Section and the proper segregation and application of the Gross Revenues.

(n) No Other Liens. Other than as stated in or provided by the Master Ordinance and the Term Sheet, there are no liens or encumbrances of any nature whatsoever, on or against the System, the Pledged Capital Outlay Gross Receipts Tax Revenues, the Gross Revenues or the Net Revenues.

(o) Free Services Prohibited. No free service, facilities nor commodities shall be furnished by the System. Should the Governmental Unit use water services or facilities supplied by the System for municipal purposes, or any combination thereof, or in any manner use the System, or any part thereof, any use of the System by or of the services rendered thereby to the Governmental Unit, or any department, board or agency thereof, will be paid for from the Governmental Unit's general fund or other available revenues at the reasonable value of the use so made, or service so rendered, which shall in no event be less than the rates charged to a System customer with similar consumption; and all the revenue so derived from the Governmental Unit shall be deemed to be income derived from the operation of the System, to be used and accounted for in the same manner as any other income derived from the operation of the System.

Section 2.3 Representations, Covenants and Warranties of the NMFA. The NMFA represents, covenants and warrants for the benefit of the Governmental Unit as follows:

(a) Authorization of Loan Agreement. The NMFA is a public body politic and corporate constituting a governmental instrumentality, separate and apart from the State, duly organized, existing and in good standing under the laws of the State, has all necessary power and authority to enter into and perform and observe the covenants and agreements on its part contained in this Loan Agreement and, by proper action, has duly authorized the execution and delivery of this Loan Agreement.

(b) No Breach or Default Caused by Loan Agreement. Neither the execution and delivery of this Loan Agreement, nor the fulfillment of or compliance with the terms and conditions of this Loan Agreement, nor the consummation of the transactions contemplated in this Loan Agreement conflicts with or results in a breach of the terms, conditions and provisions of any restriction or any agreement or instrument to which the NMFA is a party or by which the NMFA is bound or constitutes a default under any of the foregoing and will not conflict with or constitute a violation of any constitutional or statutory provision or order, rule, regulation, decree or ordinance of any court, government or governmental authority having jurisdiction over the NMFA, or its property and which conflict or violation will have a material adverse effect on the NMFA or the financing of the Project.

(c) No Litigation. To the knowledge of the NMFA, there is no litigation or proceeding pending or threatened against the NMFA or any other person affecting the right of the NMFA to execute or deliver this Loan Agreement or to comply with its obligations under this Loan Agreement. Neither the execution and delivery of this Loan Agreement by the NMFA, nor compliance by the NMFA with its obligations under this Loan Agreement requires the approval of any regulatory body, or any other entity, which approval has not been obtained.

(d) Legal, Valid and Binding Obligations. This Loan Agreement constitutes a legal, valid and binding obligation of the NMFA enforceable in accordance with its terms.

(e) NMFA Compliance with Policies. As related to this Loan Agreement, the NMFA has complied with all applicable policies and procedures, as adopted and approved by the NMFA Board of Directors, or such policies or procedures have been waived by the NMFA Board of Directors.

(f) Compliance with Securities Laws. The NMFA acknowledges that no offering document or prospectus has been prepared by the Governmental Unit in connection with this Loan Agreement. The NMFA is a sophisticated accredited investor regularly making loans and purchasing securities similar to this Loan Agreement and has been provided with and has reviewed such information as it deems relevant in making its decision to enter into this Loan Agreement and make the Loan to the Governmental Unit. The NMFA will not sell, pledge, transfer, convey, hypothecate, mortgage or dispose of the Loan Agreement, or any portion thereof, except to persons who have been provided sufficient information with which to make an informed investment decision regarding the Loan Agreement and in compliance with the Securities Act of 1933, as amended, the regulations promulgated thereunder and applicable State securities laws and regulations.

ARTICLE III

ARTICLE IV

LOAN; APPLICATION OF MONEYS

Section 4.1 Application of Loan Agreement Proceeds.

