COVID-19
SMALL BUSINESS SURVIVAL WEBINAR
TUESDAY, APRIL 7 - 9:30 AM - NOON

This Event Offered by the City of Santa Fe, Santa Fe County & SCORE Santa Fe
Dear SCORE Participant:

On behalf of the City of Santa Fe, I would like to thank you for doing business in our community and for participating in the SCORE Business Education Series.

Santa Fe’s local businesses are our greatest asset and we’re working to create the right environment for entrepreneurs to thrive. The City is committed to making sure that there is good support, advice and assistance for businesses; and to nurturing Santa Fe’s entrepreneurial ecosystem to businesses to innovate and prosper.

The Business Education Series is sponsored and funded by the City of Santa Fe’s Office for Business Growth. The series is organized and presented by Santa Fe SCORE, a resource partner of the Small Business Administration. The Santa Fe Business Incubator serves as host for this program.

The City’s economic development efforts include assisting entrepreneurs with starting up their businesses and growing them to reach their full potential. SCORE Business Education Series brings you information on a wide range of topics. Whether you are an established business or just starting out, we hope you find these seminars and workshops valuable and that this workbook will be a resource guide for current and future use. This education series is intended to help your business grow and prosper.

If you’d like to get in touch with the City’s Office for Business Growth, please contact me at 505-955-6912 or ftrujillo@santafenm.gov.

Again, we appreciate your participation.

Warm Regards,

Fabian Trujillo

The Small Business Owner’s Guide to the CARES Act

The programs and initiatives in the Coronavirus Aid, Relief, and Economic Security (CARES) Act that was just passed by Congress are intended to assist business owners with whatever needs they have right now. When implemented, there will be many new resources available for small businesses, as well as certain nonprofits and other employers. This guide provides information about the major programs and initiatives that will soon be available from the Small Business Administration (SBA) to address these needs, as well as some additional tax provisions that are outside the scope of SBA.

To keep up to date on when these programs become available, please stay in contact with your local Small Business Administration (SBA) District Office, which you can locate here.

Struggling to get started? The following questions might help point you in the right direction. Do you need:

- Capital to cover the cost of retaining employees? Then the Paycheck Protection Program might be right for you.
- A quick infusion of a smaller amount of cash to cover you right now? You might want to look into an Emergency Economic Injury Grant.
- To ease your fears about keeping up with payments on your current or potential SBA loan? The Small Business Debt Relief Program could help.
- Just some quality, free counseling to help you navigate this uncertain economic time? The resource partners might be your best bet.

Already know what resources you’re looking for? The table of contents can direct you to more information about the program or assistance product you need.

**Paycheck Protection Program (PPP) Loans**

The program would provide cash-flow assistance through 100 percent federally guaranteed loans to employers who maintain their payroll during this emergency. If employers maintain their payroll, the loans would be forgiven, which would help workers remain employed, as well as help affected small businesses and our economy snap-back quicker after the crisis. PPP has a host of attractive features, such as forgiveness of up to 8 weeks of payroll based on employee retention and salary levels, no SBA fees, and at least six months of deferral with maximum deferrals of up to a year. Small businesses and other eligible entities will be able to apply if they were harmed by COVID-19 between February 15, 2020 and June 30, 2020. This program would be retroactive to February 15, 2020, in order to help bring workers who may have already been laid off back onto payrolls. **Loans are available through June 30, 2020.**

FAQ's continue on the next page!
**QUESTION:** How is the loan size determined?

**Answer:** Depending on your business’s situation, the loan size will be calculated in different ways (see below). The maximum loan size is always **$10 million**.

- **If you were in business February 15, 2019 – June 30, 2019:** Your max loan is equal to 250 percent of your average monthly payroll costs during that time period. If your business employs seasonal workers, you can opt to choose March 1, 2019 as your time period start date.
- **If you were not in business between February 15, 2019 – June 30, 2019:** Your max loan is equal to 250 percent of your average monthly payroll costs between January 1, 2020 and February 29, 2020.
- **If you took out an Economic Injury Disaster Loan (EIDL) between February 15, 2020 and June 30, 2020** and you want to refinance that loan into a PPP loan, you would add the outstanding loan amount to the payroll sum.

