Neither the execution and delivery of this Loan Agreement or the Intercept Agreement by the Finance Authority, nor compliance by the Finance Authority with its obligations under this Loan Agreement and the Intercept

(e) Legal, Valid and Binding Obligations. This Loan Agreement and the Intercept Agreement constitute the legal, valid and binding obligations of the Finance Authority enforceable in accordance with their terms.

(f) Reimbursement of Amount Loaned. The Finance Authority intends to reimburse the public project revolving fund (as defined in the Finance Authority Act) for the amount of the Loan from the proceeds of the Bonds.

Other than the pledge to the Trustee described above, the Finance Authority will not sell, pledge, transfer, convey, hypothecate, mortgage or dispose of the Loan Agreement, or any portion thereof, except to persons who have been provided sufficient information with which to make an informed investment decision regarding the Loan Agreement and in compliance with the Securities Act of 1933, as amended, the regulations promulgated thereunder and applicable state securities laws and regulations.

(i) Finance Authority Compliance with Policies. As related to this Loan Agreement, the Finance Authority has complied with all policies and procedures as adopted and approved by the Finance Authority Board of Directors, or such policies have been waived by the Finance Authority Board of Directors.

ARTICLE V

LOAN TO THE GOVERNMENTAL UNIT;

PAYMENTS BY THE GOVERNMENTAL UNIT

Section 5.1 Loan to the Governmental Unit; Payment Obligations Limited to Pledged Revenues; Pledge of Pledged Revenues. The Finance Authority hereby lends to the Governmental Unit and the Governmental Unit hereby borrows from the Finance Authority an amount equal to the Loan Agreement Principal Amount. The Governmental Unit promises to pay, but solely from the sources pledged herein, the Loan Agreement Payments as herein provided. The Governmental Unit does hereby convey, assign and pledge unto the Finance Authority and unto its successors in trust forever all right, title and interest of the Governmental Unit in and to: (i) the Pledged Revenues to the extent required to pay the Loan Agreement Payments on parity with the Parity Obligations; (ii) the Finance Authority Debt Service Account, such account being held by the Finance Authority; (iii) the Program Account, such account being held by the Trustee; and (iv) all other rights hereinafter granted, for the securing of the Governmental Unit's obligations under this Loan Agreement, including payment of the Loan Agreement Payments and Additional Payment Obligations; provided, however, that if the Governmental Unit, its successors or assigns, shall well and truly pay, or cause to be paid, all Loan Agreement Payments at the time and in the manner contemplated by this Loan Agreement, then, upon such final payment or provision for payment by the Governmental Unit, this Loan Agreement and the rights created thereby shall terminate; otherwise, this Loan Agreement shall remain in full force and effect. The Loan Agreement Payments shall, in the aggregate, be sufficient to pay the Principal Component and the Interest Component when due, the payment schedule of which is attached hereto as Exhibit "B."

The pledge of the Pledged Revenues and the lien thereon shall be effective upon the Closing Date. The Governmental Unit and the Finance Authority acknowledge and agree that the Loan Agreement Payments of the Governmental Unit hereunder are limited to the Pledged Revenues, and that this Loan Agreement shall constitute a special, limited obligation of the Governmental Unit. No provision of this Loan Agreement shall be construed or interpreted as creating a general obligation or other indebtedness of the Governmental Unit within the meaning of any constitutional or statutory debt limitation. No provision of this Loan Agreement shall be construed to pledge or to create a lien on any class or source of Governmental Unit moneys other than the Pledged Revenues, nor shall any provision of this Loan Agreement restrict the future issuance of any bonds or obligations payable from any class or source of Governmental Unit moneys other than the Pledged Revenues. In addition, to the extent not required for the payment of obligations of the Governmental Unit hereunder, the Pledged Revenues may be utilized by the Governmental Unit for any other purposes permitted by law.

