Mr. Randy Randall-Acting Arts Commission Director

Mr. Randall reported he has been working with the artist of the Tesuque Runners piece and would like to see the City use some money for the around the piece. Mr. Randall stated that the Tesuque Governor and the leader of the corporation are willing to support them with a match. Dan Perry has committed to raising the remaining 40k.

Mr. Randall would like to suggest that the landscape surrounding the fish sculptures be upgraded. Perhaps they can use the same designer that is working on the runner piece.

Chair Hanna asked if the money will come from the fund. Mr. Randall explained they come from two types of bonds. Chair Hanne asked him to explain the piece and the story behind it for the new members.

Mr. Randall explained during the pueblo revolt the Tesuque runners would run to deliver messages. They ran to the plaza and were hung after they delivered a message. Every year Tesuque replicates the run this is the next step to commemorate them.

Mr. Randall explained the convention center and city hall are built on former pueblo land.

Chair Hanna states the commission likes the work and are interested in formalizing it.

Mr. Randall wants to be assured there aren't any major concerns with the piece. This still needs to be approved by the Arts Commission.

Mr. Chase Daniel suggests the artist of the fish piece give her input on any landscape work done to that area.

Mr. Randall thanked the new members and explained they are still in the process of hiring a new Arts Director. Ideally they would like to hire someone and work on marketing and eventually have a cultural affairs office.

Chair Hanna explained that Mr. Muchmore will be finishing his term.

Ms. Camborde announced that she has accepted a position at Rancho de los Golondrinas and will be leaving in the next few weeks.

Mr. Randall submitted the paperwork for an emergency hire (e-90).

Chair Hanna stated Ms. Camborde will be missed.

Ms. Camborde explained it is a great opportunity but she will continue to support public art.

Mr. Chase Daniels would like to suggest with people leaving and new commissioners that big changes not be made while they are in transition.

Mr. Randall states that will not happen, with Mr. Lambert in the Gallery he does a great job and can always can help out.

5. REPORT OF THE CHAIR

Ms. Camborde discussed the Committee process and the overview of duties. Ms. Camborde explained how matters that come to AIPP mostly go to the Arts Commission and then sometimes on to Council for approval.

Ms. Camborde explained how the Gallery Committee got merged to AIPP. Mr. Lambert explained how AIPP helps bring creative input to the Gallery exhibits.

Ms. Camborde would like to see the AIPP continue to look after pieces around town and notice if there is damage or maintenance issues so they can be corrected right away.

Ms. Camborde explained the IGNITE program and how it was to help artists get cash in their hand to create art. (\$10,000)

Ms. Rizzo asked if that was for installation as well, if so that is not much.

Mr. Lambert explained the Telepoen and the bike locks were an example of the IGNITE project.

Chair Hanna asked if the murals were also going to be an IGNITE program. Mr. Lambert stated those are on hold at this time.

Mr. Chase Daniel explained the IGNITE projects are to be temporary or last ten years.

Ma. Camborde suggests AIPP help to identify where some public pieces should go.

Mr. Lambert would also like to see more artist development. Ms. Rizzo states if there is more money offered perhaps more would apply.

Mr. Chase Daniel states there are other grants and programs. Mr. Muchmore would like to see the maintenance of the art be a priority as well. Before pieces are damaged or run down.

Ms. Rizzo asked if there was an annual budget set for the art.

Ms. Camborde explained the funding and the reserves that are set aside for art. Mr. Lambert explained what a budget adjustment was.
