ITEM

Request to publish an Ordinance authorizing a Lease Agreement for parking purposes within a portion of the northwest quadrant adjacent to 786 Calle Mejia containing approximately 29,490 square feet by Santa Fe Health Club, LLC (Matthew O'Reilly).

BACKGROUND

On August 9, 1990, the City of Santa Fe and "Santa Fe Spa, Inc" (the original Lessee) entered into a Lease Agreement for the purpose of providing additional parking on property owned by the city adjacent to the health club located at 786 Calle Mejia. The Lease Agreement was subsequently assigned to the current Lessee, "Santa Fe Health Club, LLC", pursuant to the assignment provisions of the current Lease Agreement.

The current Lease Agreement will expire on October 31, 2015, the Lessee and/or its predecessors in interest having utilized all available renewal options of the current Lease Agreement. The applicant has now submitted a request to enter into a new Lease Agreement for the property.

APPROVALS

The Public Works Committee and the Finance Committee granted conceptual approvals of this request to enter into a new lease on August 10, 2015 and August 3, 2015 respectively. Both committee approvals were conceptual pending review of an MAI-certified appraisal and a new legal description of the lease premises. The applicant has now delivered to the City the attached MAI-certified real estate appraisal and the legal description prepared by a licensed Professional Surveyor. The Asset Development Office has reviewed the appraisal and found it acceptable.

REQUESTED ACTION

The appraisal establishes a market value of the lease premises of \$120,000. Article 3-54-1 NMSA 1978 requires that any sale or lease of municipal real property where the value of the property is greater than \$25,000 be by ordinance of the municipality. This request is therefore a request to publish the attached ordinance related to the lease of this portion of property.

Exhibits: A – Bill;
 B – Lease Agreement;
 C – FIR;
 D – Copy of relevant portions of MAI-certified real estate appraisal;
 E – Relevant minutes from Public Works and Finance Committee meetings.

Lessor, at its sole discretion, shall have the right to require Lessee, at Lessee's sole expense, to remove all or a portion of any such alteration, addition or improvement and restore the Premises to the condition existing prior its installation upon the termination of this Lease Agreement.

The Bill would authorize the lease of 29,490 square feet of city-owned real property.

Section C. Fiscal Impact

Note: Financial information on this FIR does not directly translate into a City of Santa Fe budget increase. For a budget increase, the following are required:

- a. The item must be on the agenda at the Finance Committee and City Council as a "Request for Approval of a City of Santa Fe Budget Increase" with a definitive funding source (could be same item and same time as bill/resolution)
- b. Detailed budget information must be attached as to fund, business units, and line item, amounts, and explanations (similar to annual requests for budget)
- c. Detailed personnel forms must be attached as to range, salary, and benefit allocation and signed by Human Resource Department for each new position(s) requested (prorated for period to be employed by fiscal year)*

- b. Indicate: "A" if current budget and level of staffing will absorb the costs
"N" if new, additional, or increased budget or staffing will be required
- c. Indicate: "R" – if recurring annual costs
"NR" if one-time, non-recurring costs, such as start-up, contract or equipment costs
- d. Attach additional projection schedules if two years does not adequately project revenue and cost patterns

Explain revenue source(s). Include revenue calculations, grant(s) available, anticipated date of receipt of revenues/grants, etc. Explain expenditures, grant match(s), justify personnel increase(s), detail capital and operating uses, etc. (Attach supplemental page, if necessary.)

The Bill would authorize the lease of 29,490 square feet of underutilized city-owned property. The MAI-certified appraisal has established the market value of the property to be \$120,000. The City uses a 10% ground lease yield when leasing property of this size and type. The annual rental rate is therefore \$12,000 (\$120,000 x 10%). Because the effective date of the lease is projected to be February 1, 2016, rent will only be received for 5 months during FY15/16, hence the \$5,000 figure shown in Section 2 for that fiscal year. The Lease contains a standard 2.5% annual escalation resulting in total rental revenue over the 20-year term of \$306,538.

Section D. General Narrative

1. Conflicts: Does this proposed Bill/Resolution duplicate/conflict with/companion to/relate to any City code, approved ordinance or resolution, other adopted policies or proposed legislation? Include details of city adopted laws/ordinance/resolutions and dates. Summarize the relationships, conflicts or overlaps.

This Bill does not duplicate/conflict with any City code, approved ordinance or resolution, or other adopted policies or proposed legislation. Upon enactment of this Bill, the lease of this property will be in compliance with 3-54-1 NMSA 1978.

2. Consequences of Not Enacting This Bill/Resolution:

Are there consequences of not enacting this Bill/Resolution? If so, describe.

The City will forgo \$306,538 of revenue if the Bill is not enacted.

3. Technical Issues:

Are there incorrect citations of law, drafting errors or other problems? Are there any amendments that should be considered? Are there any other alternatives which should be considered? If so, describe.

None.

4. Community Impact:

Briefly describe the major positive or negative effects the Bill/Resolution might have on the community including, but not limited to, businesses, neighborhoods, families, children and youth, social service providers and other institutions such as schools, churches, etc.

None.

Re: Santa Fe Spa Rear Parking Lot

Dear John:

I have estimated the current market value of the referenced property.

The intended use of this appraisal is to assist Santa Fe Health Club, LLC with land value information to be used in negotiations with the City of Santa Fe.

The effective date of this appraisal is September 19, 2015 coinciding with the most recent appraisal inspection.

Property History

The appraised property is land owned by the City of Santa Fe. Since 1990 the appraised parcel has been subject to a ground lease to Santa Fe Spa for use as their rear parking lot. This ground lease has continued through renewal options commencing every five years.

The square footage of the lease area was modified in the past when the City took back portions of the original lease for a pond and utility easement fronting Calle Mejia and for the driveway off Calle Mejia that serves the Park and Ride lot immediately to the west. The appraised land area according to the 2015 survey is 29,490 square feet.

Assumptions for Appraisal

The specific assumptions for this appraisal are as follows.

The size of the appraised property has been provided by Rick Chatroop Professional Land Surveyor as being 29,490 square feet in its current form as of this appraisal.

The underlying land has been appraised in raw vacant condition prior to and excluding the ground lessee parking lot improvements.

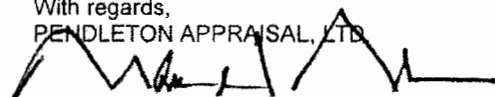

The underlying zoning upon which land value would be based is the existing R1 residential zoning as reflected on the City of Santa Fe Zoning Map.

In conclusion, the estimated land value for the appraised property, under the assumptions and conditions outlined in this appraisal as of September 19, 2015, may be stated as follows.

Final Value Estimate			
Santa Fe Spa Rear Parking Lot			
As Though Vacant R-1 Zoning	29,490 sf		\$120,000

A synopsis of the appraisal is provided on the following Appraisal Summary.