**QUESTION:** What costs are eligible for payroll?

**Answer:**

- Compensation (salary, wage, commission, or similar compensation, payment of cash tip or equivalent)
- Payment for vacation, parental, family, medical, or sick leave
- Allowance for dismissal or separation
- Payment required for the provisions of group health care benefits, including insurance premiums
- Payment of any retirement benefit
- Payment of State or local tax assessed on the compensation of employees

**QUESTION:** What costs are not eligible for payroll?

**Answer:**

- Employee/owner compensation over $100,000
- Taxes imposed or withheld under chapters 21, 22, and 24 of the IRS code
- Compensation of employees whose principal place of residence is outside of the U.S.
- Qualified sick and family leave for which a credit is allowed under sections 7001 and 7003 of the Families First Coronavirus Response Act

**QUESTION:** What are allowable uses of loan proceeds?

**Answer:**

- Payroll costs (as noted above)
- Costs related to the continuation of group health care benefits during periods of paid sick, medical, or family leave, and insurance premiums
- Employee salaries, commissions, or similar compensations (see exclusions above)
- Payments of interest on any mortgage obligation (which shall not include any prepayment of or payment of principal on a mortgage obligation)
- Rent (including rent under a lease agreement)
- Utilities
- Interest on any other debt obligations that were incurred before the covered period

---

**FAQ’s continue on the next page!**
| QUESTION: What are the loan term, interest rate, and fees? | Answer: For any amounts not forgiven, the maximum term is 10 years, the maximum interest rate is 4 percent, zero loan fees, zero prepayment fee (SBA will establish application fees caps for lenders that charge). |
|QUESTION: How is the forgiveness amount calculated? | Answer: Forgiveness on a covered loan is equal to the sum of the following payroll costs incurred during the covered 8 week period compared to the previous year or time period, proportionate to maintaining employees and wages (excluding compensation over $100,000):

- Payroll costs plus any payment of interest on any covered mortgage obligation (not including any prepayment or payment of principal on a covered mortgage obligation) plus any payment on any covered rent obligation plus and any covered utility payment. |
| QUESTION: How do I get forgiveness on my PPP loan? | Answer: You must apply through your lender for forgiveness on your loan. In this application, you must include:

- Documentation verifying the number of employees on payroll and pay rates, including IRS payroll tax filings and State income, payroll and unemployment insurance filings.
- Documentation verifying payments on covered mortgage obligations, lease obligations, and utilities.
- Certification from a representative of your business or organization that is authorized to certify that the documentation provided is true and that the amount that is being forgiven was used in accordance with the program’s guidelines for use. |
| QUESTION: What happens after the forgiveness period? | Answer: Any loan amounts not forgiven are carried forward as an ongoing loan with max terms of 10 years, at a maximum interest rate of 4%. Principal and interest will continue to be deferred, for a total of 6 months to a year after disbursement of the loan. The clock does not start again. |
| QUESTION: Can I get more than one PPP loan? | Answer: No, an entity is limited to one PPP loan. Each loan will be registered under a Taxpayer Identification Number at SBA to prevent multiple loans to the same entity. |
| QUESTION: Where should I go to get a PPP loan from? | Answer: All current SBA 7(a) lenders (see more about 7(a) here) are eligible lenders for PPP. The Department of Treasury will also be in charge of authorizing new lenders, including non-bank lenders, to help meet the needs of small business owners. |
**QUESTION:** How does the PPP loan coordinate with SBA’s existing loans?

