The question period has been extended to February 12, 2020

Please note you must acknowledge receipt of all addendums in your bid submittal.

The following questions were asked:

- **Question #1:** If the NM Resident Preference # has not been received yet, but the application has been submitted, could a copy of the application and check # be provided as proof?

Answer #1: Yes, a certificate must be provided prior to contract award.

- **Question #2:** If an Equal Opportunity Compliance Report has never been filed, is there a form that can be filled out indicating that we are an EEO employer?

Answer #2 : If you were ever part of a project regulated under Executive Order 11246 (30 F.R. 12319-25) that required EEO certification, you would have been notified to file a compliance report. If you have not participated in such a project, you are not required to file.

- **Question #2:** The bid document says there is NOT a Bid Security needed on page 5 but then has the Bid Surety forms listed later in the document so I'm not sure if we need a bid bond or not and I don't see the rate of the bond listed if we need one?

Answer #2: Yes, a bid bond is required.

Bonds: Bid Security in the form of a surety bond executed by a surety company authorized to do business in the state of New Mexico in the amount of five percent **(5%)** of the total bid, or the equivalent in cash by means of a cashier's check or in a form satisfactory to the Owner, must accompany each bid in accordance with the Instructions to Bidders.
