

7a.

BTAC AGENDA ITEM SUBMISSION FORM

Please use the template below to submit agenda items for BTAC deliberation. The objective is to assure that deliberations are guided by an understanding of the action sought of BTAC, the pertinence of the proposal to BTAC's mission and objectives, and ultimately the expectations and obligations to which BTAC is agreeing when it takes action on an agenda item.

1. TITLE OR BRIEF DESCRIPTION OF THE AGENDA ITEM:

City Streets Maintenance – Re-Paving, Pot hole Repair, Sweeping, Snow Removal, etc (Sid Redner)

2. INTRODUCTION TO THE TOPIC: A brief statement regarding origin of the agenda item and its relevance to the current activity of BTAC.

City currently maintains over 260 miles of roadway, mostly paved. All roadways are part of the city's bikeway's system. BTAC members seek information regarding current operations and seek best methods for reporting maintenance concerns.

3. BTAC ACTION BEING SOUGHT: Most BTAC deliberation is intended to achieve one of three outcomes. If appropriate be prepared to suggest a formal motion to the meeting floor for debate, discussion and vote.

***To inform:** The purpose is to inform board members of the actions/thoughts of the presenting group and to provide an opportunity for discussion and questions. (E.g., an update from a standing or ad-hoc subcommittee) **No action from BTAC is sought.**

***To discuss:** BTAC agrees that a preliminary proposal is worthy of further discussion. **A possible motion to direct** an individual to review the issue and return at a specified time with a formal proposal for action is sought.

***Ta act:** BTAC supports a plan that requires outlining actions and obligations for Board members and/or Staff. **A motion clarifying objectives, expectations and obligations of Board and/or Staff is sought.**

Inform BTAC of current city standard operating procedures with respect to maintenance of city roadways, and generate informed discussion

4. ESTIMATION OF COST AND/ TIME: Who would be responsible for costs and/or BTAC or staff time? Has affected BTAC member or staff been apprised of the proposal and do they understand the obligations?

N/A

PACHECO, LEROY N.

From: Sidney Redner [REDACTED]

Subject: questions from a new BTAC member

Dear Leroy,

I'm writing to articulate my most serious concerns about road bicycling in Santa Fe. Since I'm new to this committee, I don't know what possible or reasonable and what is not, and perhaps you can guide me on this. Nevertheless, I thought it would be useful to write what's on my mind from the specific perspective of a road bicyclist. After reading these, perhaps it would be useful to chat. [REDACTED]

1. Who is the most effective contact to report potholes, bike-eating grates, and other road hazards for bicyclists? After an issue has been reported, how will it become know if action was taken and what action was taken?
2. How is a decision made to convert a paved road to chipseal, which is less friendly to bikes. In the past few years, this happened on Bishops Lodge Road on the hill to Tesuque and the last 2 miles of Old Santa Fe Trail (southern end). Both roads were in reasonable shape and spot repairs would have been cheaper. It seems that this same conversion is now happening on Estrada Redonda, or perhaps this road is even being converted to gravel.
3. What is the most effective contact to report, rainwater-driven caked mud on roads? The worst places I'm aware of are on Old Santa Fe trail, where the mud from the September rains is blocking the bike lane, and on Route 73, the downhill into Tesuque. For the latter, there are multiple month periods where the bike lane is overrun by mud. How can these be cleaned in a timely way?
4. On what basis are some roads in Santa Fe paved and others gravel. It doesn't seem to me that there is much logic about whether a road is paved or not.
5. Why is the quality of road paving of secondary roads in Santa Fe so uneven and generally substandard? I can give many examples of roads, including ones with little traffic, that are hazardous for bicyclists. Some typical examples are E Buena Visit St., Galisteo St. between Cordova and Coronado, the north side of Paseo de Peralta. These roads are all dangerous because of decaying pavement, huge potholes, or large cracks in concrete slabs in the case of E Buena Vista St. How can a truly bad road be given proper priority by the DPW? How is the decision made to repave or repair a road?
6. I think that Hyde Park Road to the ski basin has the potential to be a world-class attraction for bicyclists, which would be generally good for Santa Fe tourism. However, this road is poorly engineered and the pavement is substandard. The road to the top of Sandia Peak in Albuquerque is much, much better. I've biked both roads, and riding the Sandia Peak Road is a pleasure, whereas descending Hyde Park Road is truly scary. What is within the realm of feasibility to upgrade Hyde Park Road to an appropriate engineering standard?