**Answer:** Borrowers may apply for PPP loans and other SBA financial assistance, including Economic Injury Disaster Loans (EIDLs), 7(a) loans, 504 loans, and microloans, and also receive investment capital from Small Business Investment Corporations (SBICs). However, you cannot use your PPP loan for the same purpose as your other SBA loan(s). For example, if you use your PPP to cover payroll for the 8-week covered period, you cannot use a different SBA loan product for payroll for those same costs in that period, although you could use it for payroll not during that period or for different workers.

**QUESTION:** How does the PPP loan work with the temporary Emergency Economic Injury Grants and the Small Business Debt Relief program?

**Answer:** [Emergency Economic Injury Grant](#) and Economic Injury Disaster Loan (EIDL) recipients and those who receive loan payment relief through the [Small Business Debt Relief Program](#) may apply for and take out a PPP loan as long as there is no duplication in the uses of funds. Refer to those sections for more information.
Small Business Debt Relief Program

This program will provide immediate relief to small businesses with non-disaster SBA loans, in particular 7(a), 504, and microloans. Under it, SBA will cover all loan payments on these SBA loans, including principal, interest, and fees, for six months. This relief will also be available to new borrowers who take out loans within six months of the President signing the bill into law.

<tbody>
<tr>
<td>QUESTION: Which SBA loans are eligible for debt relief under this program?</td>
</tr>
<tr>
<td>Answer: 7(a) loans not made under the Paycheck Protection Program (PPP), 504 loans, and microloans. Disaster loans are not eligible (see p. 7 for more information on these).</td>
</tr>
<tr>
<td>QUESTION: How does debt relief under this program work with a PPP loan?</td>
</tr>
<tr>
<td>Answer: Borrowers may separately apply for and take out a PPP loan, but debt relief under this program will not apply to a PPP loan.</td>
</tr>
<tr>
<td>QUESTION: How do I know if I’m eligible for a 7(a), 504, or microloan?</td>
</tr>
<tr>
<td>Answer: In general, businesses must meet size standards, be based in the U.S., be able to repay, and have a sound business purpose. To check whether your business is considered small, you will need your business’s 6-digit North American Industry Classification System (NAICS) code and 3-year average annual revenue. Each program has different requirements, see <a href="https://www.sba.gov/funding-programs/loans">https://www.sba.gov/funding-programs/loans</a> for more details.</td>
</tr>
<tr>
<td>QUESTION: What is a 7(a) loan and how do I apply?</td>
</tr>
<tr>
<td>Answer: 7(a) loans are an affordable loan product of up to $5 million for borrowers who lack credit elsewhere and need access to versatile financing, providing short-term or long-term working capital and to purchase an existing business, refinance current business debt, or purchase furniture, fixtures and supplies. In the program, banks share a portion of the risk of the loan with SBA. There are many different types of 7(a) loans, you can visit this site to find the one that’s best for you. You apply for a 7(a) loan with a bank or a mission-based lender. SBA has a free referral service tool called Lender Match to help find a lender near you.</td>
</tr>
<tr>
<td>QUESTION: What is a 504 loan and how do I apply?</td>
</tr>
<tr>
<td>Answer: The 504 Loan Program provides loans of up to $5.5 million to approved small businesses with long-term, fixed-rate financing used to acquire fixed assets for expansion or modernization. It is a good option if you need to purchase real estate, buildings, and machinery. You apply through a Certified Development Company, which is a nonprofit corporation that promotes economic development. SBA has a free referral service tool called Lender Match to help find a lender near you.</td>
</tr>
<tr>
<td>QUESTION: What is a microloan and how do I apply?</td>
</tr>
<tr>
<td>Answer: The Microloan Program provides loans up to $50,000 to help small businesses and certain not-for-profit childcare centers to start up and expand. The average microloan is about $13,000. These loans are delivered through mission-based lenders who are also able to provide business counseling. SBA has a free referral service tool called Lender Match to help find a microlender near you.</td>
</tr>
<tr>
<td>QUESTION: I am unfamiliar with SBA loans, can anyone help me apply?</td>
</tr>
<tr>
<td>Answer: Yes, SBA resource partners are available to help guide you through the loan application process. You can find your nearest Small Business Development Center (SBDC) or Women’s Business Center here.</td>

