

# Agenda

**BICYCLE AND TRAILS ADVISORY COMMITTEE MEETING**  
**Wednesday January 15, 2020 5:00 p.m.**  
**City Hall – Council Chambers, 200 Lincoln Ave**

1. CALL TO ORDER
2. ROLL CALL
3. APPROVAL OF AGENDA
4. APPROVAL OF MINUTES FROM December 18, 2019.
5. CITIZEN COMMUNICATIONS FROM THE FLOOR
6. COMMUNICATIONS FROM OTHER AGENCIES (5-minutes per agency)
  - a. Santa Fe Conservation Trust (SFCT); Reporting for City Trail Volunteer Coordinator (Tim Rogers)
  - b. Santa Fe Metropolitan Planning Organization Transportation Plan Update (Erick Aune, MPO)
7. DISCUSSION
  - a. Discussion regarding trails signage project, maintenance condition of selected trails, and an update on Trails Rules and Etiquette concerning the shared use of Multi-Modal Trails (Richard Thompson, Parks Division Director).
  - b. Request for funding to send a member of BTAC to the League of American Bicyclists National Bike Summit on March 15-17, 2020 in Arlington, VA (Khalil Spencer, BTAC Member).
8. BTAC SUBCOMMITTEE COMMUNICATIONS (On Road, Education)
9. STAFF COMMUNICATIONS
10. COMMITTEE COMMUNICATIONS
11. COMMUNICATIONS FROM THE CHAIR
12. ADJOURNMENT

**Next Scheduled Meeting for BTAC is February 19, 2020. Agenda & Packet Material due no later than February 5, 2020. Please submit via email [rsglorioso-moss@santafenm.gov](mailto:rsglorioso-moss@santafenm.gov)**

**Persons with disabilities in need of accommodations, contact the City Clerk's office at (505) 955-6521 five (5) working days prior to the meeting date.**

RECEIVED AT THE CITY CLERK'S OFFICE

DATE: January 7, 2020

TIME: 2:04 PM

**MINUTES OF THE CITY OF SANTA FE  
BICYCLE AND TRAILS ADVISORY COMMITTEE  
DECEMBER 18, 2019 – 5:00 PM**

**1. CALL TO ORDER**

A regular meeting of the City of Santa Fe Bicycle and Trails Advisory Committee was called to order by JoAnne Vigil Coppler, Chair, on the above date at approximately 5:03 p.m. in the Council Chambers at City Hall, 200 Lincoln Avenue, Santa Fe, New Mexico.

**2. ROLL CALL**

Roll Call indicated the presence of a quorum as follows:

**PRESENT**

Councilor JoAnne Vigil Coppler  
Bruce Finger  
Khalil Spencer  
Rachel Wexler  
Sidney Redner  
Sky Tallman

**ABSENT**

Tripp Stelnicki  
Robert Morlino  
Tom Sharpe

**OTHERS PRESENT:**

Bob Siqueiros, Staff Liaison  
Romella Glorioso-Moss, Staff Liaison  
Linda Vigil, Stenographer

**3. APPROVAL OF AGENDA**

**Motion:** Member Spencer made a motion, seconded by Member Tallman to approve the agenda, as amended.

**Vote:** The motion passed unanimously by voice vote.

**4. APPROVAL OF MINUTES FROM NOVEMBER 20, 2019**

*Corrections:*

Page 4, paragraph 4 and worked on the Rufina design with the County Engineer.  
*Change to:* Canyon Rim Trail design

**Motion:** Member Finger made a motion, seconded by Member Spencer to approve the Minutes of November 20, 2019, as amended.

**Vote:** The motion passed unanimously by voice vote.

## **5. CITIZEN COMMUNICATIONS FROM THE FLOOR**

None.

## **6. COMMUNICATIONS FROM OTHER AGENCIES**

### **a. Santa Fe Conservation Trust (SFCT); Reporting for City Trail Volunteer Coordinator (Tim Rogers)**

Mr. Rogers reported to the Committee that the trail work has wound down. The group finished in La Tierra despite having to cancel a few days. They held an event last week to honor Margaret Alexander who is battling cancer. They placed a bench near Junction 42 near the north east corner of the La Tierra trail. Many visitors and former BTAC members attended to thank Ms. Alexander for her advocacy.