Section 5.2 Payment Obligations of Governmental Unit. The Governmental Unit shall transfer to the Finance Authority from the Pledged Revenues either pursuant to the Intercept Agreement or directly from the Governmental Unit as provided by this Loan Agreement and the Intercept Agreement, the Distributing State Agency shall cause to be transferred from the Pledged Revenues, the amounts provided in subsections (a)(i) and (ii) of this Section 5.2 for deposit into the Finance Authority Debt Service Account. The Finance Authority Debt Service Account shall be established and held by the Finance Authority on behalf of the Governmental Unit. All Pledged Revenues received by the Finance Authority pursuant to this Section 5.2 shall be accounted for and maintained on an ongoing basis by the Finance Authority in the Finance Authority Debt Service Account and all Loan Agreement Payments shall be remitted to the Trustee. The amounts on deposit in the Finance Authority Debt Service Account shall be expended and used by the Finance Authority only in the manner and order of priority specified below.

(a) As a subordinate charge and lien, but not an exclusive subordinate charge and lien, on the Pledged Revenues (on a parity with the lien on the Pledged Revenues created by any outstanding Parity Obligations and subordinate to the lien on the Pledged Revenues created by any outstanding Superior Tax Obligations), the Governmental Unit shall remit to the Finance Authority and the Finance Authority shall transfer and deposit into the Finance Authority Debt Service Account the following from the Pledged Revenues received pursuant to the Intercept Agreement from the Governmental Unit which the Finance Authority shall transfer to the Trustee in accordance with the Indenture:

(i) Interest Components. (A) Monthly, beginning on the first day of the second month following the Closing Date, an amount in equal monthly installments which is necessary to pay the first maturing Interest Component coming due on this Loan Agreement (which is due _____); and (B) on the first day of each month thereafter, one-sixth

(1/6) of the amount necessary to pay the next maturing Interest Component on this Loan Agreement as described in Exhibit “B”.

(ii) Principal Payments. (A) Monthly, beginning on the first day of the second month following the Closing Date, an amount in equal monthly installments which is necessary to pay the first maturing Principal Component (which is June 1, 2020); and (B) on the first day of each month thereafter, one-twelfth (1/12) of the amount which is necessary to pay the next maturing Principal Component on this Loan Agreement during the Loan Agreement Term, as described in Exhibit “B”.

The Governmental Unit shall transfer to the Finance Authority from the Pledged Revenues the amounts provided in subsections (i) and (ii) of this Section 5.2(a), and the Finance Authority shall not intercept such amounts from the Pledged Revenues pursuant to the Intercept Agreement unless the Governmental Unit fails to timely transfer each such amount, in which event the Finance Authority shall intercept such amounts from Pledged Revenues pursuant to the Intercept Agreement. Such amounts shall be intercepted in approximately equal monthly payments when distributions are made by the Distributing State Agency in accordance with a schedule prepared by the Finance Authority at the commencement of interception of payments. The monthly intercepted installments will be amounts sufficient, when combined, to meet the payments described in subparagraphs (a)(i) and (ii) above.

(b) Each Loan Agreement Payment shall be transferred by the Finance Authority from the Finance Authority Debt Service Account to the Trustee.

(c) Subject to the foregoing deposits, the Finance Authority or the Trustee shall annually use the balance of the Pledged Revenues received, if any, at the request of the Governmental Unit: (i) to credit against upcoming Loan Agreement Payments; or (ii) to distribute to the Governmental Unit for any purpose permitted by law.

Section 5.3 Manner of Payment. All payments of the Governmental Unit hereunder shall be paid in lawful money of the United States of America to the Finance Authority at the address designated in Section 11.1 herein, for remittance to the Trustee. The obligation of the Governmental Unit to make payments hereunder, from and to the extent of the available Pledged Revenues, shall be absolute and unconditional in all events, except as expressly provided hereunder, and payment hereunder shall not be abated through accident or unforeseen circumstances. Notwithstanding any dispute between the Governmental Unit, the Finance Authority, the Trustee, any vendor or any other person, the Governmental Unit shall make all deposits hereunder, from and to the extent of the available Pledged Revenues, when due and shall not withhold any deposit hereunder pending final resolution of such dispute, nor shall the Governmental Unit assert any right of set-off or counterclaim against its obligation to make such deposits required hereunder.

Section 5.4 Disposition of Payments by the Trustee. The Trustee shall deposit all moneys received from the Finance Authority under this Loan Agreement in accordance with the Indenture.