**Economic Injury Disaster Loans & Emergency Economic Injury Grants**

These grants provide an emergency advance of up to $10,000 to small businesses and private non-profits harmed by COVID-19 within three days of applying for an SBA Economic Injury Disaster Loan (EIDL). To access the advance, you first apply for an EIDL and then request the advance. **The advance does not need to be repaid under any circumstance**, and may be used to keep employees on payroll, to pay for sick leave, meet increased production costs due to supply chain disruptions, or pay business obligations, including debts, rent and mortgage payments.

<tbody>
<tr>
<td><strong>QUESTION:</strong></td>
</tr>
<tr>
<td><strong>Answer:</strong></td>
</tr>
</tbody>
</table>

| QUESTION: | What is an EIDL and what is it used for? |
| Answer: | EIDLs are lower interest loans of up to $2 million, with principal and interest deferment at the Administrator’s discretion, that are available to pay for expenses that could have been met had the disaster not occurred, including payroll and other operating expenses. |

| QUESTION: | Who is eligible for an EIDL? |
| Answer: | Those eligible are the following with 500 or fewer employees:  
  - Sole proprietorships, with or without employees  
  - Independent contractors  
  - Cooperatives and employee owned businesses  
  - Tribal small businesses  
Small business concerns and small agricultural cooperatives that meet the applicable size standard for SBA are also eligible, as well as most private non-profits of any size. See below for more info on size standards. |

| QUESTION: | My private non-profit is not a 501(c)(3). Is it still eligible for an EIDL and a grant? |
| Answer: | Yes, if you are a private non-profit with an effective ruling letter from the IRS, granting tax exemption under sections 501(c), (d), or (e) of the Internal Revenue Code of 1954, or if you can provide satisfactory evidence from the State that the non-revenue producing organization or entity is a non-profit one organized or doing business under State law. However, a recipient that is principally engaged in teaching, instructing, counseling, or indoctrinating religion or religious beliefs, whether in a religious or secular setting, or primarily engaged in political or lobbying activities is not eligible to receive an EIDL. If you are uncertain whether you qualify, please consult with legal counsel to determine whether your organization meets program criteria. |

| QUESTION: | Who is eligible for an Emergency Economic Injury Grant? |
| Answer: | Those eligible for an EIDL and who have been in operation since January 31, 2020, when the public health crisis was announced. |
| QUESTION: | How long are Emergency Economic Injury Grants available?  
Answer: | January 31, 2020 – December 31, 2020. The grants are backdated to January 31, 2020 to allow those who have already applied for EIDLs to be eligible to also receive a grant. |
| --- | --- | --- |
| QUESTION: | If I get an EIDL and/or an Emergency Economic Injury Grant, can I get a PPP loan?  
Answer: | Whether you’ve already received an EIDL unrelated to COVID-19 or you receive a COVID-19 related EIDL and/or Emergency Grant between January 31, 2020 and June 30, 2020, you may also apply for a PPP loan. If you ultimately receive a PPP loan or refinance an EIDL into a PPP loan, any advance amount received under the Emergency Economic Injury Grant Program would be subtracted from the amount forgiven in the PPP. However, you cannot use your EIDL for the same purpose as your PPP loan. For example, if you use your EIDL to cover payroll for certain workers in April, you cannot use PPP for payroll for those same workers in April, although you could use it for payroll in March or for different workers in April. |
| QUESTION: | How do I know if my business is a small business?  
Answer: | Please visit [https://www.sba.gov/size-standards/](https://www.sba.gov/size-standards/) to find out if your business meets SBA’s small business size standards. You will need the 6-digit North American Industry Classification Code for your business and your business’s 3-year average annual revenue. |
| QUESTION: | How do I apply for an economic injury disaster loan?  
Answer: | To apply for an EIDL online, please visit [https://disasterloan.sba.gov/ela/](https://disasterloan.sba.gov/ela/). Your SBA District Office is an important resource when applying for SBA assistance. |
| QUESTION: | I am unfamiliar with the EIDL process, can anyone help me apply?  
Answer: | Yes, SBA resource partners are available to help guide you through the EIDL application process. You can find the nearest Small Business Development Center (SBDC), Women’s Business Center, or SCORE mentorship chapter at [https://www.sba.gov/local-assistance/find/](https://www.sba.gov/local-assistance/find/). |
Counseling & Training

