

**JANUARY 9, 2018
NOTE TO BIDDER'S
ADDENDA #2 to BID # '18/07/B**

POLICE DEPARTMENT UNIFORMS

Please be advised of the following change/clarifications in this packet:

The deadline for receipt of proposal has been extended to **January 18, 2018 at 2:00 pm.**

Listed below are the questions that have been raised concerning the aforementioned bid.

Question 1:

- Example 1: Special Ops, Line 170 asks for "HIGH SPEED GEAR MOLLY POUCHES" HSG offers an extensive list of molle pouches so we would not be able to provide one single price for that line item since there are various different types and functions of the molle pouches. **Please provide an overall percentage discount.**

Question 2:

- Example 2: Special Ops, Line 163, it asks for "12, 24, 72 BACK PACKS VARIOUS COLORS" each of those numbers identifies a size (by hour) of usage for each back pack so the pricing for each size back pack will vary. **Please provide an overall percentage discount.**

Question 3:

- Example 3: Special Ops, Line 141, it asks for "1/4 TO 6" ANKLE SUPPORT BOOTS VARIOUS COLORS" - Danner carries more than one option that can fit that request. **Please provide an overall percentage discount.**

Question 4:

- There is also a requirement for signed "Point of Assembly Factory Forms" from all manufacturers listed on the bid. Due to recent holiday delays and overseas contact time restraints, would it be possible to provide those as part of the Delayed Compliance process after any award notification vs. at the time of the bid?
Signed Pont of Assembly Factory Forms is required with bidder submittal.

All other pertinent information to remain the same.
