6. MATTERS FROM STAFF

Director Ladd will create the evaluation worksheet and distribute to Commissioners; set up 11/17/2021 Agenda to include an Executive Session and also include an item in the Discussion enabling the Commission to vote on a decision. Director Ladd announced she should be receiving a list of eligible applicants for the Office of Affordable (OAH) Housing Grant Manager position. This is the person who will take over the direct administration of all housing funds. This position is under the direction of the OAH Director and supported by program staff. The second position to be filled is the Senior Planner position which will help more on the inclusionary zoning side. Director Ladd will send out the listing once that is available and share with the Commission for distribution to their networks as well. Other news is the Request for Applications for Affordable Housing is open. OAH will be doing a mid-year allocation this year. We will also have the regular application cycle coming up in January/February. We will get some funding commitments out prior to that.

7. MATTERS FROM THE COMMITTEE

Commissioner Paul Goblet announced he will be formally resigning soon, and will send a letter to the Mayor and to Chair Villarreal. Commissioner Goblet expressed what an honor and privilege it's been working with and serving on this Commission. Chair Villarreal along with the Commissioners and Mrs. Ladd each expressed their gratitude in working with Mr. Goblet and thanked him for his service. Mr. Goblet said he will wait for direction from Director Ladd and the CDC as far as an appropriate time to officially resign.

Commissioner John Padilla commented in reference to the list of interested candidates for the positions on the CDC that they are quite a high quality group of individuals and diversity of experience and desire and willingness to want to step onto this Commission. Mr. Padilla asked for confirmation that the CDC should respond to Chair Villarreal with one: their desire to continue on the Commission if that is their wish; and two: provide a priority list ranking the candidates of who they recommend are qualified from 1 to end. Chair Villarreal said: yes, definitely desire if you want to continue; and Chair Villarreal opened it for the opportunity to hear from the CDC but the CDC is not required to do this. Ultimately, the way it's structured is that Director Ladd and Chair Villarreal will pass on the recommendations to the Mayor who ultimately puts it on as appointments on their Agendas for the Governing Body to vote to approve. Chair Villarreal said if you want to prioritize the candidates or pick the top three since there are two vacancies. A deadline was set to submit the list to Chair Villarreal and copy Director Ladd by 10/29/2021.