Section 5.5 Additional Superior Tax Obligations and Parity Obligations.

(a) Limitations Upon Issuance of Additional Superior Tax Obligations. No provision of this Loan Agreement shall be construed in such a manner as to prevent the issuance by the Governmental Unit of additional Superior Tax Obligations payable from Pledged Revenues and constituting a lien upon such Pledged Revenues prior and superior to the lien thereon of this Loan Agreement. Before any additional Superior Tax Obligations are issued, the conditions, if any, set forth in the ordinances authorizing the issuance of Superior Tax Obligations must be satisfied.

(b) Limitations Upon Issuance of Additional Parity Obligations. No provision of this Loan Agreement shall be construed in such a manner as to prevent the issuance by the Governmental Unit of additional Parity Obligations payable from Pledged Revenues, nor to prevent the issuance of bonds or other obligations refunding all or a part of this Loan Agreement; provided, however, that before any additional Parity Obligations are actually issued (excluding refunding bonds the proceeds of which are used to refund Parity Obligations, as provided in Section 5.6, but including Parity Obligations which are refunding bonds which refund subordinate obligations), the following conditions shall be met:

(i) The Governmental Unit shall then be current in all of the deposits required to be made with respect to Parity Obligations (including, if applicable, any obligation to fund any reserve account required by the terms of any ordinance authorizing the issuance of any such Parity Obligations); and

(ii) No default shall exist in connection with any of the covenants or requirements of the Ordinance or this Loan Agreement; and

(iii) (A) No additional Parity Obligations shall be issued unless Pledged Revenues received for the Historic Test Period shall have been sufficient to pay an amount representing at least two hundred percent (200%) of the combined maximum Aggregate Annual Debt Service Requirements coming due in any subsequent Fiscal Year on the Bonds, on the then outstanding Superior Tax Obligations and Parity Obligations, and the additional Parity Obligations proposed to be issued (excluding any reserves therefor); and

(B) In making the computations required by this subparagraph (ii) other gross receipts tax revenues, including without limitation, the Environmental Services Gross Receipts Tax Revenues, received by the Governmental Unit, whether from distribution by the State or pursuant to gross receipts taxes imposed by the Governmental Unit (other than State-shared Gross Receipts Tax Revenues) pledged to the Superior Tax Obligations, Parity Obligations, and the Parity Obligations proposed to be issued, may be included only to the extent such gross receipts tax revenues are pledged to a particular series of such outstanding obligations or proposed

Parity Obligations and only to the extent of the maximum Aggregate Annual Debt Service Requirements on such outstanding obligations or proposed Parity Obligations.

(c) Subordinate Obligations Permitted. No provision of this Loan Agreement shall be construed in such a manner as to prevent the issuance by the Governmental Unit of additional obligations payable from the Pledged Revenues with a lien thereon subordinate and junior to the lien thereon of this Loan Agreement, nor to prevent the issuance of obligations refunding all or part of the obligations as permitted by section 5.6 of this Loan Agreement.

(d) Certificate of Chief Financial Officer. A written certificate or opinion of the chief financial officer of the Governmental Unit that the Pledged Revenues for the applicable Historic Test Period are sufficient to pay the amounts required in this Section shall be required in making a determination that the requirements set forth in this Section have been satisfied and shall be conclusively presumed to be accurate in determining that such requirements have been satisfied.

Section 5.6 Refunding Obligations. The provisions of Section 5.5 hereof are subject to the following exceptions:

(a) If at any time after the Closing Date, while this Loan Agreement, or any part thereof, is outstanding, the Governmental Unit shall find it desirable to refund any outstanding bonds or other outstanding obligations payable from the Pledged Revenues, this Loan Agreement, such bonds or other obligations, or any part thereof, may be refunded (but the holders of this Loan Agreement or bonds to be refunded may not be compelled to surrender this Loan Agreement or their bonds, unless this Loan Agreement, the bonds or other obligations, at the time of their required surrender for payment, shall then mature, or shall then be callable for prior redemption at the Governmental Unit's option), regardless of whether the priority of the lien for the payment of the refunding obligations on the Pledged Revenues is changed, except as provided in subparagraph (c) of Section 5.5 hereof and in subparagraphs (b) and (c) of this Section.