(a) On the Closing Date, the amount shown on the Term Sheet as the Aggregate Program Amount, less amounts previously distributed to the Governmental Unit in accordance with the Original Loan Agreement, shall be available for disbursement by the NMFA to the Governmental Unit pursuant to Section 6.2 hereof at the request of the Governmental Unit as needed by the Governmental Unit to implement the project.

(b) The Final Disbursement shall occur no later than August 13, 2012, except only as otherwise approved in writing by an Authorized Officer of the NMFA with the approval of the Environmental Protection Agency, based on the Governmental Unit's demonstration, to the reasonable satisfaction of the Authorized Officer of the NMFA, that unanticipated circumstances beyond the control of the Governmental Unit resulted in delaying the Governmental Unit's request for the Final Disbursement.

Section 4.2 Expense Fund Deposit. The NMFA shall determine the amount of the Expense Fund Component at the time of each disbursement from the Program Account to the Governmental Unit pursuant to Section 6.2 of this Loan Agreement and deposit such amount to the Expense Fund.

Section 4.3 Disbursement from the Program Account; Approval of Payment Requests. The Governmental Unit shall transmit payment requisitions in the form attached to this Loan Agreement as Exhibit "C" and supporting documentation (e.g. a payment request from the contractor or vendor) to the NMFA. The NMFA or its designee shall review each requisition for compliance with (i) the Project's plans and specifications and (ii) all applicable state and federal laws, rules and regulations, and shall approve or disapprove the requisition accordingly. The NMFA shall arrange for disbursement of funds from the Program Account promptly following approval of each payment requisition.

ARTICLE V

LOAN TO THE GOVERNMENTAL UNIT; PAYMENTS BY THE GOVERNMENTAL UNIT

Section 5.1 Loan to the Governmental Unit; Payment Obligations Limited to Pledged Revenues; Pledge of Pledged Revenues. The NMFA hereby lends to the Governmental Unit and the Governmental Unit hereby borrows from the NMFA an amount not to exceed the Maximum Principal Amount. The Governmental Unit promises to pay, but solely from the sources pledged herein, the Loan Agreement Payments as herein provided. The Governmental Unit does hereby convey, assign and pledge unto the NMFA and unto its successors in trust forever all right, title and interest

of the Governmental Unit in and to (i) the Pledged Revenues to the extent required to pay the Loan Agreement Payments on parity with the Second Lien Obligations, subject to the senior priority of Senior Lien Obligations, (ii) the Debt Service Account, and (iii) all other rights hereinafter granted, for the securing of the Governmental Unit's obligations under this Loan Agreement, including payment of the Loan Agreement Payments, provided, however, that if the Governmental Unit, its successors or assigns, shall well and truly pay, or cause to be paid, all Loan Agreement Payments at the time and in the manner contemplated by this Loan Agreement, according to the true intent and meaning hereof, or shall provide as permitted by Article VIII of this Loan Agreement for the payment thereof and shall pay all other amounts due or to become due under this Loan Agreement in accordance with its terms and provisions then, upon such final payment, this Loan Agreement and the rights created thereby shall terminate; otherwise, this Loan Agreement shall remain in full force and effect. The Loan Agreement Payments shall, in the aggregate, be sufficient to pay the Principal Component, the Interest Component and the Administrative Fee Component on the Aggregate Disbursements, the payment schedule of which is attached hereto as Exhibit "B".

Within thirty (30) days after each disbursement of moneys from the Program Account during the Interim Period, the NMFA shall recalculate the Interest Component and Administrative Fee Component next coming due on the Aggregate Disbursements and shall provide written notice to the Governmental Unit of the recalculated Interest Component and Administrative Fee Component. Within thirty (30) days after the Final Disbursement, the NMFA shall provide the Final Loan Agreement Payment Schedule. The schedule of Loan Agreement Payments, assuming the disbursement of the Maximum Principal Amount by August 13, 2012, is attached to this Loan Agreement as Exhibit "B". The NMFA shall provide a revised Final Loan Agreement Payment Schedule following the Final Disbursement which shall supersede the schedule attached as Exhibit "B".