If you, like many small business owners, need a business counselor to help guide you through this uncertain time, you can turn to your local Small Business Development Center (SBDC), Women’s Business Center (WBC), or SCORE mentorship chapter. These resource partners, and the associations that represent them, will receive additional funds to expand their reach and better support small business owners with counseling and up-to-date information regarding COVID-19. There will soon be a joint platform that consolidates information and resources related to COVID-19 in order to provide consistent, timely information to small businesses. To find a local resource partner, visit [https://www.sba.gov/local-assistance/find/](https://www.sba.gov/local-assistance/find/).

In addition, the Minority Business Development Agency’s Business Centers (MBDCs), which cater to minority business enterprises of all sizes, will also receive funding to hire staff and provide programming to help their clients respond to COVID-19. Not every state has a MBDC. To find out if there is one that services your area, visit [this site](https://www.awbc.org/).

Contracting

If you are a government contractor, there are a number of ways that Congress has provided relief and protection for your business. Agencies will be able to modify terms and conditions of a contract and to reimburse contractors at a billing rate of up to 40 hours per week of any paid leave, including sick leave. The contractors eligible are those whose employees or subcontractors cannot perform work on site and cannot telework due to federal facilities closing because of COVID-19.

If you need additional assistance, please reach out to your local Small Business Development Center, Women’s Business Center, SCORE chapter, or SBA District Office. You should also work with your agency’s contracting officer, as well as the agency’s Office of Small and Disadvantaged Business Utilization (OSDBU).

Employee Retention Credit for Employers Subject to Closure or Experiencing Economic Hardship

This provision would provide a refundable payroll tax credit for 50 percent of wages paid by eligible employers to certain employees during the COVID-19 crisis. The credit is available to employers, including non-profits, whose operations have been fully or partially suspended as a result of a government order limiting commerce, travel or group meetings. The credit is also provided to employers who have experienced a greater than 50 percent reduction in quarterly receipts, measured on a year-over-year basis.

Wages of employees who are furloughed or face reduced hours as a result of their employer’s closure or economic hardship are eligible for the credit. For employers with 100 or fewer full-time employees, all employee wages are eligible, regardless of whether an employee is furloughed. The credit is provided for wages and compensation, including health benefits, and is provided for the first $10,000 in wages and compensation paid by the employer to an eligible employee. Wages do not include those taken into account for purposes of the payroll credits for required paid sick leave or required paid family leave, nor for wages taken into account for the employer credit for paid family and medical leave (IRC sec. 45S).

- The credit is not available to employers receiving assistance through the Paycheck Protection Program. The credit is provided through December 31, 2020.

Delay of Payment of Employer Payroll Taxes

This provision would allow taxpayers to defer paying the employer portion of certain payroll taxes through the end of 2020, with all 2020 deferred amounts due in two equal installments, one at the end of 2021, the other at the end of 2022. Payroll taxes that can be deferred include the employer portion of FICA taxes, the employer and employee representative portion of Railroad Retirement taxes (that are attributable to the employer FICA rate), and half of SECA tax liability.

- Deferral is not provided to employers receiving assistance through the Paycheck Protection Program.

SBA Coronavirus Relief Options

- EIDL Loan Advance
- Paycheck Protection Program
- SBA Express Bridge Loans
- SBA Debt Relief
The SBA will automatically pay the principal, interest, and fees of current 7(a) loans for a period of six months.

