WHEREAS, certain orders I previously issued remain necessary to protect life and property and preserve public peace and safety of the people of Santa Fe; and other orders I previously issued require updating to address the continuing pandemic.

THEREFORE, I, ALAN M. WEBBER, Mayor of the City of Santa Fe, New Mexico, hereby declare, that a public health emergency continues to exist in the City. As a result of these emergencies, events have caused or are causing danger of injury or damage to persons and property within the City. I hereby invoke all Section 2-1.3, and Sections 20-1.2 through 20-1.5 of the Santa Fe City Code of 1987, to preserve the peace and order in the City of Santa Fe.

In particular, I take the following actions:

I. I order the following:

- a. Gatherings of five (5) or more persons may not take place on the public streets, public parks, or other open areas, either public or private, or in any public building. When the State's limitations on mass gatherings permit greater numbers of persons to gather, this order shall allow the same number to gather. As used herein, "public" means a place used for a public purpose or as a place of public gathering, owned or under the control of the City and privately owned properties that are open to the public, other than in religious and educational buildings as permitted pursuant to State orders

that are in place. “Assemble or gather” refers to intentional assemblies of a group of people; it does not refer to the use of a space by individuals or families in the location’s regular course of business, such as shopping at a retail location where there are more than five (5) customers or entering a commercial establishment that happens to have more than five (5) people present at that time. This prohibition also does not apply to weddings or funerals, shelters, or hospitals and other healthcare settings;

- b. The City Manager shall address the public health emergency by
 - i. reducing or eliminating in-person provision of City services wherever possible;
 - ii. directing City employees, as applicable, to perform emergency functions;
 - iii. adopting a policy to evaluate and address the public health risks, environmental compliance of, and locations of encampments, and to provide residents of such encampments with access to available social services, including transitional housing in furtherance of the Built for Zero initiative to eliminate chronic homelessness, to avoid removing encampments when leaving them in place furthers the purposes of this Order; and
 - iii. working with the Human Resources Department to issue policies regarding COVID-19 Safe Practices for City employees;

d. All available resources of the City shall be used to address the emergency as reasonably necessary;

e. Mayor Pro-Tem Signe Lindell, City Manager Jarel LaPan Hill, and Finance Director Mary McCoy are my substitute signatories for emergency obligation of funds during the pendency of the declared emergency;

f. The City Clerk shall accept electronic signatures, including scanned copies of hard-copy signature, on legal documents, including but not limited to contracts, property documents, ordinances, resolutions, etc., and shall attest to electronic signatures of the Mayor and City Manager or their designees, if submitted by the signatory through the signatory’s email;

g. Until the New Mexico Supreme Court lifts its injunction, landlords are prohibited from evicting residential tenants. In addition, landlords are

prohibited from evicting commercial tenants who are unable to pay rent on time because, due to the public health emergency, they have been prohibited from opening to the public. This order does not seek to change the obligation of a tenant to pay rent and strongly encourages discussions of payment plans between landlords and tenants;

h. Lodgers Tax payments shall resume on a monthly basis and payments previously delayed during the public health emergency shall be submitted during Fiscal Year 2021, along with future payments; at least one quarter of the delayed amount shall be paid by the end of each quarter of Fiscal Year 2021;

i. Water shut-offs for non-payments of the bill will cease, while charges will continue to accrue and be owed;

k. The collection of City transit fees shall be reinstated, implementing COVID-19 Safe Practices (CSPs);

m. The April 6, 2020 orders I issued regarding grocery stores and super markets and the April 10, 2020 exceptions to those orders that I issued for use of reusable bags remain in place;

n. Unless a healthcare provider instructs otherwise or the State exempts a person from wearing a facial covering for a reason such as age, all individuals shall wear a mask or facial covering in public settings except when eating, drinking, or swimming; as used here “public setting” means places that are open to the public where there is not six-feet of distance between persons at all times;

o. Retail; restaurants; office and call centers; grocery stores and farmers’ markets; youth programs; manufacturing, warehouse, and food production; hotels, resorts and lodging; golf courses; tour operators; houses of worship; farms, ranches and dairy producers and processors; veterinarians and animal care facilities; construction and field operations; automobile dealerships and services; and medical providers and other industries shall comply with the State-issued CSPs, which are accessible online: www.cv.nmhealth.org/covid-safe-practices; and

p. Employers shall not retaliate against employees for seeking to comply with CSPs, advocating that their place of business follow CSPs, or reporting non-compliance with CSPs.

II. Further, based on the recommendations of the Centers for Disease Control, National Institutes of Health, and other governmental, medical, and public health experts, I advise residents and visitors to the City to take the following precautions in their day-to-day activities:
