5. Staff Reports

   a) IGNITE Update – Jackie Camborde

   IGNITE has completed the approval process through the Arts Commission. The Folk Art project planning is running smoothly, there are some minor logistics that are being worked through with Ms. Hellstern on the Telephone Booth that should be resolved by this week. Ms. Camborde stated that she and the Parks Director toured Larragoite Park which is the site identified for the above projects. The goal is to have the two projects
up before Fold Art Market. Larragoite Park is an area that doesn’t have any art at this
time so there are prime spaces to select.

b) Fiber Arts Festival Update

Ms. Camborde shared with the committee members that the Espanola Valley Fiber Arts
Center does a show each spring. Last year they made a lot of scarves for the art
sculptures and when it was discovered it was learned they had not cleared this through
the Arts Commission or the City of Santa Fe. They have been told that any future
decorative art requests need to be presented formally through the Arts Commission.
Staff has worked with them and has been assured that they do have the proper
insurances. Their theme color this year will be Red; all artists have been contacted and
have all shown interest to participate. They will create red knitted items and the theme
is Yarn Bombs. There are 8 locations where this will take place on May 18-20, 2018.
It is being called the NM Fiber Crawl.

The Chair asked if there is any reason to be concerned or should a site inspection be
made. Ms. Camborde stated that possibly the night before or the day of opening they
could do a drive through to assure all safety measures have been practiced.

Social media will have a big role in this festival.

c) Airport Purchase Program Update

Mr. Lambert reported that 133 Artists submitted works of art, some as few as 2 and up
to 5. With that many Artists, the screening board had to assure there was not a conflict
of interest. There were two that had a conflict of interest. Mr. Muchmore disqualified
himself and Drew Lenihan stepped in.

It was agreed based on the large amount of submissions, there will be a process of
elimination during the review based on how the piece would fit in to the airport
environment.

Mr. Hanna asked if we knew how many are needed and how much space was being
allotted. Mr. Lambert said that having a member from the Airport on the committee
they will have that expertise as they go through the process of selection.

Ms. Camborde will follow up with a meeting at the Airport to identify space and
foresee how many pieces will fit and report back to the Committee.

d) Community Gallery Exhibits Update

Nature and Art exhibit has opened. The first event was basket weaving and with the
help from Simply Social there were 27 individuals in attendance. The Herb project was
a success.

Mr. Lambert reiterated that with the participation from Simply Social it has helped
tremendously to get the attention of the public and it has brought their numbers in
participation up.

The Chair asked if a Press Release had been issued and Mr. Lambert said, yes.

Drew Lenihan said Pasatiempo is a great resource. It is also important for all to nourish
their press connections as well as the artist to get the word out.
Friends of the Gallery Interviews are moving forward; 102 artists have agreed to participate. Joe Abeyta is taping the interviews.

Opioid Exhibit: Santa Fe Public Schools, Santa Fe County, the City, State of NM, Fire Department and City Human Services are all participating in this exhibit effort. There has been discussion to do this as a pop up show; it is true to the cause. The date is April 12-13, 2018. More information to follow. The Chair and Mr. Hanna offered to help in anyway possible. The Chair asked that Indian Health Services also be contacted for their participation.

None

7. **Discussion from the Chair and Committee Members**

The Chair asked staff when would be the appropriate time to invite the new Mayor and Councilors and brief them on the work of Art in Public Places. Ms. Camborde stated that presently as the Mayor’s agenda is focusing on city staff and department reviews; that a later date would be more appropriate.

The Chair asked for the status on the Culture Connect position. Ms. Camborde stated that they do have a candidate and more information will follow as the information is available.

The Chair reiterated the importance to reevaluate the next phase of this merger and for the AIPP members to brainstorm around policy and process. It was suggested this be a topic for the next agenda.

It was noted that the City Councilor’s Conference Room is now the regular place for monthly meetings.

8. **Adjourn**

There being no further business to come before the Art in Public Places Committee, the meeting was adjourned at 6:00 pm.