The pledge of the Pledged Revenues and the lien thereon shall be effective upon the Closing Date. The Governmental Unit and the NMFA acknowledge and agree that the Loan Agreement Payments of the Governmental Unit hereunder are limited to the Pledged Revenues, and that the Loan Agreement shall constitute a special, limited obligation of the Governmental Unit. No provision of this Loan Agreement shall be construed or interpreted as creating a general obligation or other indebtedness of the Governmental Unit within the meaning of any constitutional or statutory debt limitation. No provision of this Loan Agreement shall be construed to pledge or to create a lien on any class or source of Governmental Unit moneys other than the Pledged Revenues, nor shall any provision of this Loan Agreement restrict the future issuance of any bonds or obligations payable from any class or source of Governmental Unit moneys other than the Pledged Revenues. In addition, to the extent not required for the payment of obligations of the Governmental Unit hereunder, the Pledged Revenues may be utilized by the Governmental Unit for any other purposes permitted by law.

Section 5.2 Payment Obligations of Governmental Unit. The Debt Service Account shall be established and held by the NMFA or its designee on behalf of the

Governmental Unit. All Loan Agreement Payments received by the NMFA or its designee pursuant to this Loan Agreement shall be accounted for and maintained by the NMFA or its designee in the Debt Service Account, which account shall be kept separate and apart from all other accounts of the NMFA. The amounts on deposit in the Debt Service Account shall be expended and used by the NMFA only in the manner and order of priority specified herein.

(a) As a second charge and lien, but not an exclusive second charge and lien, on the Pledged Revenues (on parity with the lien on the Pledged Revenues created by any outstanding Second Lien Obligations and subject to the first charge and lien of Senior Obligations), the Government Unit shall remit to the NMFA and the NMFA shall collect and deposit into the Debt Service Account from the Government Unit the Pledged Revenues received from the Governmental Unit pursuant to this Loan Agreement, in the manner specified herein.

(i) Payment of Interest Component and Administrative Fee Component during Interim Period.

(A) During the Interim Period, Interest and Administrative Fees shall accrue on the Aggregate Repayable Disbursement of moneys from the Program Account, from the date of each disbursement.

(B) After each Program Account disbursement during the Interim Period, the NMFA shall calculate the Interest Component and Administrative Fee Component next coming due on the Aggregate Disbursements.

(C) During the Interim Period the Governmental Unit shall on June 1 and December 1 of each year, commencing on the first day of June or December, as the case may be, next following the first disbursement of moneys from the Program Account, pay to the NMFA for deposit into the Debt Service Account such amount as is necessary to pay the Interest Component and Administrative Fee Component on the Aggregate Disbursements as of each Loan Agreement Payment Date.

(ii) Loan Agreement Payments Following the Interim Period. After the Interim Period, the Governmental Unit shall pay to the NMFA for deposit into the Debt Service Account the following amounts:

(A) Interest and Administrative Fee Components. On June 1 and December 1 of each year, commencing on the first day of June or December, as the case may be, next following the Final Disbursement, the Governmental Unit shall pay to the NMFA for deposit into the Debt Service Account the amount which is necessary to pay the first maturing Interest Component and Administrative Fee Component coming due on this Loan Agreement and thereafter, on each Loan Agreement Payment Date, the amount necessary to pay the Interest Component and Administrative Fee Component then due on this Loan Agreement as described in the Final Loan Agreement Payment Schedule.

(B) Principal Payments. On June 1 of each year, commencing on the first day of June next following the Final Disbursement, the Governmental Unit shall pay to the NMFA for deposit into the Debt Service Account the amount which is necessary to pay the Principal Component then due on this Loan Agreement during the Loan Agreement Term, as described in the Final Loan Agreement Payment Schedule.

(b) In the event that the balance of payments held in the Debt Service Account should exceed the amount needed to cover Loan Agreement Payments then due, the NMFA shall use the balance of the Pledged Revenues received, at the request of the Governmental Unit (i) to credit against upcoming Loan Agreement Payments, or (ii) to distribute to the Governmental Unit for any other purpose permitted by law.