(b) No refunding bonds or other refunding obligations payable from the Pledged Revenues shall be issued on a parity with this Loan Agreement unless:

(i) The outstanding obligations so refunded are Parity Obligations and the refunding bonds or other refunding obligations do not increase any aggregate annual principal and interest obligations evidenced by such refunded obligations; or

(ii) The refunding bonds or other refunding obligations are issued in compliance with Section 5.5 hereof.

(c) The refunding bonds or other obligations so issued shall enjoy complete equality of lien on the Pledged Revenues with the portion of this Loan Agreement or any bonds or other obligations of the same issue which is not refunded, if any; and the holder or holders of such refunding bonds or such other refunding obligations shall be subrogated to all of the rights and privileges enjoyed by the holder or holders of this Loan Agreement or the bonds or other obligations of the same issue refunded thereby. If only a part of this Loan Agreement or the outstanding bonds and any other outstanding obligations of any issue or issues payable from the

Pledged Revenues is refunded, then such obligations may not be refunded without the consent of the holder or holders of the unrefunded portion of such obligations, unless:

(i) The refunding bonds or other refunding obligations do not increase any aggregate annual principal and interest obligations evidenced by such refunded obligations and by the outstanding obligations not refunded on and prior to the last maturity date of such unrefunded obligations; or

(ii) The refunding bonds or other refunding obligations are issued in compliance with Section 5.5 hereof; or

(iii) The lien on the Pledged Revenues for the payment of the refunding obligations is subordinate to each such lien for the payment of any obligations not refunded.

(d) Any refunding bonds or other refunding obligations payable from the Pledged Revenues shall be issued with such details as the Governmental Unit may provide by ordinance or resolution, but without any impairment of any contractual obligations imposed upon the Governmental Unit by any proceedings authorizing the issuance of any unrefunded portion of such outstanding obligations of any one or more issues (including, but not necessarily limited to, this Loan Agreement).

Section 5.7 Investment of Governmental Unit Funds. Investment of Governmental Unit Funds. Money on deposit in the Finance Authority Debt Service Account established by the Finance Authority for the Governmental Unit shall be invested by the Finance Authority in Permitted Investments chosen at the discretion of the Finance Authority. Money on deposit in the Program Account held by the Trustee and created hereunder shall be invested by the Trustee in Permitted Investments at the written direction of the Finance Authority or at the discretion of the Trustee. Any earnings on amounts in said account shall be held and administered in the account and utilized in the same manner as the other moneys on deposit therein.

Section 5.8 Governmental Unit May Budget for Payments. The Governmental Unit may, in its sole discretion, but without obligation and subject to the Constitution of the State, governing laws, and its budgetary requirements, make available properly budgeted and legally available funds to defray any insufficiency of Pledged Revenues to pay Loan Agreement Payments; provided, however, the Governmental Unit has not covenanted and cannot covenant to make such funds available and has not pledged any of such funds for such purpose.

ARTICLE VI
THE PROJECT

Section 6.1 Agreement to Complete Project. The Governmental Unit hereby agrees that to effectuate the purposes of this Loan Agreement and to effectuate the acquisition, construction and completion of the Project, it shall make, execute, acknowledge and transmit any contracts, orders, receipts, writings and instructions with any other persons, firms or corporations and, in general, do all things which may be requisite or proper to complete the Project.

The Governmental Unit agrees to complete the Project through the application of moneys to be disbursed from the Program Account pursuant to Section 6.2 of this Loan Agreement.

Section 6.2 Disbursements From the Program Account. So long as no Event of Default shall occur, the Trustee shall disburse moneys from the Program Account in accordance with Section 6.2 of the Indenture upon receipt by the Trustee of a requisition substantially in the form of Exhibit "C" attached hereto signed by an Authorized Officer of the Governmental Unit.