Thanks for considering these points and I would be glad to talk with you to understand what is reasonable to raise as a member of BTAC

Below is a **proposed** 3-year breakdown for the expenditure of the Gas Tax bond for streets repaving maintenance:

Sum of Cost		
Year	Roadway	Total
YEAR 1	Rodeo Road (Richards Ave to Camino Carlos Rey)	\$1,489,994.89
	Rodeo Road (Cerrillos Rd to Richards Ave)	\$759,054.00
	Paseo De Peralta (Cerrillos Rd. to Old Santa Fe Trail)	\$671,925.08
	Upper Canyon Road (Camino Cabra to Cerro Gordo Rd.)	\$593,010.94
	Paseo De Peralta (Old Santa Fe Trail to Alameda St)	\$552,738.91
YEAR 1 Total		\$4,066,723.81
YEAR 2	Agua Fria (St. Francis Dr. to Camino Solano)	\$1,225,187.66
	Siler Rd. (Cerrillos Rd. to Agua Fria St.)	\$715,566.53
	Avenida De Las Campanas (Siringo Rd. to Rodeo Rd.)	\$711,613.13
	Galisteo Street (Zia Rd to Rodeo Rd)	\$671,200.53
	Old Pecos Trail (St. Michaels Dr. to Calle Mejia)	\$513,942.81
	Calle Lorca (San Mateo to St Michaels)	\$126,509.00
	Johnson Street (Grant St. to Guadalupe St.)	\$94,666.51
YEAR 2 Total		\$4,058,686.17
YEAR 3	Camino Entrada (Entire)	\$1,317,800.77
	Rufina Street (Siler Rd. to Zafarano Dr)	\$1,024,326.93
	Zia Road West (Old Arroyo Chamiso Rd to Old Pecos Trail)	\$377,840.21
	Agua Fria (East Agua Fria Village Limit to Siler Rd)	\$154,622.11
YEAR 3 Total		\$2,874,590.02
Grand Total		\$11,000,000.00