Section 5.3 Manner of Payment. All payments of the Governmental Unit hereunder shall be paid in lawful money of the United States of America to the NMFA or its designee at the address designated in Section 11.1 herein. The obligation of the Governmental Unit to make payments hereunder, from and to the extent of the available Pledged Revenues, shall be absolute and unconditional in all events, except as expressly provided hereunder, and payment hereunder shall not be abated through accident or unforeseen circumstances. Notwithstanding any dispute between the Governmental Unit, the NMFA or its designee, any vendor or any other person, the Governmental Unit shall make all deposits hereunder, from and to the extent of the available Pledged Revenues, when due and shall not withhold any deposit hereunder pending final resolution of such dispute, nor shall the Governmental Unit assert any right of set-off or counterclaim against its obligation to make such deposits required hereunder.

Section 5.4. Additional Second Lien Obligations Payable From Pledged Revenues. No provision of this Loan Agreement shall be construed in such a manner as to prevent the issuance by the Governmental Unit of additional Second Lien Obligations payable from Pledged Revenues, nor to prevent the issuance of bonds or other obligations refunding all or a part of this Loan Agreement; provided, however, that before any such additional Second Lien Obligations are actually issued (excluding refunding bonds or refunding obligations which refund Second Lien Obligations or Senior Obligations but including parity refunding bonds and obligations which refund Subordinated Obligations as provided in Section 5.5 hereof), it must be determined that:

(a) The Governmental Unit is then current in all of the accumulations required to be made into the Debt Service Account as provided herein.

(b) No default shall exist in connection with any of the covenants or requirements of the Resolution or this Loan Agreement.

(c) The Pledged Revenues received by or credited to the Governmental Unit for the Fiscal Year or for any twelve (12) consecutive months out of the twenty-four (24) months preceding the date of issuance of such additional Second

Lien Obligations (the "Historic Test Period") shall have been sufficient to pay an amount representing one hundred ten percent (110%) of the combined maximum annual principal, interest requirement and the Administrative Fee coming due in any subsequent Fiscal Year on the then outstanding Senior Obligations and Second Lien Obligations and the Second Lien Obligations proposed to be issued (excluding the accumulation of any reserves therefor).

(d) A written certification or opinion by the Governmental Unit's treasurer or chief financial officer or by an Independent Accountant that the Pledged Revenues for the Historic Test Period are sufficient to pay said amounts, shall be conclusively presumed to be accurate in determining the right of the Governmental Unit to authorize, issue, sell and deliver the Second Lien Obligations proposed to be issued.

(e) No provision of this Loan Agreement shall be construed in such a manner as to prevent the issuance by the Governmental Unit of additional bonds or other obligations payable from the Pledged Revenues constituting a lien upon such Pledged Revenues subordinate and junior to the lien of this Loan Agreement nor to prevent the issuance of bonds or other obligations refunding Second Lien Obligations, including this Loan Agreement, as permitted by Section 5.5 hereof.

(f) The Governmental Unit may issue, as Senior Obligations, additional bonds or other obligations payable from the Pledged Revenues having a lien thereon prior and superior to the lien of this Loan Agreement, so long as the additional bonds test (set forth in the Master Ordinance) for issuance of Senior Obligations can be met on the date of issuance of such additional bonds or other obligations.

Section 5.5 Refunding Obligations Payable from Pledged Revenues. The provisions of Section 5.4 hereof are subject to the following exceptions:

(a) If at any time after the Closing Date, while this Loan Agreement, or any part thereof, is outstanding, the Governmental Unit shall find it desirable to refund any outstanding bonds or other outstanding obligations payable from the Pledged Revenues, this Loan Agreement, such bonds or other obligations, or any part thereof, may be refunded (but the holders of this Loan Agreement or bonds to be refunded may not be compelled to surrender this Loan Agreement or their bonds, unless this Loan Agreement, the bonds or other obligations, at the time of their required surrender for payment, shall then mature, or shall then be callable for prior redemption at the Governmental Unit's option), regardless of whether the priority of the lien for the payment of the refunding obligations on the Pledged Revenues is changed, except as provided in subparagraphs (b) and (c) of this Section.

