The use of subcontractors is not allowed. The prime contractor shall be wholly responsible for the entire performance of the contractual agreement whether or not subcontractors are used. Additionally, the prime contractor must receive approval, in writing, from The Department awarding any resultant contract, before any subcontractor is used during the term of this agreement.

5. Amended Proposals

An Offeror may submit an amended proposal before the deadline for receipt of proposals. Such amended proposals must be complete replacements for a previously submitted proposal and must be clearly identified as such in the transmittal letter. **The Department or the Central Purchasing Office personnel will not merge, collate, or assemble proposal materials.**

6. Offeror's Rights to Withdraw Proposal

Offerors will be allowed to withdraw their proposals at any time prior to the deadline for receipt of proposals. The Offeror must submit a written withdrawal request addressed to the Central Purchasing Office and the Procurement Manager and signed by the Offeror's duly authorized representative.

Responses to this RFP, including proposal prices for services, will be considered firm for one-hundred eighty (180) days after the due date for receipt of proposals or ninety (90) days after the due date for the receipt of a best and final offer, if the Offeror is invited or required to submit one.

8. Disclosure of Proposal Contents

The contents of all submitted proposals will be kept confidential until the final award has been completed by The City. At that time, all proposals and documents pertaining to the proposals will be available for public inspection, *except* for proprietary or confidential material as follows:

- a. ***Proprietary and Confidential information is restricted to:***
 1. confidential financial information concerning the Offeror's organization; and
 2. information that qualifies as a trade secret in accordance with the Uniform Trade Secrets Act, §§57-3A-1 through 57-3A-7.
- b. An additional but separate redacted version of Offeror's proposal, as outlined and identified in Sections III.B.1.a.i and III.B.2.a.i, shall be submitted containing the blacked-out proprietary or confidential information, in order to facilitate eventual public inspection of the non-confidential version of Offeror's proposal.

IMPORTANT: The price of products offered or the cost of services proposed **SHALL NOT** be designated as proprietary or confidential information.

If a request is received for disclosure of proprietary or confidential materials, the City Attorney and the Chief Procurement Officer shall examine the request and make a written determination that specifies which portions of the proposal should be disclosed. Unless the Offeror takes legal action to prevent the disclosure, the proposal will be so disclosed. The proposal shall be open to public inspection subject to any continuing prohibition on the disclosure of proprietary or confidential information.

9. No Obligation

This RFP in no manner obligates The City or any of its Departments to the use of any Offeror's services until a valid written contract is awarded and approved by appropriate authorities.

10. Termination

This RFP may be canceled at any time and any and all proposals may be rejected in whole or in part when the Department determines such action to be in the best interest of the City of Santa Fe.

11. Sufficient Appropriation

Any contract awarded as a result of this RFP process may be terminated if sufficient appropriations or authorizations do not exist. Such terminations will be affected by sending written notice to the contractor. The Department's decision as to whether sufficient appropriations and authorizations are available will be accepted by the contractor as final.

12. Legal Review

The Department requires that all Offerors agree to be bound by the General Requirements contained in this RFP. Any Offeror's concerns must be promptly submitted in writing to the attention of the Central Purchasing Office and the Procurement Manager.

13. Governing Law

This RFP and any agreement with an Offeror which may result from this procurement shall be governed by the laws of the State of New Mexico.

14. Basis for Proposal

Only information supplied in writing by the Central Purchasing Office and the Procurement Manager or contained in this RFP shall be used as the basis for the preparation of Offeror proposals.

15. Contract Terms and Conditions

The contract between the Department and a contractor will follow the format specified by The City and contain the terms and conditions set forth in the Draft Contract Appendix I. However, the contracting Department reserves the right to negotiate provisions in addition to those contained in this RFP Draft Contract with any Offeror. The contents of this RFP, as revised and/or supplemented, and the successful Offeror's proposal will be incorporated into and become part of any resultant contract.

The City discourages exceptions from the contract terms and conditions as set forth in the RFP Draft Contract. Such exceptions may cause a proposal to be rejected as nonresponsive when, in the sole judgment of The City (and its evaluation team), the proposal appears to be conditioned on the exception, or correction of what is deemed to be a deficiency, or an unacceptable exception is proposed which would require a substantial proposal rewrite to correct.

Should an Offeror object to any of the terms and conditions as set forth in the RFP Draft Contract (**APPENDIX I**) strongly enough to propose alternate terms and conditions in spite of the above, the Offeror must propose **specific** alternative language. The City may or may not accept the alternative language. General references to the Offeror's terms and conditions or attempts at complete substitutions of the Draft Contract are not acceptable to The City and will result in disqualification of the Offeror's proposal.

Offerors must provide a brief discussion of the purpose and impact, if any, of each proposed change followed by the specific proposed alternate wording.

If an Offeror fails to propose any alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror), no proposed alternate terms and conditions will be considered later during the negotiation process. Failure to propose alternate terms and conditions during the procurement process (the RFP process prior to selection as successful Offeror) is an **explicit agreement** by the Offeror that the contractual terms and conditions contained herein are **accepted** by the Offeror.

16. Offeror's Terms and Conditions

Offerors must submit with the proposal a complete set of any additional terms and conditions they expect to have included in a contract negotiated with The City. See Section II.C.15 for requirements.

17. Contract Deviations

Any additional terms and conditions, which may be the subject of negotiation (such terms and conditions having been proposed during the procurement process, that is, the RFP process prior to selection as successful Offeror), will be discussed only between The City and the Offeror selected and shall not be deemed an opportunity to amend the Offeror's proposal.

18. Offeror Qualifications

The Evaluation Committee may make such investigations as necessary to determine the ability of the potential Offeror to adhere to the requirements specified within this RFP. The Evaluation Committee will reject the proposal of any potential Offeror who is not a Responsible Offeror or fails to submit a Responsive Offer as defined in §13-1-83 and §13-1-85, NMSA 1978.

19. Right to Waive Minor Irregularities

The Evaluation Committee, upon approval from the Chief Procurement Officer, reserves the right to waive minor irregularities, as defined in Section I.F.23. The Evaluation Committee also reserves the right to waive mandatory requirements, provided that all of the otherwise responsive proposals failed to meet the same mandatory requirements and the failure to do so does not otherwise materially affect the procurement. This right is at the sole discretion of the Evaluation Committee.

20. Change in Contractor Representatives