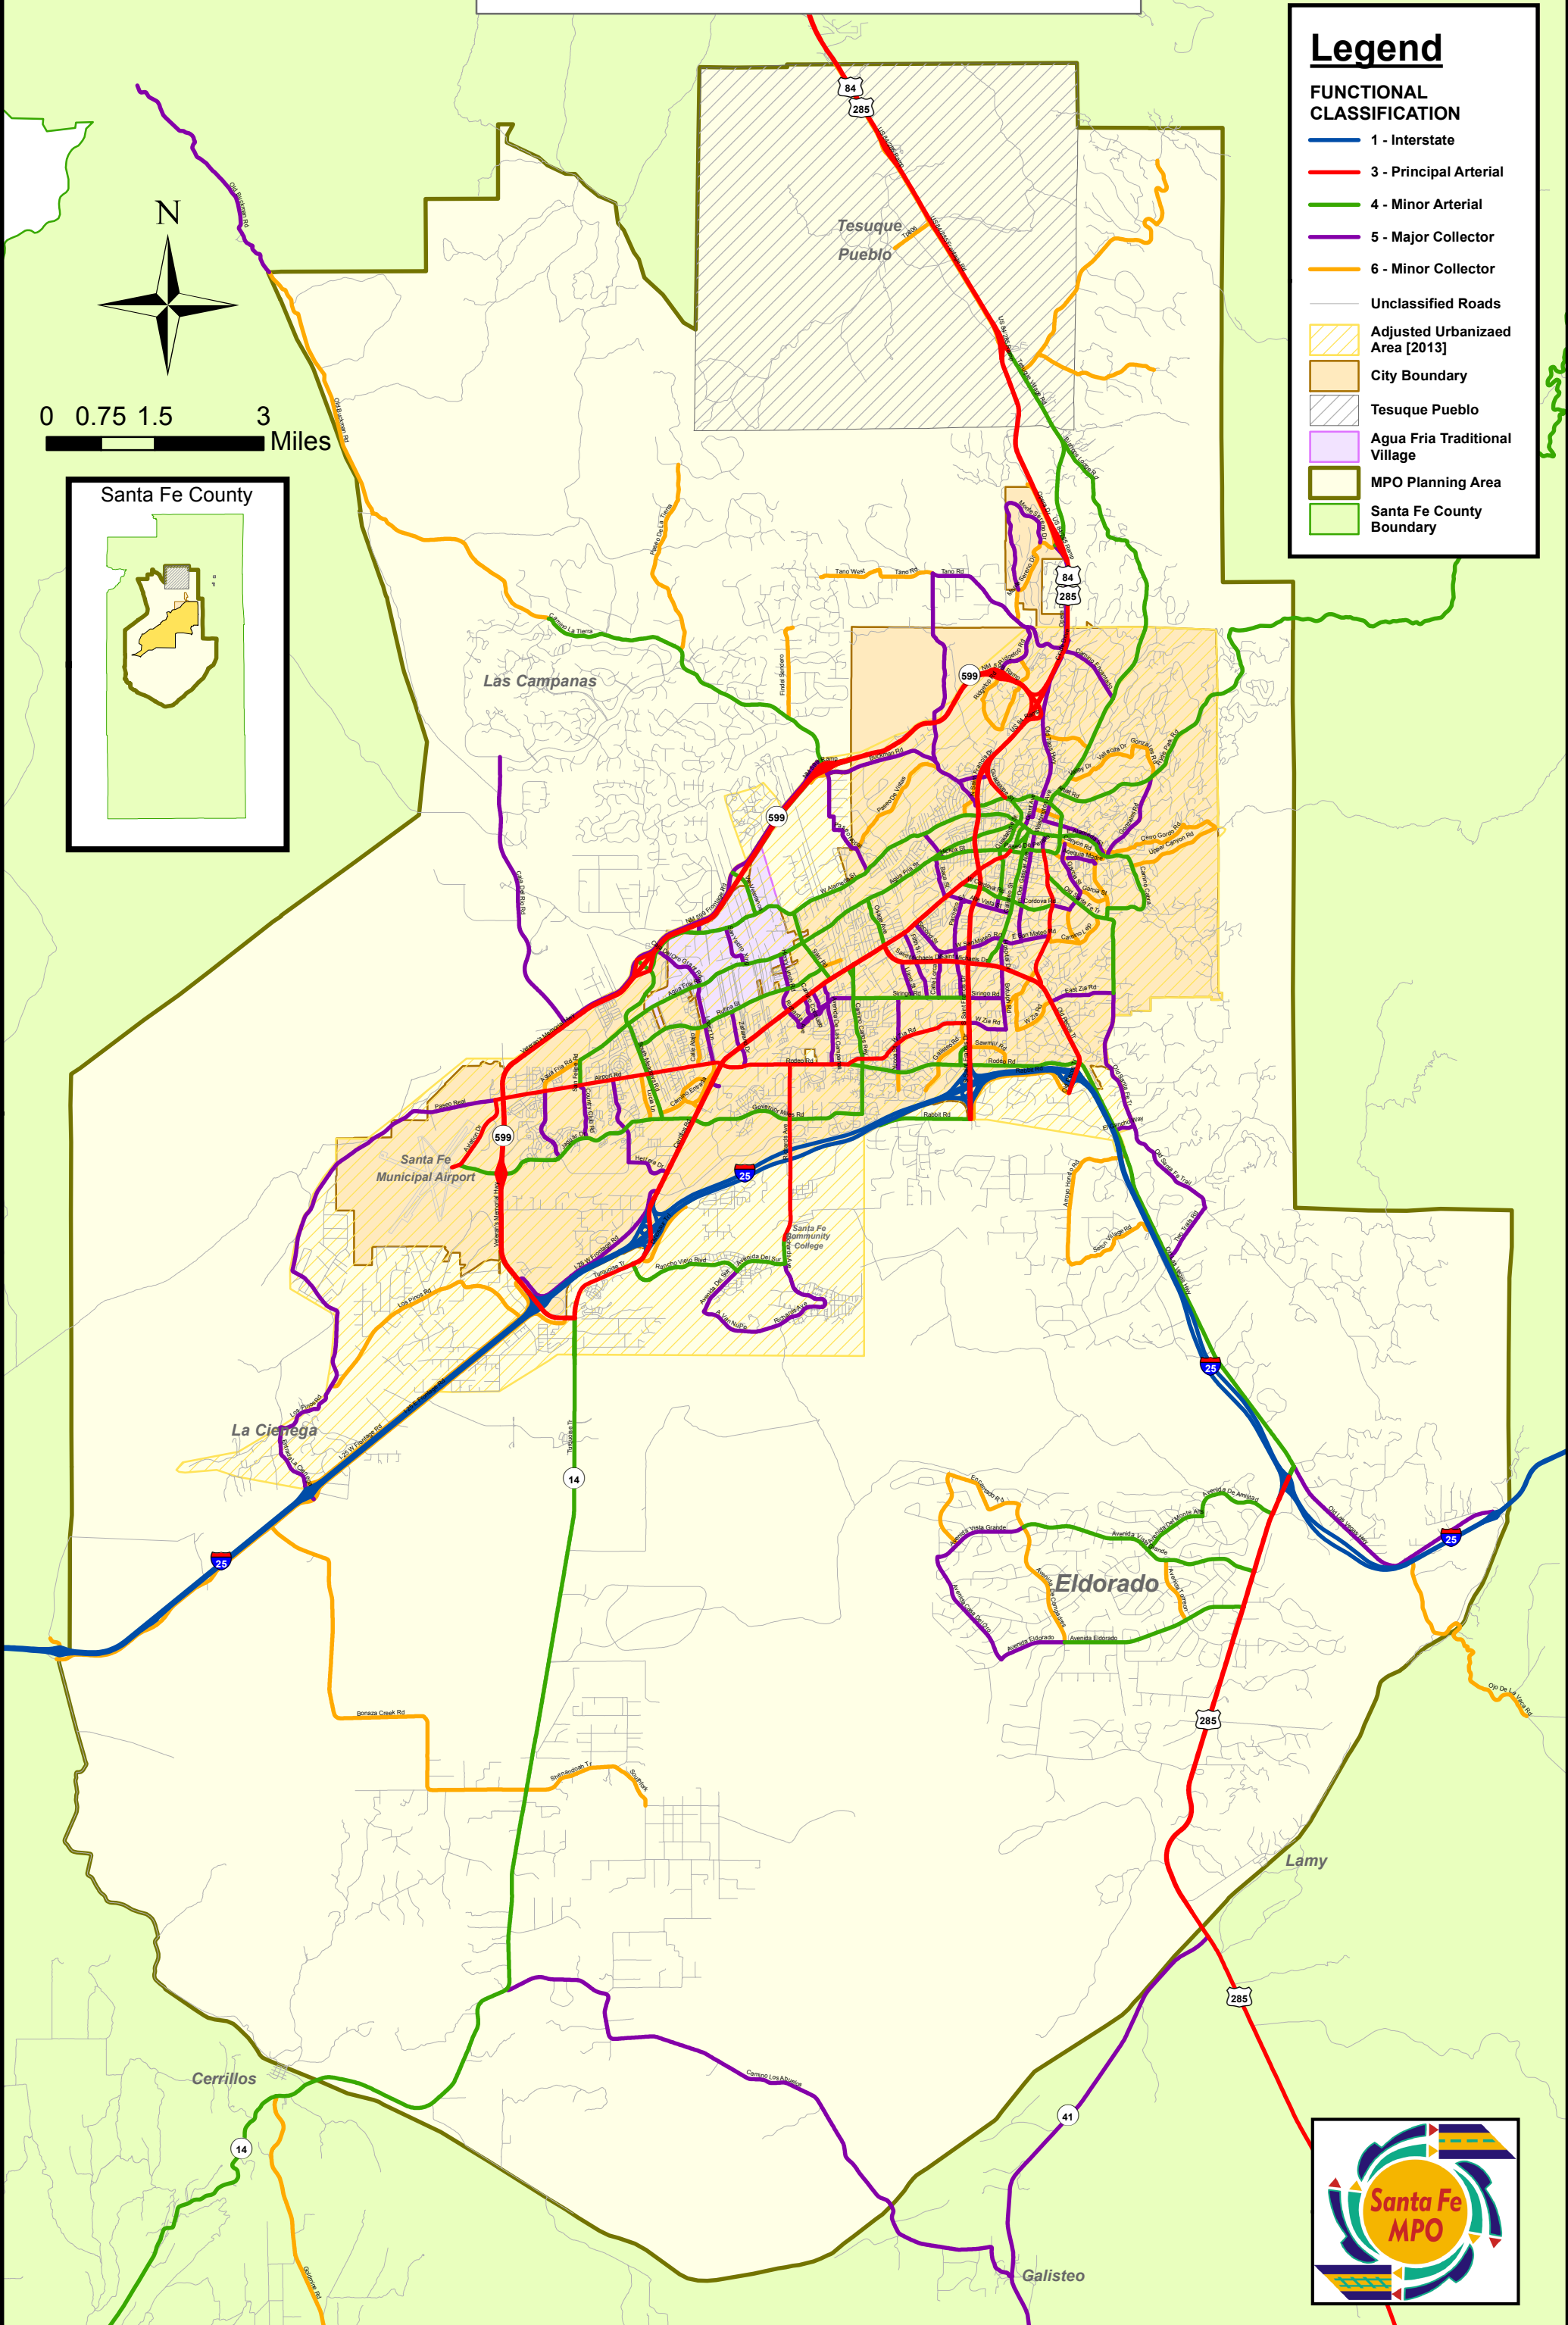

The estimated costs include ADA design and improvements, replacement of traffic signal loops, replacement of pavement markings, replacement of damaged concrete items (curb & gutter, damaged slabs, etc.,) and miscellaneous pavement maintenance items.

FUNCTIONAL CLASSIFICATION OF ROADWAYS
IN THE SANTA FE MPO PLANNING AREA
APPROVED BY FHWA ON 03/15/16

Legend

FUNCTIONAL CLASSIFICATION

- 1 - Interstate
- 3 - Principal Arterial
- 4 - Minor Arterial
- 5 - Major Collector
- 6 - Minor Collector
- Unclassified Roads
- Adjusted Urbanized Area [2013]
- City Boundary
- Tesuque Pueblo
- Agua Fria Traditional Village
- MPO Planning Area
- Santa Fe County Boundary

City of Santa Fe Emergency Response Route Map Approved by City Council 4.14.04

RED: PRIORITY ONE Emergency Response Routes

- § Priority One ERR will have no speed humps (14 ft.), speed tables (22 ft.) or raised crosswalks.
- § Horizontal devices may be used, and raised intersections may be used.

All traffic calming projects on Priority One ERR must include a field review with FD vehicles to test turning movements and the plans must be approved by the Fire Marshal.

Any exceptions to these rules for Priority One ERR must be approved by the Fire Chief. Some exceptions may be made for raised crosswalks at limited locations.