(b) No refunding bonds or other refunding obligations payable from the Pledged Revenues shall be issued on parity with this Loan Agreement unless:

(i) The outstanding obligations so refunded have a lien on the Pledged Revenues on a parity with the lien thereon of this Loan Agreement and the

refunding bonds or other refunding obligations do not increase any aggregate annual principal and interest obligations evidenced by such refunded obligations; or

(ii) The refunding bonds or other refunding obligations are issued in compliance with subparagraphs (a) through (d) of Section 5.4 hereof.

(c) The refunding bonds or other obligations so issued shall enjoy complete equality of lien on the Pledged Revenues with the portion of this Loan Agreement or any bonds or other obligations of the same issue which is not refunded, if any; and the holder or holders of such refunding bonds or such other refunding obligations shall be subrogated to all of the rights and privileges enjoyed by the holder or holders of this Loan Agreement or the bonds or other obligations of this same issue refunded thereby. If only a part of this Loan Agreement or the outstanding bonds and any other outstanding obligations of any issue or issues payable from the Pledged Revenues is refunded, then such obligations may not be refunded without the consent of the holder or holders of the unrefunded portion of such obligations, unless:

(i) The refunding bonds or other refunding obligations do not increase any aggregate annual principal and interest obligations evidenced by such last maturity date of such unrefunded obligations; or

(ii) The refunding bonds or other refunding obligations are issued in compliance with subparagraphs (a) through (f) of Section 5.4 hereof; or

(iii) The lien on the Pledged Revenues for the payment of the refunding obligations is subordinate to each such lien for the payment of any obligations not refunded.

(d) Any refunding bonds or other refunding obligations payable from the Pledged Revenues shall be issued with such details as the Governmental Unit may provide by ordinance or resolution, but without any impairment of any contractual obligations imposed upon the Governmental Unit by any proceedings authorizing the issuance of any unrefunded portion of such outstanding obligations of any one or more issues (including, but not necessarily limited to, this Loan Agreement).

Section 5.6 Investment of Governmental Unit Funds. Money on deposit in the Debt Service Account and the Program Account created hereunder may be invested by the NMFA or its designee in Permitted Investments at the written request of the Governmental Unit or, in the absence of such written request of the Governmental Unit, at the discretion of the NMFA. Any earnings on Permitted Investments in any of said accounts shall be held and administered in each respective account, and credited to and utilized in the same manner as the other moneys on deposit therein for the benefit of the Governmental Unit.

Section 5.7 Governmental Unit May Budget for Payments. The Governmental Unit may, in its sole discretion, but without obligation and subject to the Constitution of

the State, governing laws, and its budgetary requirements, make available properly budgeted and legally available funds to defray any insufficiency of Pledged Revenues to pay Loan Agreement Payments; provided, however, the Governmental Unit has not covenanted and cannot covenant to make such funds available and has not pledged any of such funds for such purpose.

ARTICLE VI

THE PROJECT

Section 6.1 Agreement to Acquire and Complete the Project. The Governmental Unit hereby agrees that in order to effectuate the purposes of this Loan Agreement and to effectuate the acquisition and completion of the Project, it shall make, execute, acknowledge and transmit any contracts, orders, receipts, writings and instructions with any other persons, firms or corporations and, in general do all things which may be requisite or proper to acquire and complete the Project.

The Governmental Unit agrees to acquire and complete the Project through the application of moneys to be disbursed from the Program Account pursuant to Section 6.2 of this Loan Agreement.

Section 6.2 Disbursements from the Program Account. So long as no Event of Default shall occur, the NMFA or its designee shall disburse moneys from the Program Account upon receipt and approval by the NMFA or its designee of a requisition substantially in the form of Exhibit "C" attached hereto signed by an Authorized Officer of the Governmental Unit, with adequate supporting documentation.