The SBA will also automatically pay the principal, interest, and fees of new 7(a) loans issued prior to September 27, 2020.
SBA Express Bridge Loans

- Express Bridge Loan Pilot Program allows small businesses who currently have a business relationship with an SBA Express Lender to access up to $25,000 quickly.
- Up to $25,000
- Fast turnaround
- Will be repaid in full or in part by proceeds from the EIDL loan
Paycheck Protection Program

- Loan designed to provide a direct incentive for small businesses to keep their workers on the payroll.

- A temporarily expansion of the traditional SBA 7(a) loan guarantee program that will be available through June 30, 2020.

- SBA will forgive PPP loans if all employees are kept on the payroll for eight weeks and the money is used for payroll, rent, mortgage interest, or utilities.

- Will be able to apply through any existing SBA 7(a) lender or through any federally insured depository institution, federally insured credit union, and Farm Credit System institution that is participating. Other regulated lenders will be available to make these loans once approved and enrolled in the program. (PPP lenders and final rule lender guidance is still a work in progress 4/3/2020)

- Lenders may begin processing loan applications as soon as April 3, 2020.

Rev 04/01/2020
Paycheck Protection Program

- For any small business with less than 500 employees (including sole proprietorships, independent contractors and self-employed persons), private non-profit organization or 501(c)(19) veterans organizations affected by coronavirus/COVID-19.

- Businesses in certain industries may have more than 500 employees if they meet the SBA’s size standards for those industries.

- Small businesses in the hospitality and food industry with more than one location could also be eligible if their individual locations employ less than 500 workers.
• The loan will be fully forgiven if the funds are used for payroll costs, interest on mortgages, rent, and utilities (due to likely high subscription, at least 75% of the forgiven amount must have been used for payroll).

• Loan payments will also be deferred for six months.

• No collateral or personal guarantees are required.

• Neither the government nor lenders will charge small businesses any fees.

• Forgiveness is based on the employer maintaining or quickly rehiring employees and maintaining salary levels. Forgiveness will be reduced if full-time headcount declines, or if salaries and wages decrease.

• This loan has a maturity of 2 years and an interest rate of 1%.
If you wish to begin preparing your application, you can download a copy of the PPP borrower application form from SBA.gov website to see the information that will be requested from you when you apply with a lender.

Avoid Scams and Fraud Schemes

If you are contacted by someone promising to get approval of an SBA loan, but requires any payment up front or offers a high interest bridge loan in the interim, suspect fraud.

Phishing

• If you are in the process of applying for an SBA loan and receive email correspondence asking for personally identifiable information (PII), ensure that the referenced application number is consistent with the actual application number.

• Look out for phishing attacks/scams utilizing the SBA logo. These may be attempts to obtain your PII, to obtain personal banking access, or to install ransomware/malware on your computer.

• Any email communication from SBA will come from accounts ending with sba.gov.

• The presence of an SBA logo on a webpage does not guaranty the information is accurate or endorsed by SBA. Please cross-reference any information you receive with information available at www.sba.gov.

• Beware of any email or website, etc. ending in “sba.help”.

Score With Our Mentoring Help to Grow Your Business.

IF YOU’RE starting, selling or buying a new business, founding a nonprofit, or want to take your venture to the next level, you don’t have to go it alone. SCORE Santa Fe can provide information and tools to help you build and sustain your organization.

WHAT IS SCORE - We are a nonprofit resource partner of the U.S. Small Business Administration. We provide a wide range of products and services to Santa Fe’s small business entrepreneurs and not-for-profit organizations. These include FREE and confidential mentoring, as well as seminars and workshops sponsored by the Santa Fe Economic Development Department. We’re also partners with the Santa Fe Community Foundation.

ON MARCH 27, the President signed into law the CARES Act that contains $376 billion in relief for American workers and small businesses that have been affected by the Coronavirus (Covid-19) outbreak. SCORE’s subject matter experts can provide guidance to clients in navigating through the various programs provided by the SBA (Small Business Administration) and other organizations on the local, state and federal levels.