In January he will bring the total hours of volunteer work and youth field trips done for the year to the next meeting. The summary is included in the packet. Mr. Rogers mentioned the acequia trail, he followed up with MPO and Land Use to see if they can make sure the new subdivision can connect near the Sierra Azul subdivision. There may be some easements they can use. Next month he can provide a list of prospective dates of events.

The Railyard Conservancy will take the lead on Earth Day on April 26<sup>th</sup>. They may want to make it a longer event. The theme will be Climate Action.

### **b. Santa Fe Metropolitan Planning Organization Transportation Plan Update (Erick Aune, MPO)**

Mr. Aune and Leah Yngve from the MPO thanked Mr. Rogers for mentioning the Acequia Trail connection. They will also support Bike to Work Week.

Mr. Aune presented an update memo (See Exhibit A).

- The St. Michael's NMDOT/City roadways exchange agreement: The Mayor's Office and Public Works Dept. sent NMDOT a memo requesting additional items like the ADA improvements which will be done by NMDOT. A final exchange will include more after construction. Mr. Aune discussed possible lane reductions or a repaint or restripe for a bike lane.

- NMDOT/City Segment 3 which is critical.
- The City has received the Arroyo de los Chamisos study it is on the website. It is in Phase A there are two more phases.
- The City has received the North Guadalupe Road Review. The final designs will be available in the Railyard Offices on January 7<sup>th</sup>.
- Safe routes to school program- they provided the NMDOT a scope of work and a budget for the work on the grant.
- Protected Bike Lanes along Rufina has generated a lot of interest. Perhaps the On Road Subcommittee can give them some input.
- MPO Transportation Plan is complete.
- The MPO has completed a white paper regarding the shared scooter program.
- The MPO and Public Works Department is working on a multimodal transition plan that will look at key areas to look at connectivity.
- The Master Plan Graphic is on the web.

Mr. Spencer asked about the lane reductions on St. Michael's. Mr. Aune states it will not reduce the size but the number of lanes. Mr. Aune explained when NMDOT was considering it years ago they were to do a corridor study. NMDOT and the City have now switched roles. The City is thinking of options. The City is contemplating a full design knowing that it would consider going from 3 to 2 lanes.

Mr. Aune states an assessment looked at the volume of traffic lanes and the turning lanes. It is a unique corridor with large traffic volumes during the middle of the day.

Mr. Spencer asked if there was there any data to support that. Mr. Aune states the general volumes. They will need to conduct an additional corridor study.

Mr. Tallman asked if when they conduct the the level of service study, it is helpful to do it in two hour bins. Mr. Tallman asked if the roadway exchange is for ownership or construction. Mr. Aune explained they will fulfill their obligations and then decide.

Chair Vigil Coppler thinks this will all tie into the midtown district and make it more cohesive. In the future it would be nice and may slow down traffic.

Mr. Aune states the MPO would agree. All projects being compounded will work well together.

Ms. Wexler asked about the scooter sharing program. She suggests they include a requirement that youth wear helmets.

## **7. DISCUSSION**

### **a. Discussion and Action regarding a Budget Amendment Resolution (BAR) to Fully Fund Construction of CIP #454A – Rail Trail Extension Project from Alta Vista Street to Pen Road.**

Ms. Anderson from the Public Works Department presented a BAR for the Rail Trail Extension. The project was initially awarded and approved in 2017. The budget was set, there was some delay in getting a crossing agreement. Now that they are back on track the prices of materials has gone up.

The agreement was negotiated in April, they discussed with the contractor the prices have increased they are proposing to use the same contractor. They are still the lowest bidders.

In order to find the funds they are proposing to use other line items from unspent funds from other projects.

Mr. Spencer asked when construction would begin. Ms. Anderson states they have an approved contract they would just need a PO and can start in the spring.

Ms. Wexler asked if the funding being moved from another project affect the projects being complete. Ms. Anderson explained that these would be projects that are not ongoing.

Mr. Redner asked that she show him where the project ends on Pen Road.