Section 6.3 Completion of the Acquisition of the Project. Upon completion of the acquisition of the Project, an Authorized Officer of the Governmental Unit shall deliver a certificate to the NMFA, substantially in the form attached as Exhibit "D" hereto, stating that, to his or her knowledge, the acquisition of the Project has been completed and the Project has been accepted by the Governmental Unit, and all costs have been paid. Notwithstanding the foregoing, such certificate shall state that it is given without prejudice to any rights against third parties which exist at the date of such certificate or which may subsequently come into being.

Section 6.4 Application of Loan Agreement Proceeds Subsequent to Completion of the Project. Upon completion of the acquisition of the Project as signified by delivery of the completion certificate contemplated in Section 6.3 hereof, or in the event that the NMFA shall not have received a certificate of completion as required by Section 6.3 hereof by August 13, 2013, the NMFA or its designee shall transfer any amounts remaining in the Program Account (except amounts necessary for payment of amounts not then due and payable) to the Debt Service Account and such amounts shall be used for the payment of the Loan Agreement Payments.

ARTICLE VII

COMPLIANCE WITH LAWS AND RULES; OTHER COVENANTS

Section 7.1 Further Assurances and Corrective Instruments. The NMFA and the Governmental Unit agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for correcting any inadequate or incorrect description of the Project or of the Pledged Revenues, or for otherwise carrying out the intention hereof.

Section 7.2 NMFA and Governmental Unit Representatives. Whenever under the provisions hereof the approval of the NMFA or the Governmental Unit is required, or the Governmental Unit or the NMFA is required to take some action at the request of the other, such approval or such request shall be given for the NMFA or for the Governmental Unit by an Authorized Officer of the NMFA or the Governmental Unit, as the case may be, and any party hereto shall be authorized to rely and act on any such approval or request.

Section 7.3 Compliance with Court Orders. During the Loan Agreement Term, the Governmental Unit and the NMFA shall observe and comply promptly with all current and future orders of all courts having jurisdiction over the parties hereto which are applicable to the Project or the Pledged Revenues.

Section 7.4 Compliance with Applicable State and Federal Laws. During the Loan Agreement Term, the Governmental Unit shall comply with all applicable State and federal laws affecting the Project, including, without limitation, the following:

(a) For all contracts, the Governmental Unit shall comply with the New Mexico Procurement Code, NMSA 1978 Sections 13-1-28 through 13-1-199, or its local procurement ordinances and regulations, as applicable.

(b) For all construction contracts awarded in excess of \$10,000, the Governmental Unit shall comply with Executive Order 11246 of September 24, 1965, entitled "Equal Employment Opportunity," as amended by Executive Order 11375 of October 12, 1967, and as supplemented in Department of Labor regulations (41 C.F.R. chapters 40 and 60). In addition, for all contracts, the Governmental Unit shall comply with all State laws and regulations and all executive orders of the Governor of the State pertaining to equal employment opportunity.

(c) For all contracts awarded for construction or repair, the Governmental Unit shall comply with the Copeland "Anti-Kickback" Act (18 U.S.C. § 874) as supplemented in Department of Labor regulations (29 C.F.R. part 3).

(d) For all construction subcontracts, and subgrants of amounts in excess of \$100,000, the Governmental Unit shall comply with all applicable standards, orders, or requirements issued under section 306 of the Clean Air Act (42 U.S.C. § 7606), Section 508 of the Clean Water Act (33 U.S.C. § 1368), Executive Order 11738, and Environmental Protection Agency regulations (40 C.F.R. Part 15). In addition, for all contracts, the Contractor shall comply with all applicable State laws and regulations and with all executive orders of the Governor of the State pertaining to protection of the environment.

(e) For all contracts the Governmental Unit shall comply with the mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with section 362 of the Energy Policy and Conservation Act (42 U.S.C. § 6322).

(f) For all contracts in excess of \$2,000 the Governmental Unit shall comply with applicable standards of the Davis-Bacon Wage Act (40 U.S.C. § 3141 et seq.), as amended and supplemented, relating to wages paid to laborers and mechanics employed by contractors and sub-contractors on a Project funded directly by or assisted in whole or in part by and through the Governmental Unit.