Section 6.3 Completion of the Acquisition of the Project. Within thirty (30) days after completion of the Project, an Authorized Officer of the Governmental Unit shall deliver a certificate to the Finance Authority and the Trustee substantially in the form of Exhibit "D" attached hereto, stating that, to his or her knowledge the Project has been completed and accepted by the Governmental Unit, and all costs have been paid. Notwithstanding the foregoing, such certificate shall state that it is given without prejudice to any rights against third parties which exist at the date of such certificate or which may subsequently come into being.

Section 6.4 Application of Loan Agreement Proceeds Subsequent to Completion of the Project. Upon completion of the Project as signified by delivery of the completion certificate contemplated in Section 6.3 hereof or in the event that the Finance Authority and the Trustee shall not have received a certificate of completion as required by Section 6.3 hereof, the Trustee shall transfer the amounts remaining in the Program Account (except amounts necessary for payment of amounts not then due and payable) to the Finance Authority Debt Service Account and such amounts shall be used for the payment of Loan Agreement Payments.

ARTICLE VII
COMPLIANCE WITH LAWS
AND RULES; OTHER COVENANTS

Section 7.1 Further Assurances and Corrective Instruments. The Finance Authority and the Governmental Unit agree that they will, from time to time, execute, acknowledge and deliver, or cause to be executed, acknowledged and delivered, such supplements hereto and such further instruments as may reasonably be required for correcting any inadequate or incorrect description of the Project or of the Pledged Revenues, or for otherwise carrying out the intention hereof.

Section 7.2 Finance Authority and Governmental Unit Representatives. Whenever under the provisions hereof the approval of the Finance Authority or the Governmental Unit is required, or the Governmental Unit or the Finance Authority is required to take some action at the request of the other, such approval or such request shall be given for the Finance Authority or for the Governmental Unit by an Authorized Officer of the Finance Authority or the Governmental Unit, as the case may be, and any party hereto shall be authorized to act on any such approval or request.

Section 7.3 Requirements of Law. During the Loan Agreement Term, the Governmental Unit and the Finance Authority shall observe and comply promptly with all current and future orders of all courts having jurisdiction over the parties hereto, to the extent such orders relate to or govern the Project or the Pledged Revenues.

Section 7.4 Lien; Equality of Liens. The Loan Agreement Payments constitute an irrevocable second lien (but not necessarily an exclusive second lien) upon the Pledged Revenues. The Governmental Unit covenants that the Loan Agreement Payments and any Parity Obligations herein authorized to be issued and from time to time outstanding shall be equitably and ratably secured by a second lien on the Pledged Revenues and shall not be entitled to any priority one over the other in the application of the Pledged Revenues regardless of the time or times of the issuance of such obligations, it being the intention of the Governmental Unit that there shall be no priority between the Loan Agreement Payments and any such Parity Obligations regardless of the fact that they may be actually issued and delivered at different times.

Section 7.5 Expeditious Acquisition. The Governmental Unit shall finance the Project with all practical dispatch.

ARTICLE VIII

PREPAYMENT OF LOAN AGREEMENT PAYMENTS

Section 8.1 Prepayment. The Governmental Unit is hereby granted the option to prepay any of the Principal Components of this Loan Agreement in whole or in part on any day on or after ten (10) years following the Closing Date without penalty or prepayment premium. The Governmental Unit may designate the due dates of any Principal Components being prepaid in the event of a partial prepayment. Notice of intent to make such prepayment shall be provided to the Finance Authority and the Trustee by the Governmental Unit no less than forty-five (45) days prior to the prepayment date. The Trustee shall recalculate the Loan Agreement Payments due under this Loan Agreement in the event of a partial prepayment in a manner which is consistent with the manner in which the Bonds, if any, are prepaid.