Ms. Anderson explained it ties into the existing sidewalk on the west side. (See Exhibit B)

Mr. Redner asked what happens on Cordova Road.

Ms. Anderson states there aren't any signals being proposed. There is a cross walk.

Councilor Vigil Coppler stated the City Councilors discussed this and it was concerning for the amounts of funding needed for it. They all agreed to have all trail connections finished.

Ms. Anderson states part of the reason on the trail cost there is a lot of retaining wall that is what the cost is.

Councilor Vigil Coppler states there was mention of having NMDOT pay for it and they would not.

Mr. Spencer asked if the new crossing will be signalized for the crossing.

Ms. Anderson will have to check on it, but she believes that is where NMDOT wants to see this project complete as well.

**Motion:** Member Redner moved to approve the Budget Amendment Resolution. Member Spencer seconded the motion.

**Vote:** The motion passed unanimously by voice vote.

**b. Discussion and Action regarding recommendations for pedestrian phasing at intersection traffic signals (Sky Tallman, BTAC Member)**

Mr. Tallman explained it is a safety measure. In many intersections there are long waiting periods. If you don't arrive in time you have to wait for the cycle of lights. People will not wait and they put themselves in danger.

A discussion was held about the ideas from other cities. New Mexico has the highest pedestrian fatality rate.

Mr. Spencer states one thing that concerns him is to give them a head start and there aren't protected light cycles. In Colorado the walk light is on the NO TURN light comes on.

Mr. Tallman explained one good example is to have a yellow flashing yellow on Zia and St. Francis.

Chair Vigil Coppler asked staff to raise this matter with Mr. Romero. Mr. Sisqueros and staff will meet with him when he returns.

The Committee agrees to consent it be discussed at the staff level first.

## **8. BTAC SUBCOMMITTEE COMMUNICATIONS**

### **On-Road:**

Mr. Newhall attended the southern AZ bike summit. There was some interesting things, they have replaced most of the green arrow it is a flashing yellow. He rode through it and it seems to have worked. At St. Francis and Cordova the turn arrows should be yellow.

Mr. Newhall states there was a gentleman who started a multi-use loop and connecting roads that totals over 130 miles. They can do that here if they choose.

Mr. Newhall mentions Bikemaps.org has a map to collect data on pedestrian accidents reported.

Mr. Newhall states the subcommittee has continued to discuss the protected bike lanes.

Mr. Newhall passed out a photo of a bike trail that just drops off. (See Exhibit C) This is near Presbyterian near Beckner Road. There needs to be a warning of the drop off. It is a lawsuit waiting to happen.

Chair Vigil Coppler asked that staff bring this to the City's attention.

Mr. Tallman asked if they designate it on the MPO map would it show the ownership of that trail. Mr. Aune states when Presbyterian was building, they agreed to build trails to a point. When using the map it will go to MPO directly.

Chair Vigil Coppler asked who would handle this. Mr. Siqueiros states both Public Works and Land Use should check to see if it is in the City right of Way.

### **Education:**

Ms. Wexler reported that the subcommittee met and Mr. Spencer wrote some blogs on the safety issue of the River Trail. One thing he wrote is there are several issues, they have control of only some. Parks is overwhelmed with what they have already.

Ms. Wexler states they would like to see something more than rules and signage. They would like to unify users. The space is shared and how can they make that happen.

They would like to market and brand trail etiquette and possibly get a mascot. Striping on the trail and maybe some t-shirts etc. They could partner with local groups and organizations to develop a culture on how they use the trails. Maybe a kick-off event in conjunction with Bike to Work Week.

Mr. Spencer states the River Trail is wide enough but on the Eastern part downtown there are some signs that state trail ends soon, in Galisteo it narrows and there is not signage.

Mr. Siqueiros states they can discuss with the traffic engineers. He can look into it.

Mr. Spencer states if they think they are on a mutli-use trail and then it changes there needs to be signage.

Chair Vigil Coppler states there is a Resolution in place which states the education subcommittee is charged with the education of the signs to those who use the signs. She would like them to follow the Resolution. There is a full time PIO who posts online in social media who can help with that.

Ms. Wexler is unclear on the status of the subcommittee. She wouldn't feel comfortable without City staff helping. Chair Vigil Coppler states they will help.