The NMFA or its designee shall have the right to review all contracts, work orders and other documentation related to the Project that it deems necessary to assure compliance with applicable laws, rules and regulations, and may conduct such review as it deems appropriate prior to disbursing funds from the Program Account.

Section 7.5 Second Lien; Equality of Second Liens. The Loan Agreement Payments constitute an irrevocable second lien (but not necessarily an exclusive second lien) upon the Pledged Revenues, subject to the prior lien of Senior Obligations. The Governmental Unit covenants that the Loan Agreement Payments and any Second Lien Obligations herein authorized to be issued and from time to time outstanding shall be equitably and ratably secured by a second lien on the Pledged Revenues and shall not be entitled to any priority one over the other in the application of the Pledged Revenues regardless of the time or times of the issuance of such obligations, it being the intention of the Governmental Unit that there shall be no priority between the Loan Agreement Payments and any such Parity Obligations regardless of the fact that they may be actually issued and delivered at different times.

Section 7.6 Expeditious Completion. The Governmental Unit shall complete the Project with all practical dispatch.

ARTICLE VIII

PREPAYMENT OF LOAN AGREEMENT PAYMENTS

The Governmental Unit is hereby granted the option to prepay the Principal Component of this Loan Agreement in whole or in part on any day without penalty or

prepayment premium, beginning one (1) year after the Closing Date. The Governmental Unit may designate the due date or due dates of the Principal Component or portions thereof being prepaid in the event of a partial prepayment. Notice of intent to make such prepayment shall be provided to the NMFA or its designee by the Governmental Unit no less than forty-five (45) days prior to the prepayment date. The NMFA or its designee shall recalculate the Loan Agreement Payments due under this Loan Agreement in the event of a partial prepayment.

ARTICLE IX

INDEMNIFICATION

From and to the extent of the Pledged Revenues and to the extent permitted by law, the Governmental Unit shall and hereby agrees to indemnify and save the NMFA harmless against and from all claims, by or on behalf of any person, firm, corporation or other legal entity arising from the acquisition or operation of the Project during the Loan Agreement Term, from: (i) any act of negligence of the Governmental Unit or breach of any covenant or warranty by the Governmental Unit hereunder; and (ii) the incurrence of any cost or expense in connection with the acquisition or operation of the Project in excess of the Loan Agreement proceeds and interest on the investment thereof. The Governmental Unit, upon notice from the NMFA, shall defend the NMFA in any action or proceeding arising from any such claim.

ARTICLE X

EVENTS OF DEFAULT AND REMEDIES

Section 10.1 Events of Default Defined. Any one of the following shall be an Event of Default under this Loan Agreement:

(a) Failure by the Governmental Unit to pay any amount required to be paid under this Loan Agreement on the date on which it is due and payable; or,

(b) Failure by the Governmental Unit to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Loan Agreement, other than as referred to in paragraph (a), for a period of thirty (30) days after written notice, specifying such failure and requesting that it be remedied, is given to the Governmental Unit by the NMFA or its designee, if any, unless the NMFA or its designee, as applicable, shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice can be wholly cured within a period of time not materially detrimental to the rights of the NMFA or its designee but cannot be cured within the applicable thirty (30) day period, the NMFA or its designee will not unreasonably withhold its consent to an extension of such time if corrective action is instituted by the Governmental Unit within the applicable period and diligently pursued until the failure is corrected; and provided, further, that if by reason of force majeure the Governmental Unit is unable to carry out the agreements on its part

herein contained, the Governmental Unit shall not be deemed in default under this paragraph (b) during the continuance of such inability (but force majeure shall not excuse any other Event of Default); or,

(c) Any warranty, representation or other statement by or on behalf of the Governmental Unit contained in this Loan Agreement or in any instrument furnished in compliance with or in reference to this Loan Agreement is false or misleading in any material respect; or,

(d) A petition is filed against the Governmental Unit under any bankruptcy, moratorium, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, and is not dismissed within thirty (30) days after such filing, but the NMFA shall have the right to intervene in the proceedings to protect the NMFA's interests; or,