BLUE: PRIORITY TWO Emergency Response Routes

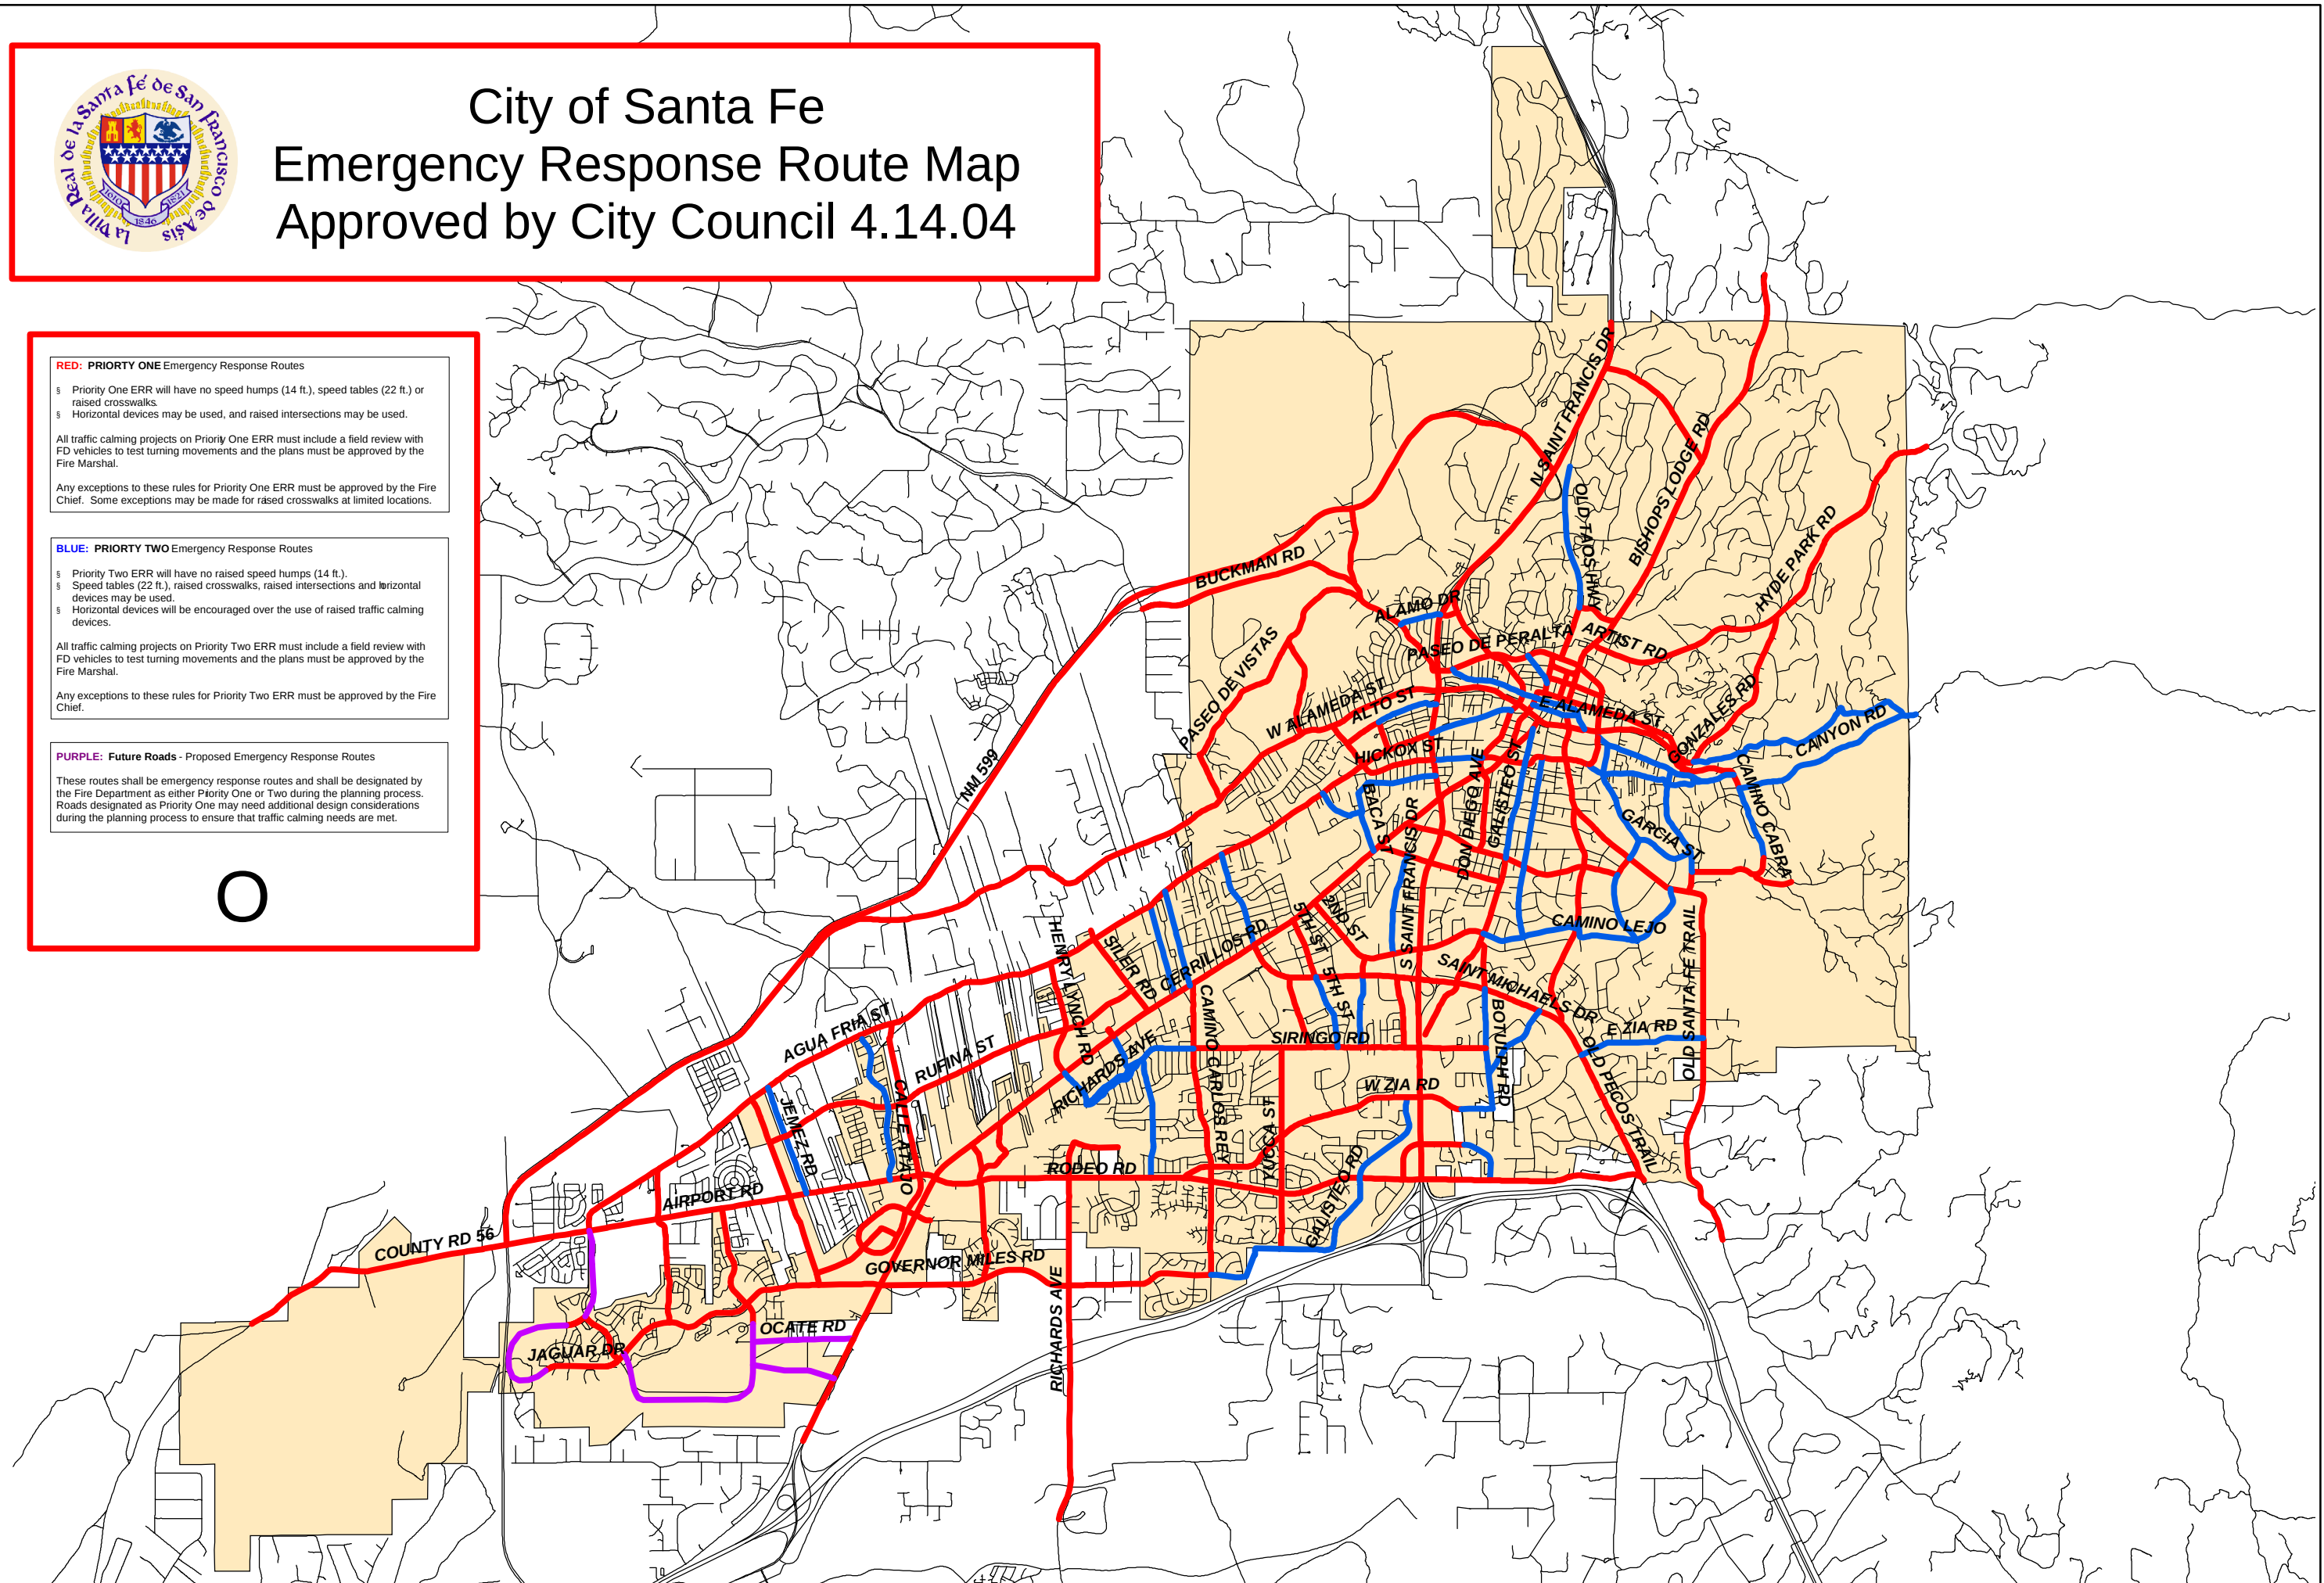

- § Priority Two ERR will have no raised speed humps (14 ft.).
- § Speed tables (22 ft.), raised crosswalks, raised intersections and horizontal devices may be used.
- § Horizontal devices will be encouraged over the use of raised traffic calming devices.

All traffic calming projects on Priority Two ERR must include a field review with FD vehicles to test turning movements and the plans must be approved by the Fire Marshal.

Any exceptions to these rules for Priority Two ERR must be approved by the Fire Chief.

PURPLE: Future Roads - Proposed Emergency Response Routes

These routes shall be emergency response routes and shall be designated by the Fire Department as either Priority One or Two during the planning process. Roads designated as Priority One may need additional design considerations during the planning process to ensure that traffic calming needs are met.