Councilor Vigil Coppler explained the Resolution.

## **9. STAFF COMMUNICATIONS**

Mr. Siqueiros introduced Ms. Glorioso- Moss she will be staffing BTAC. He is retiring later in the year. He will help her get the meetings ready.

Chair Vigil Coppler thanked him and congratulated him on his retirement. Chair Vigil Coppler explained to the Committee that he is a main contact with all projects in the Railyard.

## **10. COMMITTEE COMMUNICATIONS**

Mr. Tallman states he was on the City's webpage. He could not find the most recent packet.

Chair Vigil Coppler explained the issues with the webpage and explained there will be a revamping of the website soon.

Mr. Tallman understands the City will be rewriting the Land Use Code he would suggest a subcommittee to take related code to work on.

Chair Vigil Coppler states they aren't sure if the interim director will continue with it, there has not been any direction. Mr. Tallman would volunteer if there would be a subcommittee.

## **11. COMMUNICATIONS FROM THE CHAIR**

Wished the Committee, Staff and those in the public who attend meetings Happy Holidays.

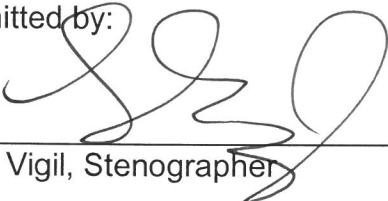

## **13. ADJOURNMENT**

With all business of the Committee being completed, the Chair adjourned the meeting at 6:27 pm.

Approved by:

## BTAC AGENDA ITEM SUBMISSION FORM

Please use the template below to submit agenda items for BTAC deliberation. The objective is to assure that deliberations are guided by an understanding of the action sought of BTAC, the pertinence of the proposal to BTAC's mission and objectives, and ultimately the expectations and obligations to which BTAC is agreeing when it takes action on an agenda item.

### 1. TITLE OR BRIEF DESCRIPTION OF THE AGENDA ITEM:

Funding requested to send a member of BTAC to the League of American Bicyclists National Bike Summit

**2. INTRODUCTION TO THE TOPIC:** A brief statement regarding origin of the agenda item and its relevance to the current activity of BTAC.

BTAC is the advisory group to the Santa Fe City Government on all things bicycling. The LAB Bike Summit is the annual meeting where critical issues related to bicycling as it relates to LAB strategy is discussed. As Santa Fe is a Silver level Bicycle Friendly Community and wishes to advance to a higher level and become more bicycle friendly for transportation, health, and environmental reasons, it behooves us to have a seat at the table.

**3. BTAC ACTION BEING SOUGHT:** Most BTAC deliberation is intended to achieve one of three outcomes. If appropriate be prepared to suggest a formal motion to the meeting floor for debate, discussion and vote.

**\*To inform:** The purpose is to inform board members of the actions/thoughts of the presenting group and to provide an opportunity for discussion and questions. (E.g., an update from a standing or ad-hoc subcommittee) **No action from BTAC is sought.**

**\*To discuss:** BTAC agrees that a preliminary proposal is worthy of further discussion. **A possible motion to direct** an individual to review the issue and return at a specified time with a formal proposal for action is sought.

**\*Ta act:** BTAC supports a plan that requires outlining actions and obligations for Board members and/or Staff. **A motion clarifying objectives, expectations and obligations of Board and/or Staff** is sought.

This proposal is to ask the city to ask and requests travel and lodging funds to send one member of the BTAC to Washington for the annual LAB National Bike Summit.

**4. ESTIMATION OF COST AND/ TIME:** Who would be responsible for costs and/or BTAC or staff time? Has affected BTAC member or staff been apprised of the proposal and do they understand the obligations?

No discussion yet. The city would be responsible for providing travel funds for a member of the BTAC to attend.