(e) The Governmental Unit files a petition in voluntary bankruptcy or seeking relief under any provision of any bankruptcy, moratorium, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, or consents to the filing of any petition against it under any such law; or,

(f) The Governmental Unit admits insolvency or bankruptcy or its inability to pay its debts as they become due or is generally not paying its debts as such debts become due, or becomes insolvent or bankrupt or makes an assignment for the benefit of creditors, or a custodian (including, without limitation, a receiver, liquidator or trustee) of the Governmental Unit for any of its property is appointed by court order or takes possession thereof and such order remains in effect or such possession continues for more than thirty (30) days, but the NMFA shall have the right to intervene in the proceedings to protect its interests.

Section 10.2 Remedies on Default. Whenever any Event of Default has occurred and is continuing and subject to Section 10.3 hereof, the NMFA may take any or all of the following actions as may appear necessary or desirable to collect the payments then due and to become due or to enforce performance of any agreement of the Governmental Unit in this Loan Agreement:

(a) By mandamus or other action or proceeding or suit at law or in equity to enforce the rights of the NMFA under this Loan Agreement against the Governmental Unit, and compel the Governmental Unit to perform or carry out its duties under the law and the agreements and covenants required to be performed by it contained herein; or

(b) By suit in equity enjoin any acts or things which are unlawful or violate the rights of the NMFA; or

(c) Intervene in judicial proceedings that affect this Loan Agreement or the Pledged Revenues; or

(d) Cause the Governmental Unit to account as if it were the trustee of an express trust for all of the Pledged Revenues; or

(e) Take whatever other action at law or in equity may appear necessary or desirable to collect amounts then due under this Loan Agreement or enforce any other of its rights hereunder; or

(f) Apply any amounts in the Program Account toward satisfaction of any of the obligations of the Governmental Unit under this Loan Agreement.

Section 10.3 Limitations on Remedies. A judgment requiring a payment of money entered against the Governmental Unit may reach only the available Pledged Revenues.

Section 10.4 No Remedy Exclusive. Subject to Section 10.3 hereof, no remedy herein conferred upon or reserved to the NMFA is intended to be exclusive, and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder as now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the NMFA to exercise any remedy reserved in this Article X, it shall not be necessary to give any notice, other than such notice as may be required in this Article X.

Section 10.5 Waivers of Events of Default. The NMFA may in its discretion waive any Event of Default hereunder and the consequences of such an Event of Default; provided, however, that there shall not be waived (i) any Event of Default in the payment of principal of this Loan Agreement at the date when due as specified herein, or (ii) any default in the payment when due of the interest on this Loan Agreement, unless prior to such waiver or rescission, all arrears of interest, with interest at the rate borne by this Loan Agreement on all arrears of payment of principal and all expenses of the NMFA, in connection with such Event of Default shall have been paid or provided. Such waiver shall be effective only if made by written statement of waiver issued by the NMFA. In case of any such waiver or rescission, or in case any proceeding taken by the NMFA on account of any such Event of Default shall have been discontinued or abandoned or determined adversely, then and in every such case, the NMFA shall be restored to its former position and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other Event of Default, or impair any right consequent thereon.

Section 10.6 No Additional Waiver Implied by One Waiver. In the event that any agreement contained herein should be breached by either party and thereafter waived

by the other party, such waiver shall be in writing and limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 10.7 Agreement to Pay Attorneys' Fees and Expenses. In the event that the Governmental Unit should default under any of the provisions hereof and the NMFA employs attorneys or incurs other expenses for the collection of payments hereunder, or the enforcement of performance or observance of any obligation or agreement on the part of the Governmental Unit herein contained, the Governmental Unit agrees that it shall on demand therefor pay to the NMFA the fees of such attorneys and such other expenses so incurred, to the extent that such attorneys' fees and expenses may be determined to be reasonable by a court of competent jurisdiction; provided, however, that the obligation of the Governmental Unit under this Section shall be limited to expenditures from and to the extent of the available Pledged Revenues.