Section 8.2 Defeasance. Should the Governmental Unit pay or make provision for payment of the Loan such that all amounts due pursuant to this Loan Agreement shall be deemed to have been paid and defeased, then the Loan Agreement Payments hereunder shall also be deemed to have been paid, the Governmental Unit's payment obligations hereunder shall be terminated, this Loan Agreement and all obligations contained herein shall be discharged and the pledge hereof released. Such payment shall be deemed made when the Governmental Unit has deposited with an escrow agent, in trust, (i) moneys sufficient to make such payment, and/or (ii) noncallable Government Obligations maturing as to principal and interest in such amount and at such times as will ensure the availability of sufficient moneys to make such payment and when all necessary and proper expenses of the Finance Authority have been paid or provided for. In the event the Governmental Unit makes provisions for defeasance of this Loan Agreement, the Governmental Unit shall cause to be delivered (1) a report of an independent nationally recognized certified public accountant verifying the sufficiency of the escrow established to pay this Loan Agreement in full when due or upon an irrevocably designated prepayment date, and (2) an opinion of Bond Counsel to the effect that this Loan Agreement is no longer outstanding, each of which shall be addressed and delivered to the Finance Authority. Government Obligations with the meaning of this Section 8.2, unless otherwise approved by the Finance Authority, shall include only (1) cash, (2) United States Treasury Certificates, Notes and Bonds (including State and Local Government Series ("SLGs")), and (3) obligations the principal and interest on which are unconditionally guaranteed by the United States of America.

ARTICLE IX

INDEMNIFICATION

From and to the extent of the Pledged Revenues, to the extent permitted by law, the Governmental Unit shall and hereby agrees to indemnify and save the Finance Authority and the Trustee harmless against and from all claims, by or on behalf of any person, firm, corporation or other legal entity arising from the acquisition and completion of the Project during the Loan Agreement Term, from: (i) any act of negligence or other misconduct of the Governmental Unit or breach of any covenant or warranty by the Governmental Unit hereunder; and (ii) the incurrence of any cost or expense in connection with the acquisition and completion of the Project in excess of the Loan Agreement proceeds and interest on the investment thereof. The Governmental Unit shall indemnify and save the Finance Authority and the Trustee harmless, from and to the extent of available Pledged Revenues, from any such claim arising as aforesaid from (i) or (ii) above, or in connection with any action or proceeding brought thereon and, upon notice from the Finance Authority or the Trustee, shall defend the Finance Authority or the Trustee, as applicable, in any such action or proceeding.

ARTICLE X

EVENTS OF DEFAULT AND REMEDIES

Section 10.1 Events of Default Defined. Any one of the following shall be an “Event of Default” under this Loan Agreement:

(a) Failure by the Governmental Unit to pay any amount required to be paid under this Loan Agreement on the date on which it is due and payable;

(b) Failure by the Governmental Unit to observe and perform any covenant, condition or agreement on its part to be observed or performed under this Loan Agreement, other than as referred to in paragraph (a), for a period of thirty (30) days after written notice specifying such failure and requesting that it be remedied is given to the Governmental Unit by the Finance Authority or the Trustee unless the Finance Authority and the Trustee shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice can be wholly cured within a period of time not materially detrimental to the rights of the Finance Authority or the Trustee but cannot be cured within the applicable thirty (30) day period, the Finance Authority and the Trustee will not unreasonably withhold their consent to an extension of such time if corrective action is instituted by the Governmental Unit within the applicable period and diligently pursued until the failure is corrected; and provided, further, that if by reason of force majeure the Governmental Unit is unable to carry out the agreements on its part herein contained, the Governmental Unit shall not be deemed in default under this paragraph (b) during the continuance of such inability (but force majeure shall not excuse any other Event of Default);

(c) Any warranty, representation or other statement by or on behalf of the Governmental Unit contained in this Loan Agreement or in any instrument furnished in compliance with or in reference to this Loan Agreement is false or misleading in any material respect;

(d) A petition is filed against the Governmental Unit under any bankruptcy, moratorium, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, and is not dismissed within thirty (30) days after such filing, but the Finance Authority and the Trustee shall have the right to intervene in the proceedings prior to the expiration of such thirty (30) days to protect their interests;

(e) The Governmental Unit files a petition in voluntary bankruptcy or seeking relief under any provision of any bankruptcy, moratorium, reorganization, arrangement, insolvency, readjustment of debt, dissolution or liquidation law of any jurisdiction, whether now or hereafter in effect, or consents to the filing of any petition against it under any such law; or

(f) The Governmental Unit admits insolvency or bankruptcy or its inability to pay its debts as they become due or is generally not paying its debts as such debts become due, or becomes insolvent or bankrupt or makes an assignment for the benefit of creditors, or a custodian (including, without limitation, a receiver, liquidator or trustee) of the Governmental Unit for any of its property is appointed by court order or takes possession thereof and such order remains in effect or such possession continues for more than thirty (30) days, but the Finance Authority and the Trustee shall have the right to intervene in the proceedings prior to the expiration of such thirty (30) days to protect their interests.