**SANTA FE CONSERVATION TRUST**  
**REPORTING FOR CITY TRAIL MAINTENANCE, CONSERVATION, AND DEVELOPMENT**  
**December 2019**

<b>TASKS TO BE COMPLETED</b>	<b>NOTES</b>	<b>Staff</b>
<b>1) <u>NEEDS ASSESSMENT</u></b>	Scope out condition of Camino Cruz Blanca Trail; discuss bench work day with Henry Lanman; scope out La Tierra Trails for bench and trail work	Rogers
<b>2) <u>RESEARCH &amp; FUNDING</u></b>	Research and discuss Safe Routes to Parks Grant Opportunity with Elena Kayak of SFPS, Sarah Noss of SFCT, assist with application by Bike Santa Fe and Velo New Mexico including support letter from City Parks. Research and discuss NMEDD Outdoor Recreation Grants and IMBA Trail Accelerator Grants; discuss City contract payment with John Munoz and Richard Thompson of City Parks	Rogers, Noss
<b>3) <u>STEWARD RECRUITMENT</u></b>	Schedule / Consult on / Cancel work day at Camino Cruz Blanca Trail by email and on web site. Email Outdoor Recreation Division, Outside Magazine, meet with Walter Futrell of NMVFO re 2020 work. Margaret Alexander Recovery Bench Work Day Dec. 11: Invite Journey/Montesorri school, Comm with trail volunteers, plan w Henry Lanman, NM Stone, and Sarah Noss, and publicize via e-mail and on web site.	Rogers, Noss
<b>4) <u>TRAIL MAINTENANCE</u></b>	Margaret Alexander Recovery Bench Work Day Dec. 11, w. of Junction 32, including trail maintenance work s. of Junction 31 following bench installation and celebration.	Rogers, Noss
<b>5) <u>TRAINING &amp; EDUCATION</u></b>	Read NACTO guidelines on bike lanes and cycle tracks, Respond to inquiry on Five ft to pass law in Santa Fe and elsewhere in NM, meet with Walter Catrell of NM Volunteers fo the Outdoors to discuss trail maintenance approaches.	Rogers
<b>6) <u>COMMUNITY EVENTS / PROMOTION</u></b>	Review and update SFCT and Trails Alliance of Santa Fe web sites, edit calendar material; Make Year-end calculations for field trips and work days, share with SFCT Board and staff; 2020 Dates research and share; Major Donor Party; Mass email: SFFTS, Core Crew, work day; get back to caller on La T Trails inquiry; Vamonos/Santa Fe Walks Planning meeting; edits to email blast; local trail info. to maker of Adventure Maps; Earth Day Brainstorming with Railyard Park Conservancy.	Rogers, Noss, Houser, Smogor
<b>7) <u>CITY CONTACTS</u></b>	Submit report to BTAC for November; Discuss w R Thompson of Parks needs for CCB Trail and La T bench; BTAC On road subcommittee discussion; Share Agua Fina / Acequia Trail map and comments with R Thompson, MPO, Bob Siqueiros, City Land Use staff Lee Logston; send photo of trail etiquette signage on AC Trail to RT; draft/share letter of support for Safe Routes to Parks application with RT; Prepare for, attend BTAC; discuss City contract billing with John Munoz and Richard Thompson.	Rogers, Yeomans, Noss

**SANTA FE CONSERVATION TRUST**  
**REPORTING FOR CITY TRAIL MAINTENANCE, CONSERVATION, AND DEVELOPMENT**  
**December 2019**

<b>8) <u>PLANNING / COORDINATION</u></b>	Plan for trail work in 2020; email w NMSD and I Ride NM re Acequia Trail pump track; RA County / Chili Line Research; discuss Santa Fe Estates land deal with City; comm w Judith Seltzer re CCB trail; Greater Santa Fe Recreation Partnership meeting; Review communicate with BSF, SFPS, Velo NM re SRTP application; inquire to MPO update info; create maps for NOCS and RamThom; Research planned alignments for Arroyo Chamiso and Acequia Trails; Create Map of Lots around Acequia Trail near Agua Fina subdivision, discuss situation re Las Acequias Park with Richard Thompson, Lee Logston et al.; Pick up plats around Agua Fina subdivision re Acequia Trail	Rogers, Noss
<b>9) <u>REPORTS</u></b>	Submit report to City Parks and BTAC for November; record hours for SFCT and city reporting; post photos and text on events on web site; Finalize annual tallies for trail work; report to BTAC on Dec. 18	Rogers
