City of Santa Fe Parks and Recreation Department
Reserve a Park/Special Events Permit

The City of Santa Fe Parks and Recreation Department has a number of parks available for permitted use throughout the city. This information packet will assist in reserving these parks for your enjoyment. The Special Events Coordinator for the Parks Division oversees this process and is always willing to assist in the permit process. We do not require permits for groups of less than 30 attendees, but please remember that those parks permitted for larger groups would not be available for small groups. Regional Parks are not available for small group rentals.

Requirements and Steps:

A permit is required to reserve a City Park, Trail, or Trailhead
  1. Special events with 30 or more attendees
  2. Classes, Instruction, group activity that is organized on a schedule re-occurring basis,
  3. Business conducted in City Parks and Trails that collect fees from their participants

Park Reservations gives priority of use to the permit holder. All other users with 30 Attendees or less can utilize park on a first come first serve basis.

Steps:

1. Groups are required to contact the Special Events Coordinator (505-955-2110) to ensure the park location is available for permitting. The Department would prefer requests for reserve at least sixty (60) days prior to an event, but will reserve a park seven (14) days from event for small groups (Less than 100 people) and minimal set up requirements are necessary, based on availability of park.
2. Complete and submit the online application to Barbara Lopez, Special Events Coordinator by email (email).
   a. Coordinator will schedule with the applicant a pre-event meeting. The reservation will not be confirmed without this meeting. If your event requires street closure, tent set-up, or security (if known), a representative from each of these companies must attend this meeting. At the meeting the following items with be determined:
      i. Logistics (parking, electricity, number of attendees, etc)
      ii. Cost of your permit
      iii. Whether a street closure is necessary
      iv. Whether or not your event will require a Liability Insurance Certificate.

Cost of Permit and Other Fees
The cost of the permit is based on: the number of attendees and if the event is scheduled for a weekday/weekend day or after 5PM. The logistics and services required will be provided by the City of Santa Fe for the event.