Section 10.2 Remedies on Default. Whenever any Event of Default has occurred and is continuing and subject to Section 10.3 hereof, the Finance Authority or the Trustee may take any or all of the following actions as may appear necessary or desirable to collect the payments then due and to become due or to enforce performance of any agreement of the Governmental Unit in this Loan Agreement or the Intercept Agreement:

(a) By mandamus or other action or proceeding or suit at law or in equity to enforce the rights of the Finance Authority and the Trustee under this Loan Agreement and the Intercept Agreement against the Governmental Unit, and compel the Governmental Unit to perform or carry out its duties under the law and the agreements and covenants required to be performed by it contained herein; or

(b) By suit in equity to enjoin any acts or things which are unlawful or violate the rights of the Finance Authority or the Trustee; or

(c) Intervene in judicial proceedings that affect this Loan Agreement or the Pledged Revenues; or

(d) Cause the Governmental Unit to account as if it were the trustee of an express trust for all of the Pledged Revenues; or

(e) Take whatever other action at law or in equity may appear necessary or desirable to collect amounts then due and thereafter to become due under this Loan Agreement or to enforce any other of its rights thereunder; or

(f) Apply any amounts in the Program Account toward satisfaction of any of the obligations of the Governmental Unit under this Loan Agreement.

Section 10.3 Limitations on Remedies. A judgment requiring a payment of money entered against the Governmental Unit may reach only available Pledged Revenues.

Section 10.4 No Remedy Exclusive. Subject to Section 10.3 hereof, no remedy herein conferred upon or reserved to the Finance Authority or the Trustee is intended to be exclusive, and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder as now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Finance Authority or the Trustee to exercise any remedy reserved in this Article X, it shall not be necessary to give any notice, other than such notice as may be required in this Article X.

Section 10.5 Waivers of Events of Default. The Finance Authority or the Trustee may in its discretion waive by written waiver any Event of Default hereunder and the consequences of such an Event of Default provided, however, that there shall not be waived: (i) any Event of Default in the payment of the principal of this Loan Agreement at the date when due as specified herein; or (ii) any default in the payment when due of the interest on this Loan Agreement, unless prior to such waiver, all arrears of interest, with interest at the rate borne by this Loan Agreement on all arrears of payments of principal and all expenses of the Finance Authority or the Trustee, in connection with such Event of Default shall have been paid or provided for, and in case of any such waiver, or in case any proceeding taken by the Finance Authority or the Trustee on account of any such Event of Default shall have been discontinued or abandoned or determined adversely, then and in every such case, the Finance Authority and the Trustee shall be restored to their former positions and rights hereunder, respectively, but no such waiver shall extend to any subsequent or other Event of Default, or impair any right consequent thereon.

Section 10.6 No Additional Waiver Implied by One Waiver. In the event that any agreement contained herein should be breached by either party and thereafter waived by the other party, such waiver shall be in writing and limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder.

Section 10.7 Agreement to Pay Attorneys' Fees and Expenses. In the event that the Governmental Unit shall default under any of the provisions hereof and the Finance Authority or

the Trustee shall employ attorneys or incur other expenses for the collection of payments hereunder, or the enforcement of performance or observance of any obligation or agreement on the part of the Governmental Unit herein contained, the Governmental Unit agrees that it shall on demand therefor pay to the Finance Authority or the Trustee, as applicable, the fees of such attorneys and such other expenses so incurred, to the extent that such attorneys' fees and expenses may be determined to be reasonable by a court of competent jurisdiction; provided, however, that the obligation of the Governmental Unit under this Section shall be limited to expenditures from and to the extent of available Pledged Revenues.
