21 Section 1. Subsection 21-8.1 SFCC 1987 (being Ord. #2013-39, §2) is amended to

22 read:

23 21-8.1 Legislative Findings.

24 The governing body of the city of Santa Fe finds that:

- 25 A. Most plastic carry-out bags do not biodegrade and instead persist in the environment

1 for hundreds of years, slowly breaking down through abrasion, tearing and photo degradation into
2 toxic plastic bits that contaminate soil and water while entering the food web when animals
3 inadvertently ingest these materials.

4 B. It is the city's desire to conserve resources, reduce waste, litter, pollution and protect
5 the public health and welfare.

6 C. The litter problem resulting from single use plastic bags is becoming increasingly
7 difficult to manage and has costly negative implications for tourism, wildlife and aesthetics.

8 D. Even though single use paper grocery bags require more resources to manufacture,
9 transport and recycle or dispose of than single-use plastic carry-out bags, they are made from
10 renewable resources and are less of a litter problem than single use plastic carry out bags and are
11 recyclable [~~they require more resources to manufacture, transport and recycle or dispose of than~~
12 ~~single use plastic carry-out bags~~].

13 E. The Single-Use Bag Ordinance will eliminate the use of single-use plastic carryout
14 bags by all retail establishments within the jurisdiction of the city of Santa Fe [~~place a fee on single-~~
15 ~~use paper grocery bags,~~] and encourage the use of reusable bags.

25 ~~(TEFAP), Temporary Assistance to Needy Families Program (TANF), or the federal Supplemental~~

2 ~~this Ordinance for any retail establishment to pay or otherwise reimburse a customer for any portion~~
3 ~~of the paper grocery bag charge;~~

4 C. ~~All retail establishments shall indicate on the customer transaction receipt the number~~
5 ~~of recyclable paper carryout grocery bags provided and the total amount of the paper grocery bag~~
6 ~~charge.~~

7 D. ~~A retail establishment may provide a paper bag to customers which are smaller than a~~
8 ~~paper grocery bag as defined by subsection 21-8.3.~~

9 E) B. To further promote the use of reusable shopping bags and reduce the quantity of
10 single-use carryout bags entering the city's waste stream, retail establishments are encouraged to
11 make reusable carryout bags free or for sale at the checkout and/or provide boxes for use at the
12 checkout free of charge. The environmental services division is authorized to provide reusable
13 carryout bags for the public at low cost or free-of-charge, targeting such programs to reach low-
14 income households to the greatest degree possible.

20 transition to reusable bags, there shall be a thirty (30) day implementation period from the effective
21 date of this Ordinance.

22 B. The environmental services division shall conduct an educational campaign in both
23 English and Spanish on this ordinance

24 C. The environmental services divisions shall conduct a sample survey of some retail
